## Touch-A-Truck Sidney Sept. 9

By Jaymi Mozeak

The 4th Annual "War in Watford", a family friendly event with fun for all ages, will take place on Friday, Sept. 8, and Saturday, Sept. 9, starting at 7 p.m.

The Minot Minotauros and Bismarck Bobcats will battle it out on the ice. Those two teams are part of the NAHL Central Division. The teams are all junior hockey

teams. According to the NAHL website, www.nahl.com, the NAHL is part of the USA Hockey National Junior Development Model, which includes the USHL and the US National Team Development Program. The NAHL works closely with NCAA College Hockey, the NHL, the USHL, and USA Hockey's National Development Program in order best

serve as an imperative piece in the development system for collegiate and professional hockey. All NAHL hockey teams are privately owned and operate as a business similar in structure and business operations as those involving professional hockey teams. Such operations include ticket sales, corporate sales, broadcasting, and community-based

initiatives and outreach programs. NAHL athletes are provided the opportunity to develop, learn, train, grow, and succeed while playing for free.

On Sept. 8 and 9 the game starts at 7 p.m., but the doors open at 5:30 p.m. There will be concessions, a cash bar, 50/50 tickets, chuck-a-puck, jersey auctions, intermission games,

and a chance to win a 2023 Dodge Ram pickup. While there is a hockey club in Watford City, NAHL games are not normally played there. The Rough Rider Center has a long-standing relationship with the two teams and everyone comes together to bring the War in Watford to the ice.

Mamas Helping Mamas, under the direction of Rylee Schroeder and Jaden Sovern, will be presenting the first annual Touch-a-Truck Event on Sept. 9 from 2-5 p.m., at the Richland County Fairgrounds.

There will be fire trucks, cop cars, and construction equipment for families with younger kids to gather and get hands on with the vehicles of our town that make it a safe and a functioning community. Vendors and food trucks will also be available.

"We have seen other communities put on the event with a great turn out and figured why not bring that here?", said organizer Jaden Sovern.

There is no cost for the event, but attendees are asked to bring a canned good to donate to the food bank, or size 5/6 diapers or a new baby outfit to donate to the Sunrise Women's Clinic.

If anyone would like to donate to Mamas Helping Mamas, sponsor Touch-a-Truck, bring a vehicle to the event, or even set up an informational booth at the event, please email mamasmamas23@gmail.com. The organizers are also looking for booths with activities for the kids.

Let's kick off the new school year with a little more outdoor fun before the unpredictable Montana winter hits.

## "Light The Night" Set To Honor Area Cancer Patients & Bring Awareness Of Cancer Support Services Sept. 14

Sidney, MT - Sidney Health Center Cancer Care and the Foundation for Community Care are coordinating the annual "Light the Night" event, set to take place Thursday, Sept. 14 at the Foundation for Community Care, Sidney. "Light

the Night" raises money to honor cancer survivors as well as loved ones who have been lost, and helps ensure the continuance of quality cancer treatment in Richland County.

The public is invited to stop by the Foundation

for Community Care, 221 2nd St. NW, Sidney, from 5-8 p.m. There will be a luminary display honoring those affected by cancer as well as information regarding local and state resources for those going through cancer.

New to the event this

year, Becky Franks, Cancer Support Community Montana CEO, will be onsite to share information about the programs that are available when a person is diagnosed with cancer or has a loved one diagnosed with cancer.

Cancer survivors, caregivers and community members are invited to attend one of two short presentations at 5:30 p.m. and 7 p.m., during "Light the Night." Attendees will learn about the dozens of programs and services that are available to improve quality of life and find hope and healing during a cancer experience. All the featured programs through Cancer Support Community Montana are offered free of charge.

Each year, the Foundation for Community Care sells individual lanterns in memory or honor of loved ones who have battled can-

cer. These lantern lights will be on display the evening of Sept. 14 around the Foundation's building, illuminating the night with purpose and passion for those affected by cancer. Individuals can also buy garden solar lights to display in their own yards in honor of their loved ones. The luminary and garden solar lights are on sale now for \$10 each at the Foundation's website or through the office.

In addition, the Smokehouse from Reynolds Market will be onsite offering take-and-go meals from 5-7 p.m. The meal includes a bacon/cheddar brats, mac and cheese with brisket, chips and bottled water for \$10 per serving.

## Arnegard Spud Fest Sept. 9

By Jaymi Mozeak

Arnegard and the surrounding community will be celebrating the long potato-growing heritage of the area. The Arnegard Spud Fest will be held at Arnegard's Nelson Park on Saturday, Sept. 9, from 11 a.m.-8 p.m.

With an early McKenzie County Fair causing it to be difficult for locals to grow produce and show off what they have grown and with the scarcity of area harvest festivals, the Arnegard North Dakota Park District will hold its first annual Arnegard Spud Fest to celebrate the harvest and the area's rich agricultural heritage.

Along with the usual harvest festival festivities, the 2023's Arnegard Spud Fest will have food, live music, vendors, face painting, a style show, free games, crafts, hayrides, pumpkins, raffles, potato sack races, and open horseshoe and cornhole tournaments.

There will also be judging of produce, canned goods, and baked goods. All produce and canned goods presented for judging are to be entered at the park on the evening of Sept. 8 and baked goods are to be entered on the morning of Sept. 9.

Updates and times and events can be seen on the Arnegard Park District's Facebook page. MNAXLP

Funeral services for Gerhard "Gerry" Reichenbach, 84, Fairview, MT, were held Wednesday, Aug. 30, 2023 at 10 a.m. at Zion Lutheran Church, Fairview, MT, with Pastor Phil Fenton officiating. Visitation was Tuesday Aug. 29, 2023 from 10 a.m.-5 p.m., followed by a Friends and Family Service at Fulkerson-Stevenson Memorial Chapel, Sidney, MT. Fulkerson-Stevenson Funeral Home, Sidney, MT, is assisting the family. Remembrances, condolences, and pictures may be shared with the family at [www.fulkersons.com](http://www.fulkersons.com).

Gerhard "Gerry" Ewald Reichenbach passed peacefully at the Sidney Health Center in the early morning of Aug. 24, 2023.

Gerry was born in Germany on Jan. 21, 1939, and arrived in Fairview, ND, after a short stay in Oklahoma with his father Ewald, mother Charlotte, and five siblings, brothers Walter and Ullrich and sisters Waltraut, Gisela and Evelyne. In 1957, the family became US citizens.

Gerry followed in his father's farming footsteps. Known for hard work, he helped several local farmers - learning from them as well, but not until after the family farm work was finished. He still found time to join the Fairview Boxing Club. Under the tutelage of Bud Starr, Gerry, along with several local stars helped put Fairview on the national map by bringing home a 1963 Heavyweight Golden Glove Championship.

In 1964, Gerry married a local girl - Beverly Ann Biehl. They bought a farmstead in 1966 and started their family.

Gerry was chosen to be the honored "Old Timer" at 2023's Fairview Old Timer's Festival, which was his most cherished achievement. He was an active pillar of the Fairview community, participating in the Jaycees, school and church boards, and awarded multiple Key Man awards.

Gerry was preceded in death by his parents, Ewald and Charlotte, and two daughters: Lori age 17 and Lisa at birth.

Surviving Gerry are all his siblings, loving wife Beverly, son Bret Reichenbach and his children Dane, Garrett and Reed; Lynda and KC Snyder and their children Mackenzie, Ty and Taysha; Brenda and Jeris DeBoer and their children Chase, Alexis, Faith, and Nevaeh; a supporting community of friends, and a mournful flock of 50 some sheep in summer pasture.

**Marlene Fisher, 77 Sidney, MT**

**Marlene Fisher**

Mass of the Christian burial was held Tuesday, Sept. 5, 2023 at 11 a.m. at St. Bernard's Catholic Church, Charlie Creek, MT, with Father Jim O'Neil officiating. Visitation was on Monday, Sept. 4, 2023 from 4-6 p.m. at Fulkerson-Stevenson Memorial Chapel, Sidney, MT. Wake services were held on Monday, Sept. 4, 2023 at 6 p.m. at Fulkerson-Stevenson Memorial Chapel, Sidney, MT. Fulkerson-Stevenson Funeral Home, Sidney, MT is assisting the family. Remembrances, condolences, and pictures may be shared with the family at [www.fulkersons.com](http://www.fulkersons.com).

Marlene Kay Leischner Fisher was born to William "Bill" and Mabel Leischner on Sept. 8, 1945, in Miles City, MT.

After graduating high school, she went on and received her teaching certificate from Miles City Community College after two years. It was then when she accepted a teaching position teaching first, second and third grades for one year at the Spring Lake Country School in Richland County before getting set up on a blind date with who would end up being her husband.

Mike and Marlene were set up by their friends Donny and JoAnn Rosaaen in 1966 and in Mike's words — "The rest was history." They were wed on Jan. 28, 1967, at Sacred Heart Catholic Church, Miles City, MT. Marlene's family had their doubts and said they wouldn't last a year, but 56 years later here we are. To this union came Shelley in 1970 and then by surprise came Missy, 17 months later in November 1971.

Marlene served as St. Bernard's Altar Society secretary-treasurer for 35 years. Mike and Marlene drove school bus for 13 years. It was not long after Missy was born that Marlene would start selling Avon. She was known as the local Charley Creek Avon lady for roughly 40 years or more. She not only loved doing it as a hobby, but she also loved getting to visit the neighbor ladies and made many lifelong friends. They would rummage through her Avon bag while often enjoying a cold beverage and snack.

Marlene then substituted off and on at the school before taking a full-time teachers' aide position in the special ed room. By the time she retired she had dedicated 30 years to Poplar Schools.

Marlene's life really started when Sam and Ty came into this world in 1994 and 1997. They were her true pride and joy. Mike and Marlene traveled all over eastern Montana to watch them in baseball, softball, and other school activities. They never missed a thing and enjoyed many summer trips with the kids as they spent many summers with them while they grew up.

She may have enjoyed her grandchildren, but her great granddaughters, Leighton and Laynie, also brought her so much pride and joy. She loved the chaos they brought to the house when they visited. We truly believe they are what kept her going during her final years.

In January 2021 Marlene suffered a massive stroke and was flown to Fargo, ND, where she was treated, then she was sent to Billings, MT, for rehab therapy. That was the start of all the therapy and hospital visits related to the stroke.

Marlene gained her angel wings peacefully on the morning of Aug. 25, 2023, in her home, with Mike, Shelley, and Missy by her side.

Marlene is survived by her husband Mike, Sidney; daughters Shelley, Charley Creek and Missy, Culbertson; granddaughter Samantha (Jimmy), Culbertson; grandson Ty (Gracie), Charley Creek; great granddaughters Leighton and Laynie; half-brothers Casper and Gordon Berger; brother-in-law Jerry (Linda) Fisher; along with numerous nieces and nephews.

Marlene is preceded in death by her parents Bill and Mabel Leischner; stepfather Casper Berger; brothers Keith Leischner and Bill Leischner; sister-in-law Ann Leischner; sister Mary Lou Schmidt; brother-in-law Ervin Schmidt; mother and father-in-law Mary and George Fisher; brother and sister in law Dan and Cherie Fisher; along with numerous niece and nephews.

Myers has two comedy specials on Amazon Prime, and his antics have been featured by BuzzFeed, Newsweek, College Humor, Rel-

evant Magazine, and many more! Amanda El-Dweek will kick off the evening with her charming and relatable take on everyday life. El-Dweek is a syndicated cartoonist based in Watford City. The Comedy Café event serves as a fundraiser for Bakken Oil Rush Thrift Store, which provides one of the area's only thrift stores to help people who are struggling to provide basic needs for their families. Catch it on Oct. 20.

Later in the fall, on Nov. 16, award-winning piano entertainer Jason Lyle Black will take the stage with clever arrangements, fun stories and onstage charm that has won countless fans throughout the world. # E-erase Your E-waste Sept. 8 & 9 Sidney & Fairview

Submitted by Heather Luinstra, RS Richland County Sanitarian

This year's annual E-erase your E-waste event is set for Sept. 8 and 9, so clear out those closets and storage sheds and recycle all of those damaged and obsolete electronics for free.

"We've had a number of questions from people asking about our fall event, so we are excited to let everyone know that the dates have been set," event coordinator Heather Luinstra said early this month. "Once again we have partnered with Yellowstone E-Waste Solutions, Billings, and we will host a joint event with the Town of Fairview. Collection times for the weekend event in Sidney are from 3-7 p.m., Friday, Sept. 8, and 9 a.m.-noon, Saturday, Sept. 9. The collection site will be at the Richland County Shop, right next to the fairgrounds.

Fairview's collection event is on Saturday, Sept. 9

from 10 a.m.-noon. The Fairview location will be at the water station on 9th Street.

"Just like many other markets that we are seeing changes in lately, this year we will see a few changes to what our recycling partner is able to accept to recycle. Unfortunately, this year, we cannot accept any TVs, and we cannot accept any large copy machines. However, our recycler does accept all

rechargeable batteries and even car batteries, as long as they are in good shape and not damaged," said Luinstra.

As in past years, local businesses, hospitals, school and other agencies and organizations with large amounts to e-cycle are asked to make an appointment by calling Luinstra at the Richland County Health Department 406-433-2207 or emailing [heather.luinstra@richland.org](mailto:heather.luinstra@richland.org).

# Martha's Place To Hold Barn Dance Fundraiser In September

By Jaymi Mozeak

Martha's Place, a non-profit organization established to develop a home-like environment for the residents in eastern Montana, will be holding a barn dance Saturday, Sept. 16, at the Richland County Fairgrounds. It will be a fundraiser for the construction that needs to be done to bring the future hospice into existence.

On Aug. 9, 2022, a ribbon cutting for a new non-profit hospice house, just south of Sidney, tasked with providing the dying with a safe and supportive environment for them to move to the other side.

Martha Nugent and her husband, Richard Garcia, were living in Texas when she felt God gave her a vision that she would build a hospice called Martha's Place. She has a passion for the elderly and the dying so she chose a career encom-

passing her interests. They moved to Sidney in 2020 for her work and joined St. Matthew's Catholic Church. In 2021, a fellow parishioner approached Martha and her husband. He had just purchased a large house at an auction and said he wanted to do something for the elderly with it and thought of them. Richard and Martha, both felt it was God providing for what He wanted her to do. The work was started and, on June 27, 2022, the non-profit paperwork was finally accepted by the IRS.

Martha's Place will be available to anyone who chooses not to die in a facility regardless of social status or ability to pay. So far, the project has been paid for by fundraisers, donations, and grants.

The barn dance will be held in the cattle barn at the fairgrounds starting at 5 p.m. Cimarron Band from Billings will be playing live

music. The Cattle-Ac will be providing food and drinks. There will be a mechanical bull, live, and silent auctions. Martha's Place wanted to offer special thanks to Bakken Balloon for their balloon decorations as well as Ryan and Nicki Bell for the haybales.

Four admission tickets for the National Finals Rodeo 2023 in Las Vegas, NV, Dec. 7-16, 2023 at the Thomas and Mack Center are being raffled off as an additional fundraiser. Raffle tickets will go on sale Monday, July 17-Sept. 15, at Wild Cat Trucking, Sidney. Raffle tickets will also be available for purchase at the Barn Dance until 8 p.m. The winner will be announced at the Barn Dance at 9 p.m.

For more information or to donate items for the live and silent auctions, contact Martha by phone at 832-330-4931 or check them out on Facebook.

# OBITUARIES

## Mackenzie Jade Hall, 21 Rocky Ford, CO, formerly of Fairview, MT

A Celebration of Life for Mackenzie Jade Hall, 21, Rocky Ford, CO, formerly of Fairview, MT, will be Thursday, Sept. 14, 2023 at 11 a.m. at Zion Lutheran Church, Fairview, MT, with Pastor Timothy O'Shields officiating. A luncheon will follow the Celebration of Life at the Zion Lutheran Church, Fairview, MT.

Mackenzie Jade Hall

Mackenzie Jade Hall was born on Sunday, Feb. 3, 2002, in Denver, CO, to Kirstin (Fischer) and Richard Hall. She was the most beautiful Superbowl baby, and oh, so very loved!

Her childhood summers were spent riding bike (until she got her driver's license), swimming, looking for the man in the moon, having sleepovers, vacationing to Texas to visit family in which she absolutely got a kick out of riding around with her Grandma Joyce (an ex-racecar driver) in the van, contributing her help at Richard's Ribz, and attending Eastern Montana Bible Camp.

She had such a great love for the Lord and sometimes would walk to Church service by herself. During the winters, she treasured Christmas break with family and friends, and sledding with Jaedyn behind Papa's pickup in the horse pasture.

Mackenzie was such an elaborate storyteller, that her

teacher finally had to ask her parents if she really did have a horse! Yes, Princess really did exist, however, her bouncy horse, Lightning, was the fastest horse on the Fischer Ranch! The school bus (Papa) would pick up Mackenzie and Jaedyn every school day, and Thursdays would give them popcorn money. They would often argue over who got to sit in the front seat. I can almost guarantee that Jaedyn rarely triumphed in that dispute! Although Papa's pickup was white, Mackenzie named it Ol' Blue.

Mackenzie attended school in Fairview and Sidney. She was in basketball, volleyball, speech and drama, and excelled academically. In grade school she played the trumpet and loved music of all kinds. She had the most beautiful singing voice. She was a remarkably creative writer and artist. She even went through a crafting phase. She was extremely smart, helpful, generous, sassy, and always the funniest person in the room. She was very confident in herself and didn't care about what others might think.

She was incredibly excited about her new job as a Digital Marketer. Her passion for cooking began at age 3 and her dream of becoming a chef soon took shape. She even made up her own study flashcards. She liked to throw in secret ingredients and wanted you to guess what they were. She treasured her time spent working with her parents at Richard's Ribz. She had her own smoker and was a BBQ pitmaster. When she was little, she referred to ribs as meat sticks. To this day, that is what we call them.

She cherished spending time with her family and friends. She looked forward to the summers when her cousins would get to visit them. She loved babysitting her cousin, Gabrielle. She had a gift in caring for little kids and they flocked to her. She absolutely adored her sister, Jaedyn Denise. They loved like sisters, but sometimes could brawl like brothers. She was so proud of Jaedyn's accomplishments and was sure to let her know. They often backed up each other's completely made-up stories. One, in fact, was just to get some of her Gaga's good cooking, even though they had already eaten lunch at home. Mackenzie said, "Sometimes my mom forgets to feed us. She won't give us lunch or anything." Jaedyn is nodding her head in agreement. Gaga asked, "She doesn't

feed you?" Mackenzie said, "No." Jaedyn said, "Me too." Gaga asked, "Why?" Mackenzie said, "I guess it's 'cause she's a single mom."

Mackenzie was baptized by Pastor Josh Magyar and Pastor Geoge Karres at Pella Lutheran Church, Sidney, MT, and confirmed in her faith by Pastor Roberta Pierce at Zion Lutheran Church, Fairview, MT. Mackenzie's 12-year-old self, while suffering from Bell's Palsy, left us all words to live by, "If anyone out there is going through something rough, just remember God absolutely will not give you anything you can't handle, because He loves you." Mackenzie was called home to be with Jesus on Thursday, July 20, 2023, surrounded by her family. She will forever be loved and missed. Isaiah 43:1 But now, thus says the Lord, who created you, O Jacob, And He who formed you, O Israel: "Fear not, for I have redeemed you; I have called you by your name; You are Mine."

Mackenzie is survived by her parents, Kirstin and Richard Hall, sisters, Rae'Ven and Jaedyn Hall, grandparents, Aldis and Dennis Fischer, great grandma, Doris Olson, aunts, uncles, and cousins, (Teena, Vanity) Regina Scott (Chazzer, Chaddrick, Kiandra, Mataya) Stacy Holmes (Krysta, Bowen) Coby Fischer, Chad and Becky Philippi (Jaedon, Dylan, Brooklyn) Kyla Fischer (Gabrielle).

Preceding her in death are her grandma Joyce Holmes, uncle James Hall, great grandparents Kathryn and JD Maxwell, Alton Olson, Gabriel and Viola Fischer, and her beloved dog Brandie.

## Ruth Fraser Lawrance, 101, Regina, SK, formerly of Savage, MT

Funeral services are planned for Ruth Fraser Lawrance, 101, Regina Sk, formerly of Savage, MT, at Yellowstone Community Church, Savage, MT, at 11 a.m. Wednesday, Sept. 13, 2023. A luncheon will follow the service. Full obit to follow.

# Make Plans To Meet In Watford City For Wild West Weekend!

Submitted by **Jessie Veeder Scofield, Long X Arts Foundation Director**

The McKenzie County Cowboy Association is hosting the 2023 North Dakota Rodeo Association Finals on Friday, Sept. 22 and Saturday, Sept. 23 indoors at the new McKenzie County Ag Expo, Watford City, ND. With three rounds of rodeo, a western art and vendor show, a Cowboy Poetry Gathering, Kids Cowboy Bootcamp, mechanical bull riding and two nights of rodeo dancing, there will be fun for the entire family to enjoy!

The Western Art and Vendor show kicks off the weekend on Friday, Sept. 22 from 6-8 p.m. in the Ag Expo Exhibit Hall. Shop over 20 western artists and vendors specializing in western themes and gear from across the region. Explore large and small scale paintings, glass, leather, wood-working, hats, ropes, boots, boutique clothing, jewelry and more.

Right across the hall the first round of the NDRA Rodeo kicks off at 7 p.m. featuring the state's best cowboys and cowgirls competing in

bronc and bareback riding, steer wrestling, team roping, breakaway roping, calf roping, barrel racing, bull riding and more. The High School Cowboys Wild Horse Race in memory of Coy Hepper is a must see at all three rodeos. Make sure you bring the kids for the boot race!

After the rodeo, Western Montana's retro classic country band, "Sam Platts and the Plainsmen," will be set up at the dance floor in the exhibit hall both Friday and Saturday night. The band has been regular performers at the National Cowboy Poetry Gathering in Elko, NV, and specialize in familiar western dance music and country standards. Sit and listen, take a swing around the dance floor or try your skills on the mechanical bull. A cash bar and concessions will be available both evenings.

On Saturday grab your breakfast at the Ag Expo at the Flannels and Flapjack Cowboy Breakfast benefiting a local charity. Contestants will be available at the breakfast for meet and greet and autograph signing.

The Western Art and Vendor show continues in

the exhibition hall on Saturday from 11 a.m.-8 p.m. with art demonstrations and classes scheduled throughout the day. Bring your kiddos to the Cowboy Bootcamp and Canteen where they can learn how to dress like a cowboy, saddle a horse, ride the bucking bull, rope and shop for cowboy essentials throughout the day. Then gear up for the next round of rodeo action at 1 p.m.

The Long X Arts Foundation will be offering a free cowboy kid craft throughout the day and hosts the

Cowboy Poetry Gathering at 2 p.m. on the stage in the exhibit hall. Featured entertainers include North Dakota Poet Laureate, Denise Lajimodiere and four National Cowboy Poetry Gathering regulars: singer/songwriter, Sam Platts, Montana based troubadour DW Groethe, Medora cowboy poet Jonathan Odermann and local musician, Jessie Veeder. The event, which will wrap up with area powwow dancers, will feature stories, music and poetry that captures the life, humor and tribulations of working

cowboys and cowgirls in the region.

The final round of rodeo will kick off at 7 p.m. in the indoor arena where the champion cowboys and cowgirls will be determined with the rodeo dance and mechanical bull riding to follow.

Tickets to the rodeo are \$20 for adults and can be purchased at the door. Kids 11 and under are free. The Western Art and Vendor Show and Cowboy Poetry Gathering are free thanks in part to a grant from the North Dakota Council on

## Celtic Guitarist Jerry Barlow Returns To Sidney-Richland Co. Library

Submitted by **Miranda Evenson**

The Sidney-Richland County Library is pleased to once again welcome acclaimed Celtic guitarist and storyteller Jerry Barlow for a special concert. The program will be held Tuesday, Sept. 12 at 6:30 p.m. at

the library, 121 3rd Ave. NW, Sidney. The program is sponsored by the library and is free to the community.

As a touring performer, Barlow travels throughout the Midwest, South and Rocky Mountain regions presenting his program of music, history, and humor from the British Isles. Before the closing of the border, Barlow spent several weeks in Cape Breton, NS, where

he learned a smattering of Gaelic and marveled at the history of the Great Clans. He has included some Cape Breton-style step-dance music in his program!

Barlow's program features music and stories from the medieval time of Scottish, Irish and English history - a time filled with wonderful legend and lore. There will be ample opportunity for some toe-tapping, some

sing-along and even some step-dancing if you are so inclined.

"In concert, Jerry brings traditional Celtic tunes alive by sharing the history, legend and humor behind the music. Jerry Barlow ... a performer who is skilled, funny, and riveting. Out of the many musicians performing today, the vast majority are skilled either at performing on their instrument or entertaining an audience. It is extremely rare to see a musician at the top of his craft in both areas," says Scott Beach, Colorado Celtic Entertainment director.

Barlow's just-released CD, entitled "Of Castles and Kings", features music from this program as well as traditional favorites. His recording, "Fields and Fences", was one of five finalists for the Instrumental Album of the Year Award by the Independent Music Awards. The Indie acoustic project selected "Bring Down The Storm" as one of the best songs of 2006.

Music from Barlow's recordings can be heard on national public radio stations. He has been featured in "Fingerstyle Magazine", and was profiled in "Celtic Connection". He has performed for the Alliance Arts Council, Alliance, NE, High Plains public radio's living room concert series, Amarillo, TX, and a multitude of arts centers and libraries along the way.

For more information, call the Sidney-Richland County Library at 406-433-1917 or visit <http://www.jerrybarlow.com/>.

# North Dakota Stockmen Association's Convention & Trade Show Coming To Watford City

**By Jaymi Mozeak**  
 In September, NDSA members are invited to "come home" to the organization's birthplace for business, meetings and celebration. The 94th Annual Convention & Trade Show will be held Sept. 28-30 in Watford City. The event will feature an educational series, informational speakers, policy-development sessions, business, networking and fun.  
 This year, the NDSA will host the largest trade show in their history, featuring 64 booths.  
 During policy meetings members will discuss and debate policy issues and learn from industry experts who will offer information on H2A and immigration workforce reform, the Bureau of Land Management rule, vaccine efficacy, the electronic brand inspection program, Environmental Protection Agency pesticide registration changes, the

Dakota Legacy Initiative, prompt payment provisions, Livestock Risk Protection, cell-cultured protein and more.  
 The speaker showcase will feature topics of global meat overview, modern agriculture, Prop. 12 and succession planning.  
 The North Dakota Stockmen's Association (NDSA) is a cattle producers' trade association that dates back to 1929. Cattlemen on the Fort Berthold Reservation and surrounding areas were tired of the chronic cattle rustling plaguing their herds. Andrew Johnston, a Watford city, ND, - area cattleman, decided to call a meeting to determine what could be done about it.  
 That gathering took place June 6, 1929 - now considered christening day for the NDSA - in Watford City. Founders at that meeting elected John Leakey as their president and each pitched in \$5 a person to

establish a reward for information leading to the arrest and conviction of anyone stealing cattle, horses or mules in North Dakota.  
 As the association grew older, members found value in banding together on other

issues, so the mission expanded to what it is today: to unite, protect, promote, educate and serve the state's beef cattle industry.  
 A new addition to Saturday morning will be the "Hoofin' It Home" 5K Beef

Walk/Run. Check-in for the race begins at 9:15 a.m., with the race starting at 10 a.m. at the Rough Rider Center. Prizes will be awarded for first place in the children's, men's and women's divisions.  
 The annual banquet will include the recognition of long-time employees, as well as outstanding members selected for the Hon-

orary Local Brand Inspector, Honorary Membership, Rancher of the Year, Environmental Stewardship and Top Hand Awards.  
 The deadline to pre-register is Sept. 14.  
 Room blocks are available at Teddy's Residential Suites, 701-842-6480, the Little Missouri Inn, 701-842-6262, and Mainstay Suites, 701-566-7664.

## 30 Days Of Beef Happening All Month Long

**By Jaymi Mozeak**  
 On Friday, Sept. 1, the 3rd Annual 30 Days of Beef raffle started. The raffle of anything beef will continue throughout the month of September with at least a single raffle every day and two raffles every day of the last week.  
 Sales for the tickets started in August and will continue through September. They are \$25 a ticket and \$100 worth will put the purchaser in the \$100 club. There will be single cuts of meat, meat bundles, grills, grilling and smoking tools, beef baskets, gift cards to both Sidney grocery stores, and South 40, The Depot, Pizza House, Mimi's Kitchen, Craig's Meat, and Ace Hardware as prizes. A different one for each day.  
 For the \$100 Club there will be an additional raffle held for the chance to win one of two halves of beef or a Blackstone griddle.

The 30 Days of Beef is probably the second biggest fundraiser the Boys & Girls Club of Richland County has. Last year, the meat raffle brought in about \$17,000 to go towards the many programs put on by the nonprofit to benefit the kids in their after-school program and the surrounding community.  
 Besides the after-school program, the Boys & Girls Club of Richland County also has summer camps and hosts the free meal program during the summer. During the school year, they also hand out turkeys close to Thanksgiving, food boxes in December, and hams close to Easter.  
 Tickets may be purchased at the front desk of the Boys & Girls Club of Richland County, online at [Auctria.events/beef2023](http://Auctria.events/beef2023) or by scanning the QR code found on 30 Days of Beef raffle posters found all over Sidney.

## Unsafe Road Restricts Vehicle Access At Black Bridge FAS

**Submitted by Marla Prell, Communications & Education Program Manager Montana Fish, Wildlife & Parks, Region 7**  
 Walk-in traffic allowed until repairs are completed Miles City - Beginning this week, vehicle access to Black Bridge Fishing Access Site near Glendive will not be permitted until road repairs can be made. The FAS remains open, but the entrance gate is closed and visitor access will be walk-in only.  
 The Yellowstone River has significantly undercut and eroded the access road to the site, creating a public safety issue. Fish, Wildlife & Parks staff had attempted to allow limited vehicle traffic on the downstream end of the site, but visitor compliance was poor. Visitors repeatedly removed signage and barriers and drove on unsafe roads or drove off road, which caused resource damage.  
 Road repairs are being planned and vehicle access will be restored when the project is completed.

### Thank You

It is comforting for a family in sorrow to know that they are surrounded by a community of support. Thank you for stepping up and doing such an excellent job for Kenny and for our family. There was not one thing left out, and for that, we are incredibly grateful. You each have such a crucial job, and you probably do not get thanked often enough. We especially want to extend our thanks to Pastor Paul Turek and the ladies of Faith Alliance Church, Martha Nugent and the staff of Thy Neighbor, and the staff of Fulkerson-Stevenson Funeral Home. Thank you, Ryan Bell, and Mike Degn, the kind words in your eulogy. We all knew how wonderful Kenny was, but your touching sentiments reinforced what we believed.  
**- Shirley Dean Scheetz and family**

### Thank You

We would like to thank everyone who took time out of their day and responded to help with our fire on August 29. We appreciate the Sidney Fire Department, rural fire trucks and our neighbors who assisted us.

# William Head 2023 Richland County Fair Grand Champion Steer

**By Katelyn Sponheim**

William Head is more than the 4-H member behind this year's Grand Champion Market Steer for Richland County. A sophomore at Richey, he's a dedicated member of the Richey FFA chapter, a proficient welder, a future rancher, and an upstanding role model. Only his second year showing a steer, he pulled all his knowledge and work ethic

together to bring a champion to the fair. A Black Angus and Simmental cross, Dumpy, was an easy gainer who converted feed well on William's program. William's mother, Laramie Head, said he spent time daily with the steer and puts that level of effort into all his projects. He loves to see the changes and improvements as his animals grow and learn and works on himself just as

rigorously.

On Aug. 26, William was invited to Miles City, MT, for the Champion of Champions show. While he did not add it as a win, he no doubt took a learning experience away. Wyn Reimann, a neighbor and friend who helps William and others with her wealth of livestock knowledge, said he is extremely competitive and always aims to be the best he

can be. Last year William's market lamb won Grand Champion at the Richland County Fair, and then placed in the top 5 at Western Junior Nationals, Rapid City, SD. She said great genetics, when a great feed program and a hard-working kid are added, is a recipe for success. William also works for Wyn's father, Bobby Walker, as a farm hand and makes himself indispensable. Both Bobby and William's mother

shared William's love for learning all that comes with ranching and the range. Tinkering with equipment, fencing, identifying plants, haying and finding out what it takes to raise the best animals possible all are passions of his.

William doesn't limit his efforts to himself. This fall, he could be found at several local fairs, helping friends and fellow 4-H youth with their animals. He ex-

plifies the values at the heart of 4-H and FFA and enjoys pouring his quickly growing knowledge into the younger generation. Border Steel purchased his 2023 Grand Champion Steer, and William already has others started for next year's projects. He plans on continuing with the 4-H steer program, and his family and friends look forward to seeing his future successes and growth.

# THE RACING ROUNDUP

## 2023 - Good Summer For Racer Travis 'The Dark Horse' Hagen

**By Meagan Dotson**

Travis 'The Dark Horse' Hagen has had an impressive racing season this year, winning nine of the 26 events he's raced in, which landed him in the top five. Three of those nine wins happened at the Williston Basin Speedway.

Hagen grew up watching his dad, racer Mike 'Mad Mike' Hagen, and at 16 years old, he followed in his father's footsteps. He raced hobby stocks for the first

two years before switching to modifieds.

"It's a challenge every week and the biggest challenge is all of the really good racers that you're up against," Hagen commented. "I think this has been a pretty good year; not too many mechanical problems."

He admits that he's always been competitive, having played football, hockey and baseball in high school. Racing has been a way

to satisfy that competitive nature, but racing has also allowed him to meet a number of people, including his wife, and others that have become good friends over the years.

"Racing has always been a family thing," Hagen explained. "My dad raced for 35 years and now my wife and I both race and our two boys love it. It's what we do in the summer, it's a good way to spend time together, and we can support local tracks."

He is additionally happy to report that this has been the first year since 2020 that the Canadian border has been open, allowing the United States racers to access the Estevan Motor Speedway.

"I really appreciate all of the people at the tracks who put on the races," said Hagen. "That takes a lot of time and dedication."

While it's tricky to find a

Travis Hagen after winning last week in the IMCA Modifieds class division at the Williston Basin Speedway.

balance with a sport that requires so much time, racing two to three times a week, time in the shop, and time spent traveling to compete, he sees it as an investment of time with family and good

friends. "Racing keeps me in contact with so many people. Because it's a single man sport, I also feel like it's something where I can control my own destiny a

little bit," he added. When Travis Hagen isn't busy racing or working in the shop, he can be found working at Dakota Trackside, Williston, ND.
