Fairview Switches To Class B For Most Sports

By Dianne Swanson
Other than football, the Fairview Warriors will be facing new competition this season with a switch to Class B mandated by the Montana High School Athletic Association. Rather than being one of the largest Class C teams, they will now be one of the smallest in Class B. Enrollment at Fairview High School has remained consistently over 100 for many years now, and when the MHSAA changed the numbers for classifications from 118 to 100, the school knew they would soon be required to go up to Class B. The rulings are made in two-year cycles so the status could change depending on enrollment numbers, but School Superintendent Luke Kloker said they will be Class B for at least four years. Football, however, remains the same in the 8-man league with MHSAA rules at 130 students, so Fairview will play its usual opponents and not have the extra driving time that the other teams will face. Along with Circle, Culbertson, Scooby, Poplar and Plentywood, they will also play Wibaux which has switched to 8-man this season. Non-conference games will include Broadus and Belt.
Basketball and volleyball teams will face long

Fairview Warriors Jordan Schriver Deacon Gackle and Tyler Loan run ladders on first day of football practice. Fairview football team will remain in Class C. (Photo by Keri McPherson Photography)

travel times with games in Poplar, Wolf Point, Glasgow, Malta and Harlem. Rather than the comfortable district tournaments which have been held in Sidney, teams will travel to Wolf Point and then Conrad and Malta for divisionals. Volleyball teams will travel to Glasgow for Districts and Malta for divisionals this season while track will alternate between Glasgow and Great Falls. There are only three divisions in the state for golf while speech and drama has its own division.

Junior High sports remain in Class C meaning no extra travel for those teams, something Kloker is thankful for. "They will still play the local schools which is really helpful. We really appreciate the C schools letting us continue to do that," he said.
All the Warrior coaches have returned this year, providing valuable experience for their teams. They have known about the change and have been preparing. Volleyball teams have been competing against Class B over the years so many

of those are familiar but basketball coaches are unfamiliar with strategies and players from their district. Kloker said coaches are most concerned about travel rather than competition. "We will be competitive," Kloker said. "But we will be playing potentially bigger and better schools that can field three teams where we will only have JV and Varsity." He stated that all the coaches have high goals and expectations. "We've been pretty successful over the years and we want to keep that

going. The goals are the same, we just have different opponents."
Kloker also expressed how much Fairview will miss being part of the Class C community. "We will really miss the competition and the friendships we've made over the years," he said. "It's kind of exciting to move up and do things differently but I can't say enough about how much we have enjoyed being in 2C, including the tournaments in Sidney. We've had 25 years in 2C and we're going to miss it."

Red Cross: Donation Shortfall May Impact Blood Supply

\$10 e-gift card for donors in August

Great Falls - The American Red Cross has seen a shortfall of about 25,000 blood donations in the first two months of the summer, which makes it hard to keep hospital shelves stocked with lifesaving blood products. By making an appointment to give blood or platelets in August, donors can keep the national blood supply from falling to shortage levels.
Right now, the Red Cross especially needs type O negative, type O positive, type B negative and type A negative blood donors. For those who don't know their blood type, making a donation is an easy way to find out this important personal health information. The Red Cross will notify new donors of their blood type soon after they give.

The Red Cross needs donors now. Schedule an appointment to give by downloading the Red Cross Blood Donor App, visiting RedCrossBlood.org or calling 1-800-RED CROSS (1-800-733-2767).

All who come to give throughout the month of August will get a \$10 e-gift card to a movie merchant of their choice. Details are available at RedCrossBlood.org/Movie.

Upcoming blood donation opportunities Aug. 16-31:

Aug. 16: 11 a.m.-5 p.m., Culbertson, Senior Center.

Aug. 17: 12:30-5:30 p.m., Fairview, St Catherine Catholic Church; 11 a.m.-5 p.m., Wolf Point, Gospel Fellowship Church.

Best of the West Ribfest Winners

Watford City Chamber of Commerce held their 19th Annual Ribfest Friday, Aug. 11 on Main Street, along with a Classic Car & Truck Show. Each vendor brings their own recipe to win a cash prize and the proud ownership of the traveling trophy. This year, Hess Corporation went home with the traveling trophy. Shown are (L to R) Alton Bratsvold, Meghan Bratsvold, Eric Lefor, Dwight Griffin, (hiding behind the coveted trophy is Debbie Riggins), Brent Lokken and Ivy Phillips.

Bruce Gjovig Signing At Books On Broadway Aug. 16

By Dianne Swanson
Books on Broadway will host a book signing with North Dakota author Bruce Gjovig on Wednesday, Aug. 16 from 1-4 p.m. The author of seven books, his last three have focused on the entrepreneurship of North Dakotans.
Gjovig was a Grand Sky strategic advisor, the nation's first UAS business port and airport, located on the Grand Forks Air Force Base. He is CEO Emeritus and founder, CEO and Entrepreneur Coach at the national and international award-winning Center for

Innovation Foundation, a program focused on innovation, entrepreneurship, private investment and the entrepreneurship ecosystem at the University of North Dakota for 33 years.
In 2010, he was North Dakota Bioscience Association co-founder and continues to serve as chairman of the board to help grow the bioscience industry in North Dakota.
Since 2016 Gjovig has been one of 30 civic leaders appointed by the USAF Chief of Staff, serving as advisor and advocate for the nation's Air Force and

Space Force.
Books on Broadway is located at 12 1/2 W. Broadway, Williston. If you are unable to attend the book

signing, contact them by calling 701-572-1433 or emailing bksbdwy@nemonet.net to reserve your copy.

Possible Human Remains Found on Yellowstone River South of Sidney

**Submitted by John K. Dynneson
Richland County Sheriff**
On the evening of Aug. 13, 2023 at approximately 8:30 p.m., a resident reported to the Richland County Sheriff's Office that they had been engaging in recreational activities on the Yellowstone River south of Sidney during which time they came upon possible human skeletal bones. They recovered bones from the site and turned them over to the Sheriff's Office.
The Sheriff's Office with the assistance of the Richland County Coroner and the Montana Fish and Game are following up with an on-site investigation. The bones recovered will be submitted to the Montana State Crime Lab to be further analyzed.

OBITUARIES

Kenneth "Kenny" Loyde Scheetz, 80, Sidney, MT

Kenneth "Kenny" Loyde Scheetz, 80, Sidney, MT, passed away peacefully at home Wednesday evening Aug. 2, 2023 after a battle with cancer. His wife, children and various family were by his side.

A Celebration of Life service was held Thursday, Aug. 10, 2023 at 1 p.m. at Faith Alliance Church, Sidney, MT, with Pastor Paul Turek officiating. Visitation was Wednesday, Aug. 9, 2023 from 10 a.m.-5 p.m. at Fulkerson-Stevenson Memorial Chapel, Sidney, MT. In lieu of flowers please consider donating in Kenneth's name to Thy Neighbor. Fulkerson-Stevenson Funeral Home, Sidney, MT, is assisting the family. Remembrances, condolences, and pictures may be shared with the family at www.fulkersons.com.

Kenneth was born the youngest of three children to Philip and Lydia (Strasheim) Scheetz on July 14, 1943, Sidney, MT. He attended Rau Elementary School and Sidney Schools until the 10th grade when he decided to join the Army reserves. On Nov. 14, 1965, he married Gail Groshart. They resided south of Sidney and had five children: Gary, Michael, Pamela, Tamara, and Roberta. In February 2005, Gail passed away. On Oct. 27, 2007, Kenny married Shirley Dean. Four more boys were added to the family with this marriage: Dennis, Robert, Steven and Jesse. One of his great joys was his large family. Kenny and Shirley shared their lives together south of Sidney in his childhood home until his passing.

Throughout his life he worked for Vic Lorenz as a farm hand, after that he rented a farm, and farmed on his own for two years. He then moved to Billings and started his truck driving career. Billings was a short stay and he moved back to Sidney where he has resided ever since. He worked for Cenex, Texaco, and Real Trucking. He retired in 2007.

His hobbies included hunting, fishing and woodworking. He enjoyed taking his grandkids for rides on his golf cart and looking at the fields. He always made time for his grandkids when they came to visit. He looked forward to his time with his family and friends when they stopped to visit. One of his greatest pastimes was spending time in his workshop creating yard art.

Kenneth is survived by his wife, Shirley; children Gary (Lisa) Scheetz, Sidney, MT, Michael (Dawn) Scheetz, Williston, ND, Pam Scheetz, Dickinson, ND, Tami Gullikson, Fairview, MT, and Bobbi (Mark) Cozzens, Fairview, MT; stepchildren Dennis (Danny) Dean, Shepherd, MT, Robert (Billie Jo) Dean, Fairview, MT, Steven (Kaci) Dean, Sidney, MT, and Jesse (Angela) Dean, Spanaway, WA; siblings Marion (Louie) Miller, Great Falls, MT, and sister-in-law Audrey Scheetz, Casper, WY; 29 grandchildren, 10 great-grandchildren, and many other family members.

He is preceded in death by his parents, Philip and Lydia Scheetz; wife Gail; brother Don; and granddaughter Ellen.

Russel Anderson, 38 Sidney, MT

Russel Anderson, 38, was born in Sidney, MT on March 14, 1985. He spent the first 14 years of his life in Montana, where he enjoyed swimming and endless summer days at his grandma's house with his brother Ronnie and his uncle Rodney, and cousins DJ, Roxanne, Lacy & Racheal- they were all his first and last best friends. He moved with his family to Pueblo, CO, in 1999. He was raised there until 2003 when he returned to Montana for a few years before settling down in Colorado.

He met and married Lillian Halverson and they had two children Jamey & Evan "Van" whom he adored and would do anything for. Russel moved his family to Montana in 2010. He worked at Millworks and for his uncle Terry Roth until he found his true passion working on diesel trucks as a diesel mechanic. He moved his family to Williston, ND, to be close to his work. Russel and Lillian separated in 2022 and he moved back to Sidney, MT, to live with his cousin Lacy Churchill.

Russel passed away on Monday, July 24, 2023 in Williston, ND.

Russel was always the life of the party. We all had many great times laughing and joking when we hung out. His sense of humor always brightened everyone's day. He enjoyed going shooting and spending time with his kids. During football season he cheered on the Vikings and had the funniest Viking outfit he dressed up in. We loved it.

He will forever be remembered by his brothers Ronnie, Richard, Cheldon and Quentin and sisters Felicia, Sage, Reese and Michaela as big brother. Russel loved his family and would do anything for us. His humor and love and hugs will be missed immensely. A piece of our hearts is missing; until we see you again my son.

John 5:28-29 "Do not be amazed at this, for a time is coming when all who are in their graves will hear his voice and come out—those who have done what is good will rise to live, and those who have done what is evil will rise to be condemned."

Russel is survived by his children, Jamey & Van Anderson; mother Shawn and Dad Carlos Sandoval; father Brad Anderson; brother Ronnie Anderson; grandparents Gene & Ilene Roth; uncles Rodney, Terry (Carrie), Justin and Shane Roth; and his cousins who he loved dearly: DJ (Sarah) Roth, Lacy Churchill, Roxanne Roth, Racheal Lutz, Josh (Ann) Thiel, Darren Roth, and Natalie (Ish) Kwoisie; and many other family members too numerous to mention.

He is preceded in death by his grandparents Hank and Shirley Anderson; infant son Ethen Anderson, and cousins Michael and Chris Roth.

Beer is living proof that God loves us and wants us to be happy.

Kenneth "Kenny" Loyde Scheetz

Russel Anderson

Submitted by Kali Godfrey, Sidney Area Chamber of Commerce and Agriculture Executive Director

The Sidney Area Chamber of Commerce and Agriculture announces the opening of applications for the 25th year of Leadership Sidney. Leadership Sidney is a local leadership program focusing on developing leadership skills, providing networking opportunities and engraining budding professionals into the county's communities. Leadership Sidney meets on the second Wednesday of each month, September-April for a day full of presentations from local leaders, activities, tours and valuable networking.

Acceptance into the Leadership Sidney program

is a one-year commitment including the class days themselves, the completion of a community clean up class project and attendance at one local government meeting, one school board meeting, the Sidney Chamber Annual Meeting and volunteering for at least one Chamber event.

Leadership Sidney's curriculum is based on 10 pillars of leadership defined by the Center for Ethical Leadership including: integrity, delegation, communication, self-awareness, gratitude, learning agility, influence, empathy, courage and respect. Each class includes a "community conversation" with a panel of local leaders on various subjects.

Some of the keynote speakers for the Leadership

Sidney program include Pastor Dustin Morgan, Sidney Assembly of God, with a message on instilling personal values into your daily life, Chantel Schieffer, True North Leadership with a session on effective communication and Nick Lonski, Edward Jones, presenting on learning agility. Leslie Messer, Richland Economic Development, will also facilitate a "Gracious Space" training for the class.

Leadership Sidney is offered to Chamber Member businesspeople for \$250 or non-Chamber member businesspeople for \$300. The Class is capped at 20 so get your applications in soon. Applications can be found online at www.sidney-mt.com.

100TH GRAND SLAM CELEBRATION

Thank you

The family of Leonard Odenbach would like to thank all his friends and family who attended his 100 years grand slam birthday celebration. We would also like to thank the Foundation For Community Care for their assistance in making it a special day.

Submitted by Heather Luinstra, RS Richland County Sanitarian

This year's annual E-erase your E-waste event is set for Sept. 8 and 9, so clear out those closets and storage sheds and recycle all of those damaged and obsolete electronics for free.

"We've had a number of questions from people asking about our fall event, so we are excited to let everyone know that the dates have been set," event coordinator Heather Luinstra said early this month. "Once again we have partnered with Yellowstone E-Waste Solutions, Billings, and we will host a joint event with the Town of Fairview. Collection times for the weekend event in Sidney are from 3-7 p.m., Friday, Sept. 8, and 9 a.m.-noon, Saturday, Sept. 9. The collection site will be at the Richland County Shop, right next to the fairgrounds.

Fairview's collection event is on Saturday, Sept. 9 from 10 a.m.-noon. The Fairview location will be at the water station on 9th Street.

"Just like many other markets that we are seeing changes in lately, this year we will see a few changes to what our recycling partner is able to accept to recycle. Unfortunately, this year, we cannot accept any TVs, and we cannot accept any large copy machines. However, our recycler does accept all rechargeable batteries and even car batteries, as long as they are in good shape and not damaged," said Luinstra.

As in past years, local businesses, hospitals, school and other agencies and organizations with large amounts to e-cycle are asked to make an appointment by calling Luinstra at the Richland County Health Department 406-433-2207 or emailing heather.luinstra@richland.org.

OBITUARIES

Lynn "Butch" Peterson, 75 Sidney, MT

Lynn "Butch" Peterson

Lynn "Butch" Peterson, 75, Sidney, MT, peacefully passed away on Friday, July 14, 2023 at his home in Sidney, MT.

Lynn B Peterson was born on April 26, 1948. Lynn "Butch" was the first-born son of Otto "Swede" and Anita Peterson. He was born and raised in Sidney, MT, until 1960, when the family moved to Missoula, MT, where he graduated from Sentinel High School in 1966. That year he joined the Army and served one year in Germany in training, then he was sent to Vietnam, where he received a Commendation Medal for his work as a fire direction specialist and cannoner in the artillery division.

In 1970, he returned to the Sidney area where he was employed as a surveyor, also attending Dawson Community College earning an associate degree in land surveying technology in 1980. He worked for Dick Guenzi Surveys and L C Hanson Co., Glendive MT, Western Energy, Colstrip, and the ND DOT. He always performed above and beyond regardless of the challenge of the job or extreme conditions of the weather.

He married Mary Jane Nemeec in August 1971 and to this union a daughter was born Jessica Ann Peterson Kwasney in 1972. She was a great blessing in his life. Mary and Butch divorced shortly after.

"Butch" was known for his love of hunting and fishing in the great outdoors. Spending time with his grandchildren whenever he could. He had a great interest in all manner of machinery and a fascination with explosive devices. It didn't matter the size or magnitude from burn piles, fireworks, and firearms.

A loyal and generous friend, he lent a helping hand wherever needed. He provided company and meals as a giving friend. His ensuing acts of kindness spoke volumes about his generous heart. "Butch" will be deeply missed by those whose lives he enriched.

Butch is survived by his daughter Jessica (Chris) Kwasney; sister Georgia Hensley; grandchildren Brandon Peterson, Brett (Taylor) Eissinger, Mariah Kwasney, and Blake Kwasney; great-granddaughter Zacklynn Rose; great-grandson who will be arriving in December 2023; nieces Daena Hensley and Leigh (Corey) Seesz; uncle Bud Peterson; aunts Virginia Dardis and Delores Peterson; and grandnephews and nieces.

He is preceded in death by his brother Scott A Peterson; father Otto A Peterson; mother Anita Peterson Moran; and stepfather Harold Moran.

Lewis & Clark State Park Say

Yes to Clean, Drain, Dry

Above: The boat ramp and marina are protected from the open water and wind by a sea wall.

Right: The view of Lake Sakakawea from a jet ski.

Lewis and Clark State Park is situated on one of the upper bays of Lake Sakakawea. The park features miles of shoreline with picturesque views of towering buttes and rolling hills that provide a rugged backdrop for the park. Modern boating facilities, including a marina with slip rentals and boat ramps, are major attractions.

Anglers will find excellent fishing for walleye, sauger and northern pike. Lewis and Clark State Park is home to a large native mixed-grass prairie. Visitors can become acquainted with the natural communities associated with the park by hiking a self-guided nature trail. Visitors can also enjoy the swimming area and a

day-use beach located along the east shore of the campground near the camping cabins. Kayaks, canoes, stand-up paddle boards, fat tire bikes and snowshoes are available for rent. For more information visit <https://www.parkrec.nd.gov/lewis-clark-state-park>

While the effort to stop the introduction and transportation of aquatic nuisance species in North Dakota has been mostly successful, challenges remain as not all anglers, pleasure boaters and other water enthusiasts are abiding by the clean, drain, dry message.

For example, last week department game wardens and other department staff inspected over 1,200 watercrafts throughout the state. Unfortunately, these inspections found four watercraft that were transporting zebra mussels. Luckily, in all four incidences, the zebra mussels were determined to be dead.

North Dakota waters remain relatively free of aquatic nuisance species. Besides common carp, most species – zebra mussels, Eurasian water milfoil, flowering rush, curly-leaf pondweed and three species of invasive carp – are only found in a handful of waters in the state.

To keep our waters clean of aquatic nuisance species, the Game and Fish Department reminds all anglers, pleasure boaters and water users to clean, drain and dry all equipment after every use.

- Clean and remove all plants and animals from watercraft or equipment prior to leaving any recreational area.

- Drain all water from watercraft and equipment before leaving designated access points. Not draining water can be extremely hazardous and may cause negligent transportation of aquatic nuisance species to other locations.

- Dry all equipment completely before using again.

For more information on aquatic nuisance species, visit the department's website at gf.nd.gov.

Anglers Should Keep Fish Caught in Deep Water

North Dakota Game and Fish Department fisheries personnel encourage anglers to keep fish caught from depths of more than 25 feet, rather than practice catch-and-release.

Scott Gangl, Game and Fish fisheries management section leader, said with the exceptional fish bite at Lake Sakakawea this summer, anglers should know fish reeled in from this depth will likely die if released.

"As water warms during summer, fish tend to move to deeper, cooler water," Gangl

said. "This is particularly true for walleye in the big lake, where they follow their primary forage of rainbow smelt to deeper depths as summer progresses. Now fish are being caught at depths where barotrauma is a concern."

Change in water pressure will cause the swim bladder to expand, Gangl said, which means fish can no longer control balance. In addition, he said other internal injuries are likely, such as ruptured blood vessels or damaged internal

organs. Because of these other internal injuries, biologists discourage flogging, the practice of deflating the swim bladder.

Barotrauma can happen in any deep water body such as Devils Lake, Lake Oahe and Lake Sakakawea, Gangl said, but it is especially noteworthy for this time of year in the big lake.

Prior to fishing at least 25 feet deep, anglers should make the decision to keep what they catch.

“A Hard Day’s Night” Returning To Rough Rider Center

By Jaymi Mozeak
After two years, “A Hard Day’s Night” is returning to the Rough Rider Center for another concert on Saturday, Aug. 19. This year, they are performing their 50s and 60s Revue Tribute which is Tribute to Roy Orbison, Everly Brothers, Patsy Cline, Brenda Lee, Bobby Darin, and Frankie Valli.

According to Brock White, City of Watford City marketing and communications coordinator, “A Hard Day’s Night” was asked to come to the Rough Rider Center in 2021. They did their tribute to the Beatles, and it was very popular. Joshua Nollmeyer, Rough Rider Center recreation manager, decided to bring them back again. The night

starts with the doors opening at 5:30 p.m. for a cash bar, dinner is at 6 p.m., and the concert starts at 7 p.m. Everything is in the Rough Rider Center’s Convention Hall.

Jeff Boxell, Joe Covert, Aron Helm, and Kevin Fransen are the current band members for “A Hard Day’s Night” playing John Lennon, Paul McCartney, George Harrison, and Ringo

Starr in their usual shows. According to their website, www.harddaysnight.com, in 2006, Covert became one of the founding members of the tribute band. The band has played hundreds of shows all over the midwest. With his bandmates, Covert creates a product second to none.

For more information about the concert visit www.roughridercenter.com/events.

Guardian Flight Offers Safety Tips To Parents & Guardians Preparing To Send Their Children Back To School

Sidney, MT - Whether children walk, ride a bicycle or take the bus to school, it is important to follow proper safety precautions. Statistically, school buses are the safest way for children to travel to and from school; however, nearly 12,000 children are injured and 26 die each year in school bus accidents. Most children injured and killed in school bus accidents are harmed while getting on and off the bus, not while riding.

Robert Miller, Guardian Flight regional director, recommends that parents and guardians review these tips with their children before they return to school later this month:

Getting on the school bus

- Always stand at least three giant steps (6 feet) away from the curb.
- Be sure the bus driver can see you, and you can see the bus driver.
- Never walk behind the bus.
- If you drop something near the bus, tell the bus driver – never try to pick it up first because the driver may not be able to see you.

Getting off the school bus

- If you need to cross the street, walk at least 10 feet ahead of the bus until you can turn around and see the driver.

- Make sure the bus driver can see you.
- Wait for a signal from the driver before beginning to cross.
- When the driver signals for you to cross, walk across the road while also keeping an eye out for sudden traffic changes.
- Stay away from the wheels of the bus at all times.

Walking to school

- Always walk on the sidewalk when one is available.
- The safest place to cross is at a street corner or intersection.
- Before you step off the curb to cross the street, stop and look all ways to see if cars are coming.

When no cars are coming, it is safe for you to cross the street. Once you are in the roadway, continue to look both directions as you cross.

Riding a bicycle to school

- Always wear a helmet when riding your bicycle.
- Make sure that your helmet fits correctly.
- Ride on the right side of the road or trail in a single-file line in the same direction as other vehicles.
- Come to a complete stop before crossing streets.
- Make sure clothes, shoes and the bicycle have reflective materials for better visibility by drivers.

Guardian Flight is committed to the health and well-being of the communities we serve. Our first responders promote safety and preparedness to save lives and prevent both injury and disability. For more information on back-to-school safety, visit nsc.org.

Fort Buford & Missouri-Yellowstone Confluence Interpretive Center Upcoming Events

Williston, ND - The public is invited to these upcoming events at Fort Buford and the Missouri-Yellowstone Confluence Interpretive Center near Williston. All events are free and open to the public. All times are Central time.

Aug. 20: “Plein Air on the Prairie,” Missouri-Yellowstone Confluence Inter-

pretive Center, 12-2 p.m. Bring your art supplies and join members of the Williston Area Visual Artists for Plein Air painting.

Aug. 27: History and Nature Lecture Series, Missouri-Yellowstone Confluence Interpretive Center, 2 p.m. Join artist and art history enthusiast Jessica Newman, Long X Arts Foundation, for “Artist George Catlin and the Visual History of Tribal Cultures”. Learn how Catlin invented his own genre and himself as a “new kind of artist”, one that cemented his reign as the premier visual chronicler of Native American life and

culture.

For more information, contact Yvette Bachmeier or Calvin Henderson at 701-572-9034. The Missouri-Yellowstone Confluence Interpretive Center is part of Fort Buford State Historic Site managed by the State Historical Society of North Dakota. Fort Buford is open daily 10 a.m.-5:30 p.m. Missouri-Yellowstone Confluence Interpretive Center is open daily 9 a.m.-6 p.m. through Monday, Sept. 4. Find information about upcoming programs of the State Historical Society at history.nd.gov/events.

LEGALS
CALL FOR COMPETITIVE BIDS FOR STORAGE BUILDING ADDITION AND STORAGE BUILDING REMODEL RICHLAND COUNTY WEED DEPARTMENT
NOTICE HEREBY IS GIVEN that the Board of County Commissioners of Richland County, Montana calls for competitive bids for a "Storage Building Addition and Storage Building Remodel" for the Richland County Weed Department, Richland County, Montana, more particularly specified below.

Successful bidder shall remodel existing post frame 5 bay storage building to accommodate 4 new 10' X 12' wide overhead non-insulated metal low headroom doors, install a new 36" exterior entry door. Install a new pre-engineered post frame structure addition 32' x 30' attached to the north end of existing storage building, with 10'-6" sidewalls, along with required concrete footings, 2 new 10' x 12' wide overhead non-insulated metal low headroom doors. All new metal roof and siding shall match existing color as close as possible. Interior grading shall be completed by the contractor. Exterior site work and preparation of all gravel shall be completed by Owner. All electrical, lighting, plumbing, etc. shall be completed by the Owner. Upon severance from the premises by removal, the same shall become the personal property of successful bidder who shall be free to salvage or dispose of the same and retain any proceeds thereof. Successful bidder shall finish completely remodeling and constructing the new addition within one-hundred twenty (120) days from award of the contract. Any extension of time must be approved in writing by Richland County Weed Department Director. Full payment shall be made upon full completion of the construction to the reasonable satisfaction of Richland County Weed Department Director. Bid Documents can be requested or viewed at the Richland County Weed Department, all questions regarding project details shall be submitted to the Weed Department Director. The Board of County Commissioners will receive

sealed bids at the office of the County Clerk and Recorder, Richland County Courthouse, 201 West Main, Sidney, MT 59270 until 11:00 a.m. on September 11th, 2023. Bidders must obtain, sign, and include with their bid a contract in the form available from the Director of Weed Department. Richland County Weed Department: 2648 West Holly, Sidney, MT 59270; Attn: Dave Haverkamp (Director) 406-433-9047.

Requests for ADA/EEO accommodations or information should be directed to Stephanie Verhasselt, Richland County Clerk & Recorder, 201 West Main Street, Sidney, MT or 406.433.1708 (phone), by noon on September 1, 2023. Alternative accessible formats of this notice are available upon request.

No bid shall be considered unless accompanied by bid bond, bank draft, money order, certified or cashier's check in the amount of not less than ten percent (10%) of the total bid. The bid shall be presented in a sealed envelope containing a complete copy of the bid proposal, bidder's certification and specifications clearly marked: Bidders must include with their bid a completed and signed Form W-9, Request for Taxpayer Identification Number and Certification. Bids must be submitted in a sealed envelope marked "SEALED BID STORAGE BUILDING ADDITION AND STORAGE BUILDING REMODEL." No bids will be accepted by fax, telephone, email, or orally. The date set for opening of bids is: September 11th, 2023. The time set for opening of bids is: Eleven O'clock am (11:00 a.m.).

The place set for opening of bids is: Chambers of the Board of County Commissioners, Third Floor, Richland County Courthouse, 201 West Main, Sidney, Montana. Contract award shall be considered at the regular meeting of the Board of County Commissioners on September 18th, 2023 at eleven o'clock (11:00 a.m.) The Board reserves the right to reject any or all bids received and to waive irregularities and informalities to the extent allowed by law and in the interest of the taxpayers and the public. If an award is made, it shall be communicated with reasonable promptness by written letter of award and copy of the contract signed by the appropriate officials of the County.

A contract, if one is let, will be awarded to the lowest and best qualified bid. In determining the awardee, the Board may consider whether the bidder: can complete the removal within the time specified:

has adequate personnel and equipment to do the work safely, properly, and expeditiously; has suitable financial base to meet the obligations incidental to the work; has appropriate experience: has completed all items required in this call for bids: has inserted no qualifying phrases or modifications on any of its bid documents; and whether the bidder maintains a permanent place of business. Dated at Sidney, Montana, this the 14th day of August, 2023. RICHLAND COUNTY, MONTANA
By: LOREN H YOUNG, Chairman Board of County Commissioners

PUBLIC MEETING NOTICE
AUGUST 22ND & 23RD at 6:00PM

Dry-Redwater Regional Water Authority (DRWA)
2024/25 RURAL WATER EXTENSION
Richland County Extension Office
1499 N Central Avenue; Sidney, MT

DRWA is actively working on our HWY 200 West Project southwest of Sidney, MT and are currently confirming users and verifying routes in the project area. The HWY 200 West Project extends approximately 8.5 miles west of the USBR Canal along Highway 200 and can serve rural users and livestock 2 – 3 miles north and south of Highway 200 along the alignment.

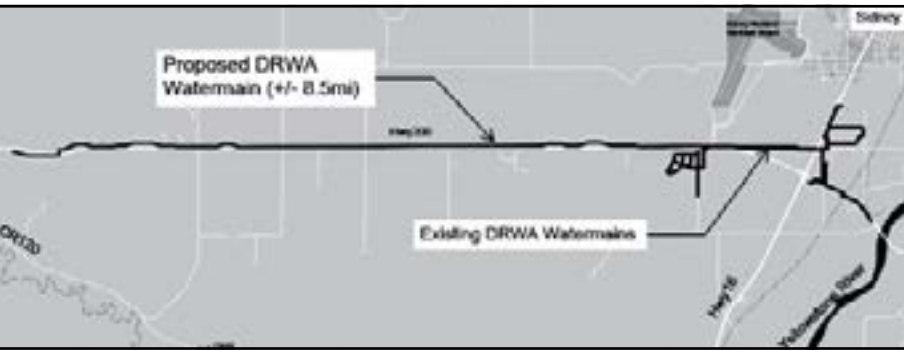

We would like to invite you to a meeting to learn more about our project. Topics covered include HWY 200 West Project History, Preliminary Routing, Easements, Pasture Taps, Connection Fees, Water Rates, DRWA Rules & Regulations, and more. We also would like to hear your comments, questions, and concerns on the upcoming HWY 200 West Project.

The Project has been in the preliminary routing phase since February 2023. During the preliminary routing phase, the public is contacted to gauge interest and sign up with DRWA to determine the preliminary route main lines, lateral lines, and service lines. After all users have signed up, the watermain route is finalized. Design for the project will occur from September 2023 to February 2024. Construction is scheduled for 2024 / 2025.

To complete the preliminary routing phase of this project, all users will need to be signed up by the deadline of **August 31, 2023**. Enrollment paperwork along with DRWA's Rules & Regulations are available via link at the bottom of DRWA's website at www.dryredwater.com. All paperwork will also be available at the Public Meetings. Signing up and connecting to DRWA after the deadline will result in increased connection costs.

If you are unable to attend one of the meeting times but would like more information on the Project or have questions on how to sign up for the Project, please contact Mandi Nay at 406-485-3792 or at drwa@midrivers.com

We look forward to seeing you at the meeting and discussing our Project opportunity with you.

Sidney Health Center Recognized As 5-Star Hospital On CMS Hospital Care Compare Website

Sidney, MT - Sidney Health Center is proud to announce its designation as a 5-star hospital on the Centers for Medicare & Medicaid Services (CMS) Hospital Care Compare website. The 5-star rating is a testament to the exceptional quality of care and commitment to patient well-being demonstrated by the hospital's dedicated team of physicians and staff.

The CMS Hospital Care Compare website assesses hospitals' performance across various areas of quality, including the treatment of heart attacks and strokes, readmission rates, and safety of care. Sidney Health Center's overall rating reflects its excellence in these critical areas, highlighting its commitment to providing top-notch healthcare services to the community.

The categories reported to Medicare and rated for

the 5-star designation are as follows:

- Timely and Effective Care
- Safety of Care
- Mortality Rates
- Readmissions to the Hospital
- Patient Experience

Within these categories, various performance indicators are evaluated, such as Emergency Department length of stay, the percentage of employees who receive the flu shot, and hospital readmission rates. These indicators are crucial in ensuring the hospital maintains the highest standards of patient care and safety.

Jennifer Doty, Sidney Health Center CEO, expressed her pride in the achievement, stating, "The 5-star CMS rating is a direct result of hard work put in by physicians and staff across the organization. Our team

has focused on improving communication, evaluating and enhancing workflows, and achieving outstanding results in several areas. I am extremely proud of their dedication and teamwork as we continually work to create a culture of excellence."

This prestigious recognition marks a significant improvement for Sidney Health Center, which was previously listed as a 3-star hospital. The hospital's transformation can be attributed to the successful implementation of numerous patient-centered care practices. Over the past year, clinical staff has prioritized bedside shift reports, care team rounds with the patients, and readmission evaluations to identify gaps in care and recurring issues.

Care Compare, a consumer-oriented website, plays a crucial role in empowering patients to make

Pictured are members of the Care Team representing various Sidney Health Center departments that were instrumental in implementing quality initiatives that lead to receiving a 5-star hospital rating including leadership, nursing, emergency department, medical staff, pharmacy, social services, respiratory, rehabilitation, care management and patient experience.

Back (L-R): David Laber, Eric Jones, Joyce Schulz, Dr. Jerome Kessler and Peggy Kopp. Front (L-R): Allyson Harris, Renee Williams, Penni Case, Dee Hamburg, David Youk and Lisa Schiermeister. (Submitted photo)

informed decisions about their healthcare services. By providing essential information on recommended care and the quality of services offered by hospitals, Care Compare aids patients in choosing the best healthcare

provider for their specific needs.

To compare Sidney Health Center's exceptional performance against other facilities in the area, interested individuals can visit the Care Compare website at: <https://www.medicare.gov/care-compare>.

Sidney Health Center

remains committed to maintaining its 5-star rating and continuing to deliver outstanding healthcare services to the community. Through unwavering dedication and a steadfast focus on patient-centric care, the hospital aims to be a regional center of excellence in the rural healthcare setting.

YOU CAN BUY A NEW CAR,

YOU CAN FIX THAT BIG RIG,

BUT YOU CAN'T REPLACE A CHILD.

Remember, school is beginning. There is a lot of increased traffic on our streets & roadways. The area public schools urge everyone to take extra care as our children board buses & cross the streets. Their safe arrival at school depends on everyone being extra careful. Stop for all school buses, yield to crossing pedestrians, hang up the call & stop texting.

The younger children are just learning...give them a **Brake!**
