H&R Men's Softball Team Takes State Title

By Stephanie Ler

Richland County's H&R Men's Softball Team won the Men's Class D State Softball Tournament in Bozeman on August 11, beating out 18 other men's teams from across the state.

For coach and player Art Herman, this makes three state titles and numerous other tournament wins under his belt. "Every year they get harder and harder," he explained. "If you don't hit the ball and play a great defense, you don't win." Herman has been involved with softball for 46 years, and has been running the softball league in Richland County for 40 of those years. "We won a state tournament in 1984, when I was just a kid," he joked. His team won again in 2014, and now in 2019.

The team travels all over Montana for games, including Billings, Missoula, and Bozeman, and also plays in Minot, Bismarck, and South Dakota. "We play about 11 weekends," Herman explained. "We put on a lot of miles," beginning the second week in May and finishing up with the state tournament the second weekend in August.

The H&R team is comprised of players from Richland County, and as far as Billings and Colstrip. "You've got to mesh it all together," Herman explained. The team had a slow season, and went into the state tournaments without one win. "We had to beat 18 teams," Herman said. At the state tournament, "the team finally played together. They became a team. They were unbeatable at state-they just walked through everybody, and those were some really tough games," Herman said of their experience.

On day one of the tournament, H&R beat the Triple Dogs 16-15 and Salvo 19-7; and on day two beat Team Beaver 20-16

and the Muzzleloaders 23-11 to qualify for the final round. In the final game H&R overcame Team Beaver with a score of 21-11 to take the 2019 Men's D State Title and the first place trophy.

In addition to team members for their hard work, Herman gives credit to H&R's sponsors for supporting their team. "They pay our entry fees for the tournaments, they go anywhere from \$250 to \$400. They need a big thank you," he said. Sponsors include H&R Construction, Domino's Pizza, The Depot, Builders FirstSource, Action Auto, Eagle Country Ford, Sunny's Family Restaurant, TNT Trucking, Kenny Herman-Waylon Olsen, and Millers' Corner.

The Richland County Adult Softball league will begin the 2020 season in May, and hosts both men's and co-ed teams. To get involved, look for an announcement in the newspaper, follow their Facebook Page at Richland County Adult Softball, or contact Art Herman at 406-480-9885.

NAN Season Kicks Off With "Love That Dog" Sept. 12, Sidney

The first performance of the North-eastern Arts Network's season kicks off with Montana Repertory Theatre's presentation of "Love that Dog". In this one-person play adapted from the book by Sharon Creech, a young student ruminates on the confusing, pointless nature of poetry and the complete impossibility of a person writing their own poems. But, slowly, over the course of this 50 minute play, a young poet emerges with the help of a teacher, a pencil, some yellow paper, and, of course, a dog. This captivating performance takes place on Thursday, September 12.

Montana Repertory Theatre was established in 1967 and is currently celebrating its 52nd season. Montana Repertory Theatre is the state's only full season professional Equity theatre. The Rep also serves as a residential theatre

to the University of Montana's School of Theatre & Dance and the College of Arts and Media.

This performance will be held at the MonDak Heritage Center at 7 p.m. Season tickets can be purchased at the door: adults \$50, senior \$45, and students \$35. Tickets can also be purchased at the door. For additional concert information contact Candy Markwald 406-488-4155, Jill Hill 406-489-4304, or Leann Pelvit at 433-3500.

The Big Sky Series is made possible in part by the Montana Performing Arts Consortium Presenter Development Program, which is supported by grants from the National Endowment for the Arts, Montana Arts Council, legislative grant from Montana's Cultural Trust, and WESTAF.

Badlands Search and Rescue Assists Hiker in North Unit

On September 2 at 1:46 pm Badlands Search and Rescue responded to Theodore Roosevelt National Park-North Unit, 2 miles from Oxbow Overlook on the North Achenbach Trail.

Badlands Search and Rescue (BSAR) was called out by the National Park Service for a 66 year-old female with injuries to both wrists sustained from a fall. Others with her hiking party called 911 via satellite phone and began first aid to her injuries. Weather was foggy, cloudy, with misting rain. Trail conditions were wet and muddy with a bison herd in the vicinity.

National Park Service (NPS) Rangers established incident command and deployed a team of NPS rangers, McKenzie County deputies, and BSAR members with wheeled litter. McKenzie County Ambulance was also staged at the command post at the Oxbow Overlook.

NPS had assessed the woman's injuries and she was able

to continue walking under her own power. At 3:24 p.m., responders accompanied her and her 17 person hiking party from the location back to the trailhead to ensure that all safely returned.

All parties and the patient were back at the trailhead at 4 p.m. and the injured woman was taken to a local hospital via private vehicle.

This is BSAR's first official deployment! We operate with the NPS within the borders of the Theodore Roosevelt National Park with a good faith assistance agreement and today's call went very smoothly.

Entities that responded to this incident: North Dakota State Radio; US National Park Service (4); McKenzie County Sheriff's Office (2); McKenzie County Ambulance Service (3) and Badlands Search & Rescue (3).

Information Requested Regarding String Of Watford City Vehicle Break-Ins

On Wednesday, September 4, 2019 at approximately 6:45 a.m., Watford City Police Department Officers were dispatched to a vehicle break-in in the 400 block of 3rd Ave NE, Watford City. Shortly after the first call, dispatch received another call of a burglary of a garage less than one block away. The homeowner of the second break-in chased the suspect, and while doing so, a firearm fell to the ground from the suspect's pants. The suspect picked the handgun up, and continued to flee to a residence in the 200 block of 6th St NE. WCPD officers were able to recover a second firearm from the same area, as well as other stolen items that were dropped by the suspect(s). WCPD secured the residence and a search warrant was granted for it.

During the execution of the search warrant at the residence, three adults and three juveniles were detained. Two adult males, Timothy Ray Allgier (Watford City – Age 43) and Steven Oliver Larson (Watford City – Age 58) were arrested for Felony Possession of a Controlled Substance – Methamphetamine and Felony Possession of Drug Paraphernalia – Methamphetamine. Officers also located a stolen firearm, ammunition, and other stolen property in the residence. One juvenile was placed in state custody, and the other two were released to their parents pending further investigation. The adult female was released from the scene, pending further investigation. The investigation revealed that 12 different residents within the City of Watford City were victims of the string of vehicle break-ins. Due to suspects being juveniles; no further information on this active case will be released.

WCPD asks those who may have been a victim of a vehicle break-in or may have video footage from the early morning hours of Wednesday, September 4, 2019 to contact us immediately. We request your help in reviewing any residential or commercial video footage from the area of Long Drive, Village Lane, 2nd Ave NE and 3rd Ave NE, Watford City, from approximately 3 to 7 a.m.

WCPD encourages you to not leave valuable items, such as money, firearms, or prescription medication in unattended and unlocked vehicles. These thefts are a crime of opportunity, and can be reduced or prevented by safely securing your valuables.

WCPD would also like to thank those in the areas of where these crimes were committed who have gone above and beyond in assisting us in this case. Their assistance is greatly appreciated.

Lillian Frieda (Propp) Riedel, 85, Fairview, MT

Our loved and cherished mother and granny went to be with the Lord on June 22, 2019. Lillian Frieda (Propp) Riedel was born on July 14, 1934 in Worden, MT to Paul and Mary (Walters) Propp. She was the fourth of five children. At the age of four the family moved to the Fairview area. Lillian went to school in Fairview and graduated from Fairview High in May of 1952. On November 2, 1952 she married Robert Victor Riedel whom she had been dating since 7th grade. They bought a farm near Fairview and this is where she was when she passed. It was a wish she had and we were so happy it was able to be granted to her. In 1954, Vicki Lynn was born, 1956 Cheryl Kay and in 1969 Keith Alan. Mom & Dad were both very proud of their children... Mom with the iron fist and Dad the one that always shortened our 'being grounded' time. So to that we'd say we had the best of both worlds.

Lillian Riedel

She loved living on a farm and was a very hard worker. We had milk cows, chickens, pigs and lambs which Mom took care of. She was also in charge of yard work and, of course, all the cooking/baking....which, by the way, she was wonderful at. Vicki and Cheryl were blessed with cream of wheat or pancakes or anything hot after we were done irrigating in the early summer mornings. And then she let us go back to bed for a while to warm up. We were also treated to things like caramel rolls or chocolate chip cookies when getting off the bus in the winter time. She taught both of us a lot about canning, cooking and baking. Oh, and let's not forget CLEANING. Anyone that knew Mom knew you could eat off her kitchen floor.

Mom and Dad were wonderful parents to grow up with. We got to go snowmobiling, ice-skating, lots of camping and boating with a few vacations here and there. They also played Tripoli, Whist and different board games. Boating was Mom's least favorite of all of these. Dad loved to give us a thrill by turning sharp and trying to get the water up as close to the edge of the boat as he could. Dad — huge grin, Mom — frown. Her world was turned upside down and her heart was hugely broken when Victor passed away in 1972.

Mom decided to try the working world as we all learned to live without Dad. The jobs she had over the years were at Sidney Livestock, Williston Livestock, Modern Lady, Judy's Catering, scalehouse person for weighing beet trucks for Holly Sugar. She also drove beet truck for the Riedel family but that started with marrying Dad.

Mom spent the last of her years working in her flowerbeds, helping in the garden, mowing her lawn and doing everything most people have to do for the upkeep of a farmyard. She was very intelligent in many things. The most we have to marvel about is, as we have been running into things lately, she was a Mrs. Fix-it in some of the most unique ways. We have found ourselves saying many times since she passed....only Mom/Granny would have fixed it that way!!! She was Keith's right-hand caretaker and spent many hours driving and sitting in the hospitals with him. We loved watching the pouring out of her love for her son.

Lillian is survived by her daughters Vicki (Chuck) Thompson, Elko, NV and Cheryl Riedel (Jim Karst), Fairview; granddaughters Alicia Dietrich-Dahl, Fargo, ND and Angie (Casey) Dietrich, Fairview, MT; great-grandsons Parker (Aneska) Dahl, Fargo, ND and Connor Dahl, Williston; great-granddaughter Taylor Dietrich, Fairview, MT. One brother Harold (Betty) Propp, Billings, MT, one sister Dorothy Valnes, Sidney, MT and sister-in-law Bernice Riedel. Also she has numerous nieces and nephews on both the Propp and Riedel sides.

Lillian was preceded in death by her husband Victor, son Keith, parents Paul & Mary Propp, sister and brother-in-law Betty (Al) Beman, brother and sister-in-law Eddie (Marilyn) Propp, brother-in-law Larry Valnes. All of Victor's family — his parents, four brothers and three sisters also preceded her in death.

Burial will be at a later date at Fairview Cemetery, Fairview, ND.

MCHS Inc. Women's Day To Feature Amberley Snyder On Sept. 14

By Anna Dragseth
McKenzie County Health-care Systems (MCHS) will be hosting their Annual Women's Day event at the Rough Rider Center in Watford City on Saturday, September 14. The event includes a Fun Run, vendor show, free lunch, motivational speaker, Amberley Snyder, Long X Arts Foundation activity, and presentation of "Woman of the Year" Award. The free event will kick off at 9 a.m. with a 5K Fun Run. The vendor show will start at 10 a.m. and wrap up around 2 p.m. The sponsored lunch will begin at 11:30 a.m., people interested in attending the lunch, and the motivational speech are required to register for a ticket at www.eventbrite.com. Amberley Snyder will be the keynote speaker at the event. Snyder is a paralyzed championship barrel racer. She was involved in a rollover truck accident in 2010, which left her paralyzed from the waist down. Although she lost feeling in her legs, she did not let that stop her from riding horses. To continue horseback riding, she equipped her saddle with a seatbelt and trained her horses to listen to her voice and hands and to ignore her legs.

Eighteen months after the accident, Snyder returned to competing in rodeo. She now competes in the Women's Professional Rodeo Association in barrel racing and has won multiple awards with the Cowboy and Cowgirl Hall of Fame. She also teaches barrel racing clinics around the nation.

Snyder shares her inspirational story at speaking events across the United States. She is also the author of a motivational children's book called, "Walk Ride Rodeo: A Story about Amberley Snyder" that tells the story of her accident and the obstacles she has overcome. Snyder not only has a book that shares her life story but also a movie. In 2018, Netflix released a movie based on Snyder's life titled, "Walk Ride Rodeo."

There will be a meet and greet following Snyder's talk where attendees can purchase her books, posters, or t-shirts. Snyder will autograph items, and attendees can have their picture taken with her as well.

After Snyder gives her speech, the Long X Arts Foundation will be putting on an

Kathleen Williams Visits Sidney

By Nicole Lucina

Recently Dem. Kathleen Williams who is running for U.S. Congress visited Sidney to reach out to the public and find what issues eastern Montanans are concerned about. Meeting at Sunny's Family Restaurant on Sunday, September 1, Williams said her main concerns include health care and opportunities for economic development in rural areas. Williams strives to find balance in making decisions best for Montanans. During her time in the Montana legislature, Williams has passed a bill that stops insurance companies from denying cancer patients routine check-ups.

"We have to prioritize," Williams said.

With her mother developing Alzheimer's when Williams was just 11 years old, health care is something that she finds important.

"Health care is something that is very personal to me," Williams said.

Williams said that she often hears personal stories from the public that makes her want to change the way the health care system works. "When you hear stories like that, you don't give up. You double down," Williams said.

She talked about mental health resources needing improvement in rural Montana as well. "American's need to demand better health care," Williams said.

When asked what her

boldest move was, Williams said fixing health care is something that she will do whether it's now or years from now. It is her main focus.

One of her ideas in fixing how health care works is to allow those 55 and older to buy into Medicare.

"It will help lower costs because there will be younger and healthier members using it," Williams said.

One community member at the meeting asked Williams how she feels she differs from her opponents. Williams said her experience and name recognition are key and sets her apart from those she is running against.

Williams noted that she also bridges the gap between community and politics and takes the time to hear what Montanans want and need from her.

"I know how to make lobbyists work for me, not the other way around," Williams said.

When the situation with Sidney Sugars was brought up, Williams took note and said it was something she would look further into. She plans to return to Sidney to take a tour of the factory and to find out more of what she can do to help the situation.

By Anna Dragseth

The 21st Annual Heritage Day will take place at the McKenzie County Heritage Park on Saturday, September 21. The McKenzie County Heritage Park is located west of Watford City at 950 2nd Avenue SW. This free event will start at 11 a.m. and wrap up around 5 p.m.

Throughout the day, attendees will have the opportunity to visit the historic buildings and antique tractors in the Heritage Park that have been donated from all around McKenzie County. Attendees can also participate in a Long X Arts activity (creating clothespin dolls), watch blacksmith shop demonstrations, participate in old-time school activities, and take an old-time photo. Attendees can watch the Heritage Park's sawmill and shingle mill in action and watch threshing and lefse-making demonstrations. There will also be a pie-eating competition for all ages to compete in. There will be a scarecrow building contest, which is new this year, each contestant is responsible for their own props, and they will provide the straw!

Come to Heritage Day to explore the way people lived in McKenzie County many years ago and to enjoy all the activities the event has to offer. It is free for all community members to enjoy!

Richland County 4-H Member Wins High Honors At Montana 4-H Congress

By Josie Evenson
Ali Merritt, a nine year member of the Forever Buds 4-H club, was awarded the highest honor a Montana 4-H member can receive for 4-H project work; a state award. Ali applied for a state award for her dedication and work in the market and breeding beef projects in May and received the award at Montana 4-H Congress in Bozeman during the month of July. A state award recognizes outstanding accomplishments of 4-H members who have reached a standard of excellence in a project area. State award winners have gone above and beyond regular project work with a focus on leadership, communication and community service. Ali has been involved in the market beef project for eight years and the breeding beef project for seven years. As mentioned, Ali has gone above and beyond in both projects. Not only does she keep immaculate records of her herd and operation but she also is a member and officer for the Montana Junior Red Angus Association and has been officially certified in Artificial Insemination to continue improving her Red Angus herd. Ali can also be found lending a helping hand to others in the 4-H beef projects. She has traveled all over Richland County helping younger members learn more about beef and how to prepare them for show. She also aided Richland County 4-H Jr. Leaders in teaching at the Market Quality Assurance Training and the showmanship clinics. Due to this accomplishment, Ali will be traveling to Atlanta, Georgia this November to represent Montana 4-H at National 4-H Congress with the other state award and contest winners.
