## Richland Co. Fair 4-H Grand Champions

Top: Rondel Beery (right), of Nortana Grain, Lambert & Sidney, purchased Jalyssa Gorder's Grand Champion steer at the Richland County Fair this weekend. He also purchased Jaycee Searer's Grand Champion hog (pictured left). Bret Smelser of Border Steel & Recycling, Sidney, purchased Rachel Oliver's Grand Champion

lamb (pictured right). Go to [www.roundupweb.com](http://www.roundupweb.com) for more pictures from the 2012 Richland Co. Fair.

## MDT Will Hold Final Public Meeting to Discuss Culbertson Corridor Planning Study

The Montana Department of Transportation (MDT) is holding the final informational meeting on the Culbertson Corridor Planning Study on Thursday, August 16, 2012, beginning at 6:00 p.m. The meeting will be held at the Town Hall, 210 Broadway, Culbertson, MT. The purpose of the meeting is to present the Draft Study, answer questions, and solicit input from the public.

Community participation is a very important part of the process, attendance is welcomed and encouraged. Comments may be submitted at the toll free comment line (1-800-714-7296), in writing at the meeting, or by mail to Carol Strizich, Project Manager, MDT Statewide and Urban Planning, 2960 Prospect Avenue, Helena, MT. 59620. Please indicate comments are for the Culbertson Corridor Planning Study.

MDT initiated the corridor study to identify and assess improvement options for the rectangular area around the town of Culbertson, which includes a 4-mile segment of U.S. 2 (between reference post 642.8 and reference post 646.8) and a 5-mile segment of MT 16 (between reference post 86.6 and reference post 88.6 north and between reference post 0 and reference post 3 south of Culbertson). The corridor study is a planning study and not a design or construction project. Improvement options, including an alternate route around Culbertson, were evaluated based on engineering and environmental data as well as input from the oversight committee and local officials. Through analysis and screening, fifteen improvement options and one alternate route were identified as having the potential to address transportation concerns within Culbertson.

The Public Draft of the Corridor Study will be made available on August 10, 2012 for review and comment. Copies of the Draft can be accessed via the study website at: [www.mdt.mt.gov/pubinvolve/culbertson/](http://www.mdt.mt.gov/pubinvolve/culbertson/). Hard copies will also be made available at MDT offices, Culbertson Public Library, and the Roosevelt County Extension Office.

MDT attempts to provide accommodations for any known disability that may interfere with a person's participation in any service, program or activity of our department. If you require reasonable accommodations to participate in this meeting, please call Grey Turner, at (801) 363-3955 at least two days before the meeting. For the hearing impaired, the TTY number is (406) 444-7696 or 1-800-335-7592, or call Montana Relay at 711. Accommodation requests must be made at least 48 hours prior to the meeting. Alternative accessible formats of this information will be provided upon request.

## New Category At 2012 Tractor Pull

The Harvest Fest Tractor & Truck Pull will be held at the Richland County Fairgrounds Arena in Sidney, MT on August 25<sup>th</sup> and will include a new category this year. ATVs and riding lawn mowers will be featured between each tractor and truck entry. Classes will include ATVs under 500cc, 500 to 700, over 700, steering wheel class, and lawn mowers. Interested contestants should pre-register with the Sidney Area Chamber of Commerce and Agriculture, or at 3:00 p.m. on August 25<sup>th</sup> at the Fairgrounds.

The competition will start at 6:00 p.m., and gates open at 5:00 p.m. Concessions and beer garden will be available on the grounds. This event is sponsored by the Ag Committee and members of the Sidney Chamber.

## "E-rase Your E-waste" Collection Event Aug. 16

The fourth summer "E-rase your E-waste" collection event is coming up Thursday, August 16th from 3-7 pm at the Richland County Shop in Sidney. The event is FREE and is the fourth and final event planned for the summer months as part of the 2012 E-rase your E-waste campaign.

Collection times are from 3:00 pm to 7:00 pm at the county repair shop at 2140 W. Holly in Sidney, next to the Fairgrounds. Signs will be posted.

## Ribfest 2012 This Weekend In Watford City

The Ribfest 2012 Planning Committee has set Friday, Aug. 10 for this year's event on Main Street, Watford City.

The street fair and concessions start at 10 a.m. and the rib contest will begin at 5 p.m. There will be street vendors and several ping pong drops that will offer special deals from Main Street businesses.

The day will be filled with live music from local talent, ending with a street

dance featuring the band, "Branded" beginning at 8 pm.

Prizes will be awarded for the best ribs with first prize receiving \$1000; second place receiving \$500. The Booth Showmanship prize is \$250. The "Peoples Choice" is a new prize this year with the winners receiving Ribfest t-shirts.

Other events include inflatable kids' games for the kids and a children's "Showdown" at noon where prizes will be awarded for the best western wear contest, a Clas-

sic Car Show, Bingo, a Relay for Life Survivor Presentation and a fireworks display.

"This event has quickly become a huge success," says Jessie Scofield, committee co-chair. "It's a great way to unwind, engage in friendly competition and celebrate the best things about summer and our community."

If you are interested in participating in the rib contest or would like to register as a food or craft vendor, registration forms are available at [www.watfordcityribfest.net](http://www.watfordcityribfest.net). Ribfest is also looking for sponsors. If you are interested or have questions contact the Watford City Chamber of Commerce at 701-580-1493 or [wccchamber@ruggedwest.com](mailto:wccchamber@ruggedwest.com) for more information.

Space is limited for this exciting event, so make your plans today!

## Watford City Relay For Life To Set Up Ribfest Booth

This year, the Watford City Relay For Life Committee has opted to set up a Ribfest Booth Friday, Aug. 10. The focus will be to honor survivors during Ribfest.

For more information contact Kari Korslien at 701-842-2174.

# Jitterbugs Preschool Program To Begin In September

This fall, parents of preschoolers will have the opportunity to enroll their children in the Jitterbugs Chris-

tian Preschool program. This new endeavor, located in the basement of the Sidney Church of the Nazarene, 606 9th St. SW, will offer a full preschool curriculum for students' age 3 to 5 pre-kindergarten. "I'm starting this program to help prepare children for kindergarten," says teacher and Executive Director, Michelle Sletvold. "I taught kindergarten for three years in Sidney and want to help in the process of preparing students to have a successful first year of school." Classes will be divided

by age group into morning and afternoon sessions. Children from ages three to 4.5 will attend the Cuddlebugs classes from 8-11 a.m., while children from ages 4.5 to 5 pre-kindergarten will attend the noon to 3 p.m. Doodlebugs classes. All students will study a variety of subjects that will prepare them to do well in kindergarten. "Both the Cuddlebugs and the Doodlebugs will have the same curriculum but it will be adapted to their age groups," says Sletvold. "They will learn all math concepts (sorting, pat-

terning, counting), alphabet, early reading skills, cooking, science, art and have access to a smart board that teaches them up to date technology. In addition to the subjects listed, students will also learn basic Spanish and Sign Language to incorporate diversity into the classroom and to make everyone feel welcome. My students will learn everything that is expected by the State of Montana and what kindergarten teachers would like them to know when they enter kindergarten."

also receive a nondenominational faith based lesson once a week.

Sletvold brings stellar qualifications with her to run a superior preschool. She has her teacher certification and taught kindergarten for 9 years total. She also completed her Master's degree in early childhood development so she has an excellent background to get preschoolers off to a great start.

Sletvold's assistant, Bobbi Jo Hackmann, also brings excellent qualifications with her to the preschool. She has 5 years of preschool experience and served as a paraprofessional for the special needs preschool for Sidney Public schools.

The opening of this preschool fulfills a long-time dream for Sletvold. "Teach-

ing preschool has been a goal of mine," she remarks. "I've wanted to do this since I started my Master's program. The opportunity finally presented itself, all of the details came together, so I decided to go for it and have a dream and goal full-filled."

The Jitterbugs Christian Preschool will begin on September 4 and will basically adhere to the Sidney public school schedule.

Parents can register their children at any time between now and September 4. Sletvold will also accept late registrations if space allows. Those who register within the next few weeks will have the chance to attend an open house. "I will have an open house prior to school starting to familiarize the parents and students with the building and general information regarding the daily

routine." Sletvold concludes, "The open house will also include a scavenger hunt to help the kids learn their way around the preschool."

To register, parents may phone Sletvold at 406-488-2969 or email her at jitterbugspreschool@hotmail.com.

# Sidney Leadership Committee Seeks Applicants

The Sidney area has many things to offer the community members, whether you are new to the area, or a long-time resident. Year after year, participants in the Sidney Area Chamber of Commerce and Agriculture's Leadership Class learn about the businesses, agriculture, tourism and recreation, health and human services, education, energy and local government in our area. This class offers a unique and interesting view into the many different facets of our town and area, and is a great opportunity to meet new people.

The Leadership Task Force is currently recruiting participants for next year's class, which will start in September. Planning is already underway for the different Issue Days, with this year's class shaping up to be a great success. Typically, businesses will sponsor one of their employees to at-

tend the class, which is a two-year commitment. The participants need to attend 7 Issue Days, 3 Skills Development seminars, the annual Chamber Banquet, a school board meeting, a city council meeting, Leadership Class graduation, and a candidates forum should it be an election year. The second year of commitment will allow the participant to plan an issue day of their own for the next class.

This class is a great opportunity for community members to get involved. If you are interested in taking this class, or would like one of your employees to participate in the program, call the Sidney Area Chamber of Commerce and Agriculture at (406) 433-1916.

## Feds, Farmers & Friends Feed Families

This summer, USDA employees at over 1,400 offices across the country are going above and beyond their daily duties to collect and donate food for the 4<sup>th</sup> annual Feds Feed Families food drive. Last month, they raised an impressive 78,518 pounds of food! But there is still much to be done, and they will need everyone's help to reach the goal of 1.8 million pounds by the end of August.

Please help the Sidney USDA office by dropping off food donations at 2745 West Holly in Sidney. All food donations received will benefit our local food bank! If you have any questions, please call 406-433-2103.

## Wedding Announcement

**Marce Tonack & Jeremy Jensen**

Marce Tonack & Jeremy Jensen, along with their parents, are happy to announce their engagement and upcoming marriage. A wedding ceremony will take place this September the 1<sup>st</sup>, 2012 at Pella Lutheran Church, with reception to follow at the old commercial building in the Fairgrounds. Marce is currently a Preschool teacher here in Sidney, and Jeremy works in the oil field and is on the Sidney Volunteer Fire Department. Their plans are to reside here in their hometown of Sidney, MT.

## Secretary McCulloch to Visit Election Offices in Eastern MT

Meetings Held to Discuss Timely Elections Issues and Best Practices for Running Successful General Election in November 2012

Secretary of State and Chief Elections Officer Linda McCulloch will visit county election offices next week in Terry, Glendive, Wibaux, Sidney, Plentywood, Scobey and Wolf Point to discuss timely issues and best practices for running a successful statewide election in November. The trip is part of Secretary McCulloch's statewide tour of election offices, which she implemented to enhance the integrity of the elections process in Montana and to strengthen the intergovernmental relationship between state and county offices.

## RFCU Farmer's Market Begins Aug. 10 In Sidney

The annual Richland Federal Credit Union Farmer's Market begins Aug. 10 in their west parking lot. All vendors are invited and there is no charge. The market will be every Friday from 7:45 AM to noon or until everything is gone. The market continues every week as weather dictates,

Benny died Saturday morning, August 4, 2012 at his farm home of 64 years in Dore, ND.

## Additional CRP Practices Authorized for Emergency Haying and Grazing

USDA's North Dakota Farm Service Agency, with concurrence of the State Technical Committee, has authorized emergency haying and grazing on certain otherwise ineligible CRP practices for 2012. Due to continued drought conditions across the state, emergency haying and grazing will now be allowed on practices CP8A, CP23, CP23A, CP25, CP27, CP28, CP37 and CP41.

All emergency haying and grazing provisions will apply to these practices as they apply to other practices, including: Authorization must be received from the producer's local FSA office;

A modified conservation plan that includes haying and grazing requirements must be obtained from NRCS;

Only 50% of a field may be hayed;

Livestock may only be grazed at 75% of the stocking rate;

Vegetation stands must be fully established;

A 10% payment CRP payment reduction will be assessed.

Additional restrictions may apply. Producers interested in emergency haying or grazing of CRP acreage should contact their local county office for additional information.

# DID YOU KNOW?

## How To Drink Responsibly

### Size Matters.....How Big Is It?

By Richland County DUI Task Force

We can drink responsibly and still have a lot of fun. The Domino Strategy is a simple way to remember the guidelines. There are 3 lev-

els that take the guesswork out of alcohol consumption. Zero – No drinks for people who are under 21, operating machinery, pregnant, recovering alcoholics or taking certain medicines. No more than one drink per day for

women. No more than two drinks per day for men.

However, like everything else in the consumption world, alcoholic drinks have been super-sized. Knowing the appropriate size for your personal alcohol consumption can help you be responsible and safe in your nights out. Standard beer size is 12 oz. of beer, (12oz can or bottle)...that frosty mug or tall glass and even that pitcher could put you over the limit...KNOW YOUR SIZE. Standard size for a glass of wine is 5 oz., the average wine glass is 12 oz. The wine glass should only be about 1/3 full for women and 2/3 full for men...BIGGER ISN'T BETTER. Standard size for 80-proof liquor is 1 1/2 oz. that's one shot glass of alcohol. BIG drinks can have BIG CONSEQUENCES.

Stay aware of the recommended amounts and sizes of your drinks, and you are on your way to responsible alcohol consumption. We can all enjoy alcohol safely, for our health and the safety of others.

The Richland/McCone County DUI Task Force members represent a diverse cross-section of our community, including concerned citizens, government officials, law enforcement, health professional, prevention and treatment specialist, business professionals and others. The DUI Task Force is dedicated to promoting a healthier and safer environment for the residents of Richland & McCone Counties by reducing injuries and fatalities related to over consumption of alcohol and impaired driving. Please contact Mary Friesz, DUI Task Force Coordinator at the Richland County Health Department to make a difference and for resources or information.

# Breastfeeding Benefits Infant & Mother

By Shari J. Twigg, M.D., Obstetrics and Gynecology, Sidney Health Center

Shari J. Twigg, M.D., OB/GYN

Many new mothers contemplate whether they should breastfeed their infant. Some feel embarrassed by this or may feel that it just seems unusual. However, there are large benefits associated with breastfeeding, not only for the infant, but for the mother as well. Breast milk is exactly designed to be what your infant needs and cannot be reproduced by formula. It is also completely free.

First and foremost, infants benefit greatly from breastfeeding. Breastfeeding directly benefits the infant's nutrition, gastrointestinal function, immune system, psychological well-being, and may improve neurodevelopmental outcomes compared to those who were formula-fed. Human milk may have long-term benefits for your infant such as decreasing obesity, childhood cancers, adult cardiovascular disease, allergic conditions and diabetes mellitus.

Not only does breastfeeding benefit the infant, but it also benefits the mother. Moms recover faster from childbirth, have reduced stress, enhanced weight loss, and can have a prolonged anovulation time (in other words, not ovulating, although this is still not a reliable method of birth control). Additionally, breastfeeding has long-term benefits – reduces breast and ovarian cancer, and may reduce cardiovascular disease and obesity.

To state this more plainly, breastfeeding is both the best thing for your infant and for you. All women should breastfeed unless using street drugs, certain other medications, or have certain diseases. You should ask your health care professional about any conditions or medications you may have or be taking that could harm your infant. Otherwise, breast milk is best.

August is National Breastfeeding Awareness Month and Duramed in Sidney is offering a special on its Medela breastfeeding products. All Medela products including pumps, nursing bras, bottles and accessories are up to 20% off during the month of August.

Dr. Twigg is an OB/GYN physician who practices at the Sidney Health Center Clinic. Her office number is 488-2577.

# Ft. Buford Hosts Special Weekend of Public Events

Fort Buford comes to life on Saturday, August 18, 2012, with living history and historical presentations. The Fort Buford site, located 22 miles southwest of Williston, is managed and maintained by the state's history agency, the State Historical Society of North Dakota.

Programs will be featured throughout the day. From 9 a.m. to 6 p.m., the Fort Buford Sixth Infantry Regiment Association of Williston will provide demonstrations on marching, a cannon drill, and history on the life of a frontier soldier in the late 1800s. Ann Marks of Jamestown will provide Dutch oven cooking demonstrations in the campground throughout the day. No food will be served to the public from these demonstrations.

At 3 p.m., Dale Marks of Jamestown, a member of the Twentieth Infantry, will present a program on small arms of the Civil War and the Indian Wars. Arch Ellwein will provide History Alive! Presentations portraying Vic Smith, champion buffalo hunter, at 11 a.m. and 2 p.m. on Saturday, Aug. 18 and

Sunday, Aug. 19, at 2 p.m. and 4 p.m. Ellwein is an advertising consultant and Williston-Sidney area actor and children's theater director. At the nearby Missouri-Yellowstone Confluence Interpretive Center, the Confluence Quilter will meet from 9 a.m. to 4 p.m. with a brown bag lunch.

On Sunday, Aug. 19, Bill Lowman, cowboy poet, will provide a presentation at 3 p.m. CDT at the Missouri-Yellowstone Confluence Interpretive Center. Lowman's pencil drawings are on display at the center throughout the month of August.

Fort Buford was established as a military post in 1866 to guard the trails west and serve as a major supply depot, functioning until 1895. When the fort was decommissioned in 1895, it included more than 100 buildings and structures. Today, in addition to the Field Officer's Quarters where Sitting Bull surrendered in 1881, only two other original buildings remain—the Officer-of-the-Day Building and the stone powder magazine. A nearby fort cemetery also still exists.

# ROOSEVELT COUNTY FAIR

# Schlothauer Completes Additional Training In Pre-Natal Massage

Kim Schlothauer, massage therapist at An English Touch Day Spa in Sidney, recently completed extensive training in pre natal massage. She came away with the skills necessary to provide comfort and relief for the pregnant client through gentle massage techniques. "The training improved on what I already knew," Schlothauer stated. "I am now able to provide even better treatments for my clients."

In addition to Swedish, hot stone and deep tissue massage. Schlothauer also offers body wraps for exfoliation, hydration and detox. She also does slimming wraps for inch loss or you can enjoy a pampering facial. "I cater to the clients needs," she said.

To make an appointment for your next treatment, call an English Touch Day Spa at 406-433-1430, stop by 205 N. Central Ave., Sidney or visit their website, [www.anenglishtouch.com](http://www.anenglishtouch.com).

# McKenzie County 4-Hers Do Well At State Events

(L to R) AndrinaTurnquist, Karissa Mosen, Krystal Wold and Carlton Turnquist

McKenzie County 4-H Consumer Choices judges were recognized for finishing in fourth place at the State 4-H Consumer Choices Junior Division contest held on July

24 at the ND State Fair in Minot.

Karissa Mosen, daughter of Clayton and Vicki Mosen of Watford City, placed 17<sup>th</sup> individually while

teammates Carlton and AndrinaTurnquist, children of David and Erica Turnquist of Alexander, placed 20<sup>th</sup> and 22<sup>nd</sup> respectively. Final team member, Krystal Wold, daughter of Gary and Sue Wold of Watford City came in 27<sup>th</sup> place. The McKenzie County judges were among 65 4-Hers competing in this annual contest.

4-H Consumer Choices judging activities are designed to help youth develop decision making skills. Their ability to observe and evaluate written materials as well as reciting oral reasons to justify their decisions determines their success in judging events.

# McKenzie County 4-Hers Participate In State 4-H Events

The 2012 State 4-H Clothing Revue was held on

## Public Notification of a Sex Offender Working In McKenzie Co.

Mr. Paul R. Corbin is a Sex Offender in the State of Michigan . Mr. Paul R. Corbin resides in Williston, ND but will be working in McKenzie County at the following address: North Winds of WY, 12612 23<sup>rd</sup> St. NW., Watford City, ND. 58854.

Mr. Corbin has convictions in the State of Michigan, they are as follows: Criminal Sexual Conduct-3<sup>rd</sup> Degree (Person 13-15)/1999 and Criminal Sexual Conduct-4<sup>th</sup> Degree (Victim between 13-16)/1999.

MI-Registered, MI-Risk Level – N/A

ND-Status: REGISTERED, ND-Risk level: Undetermined

Paul R. Corbin

Monday, July 23 at the North Dakota State Fair in Minot.

Karissa Mosen of Watford City and member of Banks Willing Workers 4-H Club participated in the teen division of the event wearing her sewn blue tie dyed dress with ruffled sleeves. Sister Kaylin competed in the preteen division with her sewn sundress. The girls were among about 50 youth modeling various clothing items in this special showcase of youth from across the state.

The 4-H Clothing Revue offers 4-Hers the opportunity to select and make clothing that will be becoming and expressive of their personality. 4-Hers also select suitable accessories and model garments needed in their wardrobe. Knowledge and skills learned in 4-H through

clothing projects are shared with others.

The 2012 State 4-H Project Expo was also held on Monday, July 23 at the North Dakota State Fair.

Krystal Wold of Watford City and member of Banks Willing Workers 4-H Club entered her table top display, "Tie Dye Fun" in the teen division of this annual event.

Over 50 youth from across North Dakota were involved with this event.

The 4-H Project Expo is a tabletop display of participant's work in a 4-H project. During the event, participants answer questions of judges concerning their work.

For more information, please contact the McKenzie County Extension office at 701-444-3451.

# Mercy Medical Center Receives \$451,629 Grant

## Funding Connects Rural Patients to Emergency Specialists

Patients of Mercy Medical Center will benefit from the latest technological advances that expand patients' access to quality emergency care, made possible through a grant from the Leona M. and Harry B. Helmsley Charitable Trust.

The Leona M. and Harry B. Helmsley Charitable Trust has awarded Mercy Medical Center \$451,629 for eCare, a program that gives physicians immediate access to special care 24 hours a day. The grant will be used to purchase eEmergency equipment that connects local physicians with emergency specialists. eEmergency ensures that board certified emergency physicians and emergency-trained nurses are available to assist local providers in treating trauma, heart attack, stroke and other critical conditions.

"This contribution will improve the care we provide to our patients by providing our physicians and nursing staff an immediate connection to additional emergency specialists during difficult or multiple emergency cases," says Matt Grimshaw, president and CEO. "This assistance may initiate diagnostic testing sooner, and it keeps patients near their homes."

The Rural Healthcare Program of The Leona M. and Harry B. Helmsley Charitable Trust began awarding grants in 2009. The Helmsley Trust has awarded more than \$142 million in grants to nonprofit organizations in the region through the Rural Healthcare Program.

The Leona M. and Harry B. Helmsley Charitable Trust, established in 1999, supports a diverse range of organizations with a major focus on health and medical research, human services, education and conversation. To date, The Trust has announced more than \$637 million in grants to charitable organizations since 2008.

# Duck Brood Index Up From Last Year

North Dakota's 2012 fall duck flight is expected to have twice as many birds as last year. Mike Johnson, game management section leader for the State Game and Fish Department, said the fall flight esti-

mate is a combination of the breeding duck survey and the brood survey.

Results from the breeding duck survey in May indicated the duck index was up 16 percent from 2011 and exceeded the long-term average by 112 percent.

May water conditions were down 57 percent from 2011 and 6 percent from the long-term average.

The mid-July waterfowl production survey revealed the duck brood index was up 110 percent from 2011 and 155 percent above the long-term average. Average brood size was 6.9 ducklings, down 0.8 from last year. The long-term average is 7.1 ducklings per brood.

The water index in mid-July was down 48 percent from last year, but still 10 percent above the long-term average.

The index does not count every water body or duckling in the state. Instead, representative transects across the state are sampled each year. Over time, survey results provide biologists with trend information that allows annual comparisons of waterfowl production in the state.

Clint Sorensen caught this nice carp at Ft. Peck August 5.

Jessica Romo, 9 yrs old, with her 1st walleye catch ever. Caught at Snowden Bridge this past Sunday.

Featuring hard ice cream in a variety of flavors

# OUTDOORS

## HIP Certification Required for Migratory Bird Hunters

Migratory game bird hunters are reminded to register with the Harvest Information Program prior to hunting in North Dakota this fall.

HIP certification is required for all migratory bird hunters, regardless of age, before hunting ducks, geese, swans, mergansers, coots, cranes, snipe, doves or woodcock.

Hunter compliance is essential in order to obtain reliable national and regional estimates of annual harvest of all migratory game bird species. These estimates provide information biologists need to make sound decisions concerning hunting seasons, bag limits and population management.

Hunters who purchase a license through the North Dakota Game and Fish Department's electronic licensing system (gf.nd.gov) or instant licensing telephone number at (800) 406-6409 can easily get HIP certified.

Otherwise, hunters can access the department's website, or call (888) 634-4798 and record the HIP number on their fishing, hunting and furbearer certificate.

Those who registered to hunt the spring light goose season in North Dakota do not have to register with HIP again, as it is required only once per year. However, hunters must HIP register in each state for which they are licensed before hunting migratory game birds.

## Block Management Information Available Aug. 15

For the 2012 hunting season, more than 1,260 land-owners have enrolled about 8 million acres in Montana's Block Management Program.

The popular Montana Fish, Wildlife & Parks program provides hunters with public hunting access to private land, and isolated public land, free of charge, while assisting land-owners in managing hunting activities.

Information about specific Block Management Area opportunities will be available beginning Aug. 15 at all FWP offices and on the FWP website at fwp.mt.gov. Hunting Guides and most BMA maps will be available on the FWP website. Click "For Hunters," then click "Block Management."

While many BMAs do not require reservations, some do. Hunters can use the Hunting Access Guides to determine how permission is obtained for individual BMAs. BMA reservations may be made for some upcoming hunting seasons beginning Aug. 22. Others won't open reservation lists until later in this fall.

Additional tools to help hunters plan for hunts on Montana's 93 million acres of private and public land can be found on line at fwp.mt.gov. Click "Hunting," then click "Hunter Access."

**BEFORE THE DEPARTMENT OF REVENUE OF THE STATE OF MONTANA LIQUOR LICENSING**

**NOTICE OF APPLICATION FOR TRANSFER OF OWNERSHIP AND LOCATION FOR MONTANA ALL-ALCOHOLIC BEVERAGES "FLOATER" LICENSE NO. 27-221-6606-001**

On May 30, 2012, Mighty Mouse, Inc. - Sole Shareholder: Jack D. Vaira, filed an application for the transfer of a license to be used at GOLD RUSH CASINO & LIQUOR STORE, 504 South Ellery Avenue, Fairview, Richland County, Montana. This license was previously held at Jackrabbit Red's Casino, 12200 West Browns Gulch Road, Butte, Silver Bow County, Montana. Protests against an application must be (1) made in writing, (2) mailed to the Department of Revenue, Liquor Licensing, PO Box 1712, Helena, Montana 59624-1712, and (3) received and date stamped by the Department no later than the 3rd day of September, 2012. Protests will be accepted from residents of the county from which the application originates, residents of adjoining Montana counties, or residents of adjoining counties in another state if the criteria in subsection (4)(d) are met.

Each protestor is required to mail a separate letter of protest that contains in legible print, the protestor's full name, mailing address, and street address. Each letter must be signed by the protestor. Protest petitions bearing the names and signatures of more than one protestor will not be considered. Protest letters must provide the license number, trade name, or applicant name associated with the license being protested for identification purposes. Protest letters must contain a clear statement of the writer's intent to protest the application. The grounds for protest of an application for a transfer of location are limited to those set out in section 16-4-405, MCA, for a denial of a license, and public convenience and necessity as set out in section 16-4-203, MCA. If the protested application is for a transfer of ownership not involving a transfer of location, the grounds for protest are limited to those set out in section 16-4-405, MCA. Protest letters which do not provide the information described in this paragraph will not be considered valid protest letters. Only those grounds for protest raised in valid protest letters will be considered at hearing. An individual's testimony will be limited to the grounds for protest raised in that individual's valid protest letter.

If the department receives a sufficient number of protests to require a hearing pursuant to section 16-4-207(4)(a), MCA, a hearing will be scheduled in Helena, Montana. If the department receives a sufficient number of protests to require a hearing pursuant to section 16-4-207(4)(b), MCA, to determine public convenience and necessity, a hearing will be held in the county in which the proposed premises is located. All qualified protestors will be notified of the time, date and location of the hearing. Hearings are typically scheduled within 90 days following the protest deadline.

If a sufficient number of protests to require a hearing are not received and all licensing criteria have been satisfied, the department may issue the license without holding a hearing.

DATED: July 24, 2012

BY: Jessica Burbank Compliance Specialist

## Dr. Wayne L. Anderson Joins Mercy Specialty Clinic

Mercy Medical Center is pleased to announce Wayne L. Anderson, MD, FACS, has joined the Mercy Specialty Clinic. "We are very pleased to have Dr. Anderson rejoining our practice as we continue to grow to meet the needs of the community," said Matt Grimshaw, CEO, Mercy Medical Center.

Dr. Anderson began providing surgical services at Mercy Specialty Clinic on Wednesday, August 1, 2012 at Mercy Medical Center. His office has remained in the same location which is across the hall from Mercy's Orthopedic Clinic and adjacent to Dr. Vibeto, General Surgeon.

Patients are asked to enter through the Mercy Medical Center Clinic Entrance door #8, located on the southwest side of the facility and to check in at the orthopedics reception desk. They are also reminded to contact Mercy's General Surgery Clinic by calling 701.774.7082 to schedule future appointments.

Once again, Mercy Medical Center is pleased to welcome Dr. Wayne L. Anderson to the Specialty Clinic team!

## Dynneson Graduates from Drake University

Lisa Marie Dynneson of Sidney graduated from Drake University at the conclusion of the 2012 spring semester with a Juris Doctor in Law.

Drake is a private, independent university in Des Moines, Iowa, with an enrollment of approximately 3,300 full-time undergraduate students from 50 states and 50 countries. Drake University's mission is to provide an exceptional learning environment that prepares students for meaningful personal lives, professional accomplishments and responsible global citizenship. The Drake experience is distinguished by collaborative learning among students, faculty and staff and by the integration of the liberal arts and sciences with professional preparation.

Wayne L. Anderson, MD, FACS
