Memphis, TN – Liliana Johnson, a sophomore from Sidney High School, is one of more than 800 high school cheerleaders from across the U.S. who will be representing Varsity Spirit in the world famous London New Year's Day Parade.

The individuals invited to perform in the London celebration are part of the All-American program, selected from Universal Cheerleaders Association (UCA) and National Cheerleaders Association (NCA) at summer camps across the country. All-Americans are chosen based on superior athletic and leadership skills. Only the top 12% of athletes who attend camp earn the chance to perform in the holiday spectacular.

"The All-American program is celebrating its 31st year in 2018, and our talented cheerleaders, dancers and drum majors really enjoy the opportunity to show their skills to a very enthusiastic international audience," says Mike Fultz, International Event Coordinator for Varsity Spirit.

For more information, visit london.varsity.com, or contact Mike Fultz at (800) 238-0286 or mfultz@varsity.com.

Richland County Transportation Needs Your Feedback

Richland County Transportation is asking county residents to help them determine the direction of their service by filling out a quick survey. The service is twelve years old and has grown and changed a lot. The question is whether the existing plan still works or whether there are additional services that residents would utilize. Results will be used to develop a five year plan with an extension to ten years. Richland County Transportation received a grant to pay for the survey so no county dollars are being spent.

Richland County Transportation currently has multiple uses such as taking individuals to school, work, sports practices, to medical appointments, or grocery shopping. Summer day trips to Medora and the Fort Peck Theatre are also available for just \$15 per person, and families sometimes use the service to take their loved ones on a country drive because of the wheelchair accessibility.

It is used by all ages and is very inexpensive at only \$1 per stop if reserved the day before or \$5 per stop if called in the day of. The service is not income based and is available to anyone for any reason.

Partnering with SHC Extended Care, ROI and The Lodge, there are three buses running daily for the general public. The four units share expenses and are under the auspices of Richland County. The system is blessed with a newer fleet of 10 vehicles, with a new one coming in a few months, and a fantastic routing system, which is one of only two in the state.

Hours are 7 a.m. to 6 p.m. seven days a week for anyone within a five mile radius of Sidney. Buses run to Savage on Tuesdays, Lambert on Fridays and Fairview on Thursdays, with stops made along the way.

What other uses would the public like to see? How can we serve you better? Have you ever used the bus and how? If you haven't used it, what would your needs be? Would you utilize it to go to medical appointments in Williston, Glendive or Billings? Could it be used to bring in workers from other towns?

"The transportation system is important to have in our community," stated Jodi Berry, Commission on Aging. "It's very affordable and we have many people who are loyal and thankful. We just need your help to determine the direction the system needs to go to make our service even better."

Please pick up a survey at the Community Services Building, the Sidney Chamber office or various businesses in Sidney or link to the survey at <https://Surveyynuts.com/RCTS-Community-Survey> and help shape the future of the Richland County Transportation System.

Health Department to Hold Accreditation Reception

The Richland County Health Department will hold a reception to celebrate the achievement of PHAB National Public Health Accreditation on Thursday, December 20.

The national accreditation program works to improve and protect the health of the public by advancing and ultimately transforming the quality and performance of the nation's state, local, Tribal, and territorial public health departments. The Richland County Health Department is one of fewer than 200 health departments that have thus far achieved accreditation through PHAB since the organization launched in 2011. The Richland County Health Department joins Missoula, Gallatin, Lewis and Clark, Cascade, Yellowstone and Flathead Counties in becoming accredited.

The reception will be held at the Community Services Building, located at 1201 West Holly, in Sidney. A ribbon cutting by the Sidney Chamber of Commerce will mark the beginning of the Department's accredited period, and will take place at 1:30 p.m.

The public is invited to celebrate this achievement with refreshments from 1 to 3 p.m. on Thursday, December 20.

Positive Influenza Cases in Richland County

Submitted by Julie Brodhead, RN, RCHD Communicable Disease Surveillance Nurse

Richland County's flu season has begun, just as we enter the holiday season of family gatherings! There has been one positive Influenza B case and one positive Influenza A case tested locally during the past week. No one has been hospitalized and neither received a vaccination for this influenza season. The lab results were sent for confirmation by MT Public Health Laboratory in Helena.

Richland County Health Department wants residents to know that there is time to get a flu shot from the Health Department, a local healthcare provider or your choice of pharmacy.

The symptoms of influenza include a sudden onset of fever, chills, fatigue, body aches, headache, chest discomfort and a cough. A person may experience all or most of these symptoms. You may catch influenza or the "flu" when you breathe in the virus from someone else's cough or when you touch a surface with the virus on it (such as a phone or faucet) and then touch your nose, mouth or eyes.

The risk of infection from influenza is higher in crowded public areas and living quarters. People begin to show symptoms within a week of being exposed to the virus.

Vaccination remains the best prevention for influenza and influenza-related complications. Influenza vaccine is recommended for everyone from ages 6 months and older.

People who have any chronic health condition, such as diabetes, heart disease, cancers, immune suppressed, pregnant, and other compromised lung/respiratory diseases are at higher risk of complications from influenza illness and are strongly urged to get yearly influenza vaccinations. Please speak to your healthcare provider for specific questions related to your medical condition.

In addition to vaccination please take precautions to limit the spread of disease, including:

- Wash your hands thoroughly and frequently;
- Cover your nose and mouth with a tissue when coughing or sneezing;
- Stay home from work, school, daycare and large gatherings when you're sick;
- Get plenty of rest; and
- Eat nutritious foods and drink plenty of fluids.

Vaccinations are given Monday, Tuesday & Wednesday from noon to 4:30 pm at the Richland County Health Department located in Community Services Building. No appointment is needed but you may call 433-2207 for more information.

New Year, New Chance to Quit Tobacco for Good!

Richland County, Mont. – Every year, thousands of Montanans look at the new year as an opportunity to make positive life changes. For Montanans who use tobacco, quitting tobacco is one of the best things they can do for their health. The Montana Tobacco Quit Line and American Indian Commercial Tobacco Quit Line are free services available to all Montanans and are here to help anyone quit tobacco.

“Remember the Quit Line is for all types of tobacco: cigarettes, smokeless, and e-cigarettes. No matter what type of tobacco you use, the Quit Line can help,” stated Jacklyn Damm, Local Tobacco Prevention Specialist.

The Quit Line offers free and reduced cost medications, free counseling with a certified quit coach and a personalized quit plan. The Montana Tobacco Quit Line also offers a special program to pregnant women who want to quit for their own health and the health of their baby, and offers an American Indian call line that connects callers with American Indian coaches. All Quit Line programs deliver tailored services for each caller creating the best opportunity for success.

Quitting tobacco can be the most important thing you do for your health this New Year. The Quit Line, along with FDA-approved cessation medications available through enrollment, is a proven effective way to help you quit tobacco use successfully. Tobacco users who use the Montana Tobacco Quit Line are 7 to 10 times more likely to quit than if they were to try alone.

To get started call 1-800-QUIT NOW (1-800-784-8669), or visit the website at www.QuitNowMontana.com to enroll. American Indian callers can reach Native coaches directly by calling 1-855-372-0037. Or call the Richland County Health Department at 406-433-2207 for more information. Set yourself up for success in the New Year by calling the quit line today!

Attend GATE Feb. 8-9 in Glendive

Submitted by Kathy Mc-Lane

February 8th and 9th, 2019 (always the second weekend in February) marks the upcoming Glendive Agri-Trade Expo. We hope you will all note it on your calendars and join us as we celebrate our agricultural industry with our neighbors, friends and the companies we do business with.

Informative seminars will be held both days. They are still being arranged and scheduled so look for the listings on posters or at the GATE website, www.gatexpo.com as we get nearer to the date.

A raffle will also be held that will have two impressive firearms and one very impressive bronze as prizes. Get the tickets from any GATE member or from the Chamber of Commerce or purchase during GATE.

This 41st Annual event is proving to be exceptional with vendors coming from multiple states and two countries.

Whether your interest is in animal genetics; seed stock and crop varieties; farm safety or your interest is in new or used equipment, this is the place to gather and be kept abreast of new ideas – and the food provided by the Glendive Cowbells is always a hit.

If you would like to have your company represented at GATE, there is still vendor space available but it is filling quickly. We'd like to know about you.

For questions please contact Cody at 701-770-5110 or Kathy at 406-987-3777.
