## Sidney's First Women's Expo Held Aug. 17

Sheridan Cotrell, founder of Big Sky Women, speaks to a crowd about connections.

By Michele Seadeek

With over 40 vendors, the first annual "Rock What You Got" Women's Expo in Sidney was "a huge success," commented Larysa Hurst of Meraki Boutique, who sponsored the event. Co-owners Billie Hillesland and Larysa Hurst received vendor request until the event day. "We had very good feedback from our vendors and attendees," said Larysa. She and Billie are very excited about next year's event and will be establishing a committee to make the Women's Expo even better with more options, speakers and women entrepreneurs showcasing skills and products.

Moved from Veteran's Park due to unfortunate weather, the event was held at the Sidney Assembly of God facility where vendors lined the walls displaying everything from art work, to photography, aromatherapy, beauty, clothing and mental health. "Unfortunately the weather took us from our original location at Veteran's Park. We intend to bring it back there next year as it is a great location," explained Larysa.

Throughout the day, on the stage, were distinctive women speakers, a fashion show and DMJ from Williston; all informing and entertaining the crowd. First speaker Sheridan Cotrell, founder of Big Sky Women, spoke to a crowd about connections. "Connecting with people around you is a person's biggest asset," Sheridan stated. Big Sky Women provides tools and resources for women entrepreneurs through monthly trainings, expert business communications, and knowledge to build a community to promote success.

Sarah Perrault, Jessie McDonald and Kysa Rasmussen from Sunrise Wellness Center, the newest mental health and addiction counseling center in Sidney, displayed a wealth of information at their booth along with a fun plinko game that helped women with grounding strategies for stress reduction.

Larysa is excited for the growth of next year's expo and believes this is a much-needed event for Richland County. If you are interested in more information, contact Larysa Hurst, Meraki Boutique at merakiboutique2017@gmail.com.

## Watford City Hosts Back-To-School Events, August 22

Thursday's the day - the kids are going back to school! And Watford City is celebrating with two awesome Back-to-School events.

On Thursday, 9:30 a.m. to 5:30 p.m., some of Watford City's Main Street merchants are celebrating with a Crazy Days/Back to School Block Party! Seven participating businesses: Larsen Service Drug, Meyer's Department Store, Beaver Creek Creations, Badlands Boutique, Badlands Hardware, and Barrett Pharmacy will be offering up some crazy day deals on the street, and in their stores! And, while supplies last, Door 204 and Meyer's will even be offering free refreshments and treats! So take their pictures, drop the kids off at school, and head up to Main Street to enjoy the goodies, register for door prizes, snag some bargains, and check out what these merchants have to offer.

Thursday night from 5:30-7:30 p.m., in preparation for Friday's family movie night, bring your kids and a cardboard box to the Watford City Market, located at the new Kent Pelton Nature Park by the fishing pond. Long X Arts Foundations volunteers will be available to help your kids create their very own "car" which they can sit in and enjoy the outdoor movie, to be shown at Watford's second back-to-school event, the 2nd annual FREE FAMILY Outdoor Movie Night! This FREE event begins at 7 p.m., Friday night, in the vacant lot between REMAX, and Door 204. Sponsored by the Long X Arts Foundation, the Watford City Chamber of Commerce, and local businesses, families are invited to bring the kids, and enjoy face-painting, games, treats, a dance party, and more, ending in the viewing of this year's drive-in-movie, "Sing", to begin at approximately 8:45 p.m. Prizes will be awarded for the best cars, so why not enjoy the last few days of summer being creative with your kiddos and design one of this year's winners! Then Friday at 7 p.m., grab a blanket, some lawn chairs, and your cardboard "car" and head to Main Street for a free evening of fun. As this is a family event, parents are asked to remain with their children during the whole event.

## "Hometown Throwdown" Sidewalk Sale, Aug. 24, Sidney

The Sidney Area Chamber of Commerce and Agriculture is pleased to announce that another "Hometown Throwdown" Sidewalk Sale will take place this Saturday, August 24, during regular business hours. "The first two sidewalk sales have gone very well for our Sidney stores," Bill Vander Weele, executive director for the Sidney Chamber, said. "The hope is that shoppers will finish up their school shopping and also take advantage of the many other sales this Saturday." The celebration will feature plenty of sales throughout the downtown area. Many businesses will have beverages and food items outside their stores. "It should be a fun day in Sidney," Vander Weele said. "Please come out and support your local businesses."

## Outdoor Family Movie Night on Main in Watford City Aug. 23

The Long X Arts Foundation and the Watford City Chamber of Commerce will host their second summer Outdoor Family Movie Night on Friday, August 23, featuring the movie SING in Main Street Watford City.

The event will start at 7 p.m. and will feature a sing along and dance party, free art activities, face painting, games, sidewalk chalk, treats, popcorn and more. The movie will start at dark (around 8:45 p.m.).

Bring your blankets and lawn chairs or, for extra fun, have your child decorate a cardboard box to look like a car to sit in to pretend they're in an old drive in movie! Beaver Creek Creations will hand out PRIZES FOR THE BEST CARS!

Need help and supplies for the cardboard car? Bring your cardboard box at 7:00 and we can help you make it or join the Art Foundation at Watford Market on August 22 from 5:30-7:30 at the Kent

Pelton Nature Park Park. Bring your box and we'll help you create your car there!

## UPDATE On Williams County Bridge Possible Jumper

Authorities direct traffic on the bridge on Hwy 58

By Michele Seadeek

According to Detective Caleb Fry of the Williams County Sheriff's office, a search team was dispatched shortly after the call came in on August 17 that a possible jumper had leapt from a bridge in western Williams County on Hwy 58 early that afternoon. McKenzie County Sheriff's Department, Williams County Sheriff's Department, Fairview Police Department, Richland County, MT EMS and Fairview Fire Department personnel were on scene.

After initial ground and aerial searches didn't find anyone, a dive team was brought in that evening to search the waters. The dive team ran sonar robots in the water and did not find anything.

Detective Fry believes that "if the individual jumped from the bridge they may have had time to get to shore and leave the area before emergency teams arrived on scene. As of now there haven't been any missing persons reports placed or any body found. However, if additional information is brought forth, the investigation will continue." If you have any information regarding this event, please contact the Williams County Sheriff's office.

## Arnegard Fire Department Fights Blaze at PDQ Restaurant

On Aug 14 at 9 p.m. the Arnegard Fire Department responded to a report of smoke coming from the kitchen area of the PDQ. Upon arrival they found heavy smoke coming from the southwest corner of the building. We deployed lines and made dynamic entry on the west side knocking the fire down very quickly. Firefighters kept the blaze contained to the kitchen area although there was smoke throughout. They called for tender assistance from Watford City Fire and they sent 2 heavy engines with 10 firefighters of their own. We started taking turns doing overhaul and got the rest of the hot spots taken care of. The last Arnegard unit cleared the scene at 3:30 a.m. on Aug. 15. The restaurant had been closed for the past 30 days. The cause is under investigation. (Photo submitted)

# Northeastern Arts Network Announces Big Sky Series 2019-20

The Northeastern Arts Network is pleased to present the 2019-20 Big Sky Concert Series to our community. This year's series features exciting live theatre and a kaleidoscope of musical entertainment as part of this art organization's ongoing commitment to provide quality entertainment to the community with a variety of shows that will appeal to every age and interest.

The first performance of the season kicks off with Montana Repertory Theatre's presentation of "Love that Dog". In this one-person play adapted from the book by Sharon Creech, a young student ruminates on the confusing, pointless nature of poetry and the complete impossibility of a person writing their own poems. But, slowly, over the course of this 50 minute play, a young poet emerges with the help of a teacher, a pencil, some yellow paper, and, of course, a dog. This captivating performance takes place on Thursday, September 12.

Join us on Thursday, October 3rd for the music of the Rhythm & Ramble Quartet. Rhythm and Ramble is a jazz combo band based in Bozeman MT. featuring Colby Tinsley (clarinet) and Tyler de Caussin (guitar). This acoustic swing band founded upon a shared passion for pre-war American Jazz.

On November 7, you won't want to miss the performance by the Dennis Stroughmatt et L'Esprit Creole Trio, passionate ambassadors of Creole music and traditions, expanding interest and excitement in a region that has been ignored by the history books. This medley of music, language, stories, and culture secreted away in the Missouri and southern Illinois Ozarks now has a voice in the tapestry of this world. With the blessing of the Creole people of the Midwest, Dennis Stroughmatt et L'Esprit Creole work to expand interest and excitement in a region that has been, in many ways, forgotten by the march of time. Through the work of Dennis Stroughmatt et L'Esprit Creole, the music and culture of "Old Upper Louisiana" is in good hands. It'll make your soul jump, your head spin, and your heart glad to know that it is still here.

The Seffarine Duo joins the series on February 6, 2020. Led by Moroccan singer Lamiae Naki and oud player/flamenco guitarist Nat Hulskamp. Repertoire varies from classical Arabic and Andalusian music to original compositions influenced by music of widely varying cultures, such as Spanish flamenco, classical Persian music and American jazz.

A popular Celtic all girl trio, The Gothard Sisters close the series on March 26. The Gothard Sisters are a dynamic musical group of three sisters who play contemporary Celtic music. Blending Celtic, folk, classical, world and northwest musical influences, the Gothard Sisters bring songs to life with violin, acoustic guitar, mandolin, bodhran, djembe, octave violin, whistle and vocal harmonies, creating music that is "vivid, inspirational and captivating."

All concerts are held at the MonDak Heritage Center at 7 p.m. except for "The Gothard Sisters" which will be held at the Sidney Middle School Auditorium. Season tickets can be purchased at the door: adults \$50, senior \$45, and students \$35. Tickets can also be purchased at the door. For additional concert information contact Candy Markwald 406-488-4155, Jill Hill 406-489-4304, or Leann Pelvit at 406-433-3500.

The Big Sky Series is made possible in part by the Montana Performing Arts Consortium Presenter Development Program, which is supported by grants from the National Endowment for the Arts, Montana Arts Council, legislative grant from Montana's Cultural Trust, and WESTAF.

## MDA to Hold Waste Pesticide Disposal Events In September

Annual events have collected over 638,000 lbs. of waste pesticides

Helena, MT - The Montana Department of Agriculture's annual Pesticide Disposal Events will be held in several locations across Montana during September. The collection events will be held September 17 in Wolf Point; September 18 in Sidney; September 19 in Miles City; and September 20 in Billings. The annual events have collected more than 638,000 pounds of waste pesticides since it began in 1994.

The program was designed to help individuals dispose of any pesticides that

are unusable as originally intended and cannot be used for any other purpose. This allows participants to dispose of waste pesticides in an environmentally responsible way and helps protect Montana's ecosystems and groundwater, as well as families, pets, livestock and drinking water.

The department asks that participants pre-register online by September 9, 2019, before the collection events, so products can be managed safely and efficiently. Those interested in having their waste pesticides recycled should visit the

website at: <https://agr.mt.gov/Pesticide-Waste-Disposal>.

There is no charge for the first 200 pounds of material. Amounts over 200 pounds are assessed at \$1 per pound. A higher fee may apply to pesticides with dioxins or dioxin precursors.

The Montana Department of Agriculture's mission is to protect producers and consumers, and to enhance and develop agriculture and allied industries. For more information on the Montana Department of Agriculture, visit [agr.mt.gov](http://agr.mt.gov).

Rhythm & Ramble Quartet will perform October 3.

# McKenzie County Senior Day Expo Slated For Sept. 7 In Watford City

By Anna Dragseth

On Saturday, September 7 there will be a McKenzie County Senior Day Expo at the Veteran's Memorial Building and Civic Center in Watford City. This free event will start at 1 p.m. and end at 6 p.m.

The event will feature local professionals speaking every fifteen minutes about Healthcare, Wellness, Wealth Management, Insurance, Probate Law, Social Services, Family Caregiver Support, and the Senior Safety program available in McKenzie County. The Looney Lutherans, a comedic group out of the Twin Cities, will also be entertaining around 3:30 p.m. and again at 5:15 p.m.

The Expo will offer local businesses, organizations and clubs along with service organizations, a chance to promote and advertise their services by renting a booth for \$25. Booths can be reserved before August 15th online at [www.eventbrite.com](http://www.eventbrite.com). There will be tours of the McKenzie County Healthcare Systems Campus, highlighting the Nursing Home and Assist-

ed Living along with the Fox Hills and Hillside Court Senior Living apartments.

"This event came to fruition through a desire to bring public awareness to services available to our 55 and older population here in McKenzie County," said Julie Dragseth, Senior Day Organizer and Supervisor of the MCHS Horizon Assisted Living. "On moving back home to Watford City I noticed a disturbing trend; some of our older adults were leaving the area, moving to larger cities. I wanted to create an event that highlighted all of the wonderful Senior Living options, services, organizations, businesses and clubs to let seniors know, you don't have to leave McKenzie County to get needed services or enjoy retirement!"

The MCHS Women's Auxiliary, The Eagles Club, McKenzie Electric Operation Round Up, The Job Development Authority and Thrivent have all contributed financially to this event. "What a blessing it is to live in such a generous community. We are so grateful

to all of our contributors," added Dragseth.

A Senior Day Planning and Organizing Committee was established by Dragseth to help bring individuals and community leaders together to improve the success of the event. "I have a fabulous group of individuals and community leaders on the planning and organizing committee for this event. They have been instrumental in moving this event forward and have offered a wealth of information, knowledge and experience," stated Dragseth. The group is comprised of Sam Perry, Shiloh Chavez, Daniel Stenberg, Nyla Dahl, Michon Sax, Ashley Saylor, Stacey Arnegard, Pastor Rob Favorite, and Marcia Hellandsaas.

"The McKenzie County Senior Day Expo committee is excited to be offering an event that focuses on our elder population. We want our senior citizens to know they are an important and vital resource in our community," explained Dragseth.

Everyone is encouraged

to mark your calendars and come out and enjoy this wonderful event on September 7 in Watford City! For more information about this event contact Julie Dragseth at 701-444-4689.

# Government Affairs Creates New Group To Help With Drug Epidemic

By Nicole Lucina

During the most recent Sidney Chamber government affairs meeting held Wednesday, Aug 14, members discussed action to address the drug problem the area is facing.

With increased drug use being a problem nationwide, Sidney is no exemption from that. Methamphetamines, narcotics and more have become a problem for the area.

"One problem we face is that when trying to recruit professionals or getting young families to our area, they see in the news all the drug related issues Sidney is facing and it makes it hard to get them to want to move here," said Chamber of Commerce executive director Bill Vander Weele.

While there's a lot of work to be done to completely fix the situation, government affairs committee members are being realistic in what they are aiming to do.

"We know we can't fix the issue, but we want to do something to help," said city clerk and treasurer Jessica Redfield.

In an attempt to get as much help as possible, the government affairs committee is recruiting local public figures and groups to form a new group to battle the drug problem Sidney is facing.

So far they have the support of the Sidney Police Department, Richland County Sheriff's Office, Fairview Police, Judge Luke Savage, Sidney High School Principal Brent Sukut and the Coalition Against Domestic Violence.

"We're trying to get the support of city and county law

enforcement, Mental Health and schools," Vander Weele said.

Redfield said they hope by involving the schools, they can reach student council to get the opportunity to hear and see things from the students prospective.

"I believe as community leaders that we need to come together and try to make a plan to inform the public about the issues we have in Richland County," Sidney Mayor Rick Norby said. "We have to figure out a way to combat the drug issues we have in our communities."

Recently, U.S. Rep. Greg Gianforte, R-Mont., visited Sidney to address local issues with area leaders. Vander Weele referenced that meeting saying that Gianforte made the point that the drug epidemic isn't just a Sidney problem, it's a problem everywhere.

"We don't know the answer to fixing the problem, but we're taking steps to address the issue," Vander Weele said.

# West Nile Virus Confirmed In Mosquito Samples In Three Montana Counties

## Important to take steps to avoid mosquito bites, state health officials say

State and local public health officials are reporting the season's first West Nile Virus (WNV) detections with three counties reporting positive mosquito samples. Cascade, Sheridan and Yellowstone counties have all had a positive mosquito sample for WNV. To date, no cases of WNV have been identified in a human but the detection of WNV in Montana is a reminder of the importance of avoiding mosquito bites.

Most people who become infected with WNV experience no symptoms but 1 in 5 develop a mild illness, with symptoms such as headache, body aches, joint pains, vomiting, diarrhea or a rash.

Other individuals, fewer than 1 out of 150, may become severely ill with encephalitis or meningitis (inflammation of the brain or surrounding tissues). Most people recover completely, but fatigue and weakness can last for weeks or even months.

Communicable Disease Epidemiologist, Erika Baldry states, "Late July and early August is when we typically see WNV activity pick up here in Montana. Our season can begin as early as July and because it can take some time

to become ill, we can receive reports of ill individuals as late as October."

There is no available treatment for WNV infection other than supportive care. Individuals who develop any of these symptoms should see their healthcare provider. Detection of WNV in mosquito samples is a good indication that WNV is in Montana. WNV is a vector-borne disease meaning that for individuals to become infected they must be bitten by an infected mosquito.

DPHHS reminds Montanans to take precautions and protect against WNV by following the 4 Ds of prevention.

The 4 Ds of West Nile Virus prevention:

1. DEET: Use insect repellent such as DEET or picaridin.

2. Drain: Drain standing water around your house to prevent mosquito breeding.

3. Dawn/Dusk: Mosquitoes are most active during dawn and dusk. Stay inside or take precautions to prevent mosquito bites during these times.

4. Dress: When possible, wear long sleeved shirts and pants to protect yourself from bites.

For more information about WNV protection, contact your local health department or visit the state health department website at: <http://dphhs.mt.gov/>.

# YALSA Selects Sidney-Richland County Library To Participate In YALSA/ARSL's Future Ready With The Library Project

Sidney — Sidney-Richland County Library has been selected to participate in the Young Adult Library Services Association (YALSA) and Association for Rural and Small Libraries' (ARSL), Future Ready with the Library project. Sidney-Richland County Library is one of 16 participants selected to participate in the fourth cohort of the project.

As part of the project, Sidney-Richland County Library will work with a community partner to develop college and career

readiness services for and with the middle school students in their area. The project is generously funded by the Institute of Museum and Library Services (IMLS).

"As a public library in a rural community we have the opportunity to play a much more active role in helping middle school students and their families begin to explore and make plans for their future beyond high school, whether that means a future in academics related to a career or in preparation for starting a career directly following high school," said Kelly Reisig, Library Director.

Sidney-Richland County Library will participate in a two-day orientation at YALSA's Young Adult Services Symposium in Memphis, TN on November 3 and 4, 2019, and take part in a virtual community of practice through April 2020.

From 2016-2020, the Future Ready with the Library project will have engaged with 80 library staff, separated into four cohorts. The project concludes with this fourth and final cohort. Learn more about the project on YALSA's website.

To learn more about how the library will be serving middle schoolers through this project, please contact Kelly Reisig, Library Director at [kelly.reisig@richland.org](mailto:kelly.reisig@richland.org), or 406-433-1917.

# Lone Tree Gun Show, In Its 29th Year, Still Fills Up The Space At The Richland County Event Center

By Michele Seadeek

“128 tables, full every year,” says Leanne Pelvit, co-manager of the Lone Tree Gun Show. This year the show was held August 16 through 18. Leanne Pelvit and Brenda Larson have been managing this event year after year and they still love it. Leanne and Brenda trade off between working and cooking at concessions and working the entrance. “The vendors come regularly enough that they become family,” Leanne offers. One such couple, Sandy and Midge Seyfert, has been coming to this gun show since the beginning 29 years ago. “It’s a hobby,” says Sandy. “My favorite part though is meeting and talking with so many people each time.” Sandy agrees with Leanne, the other vendors and event goers, who come every year, become close like family. Midge Seyfert is an avid knife collector, though he had a few guns laid out at their booth. He says that his personal collection is over 200 strong. “I keep the unique ones for my personal collection though, not to sell,” Midge smirks.

The 128 tables held modern hand guns, long guns and a good variety of classic, older models as well, knives and a variety of scopes, ammunition, jewelry, and food accommodations. The raffle this year was a Savage M110 Creedmore with a Vortex Scope. The Lone Tree Gun Show is attended by people of all backgrounds, families and an even split of women looking for a guy buy. “People can come here for the love of hunting, shooting, collections or fashion and always good conversations and stories,” says one bystander.

# Social Security (SSA) Impersonation Scam Impacting Montanans Across The State

Two weeks ago a man in Havre gave out his Social Security number to a scammer. This morning a woman in Great Falls became another victim. Calls are being received across the state of Montana by persons pretending to be Social Security Administration employees. The intent of these calls is to steal the victim’s identity and/or money directly from their bank account.

The calls often sound official and are designed by con artists to get around their victim’s logic and caution by creating a sense of urgency and fear. Various versions have been reported throughout Montana: claiming the recipient’s Social Security number has been suspended due to suspicious activity; talking about enrollment in the Medicare prescription drug program; or offering a lower-cost health plan if someone in the person’s family had cancer.

“It is important for Montanans to be aware of the existence of these potentially life-altering scams so our citizens, particularly those in our most vulnerable populations can protect themselves and their livelihoods,” said Renee Labrie-Shanks, Montana SMP Program Manager with Missoula Aging Services. The following are simple steps all Montanans can take to protect themselves and their loved ones:

- Never answer the phone if you don’t recognize the number. If it is important the caller will leave a message.
- If you do answer the phone, do not press one, do not engage in dialogue about your personal life, and do not under any circumstances give out your Social Security number, your Medicare number, your bank account number, your birthdate or any other personal information.

If you suspect someone of impersonating the Social Security Administration, call the SSA OIG Fraud Hotline at 1-800-269-0271 with caller’s alleged name, telephone number, time and date call was made, and information requested by the caller. If you have given out personal information, call your local Montana SMP at 1-800-551-3191.

Montana SMP is a statewide program designed to educate consumers about healthcare fraud, waste and abuse prevention. Missoula Aging Services administers the program throughout the state.

For more information on this scam and how it is impacting the lives of Montanans, contact Missoula Aging Services at 406-728-7682.
