Elroy Kittleson, 89, Fairview, MT

Funeral services for Elroy Kittleson, 89, of Fairview, MT, were held Friday, July 7, 2023 at 10 a.m. at Zoar Lutheran Church, Fairview, MT. Interment followed in the Fairview Cemetery.

A longtime resident of the community, Elroy Kittleson was born in 1934 to Ole and Alvina Sundheim, Williston, ND. They say he was a loving child, and often played hide-and-seek under the windows in his pickup and cellphones, which he liked to have with him through his entire life. ElRoy was an avid baseball fan on the family farm northwest of Fairview. As a child, he often followed the kids around their activities and enjoyed watching them. He was a hard worker and always put in the time.

Elroy is preceded in death by his parents Henry and Jenny; his wife, Jan; and his beloved wife Patty. He is survived by his son Sonny; daughter, Paige; and many grandchildren and then nicknamed “Gramps.” He once had a love of horses, guns, John Wayne west films, and his beloved wife Patty.

Elroy passed away peacefully on Wednesday, July 5, 2023 at his residence with family by his side. Services were held on the 9th day of the month on the 34th year (as he always used to say) to Jennie Lynne, Stork, Kittleson and Henry. Clarence Kittleson, Sidney, MT. He was a younger brother to Jim and Hank (Henry Jr.). They were raised on the family farm northwest of Fairview. As a child, he attended school at Holy Family and in the grade school the old way; “uphill both ways,” was a true story in the younger years.

The passing of their mom when the kids were small left them hurt, but they also had a bond of family that they could draw to at first. Rock picking was an important thing to ElRoy in the family. He loved being at his family farm, the land he grew up on, and the great grand children. They could always find an ice cream bar waiting for them in the kitchen. He loved them with a tender heart.

Funeral services were held Thursday, July 13, at 10 a.m. at a small church in Fonda, MT. He was buried in the Fairview Cemetery.

On Tuesday, June 6, McKenzie County held its 19th Annual First Responder Golf Scramble and Awards Dinner.

The First Responder Awards Dinner for First Responders in McKenzie County was held at Kent Pelton Park, Watford City.

Conoco Phillips offered to cook and serve the dinner this year so they could do the same for all the First Responders and their families. Those departments that were recognized were the fire departments, law enforcement, QRFs, corrections, and local dispatch. Fairview, Sidney, Williston and New Town were also honored as they kept portions of McKenzie County and at times respond to mutual aid calls with other McKenzie County Fire Departments.

Emergency Manager Karolin Jappe said, "This year we wanted to step up our game, and this year we are giving awards to each person in each department that provided services in McKenzie County in the past. There were only five awards given out, one to each category. This year, each department submitted a name from their department to be recognized. Twenty-two awards in all were given out along with door prizes."

We are very grateful for everything that First Responders do for each of our communities and McKenzie County as a whole.

Awakened Wellness Grand Opening
To Be Held At New Location On Central

By Jayme Mozoe
Awakened Wellness LLC will be having its Grand Opening Friday, July 21 from 10 a.m.-5 p.m. and Saturday, July 22 from 2-6 p.m.

Awakened Wellness LLC is owned by Tanya Candee, who has been a registered nurse for over 20 years. Because of her deep understanding of health and chronic pain, she was looking for solutions. That search led to Pulsed Electromagnetic Field therapy (PEMF). She could see the healing benefits right away; she invested in the training and equipment. For two years, she offered PEMF sessions to her clientele's needs. Recently, she added homeopathic remedies and products for moms and kids. She will use a bio-energetic scanner to help make sure you spend your money on supplements your body needs, not just off symptoms. She offers in-person and virtual 1:1 coaching and virtual group coaching, as well. She plans to expand her community involvement by providing free health talks and educational talks for local businesses and small groups.

During the open house, there will be product deals that start on July 21, door prizes, free PEMF and red light demos, online savings, prizes, free PEMF and red light demos, online savings, prizes, and virtual group coaching.

Reichenbachs Chosen As Fairview Festival Honorees

Gerhard (Gerry) and Beverly Reichenbach will be honored for their dedication to the community during this year’s Summer Festival and Old Timers’ Reunion, July 14-16, Fairview. 

Beverly (Biehl) is a Fairview native who graduated from Fairview High School in 1959. At the urging of her father to see more of the world, she resettled in St. Paul, MN, where she worked at Montgomery Ward and at First National Bank, but soon returned to Fairview where she worked at the bank and met the handsome Gerry, marrying him in 1964. Gerry emigrated from Germany with his parents, two brothers and two sisters in 1951, spending one and a half years in Oklahoma to satisfy the sponsorship debt by Church World Service before moving to Fairview. Another sister was born three months after the arrival in the U.S. He said the Oklahoma experience was good but the weather was just too hot for German immigrants as his family found a place where his children could work. It was answered by Carl Lapenget, Sr. and the family went to work in the best fields. Gerry got in the best years of his farming career after this and soon rented additional land. Gerry worked with his dad and, at the age of 17, helped break the land. Mike Flynn was his steady employ- ing his brother.

Gerry, along with his mother and father and brother Wall, became U.S. citizens in 1965 in a ceremony in Minot. The boxing club headed by Bud Stier was in the hey-day then with Nation- al Golden Gloves Corona Boom Boom and Pat Mel Miller and many other tal- ented boxers. Gerry boxed for three years with the club and took the North Dakota Golden Gloves Heavyweight Championship in 1963. 

Bret and Bev bought their current place in 1966 where they raised crops and sheep. They were blessed with the children that, Lori, Lynna, Lisa and Brenda. In 1977, Lisa was born but didn’t come home. They suffered heartbreaking loss two years later when their daughter Lori passed away from cancer in 1983. Community support, emotional and financial, was tremendous and a Fairview High School scholarship was established which continues to this day.

Both Reichenbachs were very active in local and won lots of awards. Gerry was named Fair Man in 1974-75 and received the Distinguished Service Award in 1976. Bev was named Outstanding 4-H Member in 1972. Their children were involved in 4-H and Bev was a leader for 13 years, with Gerry serving as county director and helping with the sheep projects. Gerry also served on the 4-H state executive board for 10 years and received the honor of State-Level Merit First Class. Bev worked at the Fairview School and Sat- urday classes at the Gift Shop and when the store got old enough.

Bev and Gerry were charter members of the Montana Sheep Association which created marketing programs and hosted the annual lamb feed for many years, and Gerry was the “Make It With Wool Con- test” which your younger generation girls participated in. The was named North Dakota Master Commercial Sheep Producer in 1982. Both were very in- volved in the annual Feeder’s Tour in the late ’70s. Gerry was also a member of the National Targhee Association and served on the ASCS county committee.

Church has always been an important part of the Re- ichenbachs’ lives. Gerry started at St. John Lutheran, Fairview, but became a mem-
er of Bev’s home church, Zion Lutheran, when they were married. He consis-
tively served as usher until just recently when his health would no longer allow it and he was served on the council. They both helped serve communion on a regular basis. Bev was a member of the Altar Guild and the Sewing Guild, and was nominated by Zoe for the Bethel Lutheran Foundation Salute for Moms award, which she won in 1998. She also sang in the choir along with Lynna. After she quit farming, both Gerry and Bev worked harvest at the Fairview sugar beet field grounds, with Bev in the scale house for 18½ years and Gerry at the pil-

ars for 21. They both really e worked the job and the interesting people they met there.

Reichenbach’s have ten grandchildren and have spent the last many years traveling to North Dakota to attend sporting events and many other activities. A real highlight in Gery’s life was a trip to Washington, DC about 15 years ago with his son Bret. Bret loved the history of the district and took in as many sights as possible. Bev also made it to DC for a Lutheran Church convention and enjoyed her stay as well. Bev also made it to San Francisco, CA for the American Optometry Association convention and enjoyed her stay as well. Bret took both parents to San Francisco, another trip they thoroughly another trip they thoroughly enjoyed. This trip was made with his son Bret. Bev could see the ocean, she giggled when she got wet and walked along. The incoming waves. All the kids and grand kids plan to be at the festival to celebrate both Gerry and Bev. Watch for them in the parade and enjoy the day.

Caregiver Kindness - Its Time To Take Care Of You

Submitted by Jodi Berry, CCTM RCCOA/RCTS Director

Being a Caregiver can creep up on you. It usually starts with simple things running errands, taking someone to doc- tor’s appointments and monitoring their medica- tions. As time goes on you find yourself doing more and more and eventually spending more time on someone else’s needs than your own. That’s when most people start to realize they are indeed a Caregiver. It is important to realize that fact early on and give yourself that extra gift of just one more thing to do.

Caregiving often be- comes the caregivers need so make sure you take breaks to remember that caregiving is your duties. Take advantage of someone’s offer to sit with your loved one for an hour or two so you can have lunch with a friend, run a bath, or take a nap. Two hours out of the endless hours a Caregiver puts in may not seem like much but these breaks can come in handy and keep your spirits up. You are also human and, as much as you would want to you are only human and, as much as you would want to remember the following:

• You cannot be perfect, and no one should expect you to be
• You have the right to take breaks to care for your- self. The RCCOA can help you find a new break or two a week.

It is important to realize that fact early on and give yourself that extra gift of just one more thing to do.

Pictured is (L-R) Bambi Servinale; Levon Brown and Candy Hanson having fun serving hot dogs at Long Lique Stores Dogs on the Deck weekly event on June 8. The last Dogs at the Deck event for 2023 will take place this Thursday, July 13, starting at 5 p.m. @ The Whirlers will be performing.

Les Schwab & Montana Food Bank Network Donation Drive

July 10-Aug. 19 Les Schwab Tire Centers will match donations up to $15,000 to Montana Food Bank Network during its 2023 Hunger Fundraiser. Pump the Brakes on Child Hunger Fundraiser. The fundraiser will be ac- cepted at all Montana Les Schwab Tire Centers or from the stimulus gift card. Get in early to invest time and resources into events and organiza- tions that promote responsi- bility, hard work and giving in the community; value our local providers and feel happy to have the opportu- nity to partner with Montana Schwab. The Montana Food Bank Network is grateful for the support and partnership of Les Schwab Tire Centers over the years and this pro- motion will have a positive impact for child hunger re- lief across the state. For more information, please contact Jaymi Moezak, Network Director.

MonDak Seniors Provides Activities for Fairview Seniors

The mission statement of the MonDak Seniors is “Enriching Lives of Seniors through Connection and Creativity.” The MonDak Seniors have created activi- ties and events to give people 55 years and older a reason to get out and socialize. Combating the isolation of older Americans is a significant problem in outside Montana. Having a place to come and meet with others who also live and work in the area is very important. MonDak Seniors include both Montana and North Dakota residents.

For those over 60, lunches are provided on Mondays and Wednesdays. Foot Care Clinic, Health Screenings and Pilates classes are provided monthly. These programs are arranged through the Rich- land County Community Services

Other programming available to the seniors has increased this year. Beside the usual card playing (Women – Hand & Foot, Men- Pinochle and Cribbage), they have added trivia, genealogy workshops, a book club, outdoor speakers, S.H.C. Community Health Work- er presentations and Zumba exercise classes. Plans are in the works for a water aerobics instructor at the Fairview Pool, computer classes and a game night.

Book Club meetings are held every third Thurs- day. Book Cub kits are ordered in through the Sid- ney-Richland County Library and then checked out on an individual basis, so there is no need to buy books. Outside speakers are scheduled for both an after- noon sessions and evenings, so that the working seniors have an opportunity to come also. So far, speakers have been on adaptive medical equipment, energy savings and rebates and streaming. The July speaker will be on scams.

The MonDak Seniors have a Face Book page: Fairview MonDak Seniors. It is the best place to see what is happening. If you have ques- tions on any of the activities or have ideas on what you would like to see them offer, feel free to call Sue Duffey 507-905-8248.

The MonDak Seniors meet at the Fairview Senior Center which is located at W 5th St., Fairview, just west of the Hotel Albert.

Sidney Swim Team Hosts Home Meet

This last weekend the Sidney Tiger Sharks home meet. There were over 290 swimmers in town from all over the Eastern Federation. The pool was hopping with swimmers trying to get their best times, times in new events, and some swimmers just swimming for the first time this season.

There is just two weeks from Divisionals in Chinook and three weeks from the state meet in Conrad. The Sidney Tiger Sharks were on fire and swam away with the first-place trophy. Many swimmers took high point or were 2nd and 3rd in their age division.

Cash Copple took 1st for the 8 and under boys, Wyatt Johns tied for 1st for the 9-10 boys, Braya Radke took 1st for the 9-10 girls, Beckett Norby took 1st for the 11-12 boys age group, and Morgan Kindopp took 1st for the 13-14 girls. Morgan Kindopp also set some records in Sidney in the 50 free; she set a pool record and a fed record on Sunday.

On Saturday, RayElla Radke set the pool record in the 100 breast in her heat and Morgan Kindopp who swam in the very next heat broke it. She missed the Federation record by .2 of a second. Will be expecting her to get that record this season.

As all things in a small town, this meet was not possible without parents and community support and we truly appreciate the neighbors and city for all they did to make it such a fun supportive weekend for the swimmers.

A ten-year project that started out on a napkin between an architect and an engineer has come to frui-
tions; a dedication ceremony for the Veterans Memorial Park, Watford City, will be held Saturday, July 15 at 4
p.m. CT.

“Before we started the project we had 100 flag
poles which were made of oilfield pipe, five crosses
Representing the branches of the military, and a propane
powered Eternal Flame, which was pretty costly,” explained retired Navy vet-
nen and recently retired McKenzie veteran service
officer Jerry Samuelson.

The improvements to the park include new flag poles, a new LED powered Eternal Flame made by Samuelson’s
cousin, new concrete work and sidewalks, and granite
memorials with the names of over 2,200 Veterans from
McKenzie County, listed by the decade they served.

“The names of 60 veterans who were
killed in action or died while in service from WWI to Viet-
nam listed; of the 2,200+ names, 800 are WWII veterans.
There are the names of 60 veterans who were
killed in action or died while in service from WWI to Viet-
nam listed; of the 2,200+ names, 800 are WWII veterans.
Can you imagine having
800 people gone from your
community? The memorial
shows the contributions
McKenzie County has given
to this country since WWI,” said Samuelson.

The $3.5 million project was made possible by donations from indi-
viduals, businesses and organizations. Garrison
Diversion Project, City of Watford City, McKenzie County,
the Watford City Rough Rider Fund, the American Legion of
Charlotte County, and former Watford City mayor and for-
meter North Dakota Lieutenant Governor Brent Sanford, all
contributed $100,000 to the cause. In fact, there may be
a phase three as the Ameri-
can Bombshells will be
performing following the
speakers at the dedication
ceremony. Samuelson saw
the patriotic performers at a
National Legion Convention
and suggested they would be
great entertainment for the event.
