Culbertson Celebrates 60 Years Of Frontier Days & Rodeo

By Katelyn Sponheim

The weekend of June 9-10, Culbertson will be putting on their annual Frontier Days, with their rodeo followed by a street dance both nights. A true community effort, local businesses and Culbertson Saddle Club members spend their time and money to keep the tradition alive, through rodeo association changes, floods, and maintenance challenges.

A new attraction this year is the Women's Ranch Bronc Riding, with at least ten women entered in the event. They will perform both nights along with the standard events of bull riding, bareback, calf roping, saddle bronc, steer wrestling, barrel racing, team roping, ladies breakaway roping, junior barrel racing, junior breakaway roping, senior men's breakaway roping, and the wild calf race. Slack begins at 9 a.m. Saturday, for those wishing to watch.

Big Circle Rodeo will be supplying the bucking stock for the weekend.

While the rodeo will begin at 6:30 p.m. Friday, and 7 p.m. Saturday, a community breakfast and lunch will be served Saturday. The Culbertson Fire Department will be serving breakfast Saturday morning at the school, and the Women's Club will be serving their Main Street Meal Saturday at 11 a.m., just before the parade at 12 p.m. There will be a beer garden, beef and cheddar sandwiches, and hot dogs next to the Old Armory. Friday the street dance will be hosted at the Montana Bar, and Saturday it will be held at the Saddle Club itself, at the famous barn.

The barn was renovated in 2014 and 2015, and far from its humble beginnings, now hosts not only the annual dance, but weddings and other events. The original structure was moved from the area between Bainville

Kenneth Arneson and Hunter Krogedal. (Photo submitted)

and Culbertson in the '50s and was used to store safflower for several years to pay for it. A favorite story among older members of the community is that when they moved the big red barn, they were cited by an officer for not putting a red flag on such

a large building being moved down the highway. The men moving the barn responded that they felt a red flag would do little to make a large red barn more visible to other vehicles.

So don't miss the event Culbertson has been proud

to share for 60 years with the surrounding community. Enjoy the parade, rodeo, and introduce your boots to the dance floor of their historic Saddle Club barn while you're there!

Bees, Peas & Grasshoppers Featured At 2023 Froid Research Farm Field Day June 22

Submitted by Beth Redlin, Technical Information Specialist - Biol. Sci.

The Froid Research Farm Field Day is back and this year's event features a special presentation on native bees and other pollinators in agricultural systems, along with a special Beekeeping 101 workshop for those interested in adding honeybees on their farms. Grasshoppers, their biology and management, are also a topic of discussion as is new research underway on field pea.

Learn about all of these topics and more at the annual Froid Research Farm Field Day on Thursday afternoon, June 22, beginning at 1 p.m. The event is hosted by the Sheridan and Roosevelt County Conservation Districts. MSU Extension-Roosevelt County, and the USDA-Agricultural Research Service's (ARS) Northern Plains Ag Research Lab, Sidney.

The farm is located eight miles north of Culbertson, on Montana Hwy. 16.

Sidney ARS Pollination Specialist Dr. Joshua Campbell will be discussing his research into native pollinators in the region and their contributions to dryland agricultural systems. In addition, County Extension Agents Wendy Becker and Shelley Mills will be conducting a special workshop on how to effectively add bee hives to your farm, set up a beekeeper's calendar, and use Integrated Pest management to keep the bees and environment healthy. The duo will also discuss how to check for varroa mites, a serious pest of honeybees and considered a contributor to colony collapse disorder. Both Becker and Mills are graduates of University of Montana's master beekeeper program and have been conducting several beekeeping workshops around the region in recent months.

Other insect issues being addressed on the tour: Grasshoppers! These pests remain a key concern for MonDak producers following extensive outbreaks over the past two years. Sidney ARS Research Ecologist Dave Branson will be discussing current studies underway on grasshoppers and grasshopper outbreaks, as well as answering questions from tour participants.

Field pea research evaluating the effects of microbial inoculants on plant agronomics and soil health are also featured during the day with Sidney ARS Research Microbiologist Sakdikshya Dangi and Post Doc Rosalie

Watford City's Food Truck Rodeo Rides Into Town For Second Go-Round, June 9-11

Watford City, ND - Last year's inaugural Food Truck Rodeo brought many area and statewide food trucks to the Bakken for a weekend full of flavor. In its second year, promoters are eager to grow not only the culinary offerings, but the family fun options in and around the

festival site. Something they say moving the event back one weekend to June 9-11, and joining forces with the Rough Rider Center will accomplish. "There's so much more happening in conjunction with this year's event," says Mike Schmitz, event producer and owner of 701

Food Trucks. Attendance was over 3,500 in 2022. "We think that's going to definitely be higher with all of the extra things going on," he added.

What Foodie fans can expect: More food and non-food vendors, a cash bar, expanded inflatables area and a family-friendly Touch-A-

Truck event on Friday (free) compliments of Watford City Police Foundation, a larger cornhole tournament, with more to be announced. Additionally, the Doug Johnsrud Memorial Baseball Tournament will run adjacent to the event Thursday-Sunday and is free admission all week-

end. Returning this year will be the popular Food Truck competitions as well as everyone's chance to vote for the "Best of The Fest-People's Choice" award.

Rough Rider Center's Event & Recreation Director, Joshua Nollmeyer, is looking forward to welcoming such a great event to the weekend's activity calendar. "Nothing brings people together like food; we are excited to work with Mike and do our part to contribute to what will be a great weekend," he stated. "Baseball and BBQ, not going to get much better than that."

The Food Truck Rodeo will kick off 701 Food Truck's season with 7-8 large scale events in about six different markets in North Dakota. Official event hours, list of vendors as well as other promotions and activities will be announced throughout the next two months.

The Rough Rider Center is located at: 2209 Wolves Den Parkway, Watford City. For more information, contact Mike Schmitz at 701-527-7868 or mikeschmitz@701foodtrucks.com.

36th Annual Eagle Wrestling Camps, Sidney, June 10-15 & Brodie Gorder Run June 15

The 2023 Eagle Wrestling Camps will be coming up in June with Guy Melby, VHSCA National Coach of the Year Sidney High School head coach and Brandon Eggum, University of Minnesota head coach.

The Little Guy Camp featuring University of Minnesota will be held June 10-12 from 9 a.m.-12 p.m. and 2-4 p.m. for beginners - 6th grade, at Sidney High School.

The Technique Camp will be June 12-14. 9 a.m.-

3 p.m., for grades 6-12 at Sidney High School. This camp is for the more advanced wrestlers. Graduates this spring cannot attend this camp. Workouts are intensive and will prepare wrestlers for the upcoming season.

The Intensive Camp is June 10-15. This camp will meet 3 times a day, the times are yet to be determined. This camp is an opportunity to train at an intensive training camp with teams going to High School

Nationals in Florida. Report at 6 p.m., June 10 at Sidney High School.

On Thursday, June 15 the Brodie Gorder run will be taking place. This run consists of a 10K or 5K walk or run or a 2K walk. It starts at 6 p.m. at Sidney High School.

Visit www.sidney-wrestlingclub.com/page/show/1630988-eagle-wrestling-camp for the camp flyer, application and Florida trip information.

University of Minnesota head coach and former Sidney wrestling standout Brandon Eggum will be attending the 2023 Eagle Wrestling Camps. (Photo submitted)

Fulkerson-Stevenson Funeral Home, Sidney, MT, is assisting the family.

Remembrances, condolences, and pictures may be shared with the family at www.fulkersons.com.

Aone Lois Wedel, 79, passed away on Friday, May 26, 2023 at her Home in Missoula, MT with family by her side.

Robert Allen Gilbert Sr, 84 Sidney, MT

Memorial Services for Robert Allen Gilbert Sr, 84, Sidney, MT, were held Wednesday, May 31, 2023 at 2 p.m. at People's Congregational United Church of Christ, Sidney, MT, with Pastor Richard Evans officiating.

Visitation was Tuesday, May 30, 2023 from 10 a.m.-5 p.m. at Fulkerson-Stevenson Memorial Chapel, Sidney, MT.

Fulkerson-Stevenson Funeral Home is assisting the family.

In lieu of flowers memorials can be made to the Shriner's Hospital.

Remembrances, condolences, and pictures may be shared with the family at www.fulkersons.com.

Robert Allen Gilbert Sr.

How do you measure success? Robert (Bob) Allen Gilbert Sr. was born on May 9, 1939, Roundup, MT, to Robert Virgil Gilbert and Edith Mae Horning-Gilbert. As a young man he joined the Army reserves, then soon after started his career in the oil industry, and finishing up in the Montana legislation. He married Lillian Delores (Dee) Hazelton-Gilbert on Oct. 11, 1956 and spent 66 years enjoying life together. They had three children they were proud of, sons Robert (Rob) Gilbert Jr. and Keith Gilbert, and daughter Suzanne Gilbert-George. They built their lives and raised their family in Roundup, MT, Gillette, WY, Williston, ND, Glendive, MT and finally settled in Sidney, MT.

So how do you measure success? Is it the 17 years he worked for Getter Trucking as a truck driver moving drilling rigs and later being a truck pusher? He loved moving drilling rigs; he could talk for hours about the ins and outs of driving truck and the rigs. Is it after going into a partnership and buying Paraffin Service, hauling water, oil, and mud for 17 years? Taking the business from a small six truck company and building up to a 15-truck business after buying his partner out. Is it the 10 years he served as a legislative representative for the state of Montana, serving the needs and wants of Montanans and making an impact across the state. Was it the 28 years serving as a lobbyist for Phillips, Rosebud, and Musselshell counties, the cities of Glendive and Colstrip, School Bus Contractors, Aviation Trades Association, Montana Tow Trucks Association, or Montana Walleyes Unlimited? Or was it that many of his colleagues held him in high esteem?

In all things, sometimes you win and sometimes you lose. Was it in the things he truly enjoyed like hunting the Castles and Little Belt mountains, sailing his 27' sail boat on Canyon Ferry and Fort Peck, spending time at their cabin on Fort Peck, the many hours flying his push/pull Sky Master or his Cessna 182s? Was it his passion for reading, being a Mason and Shriner for over 50 years, or a Moose and Elk's member? For Bob it was in the conversations and relationships he built with everyone he met. He loved people, he loved sharing his experiences and learning from others. He loved hearing about state issues and finding solutions, he loved sharing stories about his grandkids and the people he's met with everyone. He was genuinely proud of his family and those that he made a connection with. Bob was successful in business but more importantly to him, he was successful in the relationships he had.

Bob passed away after enjoying one last session in Helena doing what he loved, visiting with people and building relationships while serving the citizens of Montana.

Bob is survived by his loving wife Dee Gilbert, son Robert Gilbert Jr. (Debra), grandson Rob Gilbert III (Jessica), daughter Suzanne George grandsons Bobby, Nick (Holly), and Chad, daughter in-law Brenda Gilbert grandson Cody, grandson Keith Miller, granddaughter Stacey Miller-Cousins, 16 great grandchildren, 3 great-great grandchildren, sisters Gloria Soderstrom, Darlene Miner, Mary Ellen Swain, Emma Fraser, and brother Joe Gilbert.

Bob is preceded in death by his mother Edith Groom and father Robert V Gilbert, son Keith Gilbert, sisters Shirley Gilbert-Bienhoff and Kathy Meehan, and brothers Mike Scott and Larry Gilbert.

Fairview Community Garage Sale June 17

By Dianne Swanson

The Fairview Chamber of Commerce will host the annual Community Garage Sale on Saturday, June 17.

Anyone wishing to be put on the list for publicity can email the chamber at fairviewmtchamber@gmail.com by June 10. Paper copies will be available to garage sale goers, and the event will be publicized on social media.

ROI Foundation Announces Scholarship Winners

Submitted by Jenelle Stoner, ROI Executive Director
The ROI Foundation has awarded two scholarships to 2023 Fairview High School graduate Gunnar Cayko and 2023 Sidney High School graduate Logan Schumacker.
Cayko plans on attending North Dakota State College of Science for plumbing. Schumacker will be attending Mis-soula College in the fall pursuing an associate of science in business management.

In 1992, the seeds for a foundation were planted, and in 1993 the ROI Foundation, Inc. grew into a reality, with a separate board of directors now headed by Chip Gifford. The Foundation was formed to receive, accumulate, administer, and provide funds for the care and treatment of persons with intellectual disabilities in service at Richland Opportunities, Inc. (ROI).
The scholarship application says "In this same

spirit, it is the desire of the Foundation to provide a yearly scholarship in the amount of \$750 to deserving Richland County graduating seniors. This scholarship can be renewed an additional three years. Grand total of the award could be \$3,000. Applications focus on community service/involvement, and a demonstrated interest pursuing post-secondary enrichment."
The scholarship began in 1998 with Jenelle Stoner, currently Sidney's ROI Executive Director, being the first recipient. At least one scholarship has been given out every year since then.

Logan Schumacker. (Photo submitted)

Watford City FFA Livestock Show Open To FFA Members From Any Chapter, June 16

By Meagan Dotson
The second annual Watford City FFA Livestock Show will be held Friday, June 16 during the McKenzie County Fair, Watford City. Watford City High School FFA and Watford City Middle School FFA will be bringing livestock along with static exhibits to the fair. "Watford City Middle School FFA is officially the first middle school FFA charter in the whole state of North Dakota and we are very proud of this and what it will do for the future of North Dakota FFA as well as our community," added Watford City Middle School Agriculture Education Teacher

and FFA Advisor Grace Dragseth. This year's show will be open to all FFA members from any FFA chapter. There will be a limit of 16 registrants in each of the categories including swine, goats, sheep, and beef. The Watford City FFA Livestock Show will be located in the main, inside arena at the new McKenzie County Ag Expo and will run from 8-11 a.m. The current schedule is swine starting at 8 a.m., goats at 8:45 a.m., sheep at 9:30 a.m., and beef at 10:15 a.m. Please be advised that this schedule is subject to change should the showings end up running

early or late. The Watford City FFA Livestock Show was started in 2022 by Watford City FFA Advisor Samantha Doneen and Alexander FFA Advisor Nettie Denowh because they recognized there was a lack of opportunities for FFA members to participate in the McKenzie County Fair with their livestock. "This is a huge opportunity for members to get an extra opportunity to display their animals," commented Doneen. Due to time constraints and scheduling conflicts with 4-H showings, there will not be a sale based on the Watford City FFA Livestock

Show and FFA members will not be able to sell their livestock. Registration for beef is full, however, there are still openings in goats, sheep and swine. Interested FFA members can register at bit.ly/ffashow. Members will need to show up with their animals prior to the event on Friday morning, be ready to show by 8 a.m., and be wearing a collared shirt. There will be prizes for the best dressed in each species.

Be sure to check out all the hard work and showcasing skills these FFA members have put into their animals and show them your support at the 2023 McKenzie County Fair!

MonDak Area Stockgrowers Association Spring Meeting June 15

By Marley Manoukian, MonDak Area Stockgrowers Secretary/Treasurer
The MonDak Area Stockgrowers Association will host a spring meeting on Thursday, June 15 starting at 5:30 p.m. at the Sidney Livestock Market Center. On the agenda will be scholarship presentations, a Montana Stockgrowers Association update, North Dakota Stock-

men's Association update, and the Cattlemen's Ball donation to area fire departments. Meat will be provided by the MonDak Area Stockgrowers Association, but we ask that those whose last name begins with A-K please bring a salad and those whose last name begins with L-Z please bring a dessert. Please RSVP to either

the MonDak Area Stockgrowers Facebook Event or email mondakareastockgrowers@outlook.com. Have a voice in the cattle business and learn about the current issues facing our industry. We need you to make our association work – your input, your ideas, and your participation will keep the beef industry strong and united. We hope that you will join us on June 15.

13th Annual Fairview Alliance Church Blessing Sale June 17

For 13 years the Fairview Alliance Church has held what has been labeled as the Blessing Sale, instead of the Big Garage Sale, because the items at the sale are not priced. Get a blessing, give a blessing, be a blessing is the concept and it has yielded many blessings for many causes over the years. In keeping with their tradition, the Fairview Alliance Church will offer a huge variety of un-priced, used goods at the rummage sale, as well as freshly baked goodies for purchase. All proceeds

will be split evenly between Fairview Summer Youth programs, and Eastern Montana Bible Camp. The sale will be held on Saturday, June 17 from 8 a.m.-2 p.m. at the church at 702 Western Ave, (across the street from the Fairview High School) and in conjunction with the Fairview community garage sale day. Get a blessing by finding items you can use, then give a blessing by donating whatever you wish to the sale. Even if you don't find anything you can use, you are still welcome to make a

donation. You never know how the Lord will multiply the blessings of your generosity. Community members can also contribute sale items in good condition by dropping them off at the church no later than June 15. The church can no longer accept used television or computer monitors. If needed, pickup is available by calling the church 406-742-5425 or to answer any questions. Blessed to be a Blessing. See you there!

Share Your Talents In McKenzie County Fair Open Class Show

Submitted by Marcia Hellandsaas

McKenzie County residents are invited to display exhibits showcasing their skills and talents in the Open Class Show held during the McKenzie County Fair, June 14-17, at the McKenzie County Ag Expo Building, 12880 25th St. NW, Watford City.

Exhibiting divisions include: Food and Nutrition, Fiber Arts, Arts and Crafts (which includes woodworking and leathercraft); Environment, Quilting, Drawing

and Painting, Photography and Horticulture.

Age categories for exhibits are: Children's Division: 7 years and younger; Youth Division: 8-18 years; and Adult Division: 19 years and up.

Top exhibit in each class can receive \$10 and other awards are as follows: Grand: \$5, Purple Ribbon: \$4, Blue Ribbon: \$3, Red Ribbon: \$2, and White Ribbon: \$1. All exhibits entered in the show will receive a ribbon, with exception being those entered for show only.

Entries can be brought to the McKenzie County Extension Office if you cannot bring them to the McKenzie County Ag Expo during entry hours. The Extension Office is located in the County Building behind the Courthouse, 205 6th St. NW, Watford City. Entry of Open Class exhibits is from 1-3 p.m. and 6-8 p.m., Tuesday, June 13; and from 8-11:30 a.m., Wednesday, June 14. Judging takes place from 1-4 p.m., Wednesday, June 14. Exhibit books are available at several businesses

in Watford City and at the McKenzie County Extension Office.

Open Class also features a "For Show Only" area for those who wish to not have their exhibits judged. Please feel free to also share your talents in this way.

For complete information on the 2023 Open Class Show and programs, please contact the McKenzie County Extension Office at 701-444-3451 or e-mail hellandsaas@gmail.com.

Team Hoops Basketball Camp June 26-28

By Robyn Heck

The first Team Hoops basketball camp will be June 26-28.

This is for all basketball players entering grades 5-12, and will be held at the Sidney High School.

To sign up, contact your basketball coaches or the Sidney school administration office. The 5-8 grade will be from 8 a.m.-noon, and 9-12 grade from 1-4 p.m. Please bring your own basketball.

Cost is \$80 for 5-8 grades and \$100 for 9-12 grades. Checks can be made to the Lady Eagle summer basketball program.

Instruction will include shot and footwork development, video review of shooting form, jump shots, lay-ups, ball handling, dribbling, one on one moves, and the mental approach to shooting.

Coaches will be Ryan Cole and Lady Eagle basketball coaches. "Success is doing the common things uncommonly well."

THE BIG TIRE EVENT

NOW THROUGH JUNE 30

Buy Four Select Tires, Get A \$70 Rebate By Mail Or Earn 30,000 FordPass® Rewards Bonus Points*

FordPass Rewards members also earn 10 Points per \$1 spent on Ford Service.

*Dealer-installed retail purchases only. \$70 rebate or 30,000 FordPass® Rewards bonus Points on a set of four Goodyear, Cooper, Dunlop, Michelin®, Pirelli®, Continental, Bridgestone, Firestone, Yokohama®, Hankook and Toyo® tires. Medium/commercial Toyo tires are excluded. Must be enrolled in FordPass Rewards to receive FordPass Rewards bonus Points. Points are not redeemable for cash or check and have no monetary value. Point earning and redemption values are approximate and vary by products and services redeemed. See the FordPass Rewards Program terms and conditions at FordPassRewards.com for information regarding expiration, redemption, forfeiture and other limitations on FordPass Rewards Points. Points will be awarded within eight weeks of rebate submission. Offer valid 4/1/23 to 6/30/23. Submit rebate by 7/31/23 by mail-in rebate form or online at Ford.com/service-rebates. Cannot be combined with any other tire manufacturer-sponsored rebate/offer. See participating U.S. dealership for vehicle applications and offer details through 6/30/23.

McKenzie Co. 4-H Range Judging Team Named '23 National Champions

By Meagan Dotson
The McKenzie County 4-H Range Judging team came home as national champions after attending the 2023 National Land and Range Judging Contest in El Reno, OK. The contest was held May 2-4 at the Canadian County Expo Center. The team consists of Paige Delaney, who was named the individual national champion, Ryan Pingel, Luke Smith, Sylvia Boekelman along

The McKenzie County 4-H Range Judging team at the 2023 National Land and Range judging contest in Oklahoma. At the top (L-R) is Sylvia Boekelman, Ryan Pingel, Luke Smith, Coach Morgan Wisness, Paige Delaney and underneath is Coach Devan Leo. (Submitted photo)

with Head Coach Morgan Wisness and Coach Devan Leo. Kevin Sedivec assisted with coaching while the team was in Oklahoma. Range Judging challenges teams and individuals on their knowledge of native and invasive grasses, forbs, trees and shrubs. It also requires knowledge as to if those plants are annuals, perennials, or biennial. They must know which plants increase or decrease under grazing pressure, if it is desirable or undesirable for forage for cattle and grouse, and if each plant makes adequate cover for grouse. "Ecological sites are a part of range judging. Those sites are marked off and then the 4-Hers assess the plant matter in the site and determine desirable vs. undesirable," explained Leo. "They then estimate percentages of each within the site. Those percentages then help them calculate if this eco site needs to be adjusted in any way if it's not desirable for livestock and grouse." Judging is based on points and each plant is worth ten points for correctly identifying it and naming its characteristics; if the plant is misidentified, no points are awarded. Plants are denoted with marker flags and individuals work two plant lines, consisting of ten plants per line. They then judge three ecological sites. Each judging is done individually and the top three scores from each team are combined for the team score. In the long term, Range Judging is a great foundation for anyone interested in becoming a range scientist, ecologist, or any other field that would require someone the ability to "read" the range in order to make appropriate management decisions. The McKenzie County National Champion Range Judging team was welcomed home and celebrated by their community for all of their hard work and knowledge.

2023 Froid Research Farm Field Day...

(Continued from page 1)
Calderon. Plant Pathologist Frankie Crutcher, Montana State University's Eastern Agricultural Research Center, Sidney, will also discuss findings from ongoing MSU and NDSU field pea studies looking at Fusarium and Aphanomyces disease incidence under three different scenarios, including peas in a long-term, 2-year rotations with spring wheat; peas in a 3-year rotation sequence study with oilseeds and durum, and peas incorporated into a cover crop mix to replace summer fallow. But the day is not all insects and legumes. Cheat-grass management with fire and effective greenstripping techniques to aid in wildfire management are also on the agenda, as is a talk on water availability following a cover crop, by ARS scientists, Carrissa Wonkka, research plant ecologist; and Brett Allen, dryland research agronomist, respectively. Dr Campbell and ARS Research Ecologist Natalie West will also be discussing their study looking at the regional spread of Russian olive seeds by mammals. Finally, ARS Research Soil Scientist Upendra Sainju will be discussing carbon sequestration under perennial grasses and an annual crop. The day concludes with a free steak dinner sponsored by the Sheridan and Roosevelt County Conservation Districts. Pesticide points are pending. Additional details to come as plans are finalized. For more information, contact Beth Redlin at 406-433-2020 or by email at beth.redlin@usda.gov.

Grasshoppers Are Hatching

By Marley Manoukian,
MSU Richland County
Extension

Grasshoppers have started to hatch and now is the time to begin scouting your crops and rangeland.

Grasshopper Life Cycle

In the fall, adult grasshoppers deposit their eggs in the soil where they overwinter and begin to hatch from May-July. Juvenile grasshoppers develop through five nymphal instar stages (30-40 days) before developing into an adult with fully formed wings. Adults live for 40-60 days. There are a few species of grasshoppers that overwinter as nymphs; however, these species are not economically damaging.

Management

The majority of management options for grasshoppers rely on insecticide applications based on scouting and threshold of the crop. Cultural and biological control options are not generally effective.

Scouting

Crop fields should be scouted at least once a week. High nymphal densities can cause severe defoliation, however newly emerged grasshoppers do not need to be controlled unless their population is at a threatening level. Grasshopper numbers can be estimated using the square foot method by counting the number of grasshoppers in a visually estimated square foot, and randomly repeating it 18 times while walking in a transect, tally the number and divide by two to get the number per square yard. When grasshoppers are in high numbers, it can be difficult to do the square foot method. Four 180° sweeps with a 15-inch net is equivalent to the number per square yard.

Control

It is easier and more economical to control grasshoppers while they are in their nymphal stag-

es, because they can be killed before damaging crops, treatment prior to maturity can prevent egg deposits, and smaller grasshoppers are more susceptible to insecticides.

Control in Crops

For a list of insecticide options by crop, see the North Dakota Field Crop Insect Management Guide, available online or at the Extension Office.

The following table shows rates based on grasshopper nymph and adult counts. Newly emerged grasshoppers do not usually need to be controlled unless the population is at the “threatening” level or action

threshold.

Control on Rangelands

A number of 15-20 grasshoppers per square yard is the economic threshold for treatment of grasshoppers on rangeland. These densities can result in up to 200-500 pounds of forage lost per acre. Reduced Agent and Area Treatment strategies (RAATs) can be used on rangeland to reduce control costs. For more information on RAATs and rangeland grasshopper control, visit https://www.ars.usda.gov/ARSErrorFiles/30320505/ARS-PPQ%20Grasshopper_03-29-22.pdf.

Makoshika To Host 3-D Archery Shoot For Youths, Adults June 17

Submitted by Marla Prell, Communications and Education Program Manager Montana Fish, Wildlife & Parks, Region 7

Miles City - Makoshika State Park will host a 3-D Archery Shoot for youth and adults on Saturday, June 17 from 8 a.m.-4 p.m.

The event will be in the park at the archery range, with concessions provided by the Glendive Lions Club. Shooting fees are \$20 for adults 18 and older, \$10 for youths 6-17, and kids 5 and under are free. All proceeds will go to support upkeep of the archery range and targets in Makoshika.

Participants can come and go as they wish between 8 a.m. and 4 p.m. There are no prizes and no scoring for this event.

Makoshika Park staff and Friends of Makoshika members will help with the shoot.

THE RACING ROUNDUP

More To Racing Than The Laps To Caruthers

By Katelyn Sponheim

Austin Caruthers, Williston Basin Speedway president, has been involved with racing most of his life. This may be his first year as president, but it's his third racing, and he plans on continuing to race full time. He credits his ability to do both to Williston Basin Speedway's dedicated board members, who work together to keep

things functioning smoothly.

Dirt track racing is incredibly demanding of its drivers and those that support them, and Austin said this about his passion. "It's one of the hardest things you can do. You have to love it." He personally hopes to see his own improvement but has several goals for the speedway itself. He'd like to see their car account

numbers rise, meaning more cars and racers at the track. He'd also like to draw more spectators to enjoy their multiple offerings of racing classes. They have 5 IMCA divisions; modifieds, stock cars, sport mods, hobby stock, and junior slingshots. One thing he's aware that is a deterrent to many viewers, especially those with children, is the undeniable fact that a dirt track is, well, dirty. The racers stir up quite the gritty storm, but they have some tricks up their sleeves this year to hopefully cut back on some of the dust and debris for spectators.

So, from a driver's view, what are some of the high points of racing? It's the camaraderie between the other racers, the support staff, and the fans for Austin. The relationships at the track are strong, and he says not

Caruthers' car #28, April 29th at practice day. (Photo by Tyler Hagen Photography)

a person there wouldn't give "the shirt off their back" to help a fellow racer. However, a track is a demanding place, and they are always

happy for volunteers. The amount of work that goes into each race and regular maintenance is staggering, and he'd love to see more

willing to help. If interested, email willistonbasinspeedway@gmail.com to inquire.

The Sidney Area Chamber of Commerce & Agriculture held the Wellness Collective & Healthy Kids Expo June 1 at the Richland County Events Center.

The Wellness Collective featured a vendor trade show showcasing the regions wellness industry businesses and afternoon education seminars. The “Healthy Kids Expo” featuring resources and activities for youngsters was also held. Pictured left is Shanna Morin of HER Campaign. HER Campaign is a nonprofit restorative service that helps survivors of human trafficking based out of Billings. Visit hercampaign.org for more information. (Photo by Robyn Heck)

TheZone Summer Lunch Program Starts June 12 In Fairview

By Dianne Swanson

All kids, kindergarten-high school are welcome to enjoy a safe space paired with a nutritious meal this summer, hosted by Zion Lutheran and Community Presbyterian Churches in cooperation with Fairview Schools. Lunches will be provided from 11:30 a.m.-12:45 p.m., Mondays and Wednesdays, alternating between the two churches. A red flag saying EAT will signal the location.

Pastor Tim O'Shields, Zion Lutheran Church, explained the program, saying that there are no walls involved. No income requirements, no religious affiliation. Just fellowship and good food for kids. It's a way to get kids together with friends, or maybe make new ones, all while receiving a good, balanced meal. Stacey Skogas, West Side School lunchroom director and head chef, is advising the program to make sure

Stock photo

the meals are well balanced, and, if the kids are lucky, she may even cook up a tasty dish or two herself! All other cooks are volunteers and more help is needed. Donations to cover the cost of food are also very much appreciated.

Flyers will be sent home with students from both Fairview schools the last week of school with a registration form. Parents or guardians are asked to please pre-register their kids so that

quantities of food can be planned. Registration forms are also available at Zion Lutheran Church, or kids can be registered the first day of the program. Please contact Zion Lutheran Church at 406-742-5523 with any questions.

TheZone summer lunch program will run every week until school starts. Be sure to sign your child up for great food and fellowship this summer!

Bakken GROW Program Will Provide Humanitarian Relief & Solid Employment For Ukrainian Refugees

By Meagan Dotson

The Bakken Global Recruitment of Oilfield Workers (GROW) Program is looking for sponsors for Ukrainian workers, with intentions of welcoming 25 new workers to North Dakota by July 2023. The North Dakota Petroleum Council (NDPC) launched this program in the spring of 2023 as a way to address the oil and gas industry's shortage of workers.

“Due to the war between Russia and Ukraine, many Ukrainian citizens want to flee their country

and come to America and work to make money to send back home to their families. Many of these refugees have backgrounds in different areas of work and have many skills,” said McKenzie County Economic Development Director Daniel Stenberg, who is the contact person for McKenzie County and NDPC for this program. “Bakken GROW will provide humanitarian relief and good, high-paying jobs to hard working Ukrainians, while also filling jobs that are very much needed in the oil and gas industry.”

Over 100,000 Ukrainians have entered the United States for work since the war began, as they have either fulfilled their military obligation or have three or more children. Many of these individuals are meeting their visa requirements through the Uniting for Ukraine (U4U) Program, which allows for employment, but was formed primarily for humanitarian reasons. Most Ukrainians can expect to be in the United States for two years through U4U and the Bakken GROW programs.

“The NDPC will serve as an immigration liaison between its members and recruiting agencies and will begin by utilizing the U4U Program. Refugees will be matched with an NDPC member oil and natural gas company and will be employed right away after arriving in North Dakota,” Stenberg explained.

While the NDPC will work to secure employment for these individuals,

sponsors are still needed to vouch for vetted refugees. Sponsors must be 18 years or older with an annual income of at least \$28,000. They will be responsible for meeting the U4U refugees once they arrive in the United States and transporting them to their initial housing and employment, helping them complete paperwork for a Social Security card and driver's license, mak-

ing sure their health care services and medical needs are being met, and assisting with access to English as a second language class. A single individual can sponsor up to five Ukrainians.

For more information, please visit https://www.ndoil.org/bakken-grow/. Contact Daniel Stenberg with any questions at dstenberg@co.mckenzie.nd.us or call 701-444-7419.

40th Annual Fort Union Rendezvous Set For June 15-18

Join Fort Union staff and volunteers in celebrating in the Upper Missouri's finest fur trade fair at one of the West's grandest historic sites.

Submitted by Alice Hart, Fort Union Trading Post National Historic Site Superintendent
Williston, ND – Get ready to step back in time as the much-anticipated Fort Union Rendezvous returns to the Upper Missouri.

The Fort Union Trading Post National Historic Site is set to come alive with the sights, sounds, and excitement of the American Frontier during the annual Rendezvous. From June 15-18, visitors of all ages will have the opportunity to experience the rich history and vibrant culture of the fur trade era. The Fort Union Rendezvous promises to transport attendees to a bygone era, immersing them in the lifestyle and traditions of early explorers, trappers, and Native American tribes. This living history event has become a staple for history enthusiasts, families, and adventurers alike, offering a unique educational and entertaining experience for all.

New for 2023: The special headliner on June 16-17 is Michael Bad Hand. Experience the vibrant culture of the Upper Missouri Tribes with renowned historian and reenactor Michael Bad Hand, members of the Crow Nation, and their horses. Learn about the customs, traditions, horse culture, and history of the Indigenous peoples who played a vital role in the fur trade era.

Highlights of the Fort Union Rendezvous: Witness thrilling reenactments of significant events from the fur trade era including demonstrations of black powder shooting and trade negotiations. Discover the craftsmanship of yesteryear as artisans demonstrate traditional skills such as blacksmithing, pottery, spinning and weaving, and frontier cooking. Shop with our many historical vendors.

Admission and parking are free.

About Fort Union Trading Post National Historic Site: Fort Union Trading Post National Historic Site is a treasured National Historic Site managed by the National Park Service. Located in Williston, ND, Fort Union preserves one of the most important fur trade posts on the Upper Missouri River.

The site offers visitors an opportunity to explore the history and culture of the fur trade era through exhibits, demonstrations, and events like the Fort Union Rendezvous, Indian Arts Showcase (Aug. 5-6) and Living History Weekend (Sept. 2-3). Find more information and the full schedule of events at: go.nps.gov/Rondy.

For more information about Fort Union Trading Post National Historic Site, please visit our website at www.nps.gov/fous. The park is also on social media, <https://www.facebook.com/FortUnionTradingPostNHS>.
