Barn Dance Fundraiser Sept. 16

By Jaymi Mozeak

Martha's Place, a non-profit organization established to develop a home-like environment for the residents in eastern Montana, will be holding a barn dance Saturday, Sept. 16, at the Richland County Fairgrounds. It will be a fundraiser for the construction that needs to be done to bring the future hospice into existence.

On Aug. 9, 2022, a ribbon cutting for a new non-profit hospice house, just south of Sidney, tasked with providing the dying with a safe and supportive environment for them to move to the other side.

Martha Nugent and her husband, Richard Garcia, were living in Texas when she felt God gave her a vision that she would build a hospice called Martha's Place. She has a passion for the elderly and the dying so she chose a career encompassing her interests. They moved to Sidney in 2020 for her work and joined St. Matthew's Catholic Church. In 2021, a fellow parishioner approached Martha and her husband. He had just purchased a large house at an auction and said he wanted to do something for the elderly with it and thought of them. Richard and Martha, both felt it was God providing for what He wanted her to do. The work was started and, on June 27, 2022, the non-profit paperwork was finally accepted by the IRS. Martha's Place will be available to anyone who chooses not to die in a facility regardless of social status or ability to pay. So far, the project has been paid for by fundraisers, donations, and grants.

The barn dance will be held in the cattle barn at the fairgrounds starting at 5 p.m. Cimarron Band from Billings will be playing live music. The Cattle-Ac will be providing food and drinks. There will be a mechanical bull, live, and silent auctions. Martha's Place wanted to offer special thanks to Bakken Balloon for their balloon decorations as well as Ryan and Nicki Bell for the haybales.

Four admission tickets for the National Finals Rodeo 2023 in Las Vegas, NV, Dec. 7-16, 2023 at the Thomas and Mack Center are being raffled off as an additional fundraiser. Raffle tickets will go on sale Monday, July 17-Sept. 15, at Wild Cat Trucking, Sidney. Raffle tickets will also be available for purchase at the Barn Dance until 8 p.m. The winner will be announced at the Barn Dance at 9 p.m.

For more information or to donate items for the live and silent auctions, contact Martha by phone at 832-330-4931 or check them out on Facebook. MNAXLP

Northeastern Arts Network Kicks Off Their Big Sky Concert Series Sept. 14

When Montana Repertory Theatre Presents "The Odyssey" Adapted By Briandaniel Oglesby

Submitted by
Jill Dostert Wagner

"The Odyssey" follows the journey of Odysseus as he encounters Cyclops, sirens, and more on his 10-year voyage home after the Trojan War. Oglesby's adaptation condenses this sprawling tale into a fast-paced, slapstick comedy performed by a small ensemble of three actors playing dozens of characters. Through imaginative storytelling and physical comedy, the play captures the poetry and tragedy of the original work while making it acces-

sible to modern audiences.

Every fall, the Montana Repertory Theatre, a professional theatre company in residence at the University of Montana's School of Theatre and Dance, Missoula, MT, tours a short play and accompanying workshop to schools across Montana. The Northeastern Arts Network is proud to host this production which is perfect for the entire family.

This play will be held at the MonDak Heritage Center, Sidney, at 7 p.m., Sept. 14. Tickets can be purchased at the door: \$20/

Adult, \$18/Sr., \$15/Student. Season tickets can also be purchased for the Big Sky Concert Series. For concert information contact Leann 406-480-5594 or Jill 406-489-4304.

The Big Sky Series is made possible in part by the Montana Performing Arts Consortium Presenter Development Program which is supported by grants from the National Endowment for the Arts, Montana Arts Council, and a legislative grant from Montana's Cultural Trust.

OBITUARIES

**Twyla "Sandy" Ler, 93

Twyla "Sandy" Elaine Ler, 93, Savage, MT, passed away at the Sidney Health Center Extended Care Facility on Aug. 30, 2023, of complications from pneumonia. Cremation has taken place, and a memorial service will be held Sept. 16 at 2 p.m. at First Congregational Church, Savage MT, with Pastor Tim Sharp officiating.

A lunch will immediately follow the service in the church basement.

Fulkerson-Stevenson Funeral Home, Sidney, MT, is assisting the family. Remembrances, condolences, and pictures may be shared with the family at www.fulkersons.com.

Our mother was born on the Albertson family farm four miles south of Foxhome, MN, on Jan. 30, 1930. Her parents were Lawrence and Elizabeth (Lipovsky) Albertson.

This was the beginning of the depression; times were hard, and the family lived with her grandparents. The old farmhouse was full to the brim with parents, grandparents, a single uncle, a married uncle with his wife and new baby, and Mom's 15-year-old twin aunts.

Eventually her dad found work off the farm and the family moved, living in several places around Fergus Falls and Breckenridge, MN, over the years. The family grew and she became the oldest of seven children.

Mom graduated from Breckenridge High School in 1947 and enrolled in teacher's college in Valley City, ND. It was during her time in Valley City, ND, while working part time to help with school expenses, that she was given the nickname "Sandy" by an employer, Ralph Pomeroy (Earl Pomeroy's father). This was the moniker that stuck with her the rest of her life.

North Dakota had an "earn as you learn" program that allowed her to start teaching that fall while earning her normal school certificate. Mom was only 17 when she began teaching at the Dexter country school in eastern North Dakota.

After hearing that teachers were paid higher wages in Montana, Mom applied to schools there. At the age of 18 she took a train traveling west, and in Williston boarded the "Galloping Goose" headed for Sidney and the start of a new life.

She was picked up in Sidney by a neighbor, Chris Sorenson, and taken around the community to meet some of the students and their families. Their last stop was at the Ler farm. Although this family had no kids in school, the coffee pot was always on. This is where she met her future husband. Harold was sitting on a pile of gravel, where they had been making cement, and emptying the dirt out of his shoes.

Never one to let grass grow under her feet, Mom got a summer job with Farmers' Union as their educational director. That fall she began teaching at the Larsen School northwest of Savage. Two of her cousins, Chloe Houchen and Rita Wilson, soon joined her in teaching at rural schools in Richland County. The three cousins remained close for the rest of their lives.

Mom had always wanted to live on a farm and was eager to participate in farm life. Before they were married, Harold asked her to come with him to look at a horse that she described as very large. After the deal was done, the question of getting the horse home was raised and Dad revealed his plan. Mom would ride it home bareback, because it would "do them both some good."

Mom and Dad were married on Sept. 18, 1949, in Fergus Falls, and then moved into an apartment in Sidney. Mom worked at JCPenney and Harold worked at the sugar factory. After the sugar campaign was over, they moved to the farm to start a long career in crops, cows, chickens and kids.

Mom became a homemaker, substitute teacher, 4-H leader, Sunday and Bible school teacher, and farmer's helper. A creative writer, she came up with poems, skits, and stories for a wide variety of occasions. She loved to read and did everything with a book in one hand.

It seemed that Mom was always busy and active. Her numerous hobbies included raising fancy chickens, baking cakes for weddings and special occasions, crocheting, sewing, making quilts, recovering and refinishing furniture, embroidery, gardening and dabbling in rosemary and decorative painting. She loved to entertain and engage with people. When her kids were grown, she volunteered with Friends of the Library, Council on Aging, Trails and Rails, and the MonDak Heritage Center, was active in Senior Citizens and her church, and tested and trained census workers.

Her faith was very important to her. She called her doilies her worry strings; crocheting kept her hands busy, and she prayed as her fingers moved. As she read, she would often memorize Bible verses and hymns; she was adamant about singing all the verses in church.

Mom loved her role as Grandma Sandy. She had seven grandchildren and seven great-grandchildren; each and every one was her favorite and felt completely loved and accepted.

Mother was always a bright spot in our lives, and we will be forever grateful for her cheerful presence, her dedication, the sacrifices she made for us, and the good example she set. She will be deeply missed.

Mom is survived by her children: Christina (Leland) Blazer, Helena, MT, Donna (Craig) Seeve, Savage, MT, Holly (Byron) Sunwall, Savage MT, Bonnie Ler, Minot ND, Harold "Matt" (Vicky) Ler, Savage, MT, and David Ler, Savage, MT; grandchildren: Corwyn (Amanda) Blazer, Missoula MT, Christopher (Tracy) Seeve, Bozeman MT, Dr. Candace Seeve (spouse Aaron Mutnick, Esq.), St. Louis, MO, Dr. Lane (Christina) Sunwall, Mequon WI, Lauren Sunwall, Minot, ND, Eric (Kylie) Ler, Billings, MT, and Casie (Levi) Vollmer, Willow City, ND; and great-grandchildren Delilah Blazer, Lucy and Aksel Seeve, Hannah, Benson, and Even Sunwall, and Esten Mutnick; one brother, Gary (Susan) Albertson; sister-in-law Betsy Albertson, along with numerous cousins, nephews, and nieces.

She was preceded in death by her husband, Harold, parents, sisters Connie Siebold, JoAnn Meyer, and Maxine Miller; and brothers Loren Albertson and Richard Albertson.

We are very grateful for the kind care Mom received at the Sidney Health Center Extended Care Facility.

The Sidney community gathered together to support Sidney native Larry Lynde on Saturday, Sept. 9, who was diagnosed with stage 4 colon cancer.

The benefit started out with a four-person golf scramble and culminated with a supper, silent auction and live auction hosted by the Sidney Elks Club.

"Larry has cheered for so many in our community, now it's our turn to cheer for him!", said an organizer of the event.

Community members describe Lynde as a "die hard Eagles fan" and a "legend". You may have been lucky enough to witness Larry lead his famous "Eagles cheer" at a sporting event. Sidney Eagle athletes were present to help out on Saturday evening.

Financial donations for Lynde's treatment can still be made at the Sidney Elks Lodge.

Fairview Warrior Volleyball Making Strong Start

Kambre Kloker serves the ball in the match against Bainville on Sept. 6. (Photos by Brandy Spitzer-Tjelde)

By Brandy Spitzer-Tjelde

Fairview Warrior volleyball is making a strong start as the athletes transition into the Class B volleyball scene. They began the season on Aug. 26 with a first-place finish at the Malta Invitational. On Aug. 31, Fairview hosted neighboring Class A Sidney and lost the match in four sets, 25-15, 16-25, 15-25, and 21-25.

On moving to Class B, senior Emily Johnson had this to say, "The transition to Class B has been fun. It's a big change from Class C, that's for sure. Its fun being able to play against different competition. The bus rides are a lot longer now, but they are fun getting to spend time with my teammates."

For the Warrior's first home match, Harlem made the long trek to Fairview on Sept. 2, and Fairview swept the match in three sets, 25-15, 25-12, and 25-9.

In a non-conference match-up Sept. 5, Fairview defeated Bainville in four sets, 25-20, 22-25, 25-19, and 25-18. Seven players posted kills for the Warriors, led by Macy Tjelde with 14. Kallee Hopes had six, and Emily Johnson had five. Hopes also dished out 20 assists, while Kambre Kloker followed with 11 assists. Hopes led the team with five aces. On defense, Johnson and Tjelde each had one block, while Hopes and Kloker each had 11 digs.

For their second conference game of the season, Fairview lost the match against Wolf Point in five sets, 25-22, 21-25, 27-25, 9-25, and 11-15. Macy Tjelde led the offense with 16 kills and three aces. Emily Johnson put up ten kills of her own and added two

blocks. Kallee Hopes added five kills and Savannah Manuel had two. Hopes also had 26 assists and 18 digs. Tjelde followed with nine digs, while Isabelle Fry and Abby Berry had eight digs each.

Senior Kallee Hopes stated, "I am excited to see where we end up this season. We have a lot of talent to offer this year, and I think if we keep working hard, we will achieve great success. Right now, our team is working toward 'WIN', which stands for 'What's Important Now'. I believe if we can keep working hard, we can reach our own personal goals as well as the team's goals. We just need to keep strong and keep fighting. Go Warriors!" Fairview hosts two non-conference matches this week, MonDak on Sept. 12 and Plentywood on Sept. 14 before traveling to Malta on Sept. 15.

30 Days Of Beef Happening All Month Long

By Jaymi Mozeak
 On Friday, Sept. 1, the 3rd Annual 30 Days of Beef raffle started. The raffle of anything beef will continue throughout the month of September with at least a single raffle every day and two raffles every day of the last week.

Sales for the tickets started in August and will continue through September. They are \$25 a ticket and \$100 worth will put the purchaser in the \$100 club.

There will be single cuts of meat, meat bundles, grills, grilling and smoking tools, beef baskets, gift cards to both Sidney grocery stores, and South 40, The Depot, Pizza House, Mimi's Kitchen, Craig's Meat, and Ace Hardware as prizes. A different one for each day.

For the \$100 Club there will be an additional raffle held for the chance to win one of two halves of beef or a Blackstone griddle.

The 30 Days of Beef

is probably the second biggest fundraiser the Boys & Girls Club of Richland County has. Last year, the meat raffle brought in about \$17,000 to go towards the many programs put on by the nonprofit to benefit the kids in their after-school program and the surrounding community.

Besides the after-school program, the Boys & Girls Club of Richland County also has summer camps and hosts the free meal program

during the summer. During the school year, they also hand out turkeys close to Thanksgiving, food boxes in December, and hams close to Easter.

Tickets may be purchased at the front desk of the Boys & Girls Club of Richland County, online at Auctria.events/beef2023 or by scanning the QR code found on 30 Days of Beef raffle posters found all over Sidney.

Flu Myths...Busted!

Submitted by Stephanie Ler, RS, MPH Richland County Health Department Environmental Health Director

There are so many myths about the flu and the flu shot all over the internet, so in preparation for the Drive Thru Mass Flu Shot Clinic at the Richland County Fire Hall on Thursday, Sept. 29, we've busted a few myths wide open.

Many people claim they avoid the flu shot because it makes them sick. However, flu shot vaccine does not contain any live virus, so

it actually can't make you sick with the flu. The vaccine contains inactivated virus, which means that once it's in your body, your immune system can learn to respond to components of the virus, so that if you do come across the real flu virus, your body will be prepared. Because vaccines are designed to evoke an immune response, it is common to have injection site soreness or a slight fever, but these symptoms shouldn't last long. The Vaccine Information Sheet, offered during your vaccination clinic visit, explains potential risks and reactions.

Some others say they don't bother with the flu shot because it's not effective. Though the vaccine isn't 100% effective in avoiding the flu, it will help to avoid hospitalization should you contract influenza. Of the 214 cases of the flu last season in Richland County, 13 people were hospitalized for influenza. Getting the annual flu shot can help you minimize the risk of hospitalization and death.

If you're considering skipping the flu shot this year because you exercise

and eat healthy, reconsider your decision. The flu virus doesn't discriminate, and even healthy people can become infected. The flu virus can be spread when a sick person sneezes, coughs or talks, or spread by surfaces shared by both sick and healthy people, like doorknobs in public, bathroom faucet handles, and shopping carts. You may lose income due to days off from work, or may face more serious consequences of the flu, such as hospitalization or death.

There are many reasons to get your flu shot this flu season. If you have questions or need help with the decision to get you and your family vaccinated against the flu, contact the Health Department at 406-433-2207.

The Richland County Health Department will be holding its annual drive-thru mass flu shot clinic at the Richland County Fire Hall in Sidney on Thursday, Sept. 28, from 10 a.m.-6 p.m. The Drive-Thru Clinic will serve adults only, and offers both regular and high-dose flu shots. No other shots will

be given during the clinic. No COVID-19 vaccine will be given. No appointment is needed. Flu shots cannot be given to those who have animals in their vehicles. Children may be in the vehicle, but may not receive flu shots. Private insurance, Medicare and Medicaid will be billed for those who bring their insurance cards. Follow traffic signs to enter the Fire Hall from the north side.

Flu shots are available for those six months and older at the Richland County Health Department during normal clinic hours by appointment, from 10 a.m.-4:30 p.m. Monday-Wednesday. Additional clinic hours are the second Wednesday until 6 p.m., and the third Thursday of the month, from 10 a.m.-12 p.m. and 1-4 p.m. by appointment. Check the Department Facebook page at www.facebook.com/RichlandCountyHealthDepartment for changes to regular clinic hours.

For further information or to inquire about group billing, contact the Richland County Health Department at 406-433-2207.

OBITUARIES

Ruth Lawrance, 101 Regina, Canada formerly of Savage, MT

Celebration of Life services for Ruth Lawrance, 101, Regina, Canada formerly of Savage, MT, will be on Wednesday Sept. 13, 2023 at 11 a.m. at Yellowstone Community Church, Savage, MT, with Pastor Michael Cowan and Pastor Butch Hart officiating. A luncheon will follow the service for a time of fellowship and sharing. Fulkerson-Stevenson Funeral Home, Sidney, MT, is assisting the family. Remembrances, condolences, and pictures may be shared with the family at www.fulkersons.com.

Ruth Lawrance

Ruth passed away quietly at the age of 101. We greatly miss her already and celebrate her wonderful life which radiated kindness, peace, and trust in God.

She was born at home in Toronto, Ontario on June 19, 1922, received her education in Toronto and worked at Evangelical Publishers for several years. After a year at Canadian Bible College, she married James Lawrance and a month later moved to Lamont, Alberta. Ruth served her Lord Jesus Christ as a pastor's wife with the Christian and

Missionary Alliance for over 50 years in Lamont; Thunder Bay, Ontario; Brandon, Manitoba; Fort Qu'Appelle, Saskatchewan; Savage, MT; Boise, ID; and Wetaskiwin, Alberta.

Upon retirement they returned to Savage and filled interim pastoral positions in the area. In 2007 they moved to Regina, Saskatchewan where she lived in her condo until almost age 97. Her peaceful nature was the result of her complete confidence in God's presence each day. Visiting her was always a joy.

Ruth was preceded by her beloved husband James in 2008; her parents Tom and Margaret Davidson; her sister Jean and brother-in-law Jim Kennedy; her sister Grace and brother-in-law Cliff Taylor; her sister-in-law Marjorie and brother-in-law Michael Matthew and her sister-in-law Sylvia Lawrance.

She is lovingly remembered by her children: Carolyn (Brian) Armstrong, Regina, Saskatchewan, Sharon (Michael) Cowan, East Carbon, UT, and David (Tracy) Lawrance of Savage, MT; grandchildren: Jonathan Armstrong, Craig (Jennifer) Armstrong, Shannon (Luke) Braun, Melissa (Matthew) Maestas, Shane (Delaney) Cowan, Rachelle (Daniel) Sparks, Derek (Angie) Lawrance and Daniel (Katherine) Lawrance; 25 great grandchildren; brother-in-law Andrew Lawrance, Cambridge, Ontario and many well-loved nephews and nieces.

Thank you to Dr. Kriek, Dr. Bower and Bethel Manor for their care of our precious mother.

In lieu of flowers, donations may be sent to the Christian and Missionary Alliance Great Commission Fund at cmalliance.org.

The speaker showcase will feature topics of global meat overview, modern agriculture, Prop. 12 and succession planning.

The North Dakota Stockmen's Association (NDSA) is a cattle producers' trade association that dates

back to 1929. Cattlemen on the Fort Berthold Reservation and surrounding areas were tired of the chronic cattle rustling plaguing their herds. Andrew Johnston, a Watford city, ND, - area cattleman, decided to call a meeting to determine what could be done about it.

That gathering took place June 6, 1929 - now considered christening day for the NDSA - in Watford City. Founders at that meeting elected John Leakey as their president and each pitched in \$5 a person to establish a reward for information leading to the arrest and conviction of anyone stealing cattle, horses or mules in North Dakota.

As the association grew older, members found value in banding together on other issues, so the mission expanded to what it is today: to

unite, protect, promote, educate and serve the state's beef cattle industry.

A new addition to Saturday morning will be the "Hoofin' It Home" 5K Beef Walk/Run. Check-in for the race begins at 9:15 a.m., with the race starting at 10 a.m. at the Rough Rider Center. Prizes will be awarded for first place in the children's, men's and women's divisions.

The annual banquet will include the recognition of long-time employees, as well as outstanding members selected for the Honorary Local Brand Inspector, Honorary Membership, Rancher of the Year, Environmental Stewardship and Top Hand Awards.

The deadline to pre-register is Sept. 14.

Foundation For Community Care Hosting "Light The Night" In Sidney

By Jaymi Mozeak
Hundreds of luminaries will be decorating the lawn of the Foundation for Community Care during their 2023 "Light the Night" event on Thursday, Sept. 14 from 5-8 p.m. Sidney Health Center will be assisting with hosting it for the 8th year.

People wanting to honor someone who has been touched by cancer may buy a luminary in their honor. For a \$10 donation per lantern, their name can be displayed on the paper lantern that will glow all through the night. Solar lights are also available for purchase for \$10. They are a take-home reminder to hang and enjoy. Cancer Support Community Montana will be at "Light the Night" to present resources for those affected by cancer.

2022's event brought in over \$17,000 for the Sidney Health Center Cancer Care Center. Reynolds Market, Sidney, sold brats and mac and cheese last year at the event, which sold out before the event was over. This year, they will be bringing their smoker and a lot more food. All proceeds will go towards the Sidney Health Center Cancer Care Center. Last year 196 individual people were honored. It is estimated that about 100 people attended to see the displays in 2022 and it is expected that many more will come this year.

The Foundation for Community Care is located at 221 2nd St NW, Sidney. For more information on the event visit the foundation's website, call them at 406-488-2273 from 8 a.m.-5 p.m. Monday-Thursday and 8 a.m.-noon on Friday, or visit them on Facebook.

Time To Check Your Medicare This Fall

The weather is starting to cool off and fall is on the way. Soon it will be time for fall colors, sweaters, pumpkins and.... Medicare. Medicare Part D Open Enrollment starts on Oct. 15 and it's important to take advantage of it to ensure you are prepared for 2024.

Every year, the Richland County Commission on Aging sees clients who are upset because their plan isn't paying very much of or any of their prescription costs. More often than not, this is because they are not on a plan that is right for them because they didn't know to take advantage of the Open Enrollment period the year before.

Open enrollment

lasts from Oct. 15-Dec. 7 and, for most people, this is the only time they can change their plan for the upcoming year. If you forget and the plan changes you may get sticker shock when you go to the pharmacy after the first of the year. Unfortunately, unless certain circumstances apply, you will be stuck with that plan for the rest of the year because Open Enrollment has already ended.

To avoid this happening to you, make sure to observe the following:

DON'T:

- Assume that since your medications are the same you can keep your old plan.
- While your current plan might still be the

best one for you it is best to check to make sure. Often times, the plan itself will change what it is going to cover for the next year or what the premium charge will be. Sometimes they even change which pharmacies they will work at.

- Keep a plan simple because it is sold by the same company that carries your Medicare Supplement.
- Part D plans and Medicare Supplements are not connected. You need to weigh the values of each one independently.
- Buy a more expensive plan assuming it will give you the best coverage.
- Each plan needs to

be evaluated against your current prescriptions, more expensive plans may give great coverage for some medications but none for the ones you

actually need.

- Buy a plan on name recognition alone.
- There are a lot of companies that sell prescription plans; just because you have heard of them doesn't mean they are right for you.

Open Enrollment
It may seem like everyone has heard of Open Enrollment but there are a lot of people who don't understand its importance.

The Richland County Commission on Aging has two SHIP Counselors on staff that can help you check your Part D plan, explain the different coverage phases and make any changes you choose. All Medicare help provided by the COA is by appointment and free of charge. Open Enrollment appointments are booked in 1/2 hour increments so if you wish to discuss any other Medicare issues, please let us know when making your appointment. Appointments can be made by calling 406-433-3701.

- Encourage your friends and family members to take advantage of

It is our privilege and purpose to serve you

OBITUARIES

James Dean McRae, 61 Sidney, MT formerly of Gillette, WY

James Dean McRae was anxious to be born and came a month early on May 22, 1962, to Patricia (Boyer) Sather and Frank McRae in Sidney, MT. He was the easiest baby to raise and always content.

Jimmy Dean grew up surrounded by a large family which included his siblings, grandparents, aunts, uncles, many cousins, and lifelong friends. He attended school in Sidney & Savage where he participated in wrestling, football, and boxing.

Seismic work took him to Wyoming where he found the loves of his life - Brenda, Seaver and Savanha. They were his pride and joy. He met Brenda one night when they were

James Dean McRae

both out on the town and were never apart again. They were married on May 25, 1990, and became a family. He had such a sense of humor and loved to tease Brenda, taking every opportunity to do so - just one of the many fun and passionate parts to their relationship. From the day they first met, their chemistry and love for each other was undeniable and truly admirable to everyone that knew them. Brenda and Jim had a love that one could only truly describe as one between soulmates.

Known as "everyone's favorite nephew," Jim, James, Jimmy Dean - he was known to everyone as a jokester and never a stranger to any, for long. By the end of any conversation upon meeting a new face, he walked away with a new friend. He trusted God, loved the outdoors (especially fishing & camping with his family), and his moose of a dog, Snickers. He was his own man, even as a child, was soft hearted, and as a child didn't like his picture taken. He loved getting together with family and friends. He was always searching for something to eat and kept his eye on Grandma Boyer's cookie jar, hoping there was a treat inside - his favorite was her No-Bakes. But the most important thing in his life was his wife, son, daughter, and grandchildren.

The family has so many memories with Dad. Seaver's favorites included Lake De Smet and Elitch Gardens Theme Park. Savanha remembers Mom and Dad's first trip without the kids and wasn't sure if they would come back - but of course they did.

It was so important to take care of his family and he worked hard to be able to do so. Due to getting injured in

the oil field, he started trucking. After the sudden passing of the love of his life, his cherished wife Brenda, he moved to Sidney to help his mother with her recovery from an accident and was able to find employment with Sidney Sugars, carrying on the legacy of Boyer men working in the sugar beet industry. Once the factory closed, he found employment with Border Steel.

Jim passed away on Wednesday, Aug. 23, 2023, in Sidney, MT. We will all miss him and his hugs - he gave the best hugs ever.

Jim is survived by his children - daughter, Savanha McRae and granddaughter, Jayce; son, Seaver McRae (Chantel); grandsons Dalton, Dylan, and Jaxton; granddaughter Keira; mother Pat Sather; stepmother Barb McRae; siblings Francis McRae (Teri), Collette Olson, Gene McRae, Thomas Sather (Jason), Glenn McRae (Angel), Nicole McRae, John Flynn, Rick Flynn, George Flynn, and Berta Walter; and numerous nieces, nephews, aunts, uncles, and cousins.

He was preceded in death by his wife Brenda; father Frank; grandparents Francis and Rose Boyer and Glenn and Ellen McRae; stepfather Tom Sather; father-in-law Daniel Laher; sister-in-law Ivy Laher; brother-in-law Kurt Olson; and many cherished family and friends.

Memorial services were held in Sidney, MT, at the Fulker Funeral Home chapel on Wednesday, Aug. 30, 2023, at 3 p.m. James Dean McRae will be laid to rest next to his wife, Brenda, in Gillette, WY, at a later date.

Make Plans To Meet In Watford City For Wild West Weekend!

Submitted by **Jessie Veeder Scofield, Long X Arts Foundation Director**

The McKenzie County Cowboy Association is hosting the 2023 North Dakota Rodeo Association Finals on Friday, Sept. 22 and Saturday, Sept. 23 indoors at the new McKenzie County Ag Expo, Watford City, ND. With three rounds of rodeo, a western art and vendor show, a Cowboy Poetry Gathering, Kids Cowboy Bootcamp, mechanical bull riding and two nights of rodeo dancing, there will be fun for the entire family to enjoy!

The Western Art and Vendor show kicks off the weekend on Friday, Sept. 22 from 6-8 p.m. in the Ag Expo Exhibit Hall. Shop over 20 western artists and

vendors specializing in western themes and gear from across the region. Explore large and small scale paintings, glass, leather, wood-working, hats, ropes, boots, boutique clothing, jewelry and more.

Right across the hall the first round of the NDRA Rodeo kicks off at 7 p.m. featuring the state's best cowboys and cowgirls competing in bronc and bareback riding, steer wrestling, team roping, breakaway roping, calf roping, barrel racing, bull riding and more. The High School Cowboys Wild Horse Race in memory of Coy Hepper is a must see at all three rodeos. Make sure you bring the kids for the boot race!

After the rodeo, Western Montana's retro classic country band, "Sam Platts

and the Plainsmen," will be set up at the dance floor in the exhibit hall both Friday and Saturday night. The band has been regular performers at the National Cowboy Poetry Gathering in Elko, NV, and specialize in familiar western dance music and country standards. Sit and listen, take a swing around the dance floor or try your skills on the mechanical bull. A cash bar and concessions will be available both evenings.

On Saturday grab your breakfast at the Ag Expo at the Flannels and Flapjack Cowboy Breakfast benefiting a local charity. Contestants will be available at the breakfast for meet and greet and autograph signing.

The Western Art and Vendor show continues in

the exhibition hall on Saturday from 11 a.m.-8 p.m. with art demonstrations and classes scheduled throughout the day. Bring your kiddos to the Cowboy Bootcamp and Canteen where they can learn how to dress like a cowboy, saddle a horse, ride the bucking bull, rope and shop for cowboy essentials throughout the day. Then gear up for the next round of rodeo action at 1 p.m.

The Long X Arts Foundation will be offering a free cowboy kid craft throughout the day and hosts the Cowboy Poetry Gathering at 2 p.m. on the stage in the exhibit hall. Featured entertainers include North Dakota Poet Laureate, Denise Lajimodiere and four National Cowboy Poetry

Gathering regulars: singer/songwriter, Sam Platts, Montana based troubadour DW Groethe, Medora cowboy poet Jonathan Odermann and local musician, Jessie Veeder. The event, which will wrap up with area powwow dancers, will feature stories, music and poetry that captures the life, humor and tribulations of working cowboys and cowgirls in the region.

The final round of rodeo will kick off at 7 p.m. in the indoor arena where the champion cowboys and cowgirls will be determined with the rodeo dance and mechanical bull riding to follow.

Tickets to the rodeo are \$20 for adults and can be purchased at the door. Kids 11 and under are free.

The Western Art and Vendor Show and Cowboy Poetry Gathering are free thanks in part to a grant from the North Dakota Council on the Arts and the Long X Arts Foundation.

National Farm Safety & Health Week

Submitted by **Rebecca Colnar, Ag News Wire**

Bozeman, MT – "Agriculture continues to rank as one of the most dangerous sectors in this country," according to the US Bureau of Labor Statistics. Since 1944, the third week of September has been recognized as National Farm Safety and Health Week. This year's dates are Sept. 17-23, with the theme "No One Can Take Your Place".

Priority populations in agriculture take center stage for this year's National Farm Safety and Health Week. Farms and ranches are a wonderful place for children to grow up, but we all have a role in keeping youth safe while they grow up with agriculture.

Incidents happen most often when children are playing in an agricultural worksite or are bystanders to ag work.

Learn more about rural road safety as well as other safe agricultural practices by tuning in to the daily free webinars hosted by the AgriSafe Network. To register and for more information on the webinars, visit agrisafe.org.

- Monday, Sept. 18: Tractor Safety & Rural Roadway Safety
- Tuesday, Sept. 19: Health and Wellness
- Wednesday, Sept. 20: Priority Populations
- Thursday, Sept. 21: Confined Spaces in Agriculture
- Friday, Sept. 22: Brain Health

OBITUARIES

Mackenzie Jade Hall, 21 Rocky Ford, CO, formerly of Fairview, MT

A Celebration of Life for Mackenzie Jade Hall, 21, Rocky Ford, CO, formerly of Fairview, MT, will be Thursday, Sept. 14, 2023 at 11 a.m. at Zion Lutheran Church, Fairview, MT, with Pastor Timothy O'Shields officiating. A luncheon will follow the Celebration of Life at the Zion Lutheran Church, Fairview, MT.

Mackenzie Jade Hall

Mackenzie Jade Hall was born on Sunday, Feb. 3, 2002, in Denver, CO, to Kirstin (Fischer) and Richard Hall. She was the most beautiful Superbowl baby, and oh, so very loved!

Her childhood summers were spent riding bike (until she got her driver's license), swimming, looking for the man in the moon, having sleepovers, vacationing to Texas to visit family in which she absolutely got a kick out of riding around with her Grandma Joyce (an ex-racecar driver) in the van, contributing her help at Richard's Ribz, and attending Eastern Montana Bible Camp.

She had such a great love for the Lord and sometimes would walk to Church service by herself. During the winters, she treasured Christmas break with family and friends, and sledding with Jaedyn behind Papa's pickup in the horse pasture.

Mackenzie was such an elaborate storyteller, that her teacher finally had to ask her parents if she really did have a horse! Yes, Princess really did exist, however, her bouncy horse, Lightning, was the fastest horse on the Fischer Ranch! The school bus (Papa) would pick up Mackenzie and Jaedyn every school day, and Thursdays would give them popcorn money. They would often argue over who got to sit in the front seat. I can almost guarantee that Jaedyn rarely triumphed in that dispute! Although Papa's pickup was white, Mackenzie named it Ol' Blue.

Mackenzie attended school in Fairview and Sidney. She was in basketball, volleyball, speech and drama, and

excelled academically. In grade school she played the trumpet and loved music of all kinds. She had the most beautiful singing voice. She was a remarkably creative writer and artist. She even went through a crafting phase. She was extremely smart, helpful, generous, sassy, and always the funniest person in the room. She was very confident in herself and didn't care about what others might think.

She was incredibly excited about her new job as a Digital Marketer. Her passion for cooking began at age 3 and her dream of becoming a chef soon took shape. She even made up her own study flashcards. She liked to throw in secret ingredients and wanted you to guess what they were. She treasured her time spent working with her parents at Richard's Ribz. She had her own smoker and was a BBQ pitmaster. When she was little, she referred to ribs as meat sticks. To this day, that is what we call them.

She cherished spending time with her family and friends. She looked forward to the summers when her cousins would get to visit them. She loved babysitting her cousin, Gabrielle. She had a gift in caring for little kids and they flocked to her. She absolutely adored her sister, Jaedyn Denise. They loved like sisters, but sometimes could brawl like brothers. She was so proud of Jaedyn's accomplishments and was sure to let her know. They often backed up each other's completely made-up stories. One, in fact, was just to get some of her Gaga's good cooking, even though they had already eaten lunch at home. Mackenzie said, "Sometimes my mom forgets to feed us. She won't give us lunch or anything." Jaedyn is nodding her head in agreement. Gaga asked, "She doesn't feed you?" Mackenzie said, "No." Jaedyn said, "Me too." Gaga asked, "Why?" Mackenzie said, "I guess it's 'cause she's a single mom."

Mackenzie was baptized by Pastor Josh Magyar and Pastor Geoge Karres at Pella Lutheran Church, Sidney, MT, and confirmed in her faith by Pastor Roberta Pierce at Zion Lutheran Church, Fairview, MT. Mackenzie's 12-year-old self, while suffering from Bell's Palsy, left us all words to live by, "If anyone out there is going through something rough, just remember God absolutely will not give you anything you can't handle, because He loves you." Mackenzie was called home to be with Jesus on Thursday, July 20, 2023, surrounded by her family. She will forever be loved and missed. Isaiah 43:1 But now, thus says the Lord, who created you, O Jacob, And He who formed you, O Israel: "Fear not, for I have redeemed you; I have called you by your name; You are Mine."

Mackenzie is survived by her parents, Kirstin and Richard Hall, sisters, Rae Ven and Jaedyn Hall, grandparents, Aldis and Dennis Fischer, great grandma, Doris Olson, aunts, uncles, and cousins, (Teena, Vanity) Regina Scott (Chazzer, Chaddrick, Kiandrea, Mataya) Stacy Holmes (Krysta, Bowen) Coby Fischer, Chad and Becky Philippi (Jaedon, Dylan,

Brooklyn) Kyla Fischer (Gabrielle).

Preceding her in death are her grandma Joyce Holmes, uncle James Hall, great grandparents Kathryn and JD Maxwell, Alton Olson, Gabriel and Viola Fischer, and her beloved dog Brandie.

Delmer Dschaak

Fulkerson-Stevenson Funeral Home, Sidney, MT, is assisting the family. Remembrances, condolences, and pictures may be shared with the family at www.fulkersons.com. Delmer passed away on Friday, Sept. 1, 2023, at his home in Sidney.

Delmer was born in Fairview on Dec. 28, 1931, and attended Fairview schools.

He met the love of his life, Delores Entzel, at the local roller-skating rink. On Jan. 18, 1953, Delmer and Delores were happily united in marriage. Delmer served a short stint in the National Guard. He worked at a tire shop operated by Pete Degal and George Sweley. Delmer was never afraid of working hard, long hours. At the end of his shift at the D+S tire store he took off for his second job of the day at the Peavey elevator. In 1973, Delmer and Delores purchased the Dairy Queen. In the early '80s during the first oil boom in Sidney, they looked at it as a great opportunity to sell. Delmer then went to work at Johnsons Hardware until he retired.

Surviving him are two daughters, Dena Prevost, Billings, MT, and Darla Zoanni, Sidney, MT; one brother, Larry Dschaak, Kennewick, WA; five grandchildren and 7 great-grandchildren.
