Larsen Service Drug Celebrates 60 Years of Prescribing Just What the Doctor Ordered

By Jaimee Green

At a time when most people were making their living farming and ranching on the vast openness of sparsely populated prairies in North Dakota, John Larsen was creating his legacy in pharmacy. In 1952, he opened Larsen Service Drug situated in the heart of Watford City on a cozy corner of Main Street. Back then Joan Crawford was the iconic figure modeling Lustre crème shampoos and The Adventures of Ozzie and Harriet was the hit television sitcom. Gas was just 20 cents a gallon and every woman swooned at the sight of Marlon Brando or Gary Cooper.

But Larsen's history in the drug store business began before 1952. His story began many years before that in Hope, North Dakota where he opened his first drug store. However, when the doctor closed up shop, so did he, packing up his family and making a fresh start in Watford City. He brought with him a 1935 Carbonic Soda Fountain from the original store, which became the focal point of his new business. Today, the functional, old-fashioned soda fountain, echoes a nostalgic thump of the heartbeat of life from way back when. His wife of over 50 years, Katherine, recalls Friday nights spent serving up malts and sodas to folks in town going to movies and dances. Back then, a cup of cold, sweet liquid cost just five cents.

Today the fountain still creates a stir with older folks who enjoy sips of soda, reminiscent of bygone days while youth enjoy a bit of history far removed from their world of technological games and obsessive texting.

As a kid, John's son Larry worked with his dad starting at the age of seven helping serve coffee and drinks from the fountain machine and washing dishes. My favorite soda flavor was always Nesbit's orange. It was the kind that had real pulp," Larry recalled.

Together John and Katherine raised their four children, Larry, Laurie, Lyle and Lisa.

Today, Larry owns the store whose patrons have ensured its survival through two generations, with a third generation of family members ready to step in and follow in the family business. In 1983, Larry and his wife, Debbie, returned to Watford City, and father and son went into business together. That was the same year he graduated from NDSU's Pharmacy School. As young newly-weds they began working and raising their own family which eventually included four children of their own; Michelle, Jenna, Christopher and Sean.

The love of pharmacy has also taken root in John's two granddaughters, Michelle, a pharmacist, and Jenna who is soon to graduate from her dad's alma mater.

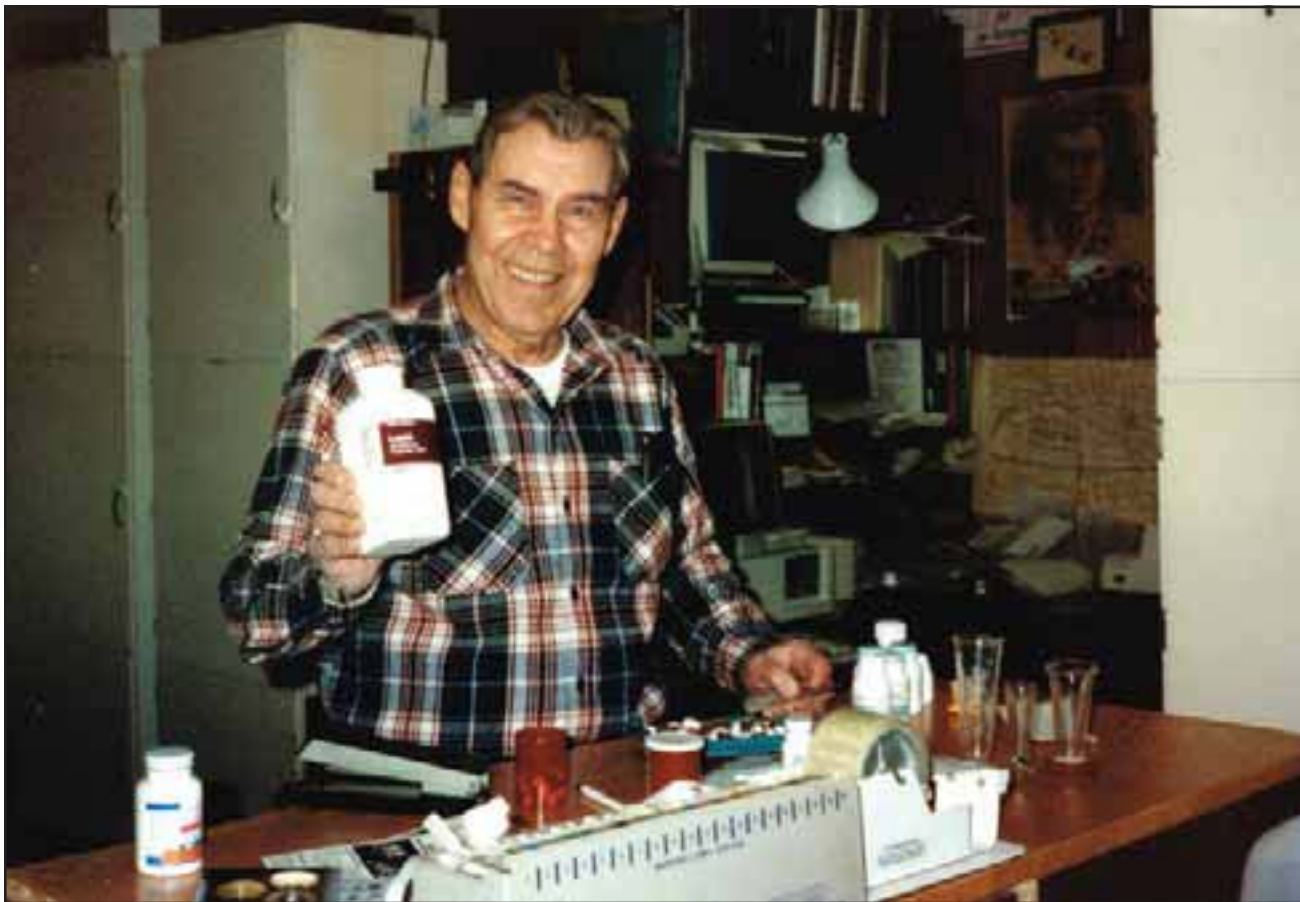

"People had a lot of respect for my dad. They thought a lot of him. That is part of what inspired me to follow in his footsteps and carry on with the family business. I think he would be very proud today to know his granddaughters are also carrying on the tradition," Larry said.

Three generations of employees, family, and loyal customers have kept the business thriving. For nearly 40 years, John ran the store with Iona Lawlar, the red-haired lady often referred to as "grandma." Multiple family members of both John and Iona have worked in the store through the years, and as Larry took over the store from John, Iona's daughter-in-law, Shirlene, took over managing the store for them.

On Nov. 29, an anniversary celebration open house is taking place from 2:00 p.m. to 6:00 p.m. with drawings for 60 door prizes, as well as gifts, goodies and a soda fountain treat.

Just as the years have changed the faces of the patrons who frequent the store for their drug, hygiene and knick-knack needs, the building's façade and the products themselves too have changed. However, since opening, there are two products that can still be purchased from the shelves; chocolate covered cherries and fragrances by Coty.

In 1953 John added a clinic site next door to the store where McKenzie County Memorial Hospital provided patients with immunizations and health care. Those services continued at that site until 1988 when the hospital constructed their own patient's clinic. Freeing up all of that space, today, the drug store is twice as large as it was when it opened. Customers are able to purchase everything from candles and gifts to hair care products and jewelry.

John Larsen, March of 1989.

Over the past 60 years technology has changed the day to day business at the store with Larry embracing these advancements. Early in the computer age, he purchased one to help him keep track of patient profiles, medications and drug-to-drug interactions. More recently, he has added a pharmacy "robot" to assist in filling prescriptions, text-messaging to let patients know their prescriptions are ready and internet and smart-phone refill ordering.

In 2003 they expanded and opened a second site located on Main Street in New Town, N.D., a town which had seen its only drug store close a few years prior.

"Throughout the years we have seen three and four generations of customers. This community has always been supportive of its local businesses. That was part of what made us want to return to the area and continue the business and raise our children here," Larry said.

The Watford City Chamber of Commerce is "Celebrating a Storybook Christmas" this year for the Parade of Lights. They are looking for floats to participate in the parade, to make it fantastic this year.

The theme for this year's parade is, "Watford City Celebrates a Storybook Christmas." The only guidelines set for the floats is try to follow the theme and that no other floats can contain a "live" Santa, as they only want one float with Santa on it.

As soon as they are done, all the floats will park along Main Street for all to see and to be judged. There will be trophies handed out for the top floats at this point. Also during this time, children will have a chance to visit with Santa.

Red Ribbon Week

Richland County Schools celebrated Red Ribbon Week last week. Red Ribbon week is celebrated nationally each year during the week of November 5th-9th. RRW is a week to promote healthy choices and for kids to say no to alcohol, tobacco and drugs. Sheriff Brad Baisch went around to each school in the county and the Boys & Girls Club and talked to them about the importance of staying drug free, and handed out bracelets to the kids. All this was organized by STAND, which is a community group dedicated to standing up for our youth in helping them make positive and healthy choices. Pictured left is Sheriff Brad Baisch speaking to a class at Westside School about being 'Above the Influence'. See our website at www.roundupweb.com for more pictures.

Upcoming Events For Sidney Public Library

Submitted by Becky Hayes

Happy Thanksgiving everyone! We hope that you will enjoy some great times with friends and family. Let's start by congratulating everyone who participated in our coloring contest, you did a great job and your pictures really helped get us in the holiday spirit.

But we don't want the kids to have all the fun at the Library, so we have two special opportunities for the grown-ups and your favorite teddy bears and other stuffed friends. No really, I said grown-ups AND stuffed animals. I'm not kidding when I say we have something for everyone at the Library.

On November 27th, we'll host "Word Documents and You" a Tech Tuesday for anyone who needs to save, print, format and share documents on a computer. This class will help you get ready to send out your holiday letters, format and distribute your resume, or even information for a home business. Space is limited, so call 433-1017 to reserve your spot today.

And then, on November 29th, we'll invite kids and their favorite teddy bear (or other stuffed friend) to join us for a special storytime starting at 6:15pm. After the story, the kids will tuck their animals in and leave them at the library overnight to hang out. Teddy will be ready for pick-up starting at 10:30am the next day (Nov. 30th) at our regular storytime, and we'll include a photo page of all the fun and mischief for each participant. (Didn't you know that toys come alive at night in the Library?)

Finally, we want to say thank you to everyone in Sidney and Richland County who are part of the library community, you help us make this place great. We've got a lot on tap for December, and I'll give you a hint: eReaders, Gingerbread Houses, and the Kidz Zone, these are a few of my favorite things! Want the scoop early? Check us out online, or visit our Facebook page at <http://www.facebook.com/sidneyrichlandlibrary>.

Fairview Alliance Church Hosting Dinner Thursday

The Fairview Alliance Church will be hosting a free turkey dinner between 4:30 and 6:30 p.m. on Thanksgiving Day. We welcome everyone, especially those who have no family around for the holidays, to join us for a great meal with no obligation at 318 7th Street, Fairview, across from the high school. Please contact Pastor Kelly Sloan at 406-742-5425 if you need a ride or more information.

Domestic Violence & Holidays

Submitted by Jody Lizotte

The holidays shouldn't hurt, but for families living with domestic violence Thanksgiving, Christmas, and New Years can add stress to an already stressful living situation. There is the added stress of the need for extra money for gifts or travel. Extra family togetherness can cause the batterer to feel a loss of control over their victim. Some victims won't leave the relationship during the holidays because they believe families should be together. Often people attend holiday gatherings where alcohol is readily available and consumed, leading to more problems. Even small changes in daily activities can lead to an escalation of violence.

Batterers have more opportunities to hold power and control over their victims as holidays approach. The victim may be promised the opportunity to take a trip to go see family, only to have it taken away at the last minute. A child may be promised a certain gift, only to wake up on Christmas morning to find nothing under the tree and the batterer asking, "Why do you think I would spend my money on you?" On a positive note, there are often more family members around, which may keep the batterer from harming his or her victim(s) at holiday gatherings. A batterer rarely wants witnesses, including friends and family, to see how they are treating their loved one(s). But time at home can be a time of terror for victims of abuse.

Holidays should be filled with colorful decorations, lights, family and friends, and happiness. For those living with domestic violence, they are filled with broken promises, broken ornaments, and broken hearts instead. There is no excuse

for abuse. Seasonal stress is no excuse for a batterer to start or escalate abuse. Both batterers and victims may try to excuse their batterer's behavior because "the holidays just get to him or her", but abuse is abuse, no matter what the season. It is always wrong.

Richland County Coalition Against Domestic Violence is here to assist victims of domestic violence, sexual abuse, and stalking with filling out applications for orders of protection and safety planning. We hold a women's support group and offer limited short term housing for victims and their children. Our phone number is 406-433-7421 and the office is staffed Monday through Friday, 8 am to 5 pm. We can also be reached through the hospital at 406-488-2100 and law enforcement at 406-433-2919 or 406-433-2210. We are also available to assist people in/from McCone County.

Lutefisk Smorgasbord in Beach Dec. 9

2012 Shrine Fund Drive

Submitted by Richland Shrine Club

Richland Shrine Club of Sidney is starting its 2012 Shrine Fund drive. The over-head of the direct mail campaign; envelopes, postage,

etc. are furnished by the Richland Shrine Club. Last year we gathered \$7,032.05 and sent that same amount to the Shrine Hospital.

Richland Shrine Club is currently sponsoring many patients in various stages of their treatment. The typical patient makes several trips to the hospital in Spokane, Salt Lake City or Minneapolis. The average hospital stay is seven to eight days, but surgery and/or treatment may be over several years to accommodate growth of the child.

The SHRINE operates 22 pediatric hospitals which includes 19 orthopedic hospitals to help children with problems of the bones, joints, or muscles and 3 Burn Institutes for children needing re-constructive surgery and rehabilitation as a result of burn injuries.

Since 1922, Shrine Hospitals for Crippled Children have been helping children, regardless of race, creed or color. The Majority of the support of the Hospitals for patient treatment and research is by the Shriners, Endowment fund, and charitable fund-raising events by Shriners, Endowment fund, and Shrine Clubs. This Hospital Fund Drive is only one of many types of projects throughout North America by Shriners. Currently through the benevolence of Shriners and other Masonic bodies two million dollars per day is going towards various philanthropic endeavors, such as our hospitals.

Richland Shrine Club maintains separate funding for its club funds and those funds for the Shrine Hospital drive, so individuals can be assured that 100% of their donation is in direct support of the Hospitals. Support this worthwhile project with your contribution to Richland Shrine Club Hospital.

Letters are going out to businesses and individuals in Richland County requesting support of this worthwhile benefit.

Contribution maybe sent to: Richland Shrine Club – P.O. Box 885 – Sidney, MT 59270 please make checks to Richland Club Hospital Drive.

2012 Basin United Way Campaign in Full Swing

By Tie Shank
 On November 15th, The Basin United Way announced they had just reached 25% of their \$250,000 campaign goal for 2012. With just over \$63,000 collected, the board has confidence and faith in the community that they'll be able to reach their target by the end of the year.

Each year, thousands of individuals, organizations and businesses come together in efforts to raise money to help the United Way help their local communities in the areas needed most. The Basin United Way currently supports thirty-one agencies which will each receive allocations from the funds collected this year.

Medrein Sandvold, Executive Secretary for the Basin United Way, is very proud to see so many promising things taking place in this year's campaign: The board has increased their efforts and stepped up to do everything possible to reach their goal, new businesses are doing in house campaigns, there is increased awareness and involvement in the community and they have many new donors approaching them.

The American State Bank has been a backbone for the United Way by providing office space, phone service, participating in a 100% employee match program and by being the #1 contributor to their organization. Their support not only shows their commitment but it also

Pictured is Kathryn Kihle promoting the "Stick Together Live United" campaign at the Dairy Queen Fundraiser.

shows how much they believe in the United Way program and in their community as a whole.

In efforts to meet their campaign goal, the board has held many fund raisers, with one of the ongoing fundraisers being, "Stick Together, Live United." The Williston Middle School Honor Society students and youth group members from the First Lutheran Church in Williston have been making and selling unique, one-of-a-kind pins out of colored duct tape for a suggested donation of \$5-\$10 per pin. Each pin is attached to a post card which states, "When we stick together, with unity in the community, we are stronger and can improve the conditions in which we live."

Board members and team captains are currently selling raffle tickets for \$2.00 each to help reach the 2012 campaign goal. Prizes are:

\$50 Walt's Market Gift

Certificate
 \$100 Gift Card donated by Kent & Lois Reiersen
 2nd Ave Sinclair \$100 Gas Card
 \$200 Walmart Gift Card
 10 Car Washes from Simonson Station
 One yr. Subscription to the Williston Herald, Talkin the Bakken and a Sweatshirt
 Men's Fossil Watch from Ritter Bros.

New Exhibit At MHC
22nd Annual Miniature Art Show
Now – December 31, 2012

For the 22nd year, the MonDak Heritage Center is proud to host a miniature art contest. We received over 30 submissions from several states, including Montana and North Dakota, Florida and New York. The Miniature Art Show is one of the best and most anticipated shows every year. The eye for detail and the ability to produce that vision on a small scale is amazing. Artists are restricted to creating works no larger than 5" x 7", and many produce work far smaller, sometimes as small as a

postage stamp. The show includes oil, watercolor, acrylic, and mixed media. The miniature art show is one of the most unique shows hosted by the MonDak each year. This show does not travel, so this will be your only opportunity to see it. Come out and see if you agree with the judges on 1st, 2nd, 3rd places and honorable mentions! This exhibition is made possible by the

membership of the MonDak Heritage Center.
