# Taylem Berry Still Missing Almost Two Months After His Abduction

By Jaymi Mozeak

A chair stood empty this past Thanksgiving Day. A family ate without their youngest member but was filled with hopes and prayers for his safe return.

On Oct. 9 Autumn Jorstad met with Raymond Berry in the Sidney Reynolds parking lot to get their 4-year-old son, Taylem Berry, back. There was an argument and Jorstad's nightmare began. Berry picked up Taylem, put him on his shoulders, and walked away. Jorstad tried to call Berry to talk to him or Taylem but he never answered and eventually disconnected his service. Jorstad was discouraged from contacting the police but she eventually did tell them on Oct. 18. She said, "Everybody kept telling me that there was nothing they could do. Everybody was wrong and it cost Taylem a week." Sidney Police did a welfare check on Berry and found that he had moved out of his apartment. Further investigation found that he had quit his job around the time he took Taylem. According

to www.missingkids.org, on Oct. 27 a felony warrant for custodial interference was issued for Berry. On Nov. 2 a BOLO was issued about Taylem's abduction and it began circulating on social media. On Nov. 9, Jorstad was interviewed on Williston Trending Topics News Radio about Taylem's abduction. As of Thanksgiving Day, no Amber Alert has been issued for Taylem. According to missingkids.org, they are activated in the most serious child abduction cases.

Taylem is 3'6" and 39 lbs. He has brown eyes and, at the time of his abduction, had blonde hair and a wiry build. He may be going by the name of Ragnor AllFather Berry. Berry is a 39-year-old Army veteran. He is 5'9" and 200 lbs with brown hair, brown eyes, and a stocky build at the time of the abduction. Berry may have untreated PTSD and, at times, is suicidal. According to Jorstad, it was giving him trouble last year and he told her that he "Barely feels he has control of his mind". She said he had threatened

to take Taylem many times since his conception. Berry is a former truck driver, has survival training, and owns MREs, a water purification system, gold, and silver. He loves to camp

and can survive just about anywhere. It is believed that they are traveling in Berry's 1995 dark green Ford F-350 pickup, Montana license plate F0016. It may have a matching topper and may be

pulling a silver or grey Haulmark enclosed trailer, Montana license plate BSY618. Please contact local law enforcement if you see or have contact with either Taylem or Raymond Berry. The Sidney

Police Department declined to comment further about the case.

## Watford City Parade of Lights

North Dakota Department of Transportation hooks up with some 4-legged animals on their way to the Watford City Parade of Lights on Friday night. The wild array of lights didn't seem to deter them.

Fairview Chamber hosted their annual Fairview Bridge Lighting at Sundheim Park on Nov. 26. An impressive display of fireworks lit up the sky and the bridge between Cartwright and Fairview.

The Sidney/Fairview wrestling team is holding their annual Eagle Wrestling Tournament Dec. 2 & 3. Wrestling action will begin at 8:30 a.m. Friday and 9 a.m. Saturday. Friday will begin with all duals. There will be 10 mats running simultaneously. There will be six mats at the high school with top 16 seated teams and four mats at Central Elementary with the 15 lower seated teams. Championship duals will begin at 2:45 p.m. Friday with the first round of individual tournament beginning at 5:30 p.m. Friday night. The individual tournament will continue beginning at 9 a.m. Saturday with the championship starting at approximately 5 p.m.

Teams from 8 different states will be represented at this year's tournament. In addition to a slew of Montana and North Dakota teams, wrestlers from Poway, CA; Adam City, CO; Post Falls, ID; Lake Stevens, WA; Oak Harbor, OH and Rapid City Central, SD will be competing at the tournament. There will be a total of 31 teams at the event.

Sidney/Fairview will be defending their Montana state championship streak of 5 years this season. Returning placers include Gordon Knapp, Ben Carlson and Kaden Wise. Returning state champions include Reece Graves, Owen Lonski, Zander Dean and Amaiya Kirn. Also starting this year

8th grade students will be eligible to wrestle at the high school level in Montana. Currently Sidney/Fairview has four middle school wrestlers practicing with the high school team. "We have been trying to get this through for years and years and finally got it this year. We've had so many 8th graders come through that could have wrestled for us," said head coach Guy Melby. "Now we are going to be able to do it."

Melby is confident Sidney/Fairview will have another successful season. "I'm pretty impressed with our senior leadership and how hard everyone is working. It's pretty exciting," stated Melby.

# MDU Applying To Increase Rates

By Jaymi Mozeak

On Nov. 4, Montana-Dakota Utilities Co. filed an application with the Montana Public Service Commission for Authority to Establish Increased Rates for Electric Service. In it, MDU proposes a total increase of \$10,499,415. This will affect the rates of about 25,600 customers and bring their rates up 19.2%. MDU also is asking for an interim rate relief of \$1,716,219. MDU is saying the current electricity rates are unjust, unreasonable, and do not allow MDU to fully recover the cost of providing electric service to its Montana customers. A copy of the filing is available to the public at the Commission’s business offices, 1701 Prospect Ave., P.O. Box 202601, Helena, MT 59620-2601. It can also be found online at the Commission’s website, <http://psc.mt.gov>, under Docket No. 2022.11.099. A copy of the filing is also available at the office of the Montana Consumer Counsel (MCC), 111 North Last Chance Gulch, Suite 1B, Helena, MT 59601. They can also be reached by phone at 406-444-2771. Interested parties can register on the Commission’s website to be added to the Watch List for notice of filings in this docket (<http://eddi.mt.gov>, create an OKTA account, and, under “Watch List” tab, enter Docket No. 2022.11.099).

The Commission would like anyone who is interested and will be affected by MDU’s filing to intervene in the docket. To do so, a person must file an electronic petition to intervene on the Commission’s website at <http://eddi.mt.gov> before Dec. 14, 2022. They must also mail a hard copy to the MCC and to MDU’s attorney, Michael Green, Crowley Fleck PLLP, 900 N. Last Chance Gulch, Suite 200, Helena, MT 59601. The Commission welcomes those who do not wish to formally intervene to submit written public comments on the matter to the Commission at 1701 Prospect Ave., P.O. Box 202601, Helena, MT 59620; through the Commission’s website at <http://psc.mt.gov> (select “Documents & Proceedings” tab; select “Comment on a Proceeding”; select “Continue as Guest”; complete form; select “Submit”); or by email to [pschelp@mt.gov](mailto:pschelp@mt.gov).

**DEPARTMENT OF PUBLIC SERVICE REGULATION BEFORE THE PUBLIC SERVICE COMMISSION OF THE STATE OF MONTANA**  
In re the Application of Montana-Dakota Utilities Co. for Authority to Establish Increased Rates for Electric Service  
Docket 2022.11.099  
November 23, 2022  
**Notice of Application/ Petition and Intervention Deadline**  
On November 4, 2022, Montana-Dakota Utilities Co. ("MDU") filed with the Montana Public Service Commission ("Commission") its Application for Authority to Establish Increased Rates for Electric Service ("Application"). MDU asserts that its existing electric rates are unjust, unreasonable, and not compensatory because they do not allow MDU to fully recover the cost of providing electric service to its Montana customers. MDU proposes a total increase of \$10,499,415, which will affect approximately 25,600 electric customers in Montana. The proposed rate change would increase the average residential customer's

rates by 19.2%. MDU also requests interim rate relief in the amount of \$1,716,219.  
A copy of the filing is publicly available at the Commission's business offices, 1701 Prospect Avenue, P.O. Box 202601, Helena, Montana 59620-2601, and online at the Commission's website (<http://psc.mt.gov>) under Docket No. 2022.11.099. A copy of the filing may also be available at the office of the Montana Consumer Counsel ("MCC"), which represents consumer interests before the Commission, 111 North Last Chance Gulch, Suite 1B, Helena, MT 59601, (406) 444-2771. Interested parties can register on the Commission's website to be added to the Watch List for notice of filings in this docket (<http://eddi.mt.gov>, create OKTA account, and, under "Watch List" tab, enter Docket No. 2022.11.099). The Commission invites any interested party affected by MDU's filing to intervene in this docket. To intervene, a party must file a petition to intervene with the Commission no later than **December 14, 2022**. A party seeking intervention must file an electronic petition on the Commission's website at <http://eddi.mt.gov>. All filings must be made in EDDI and hard copies are not required. A party seeking intervention must also mail a copy of the petition to MCC at the address stated above, and to MDU's attorney,

Michael Green, Crowley Fleck PLLP, 900 N. Last Chance Gulch, Suite 200, Helena, MT 59601.  
The Commission invites members of the public who do not wish to formally intervene to submit written public comments on the matter to the Commission at 1701 Prospect Ave., P.O. Box 202601, Helena, MT 59620; through the Commission's website at <http://psc.mt.gov> (select "Documents & Proceedings" tab; select "Comment on a Proceeding"; select "Continue as Guest"; complete form; select "Submit"); or by email to [pschelp@mt.gov](mailto:pschelp@mt.gov). The Commission's jurisdiction over this matter is provided in Title 69 and Title 2, Chapter 4 of the Montana Code Annotated; Title 38, Chapters 2 and 5 of the Montana Administrative Rules, and any prior orders of the Commission relevant to the issues presented.

# Dr. Joshi Performs First miniBunion™ Surgery in Watford City

**Submitted by Lynn Welker, MMHC, ACHE  
McKenzie County Healthcare Systems, Inc.**

Watford City - Dr. Ravindra Joshi performed the first minimally invasive bunion procedure on October 10 using the miniBunion™ Minimally Invasive System designed to minimize scarring and soft tissue damage while allowing a walking recovery. Whereas, with a traditional open bunion procedure, patients are in pain and unable to walk for 4-6 weeks. Some patients have to use their vacation time and/or sick time to take off of work just to recover.

"This miniBunion™ Minimally Invasive System caught my attention right away. As a surgeon, I want to minimize the disruption to the soft tissues during surgery and minimize the disruption to my patients' lives after surgery. This gives me the best of both worlds," said Dr. Joshi.

The miniBunion™ Min-

imally Invasive System by CrossRoads® needs only a small incision less than one-inch long to prepare and align the bones for the micro-implant. The surgery was performed at McKenzie County Healthcare Systems. This is an outpatient procedure where the patient is able to go home after the procedure. Pete Edis, CEO, said, "I couldn't be more pleased to offer this cutting-edge procedure right here, locally to benefit our community members. We are so fortunate to have Dr. Joshi on the MCHS team."

With over 450,000 bunion procedures performed annually, there is a real need to get these patients back to work and their responsibilities. With 80% of these procedures performed on women, it is even more challenging for moms. This could mean no family vacations and no sick time to take care of the family. Many moms do not have the luxury of time off to recover.

The miniBunion™ Minimally Invasive System offers patients the opportunity to have their bunions corrected while still taking care of their family and without losing their vacations.

"I want to provide patients with the best quality of life. It drives me to constantly look for innovation in foot surgery like the miniBunion™ that can deliver better results for my patients," said Dr. Joshi.

CrossRoads® Extremity Systems

Headquartered in Memphis, TN, CrossRoads was founded in 2014. The Company's mission is to develop and commercialize innovative technologies in the orthopedic extremity sector that improve the operating room experience and patient outcomes through simplicity

and accuracy for the surgeon, and sustainability and cost reduction for healthcare institutions. CrossRoads' Active Stabilization® technology is the only technology on the market today to simultaneously offer enhanced stability with continuous compression, optimizing conditions for bone healing in fusion procedures. The Company leverages this technology in a broad range of procedure-specific, sterile-packed implants and instrumentation systems cleared for lower extremity indications. The Company's EcoSMART® Instrument Service provides customers with gamma sterilized, reusable instruments for every surgical case and post-surgery recovery and processing of those instruments. EcoSMART® reduces the

inefficiencies of traditional non-sterile instrument trays and eliminates the waste associated with typical disposable instruments.

Appointments for minimally invasive bunion procedures with Dr. Joshi can be made by calling 701-444-8730.

# Sidney Area Community Christmas Concert, Dec. 4

Submitted by Robyn Heck

Area citizens have been busy practicing for the 8th annual Sidney Area Community Christmas Concert. The concert is organized by Peggy Strupp and directed by the choir music teachers from Savage and Culbertson.

The show is this Sunday, Dec. 4 at 3 p.m. at the Sidney Middle School. Admission is free, but we are collecting canned goods for the food bank. The VFW is going to match all food bank donations. This concert will get young and old in the Christmas spirit. "We hope this helps bring some "Merry" to your Christmas," said accompanist Kathy Bidegary.

Happy Holidays!

# RéBelle Beauty Has A New Location

**By Jaymi Mozeak**  
Sidney natives, Briana MacGrady and Mandi Heinle, proudly stood in front of their new location for their business on Tuesday, Nov. 22. RéBelle Beauty is now located at 109 4<sup>th</sup> St. SE, Sidney.

MacGrady and Heinle previously applied their trade in the MacGrady Construction building along the truck route, near High Plains Veterinary Clinic. Now, they have their own building. They officially opened their doors at their new building on Monday, Nov. 14. RéBelle Beauty is a salon retail store. They carry clothing, Young Living, and Hempz products. MacGrady and Heinle plan to add to their services, but for now, all they do is nail services. They are open by appointment, only. Please feel free to reach out through their social media, or stop in to check it out and set up appointments.

# Richland County 4-H Members Represent Montana At Western National Roundup

Pictured from left, livestock judging team members, Landry Larson, Garrett Larson, Jori Horsburgh and Maret Schieber.

**By Josie Evenson**  
This last July 4th Richland County 4-H members competed in the state 4-H Livestock Judging Contest at Montana 4-H Congress held in Bozeman on the Montana State University campus. The four members were Jori Horsburgh, Garrett Larson, Landry Larson and Maret Schieber. The team competed against teams from all over the state of Montana. The team placed second in the state. The top team from the contest at Montana 4-H Congress earns an opportunity to represent the state at the Western National Roundup, which is held in Denver, CO in conjunction with the National Western Stock Show. However, each team can only represent Montana once, the team that placed first this year attended the event last year. The team from Richland County has been busy practicing and preparing to proudly compete at the Roundup for the state. Their coaches, Laura Schieber and Rachael Oliver have been working with youth to further develop their skills and gain more experience in judging livestock. The team is ready to hit the road and honored to compete at the Roundup Jan. 4-7, 2023, in Denver.

Livestock judging is a competitive event where youth observe livestock and evaluate them based on commonly accepted standards brought forth by the livestock industry. In the livestock judging contest youth not only evaluate and rank a class of livestock, but then must defend their choices by giving a set of oral reasons to a judge. When youth participate in livestock judging they gain skills that aid them in the livestock industry. Youth who participate in this activity learn livestock breeds, learn the traits that produce a quality animal and product, gain the understanding of desirable characteristics and faults of livestock, and appreciate the value of comparing livestock based on their quality and merit. In addition to preparing these youth for a future in the livestock industry, youth gain life skills from livestock judging that will aid them in all areas of their life. These skills include but are not limited to: decision making, organization, confidence, oral communication, time management, critical thinking and gain the value of appreciating others' opinions.

If you are interested in learning more about 4-H or livestock judging please contact the Richland County Extension Office at 406-433-1206.
