Feed My Starving Children Watford City April 13-15

By Robyn Heck

This weekend, April 13-15, Watford City, everyone is invited to participate in the Feed My Starving Children mobile pack event.

Volunteers plan to pack over 130,000 meals.

"This is our 4th year participating in the event. We haven't done one since 2020 because of Covid but we're looking forward to getting back into our yearly campaign," said organizer Angie Hartel. So far, they

have fund raised \$29,442 out of their \$40,000 goal. If you are interested in volunteering or donating, please go to give.fmssc.org.

By volunteering, donating, or fundraising, your generosity makes a huge

difference in the lives of thousands of children in need around the world. At least 6,200 children die each day from hunger related causes (UNICEF).

Feed My Starving Children is a Christian nonprofit

organization committed to feeding starving children. Volunteers will be hand packing meals at the event at the Roughrider Center, Watford City, April 13-15. Please go to give.fmssc.org to sign up.

Long X Arts Foundation Celebrates 1st Gallery Exhibit

Morgan Wagner.
(Photos submitted)

Submitted by
Jessie Veeder

The Long X Arts Foundation is pleased to announce the first exhibition in their new gallery space located in the basement of the Long X Visitor Center, 100 2nd Ave SW, Watford City.

"Celebrating the Essence," is a collection of oil paintings by local professional artist Morgan Wagner. It is on display from 10 a.m.-5 p.m., Monday-Saturday until April 28 and the exhibit is free and open to the public.

In addition, all are welcome to the Open House event as the Long X Arts Foundation celebrates the new space and the exhibit on Saturday, April 22 from 10 a.m.-5 p.m. Enjoy a special meet and greet with the artist, snacks and refreshments. In a special program, local artist Daphne Johnson-Clark will be presenting a portrait to a local family as part of her COVID Portrait Project at 11 a.m.

"As artists this was a way for us to give something lasting to the families and friends who lost someone to COVID," said Johnson-Clark. Local artist Jessica Newman will also be making remarks regarding her participation in the project.

Wagner is a local working artist who specializes in drawing, painting, illustration and graphic design. She has a nose for adventure and has traveled extensively in the United States on her bike and in her hiking boots. She currently lives in Watford City with her husband

where she enjoys painting in her studio, putting up murals around town, getting plenty of physical exercise, and teaching art and yoga classes.

Wagner's still life and plein air oil and watercolor paintings are born from a need to develop as an artist. She chose to paint, rather than photograph, because while a photograph can do a good job of preserving a specific image and time, it can't select for the most important details in a subject. In addition, it doesn't allow for the time, careful scrutiny, and intention it takes to make a painting.

"I've heard love described as: 'paying careful attention to.' If this is the

case, when I practice painting, I am practicing love," said Wagner.

"My work focuses on the essence of what makes my everyday subjects beautiful. I try to create an impression of light and form, simplifying shapes and distilling the subject down to its most important parts."

Each painting in this 42-piece collection was created in a single session, usually between 2 or 3 hours long. Wagner painted the still lifes in her apartment while listening to music or podcasts, typically in her kitchen. The landscapes were painted on-site, plein air.

"It's important to me that I paint what my eyes see, so they were all painted directly

from life, not from a picture," said Wagner. "When I see them, these paintings make me hopeful that it's worth the effort to try again and again, that daily, sustainable, practice yields the most powerful results, and that practicing for a lifetime is the only way to know just how good I can get."

This exhibition is sponsored by the North Dakota Art Gallery Association with support from the North Dakota Council on the Arts, which receives funding from the State Legislature and the National Endowment for the Arts.

For more information contact the Long X Arts Foundation at longxart@gmail.com or 701-770-8659.

Share Your Fairview Bridge Story

By Dianne Swanson

The Fairview Chamber of Commerce and Friends of the Fairview Bridge are compiling a booklet of historical and personal stories and photos to commemorate the 110th anniversary of the historic Fairview Bridge. Comprised of 110 stories, the booklet will provide a look into the significance of the bridge to the residents

of this area and beyond. Photos are also encouraged.

Did you, or someone you know, ride the famous Galloping Goose? Are you one of many who walked the tracks while the trains were still operating? Do you know of someone who worked on the bridge or for the railroad? Are you someone who enjoys the quiet beauty of an afternoon in Sundheim

Park with the bridge as your background? Whatever your connection to the bridge, the Chamber wants your story.

The booklet is the brain child of Chamber member Jeremy Dean Krieger who explained, "We want to keep history alive. We want to publish these stories while we still can."

Please email your story to fairviewmtchamber@

gmail.com or mail it to the Fairview Chamber, Box 374, Fairview, MT, 59221. Chamber members will choose from the entries submitted. If you include a photo, please indicate if you would like it returned to you. Tentative publication date is this summer.

OBITUARIES

Linda Dschaak, 76 Sidney, MT

Private family services are being planned for the summer of 2023. Fulkerson-Stevenson Funeral Home, Sidney, MT, is assisting the family. Remembrances, condolences, and pictures may be shared with the family at www.fulkersonsons.com.

Linda Dschaak, 76, Culbertson, MT, passed away peacefully on Monday, April 3, 2023 at the Roosevelt Medical Center, Culbertson, MT; with family by her side.

Martha B. Simard, 90 Sidney, MT

At Martha's request there are no services planned at this time. Fulkerson-Stevenson Funeral Home, Sidney, MT is assisting the family. Remembrances, condolences, and pictures may be shared with the family at www.fulkersonsons.com.

Martha Blanch Scott Simard went home to the Lord surrounded by all of her family, friends, husband and loved ones, March 23, 2023.

Martha was born March 18, 1933 to Margaret Basso Scott and Clarence Scott.

She joined older brother, Ole Scott; sister, Katherine Scott Harstfield; and younger brother Willard Scott whom have all passed before her. They lived in Savage until she was in the first grade then they moved to Banning, CA, where she lived until the later 1950's, when she moved back to Glendive, MT, and worked at Shell Oil for some time. After, she moved to Sidney, MT, she worked at the courthouse.

On Feb. 13, 1960, she married Alpha "Coon" Simard. They started their family five miles south of Sidney, MT, on the farm Coon had. They were blessed with four children; Sam (Susan), Joe (Kerri), Tracy (Billy), Brent, and infant son, Scott, who only lived for a few hours. Her children gave her numerous grandchildren and great-grandchildren who were very loved by her and were the light of her eyes – they all brought her so much joy! She worked hard raising her family and helping on the farm when needed. She made the best beet harvest lunches for all the help who loved everything she made. She always made the best family dinners every Sunday and cakes for each of her children's birthdays when they were young. For years, she raised several hundred chickens with the help of her kids and butchered them with the help of family and friends.

Coon and Martha spent over 62 happy years together before his passing on Sept. 27, 2022 at their home. They enjoyed watching their TV programs in later years, along with their chocolate shakes and diet Pepsi. They looked forward to the simple things in life. She enjoyed company every day and looked forward to Fridays when Brent and Brent Jr. would come visit her. She had just welcomed two new great grandchildren into the world. One was born a week before her 90th birthday.

She will be greatly missed by all her family but a piece of her remains with them. She was such a wonderful and loving mother who would be upset if it wasn't mentioned that she was ornery too! Martha loved and was loved by all.

Michael Frison, 66 Sidney, MT

Services are pending for the summer of 2023. Fulkerson-Stevenson Funeral Home, Sidney, MT is assisting the family. Remembrances, condolences, and pictures may be shared with the family at www.fulkersonsons.com.

Michael Frison, 66, Sidney, MT unexpectedly passed away on Thursday April 6, 2023 at his home in Sidney, MT.

Officer Involved Shooting Incident, Watford City

On April 4, at approximately 11:33 p.m., the McKenzie County Sheriff's Office assisted the Watford City Police Department in responding to a report of suicide threats in the 1200 block of 6th Ave NE, Watford City. Upon arrival law enforcement encountered an armed suspect. One Sheriff's office deputy discharged their weapon at the armed suspect. Law enforcement rendered medical care to the suspect for gunshot related injuries until paramedics could arrive on scene. The suspect was transported for medical care by paramedics. The identity and status of the suspect along with the identity of the deputy are not being released until a later time.

The initial call is currently being investigated by the Watford City Police Department. The officer-involved shooting is being investigated by the North Dakota Bureau of Criminal Investigation (NDBC). The deputy has been placed on administrative status pending the results of the investigation, which is standard for all officer-involved shooting incidents.

More information will be released as it becomes available.

Williams County Fatal Crash, April 4

On April 4 at approximately 8:17 p.m. CT, a 2004 silver Dodge Ram 1500 was traveling east on 57th St. NW, Williston. The Dodge approached a marked railroad crossing (no arms). The Dodge failed to yield to the Amtrak train coming from Williston going to Stanley. The Amtrak train collided with the Dodge, pushing the Dodge down the train tracks for a short distance before the Dodge was pushed off the tracks.

The Dodge was occupied by 3 males, 17-year-old male driver in critical condition that was transferred to Trinity Hospital, Minot, a 15-year-old male passenger pronounced dead on scene, and a 17-year-old male passenger pronounced dead at Williston CHI due to the extent of injuries sustained in the crash. The driver and two passengers were all from Williston, ND.

At the time of the crash both the road and weather conditions were clear.

The agencies that responded to the crash were North Dakota Highway Patrol, Williams County Sheriff's office, Williston Ambulance Service, and Williston Fire and Rescue.

The crash remains under investigation by the North Dakota Highway Patrol.

“The Shed” Opens In Watford City

By Robyn Heck

“The Shed” is a buffet style restaurant that opened in mid-March. Owner Ryan Siegfried said, “It was a bit tough due to a blizzard warning, and a few things we weren’t prepared for, but we will get there and we promise to improve for you every day.”

The Shed is located at 113 6th Ave, SE, Watford City, close to Home of Economy and Cash Wise. It is open from 11 a.m.-9 p.m. daily and most of the food is home cooked

classics. Prices are \$17.99 for adults and \$10.99 for seniors and kids, children under 3 eat free.

The owners Ryan Siegfried, and Cindy Willey, worked together at the Burrito Brothers, and decided to try this venture together.

For more information check their Facebook page <https://www.facebook.com/people/The-Shed/100090085990777/?mibextid=LQQJ4d>.

ServSafe Food Safety Manager Course Available

An 8-hour Certified Food Protection Manager (CFPM) ServSafe course will be held Friday, May 19 at Dawson County Courthouse Community Room (basement), Glendive. The course runs from 8 a.m.-5 p.m. and is taught by former

registered sanitarian Kevin Pena.

The cost of the course is \$150, which includes a textbook and answer sheet to complete the CFPM exam on that same day. Participants must register no later than April 28. Payment will

be due no later than April 28, and payment is required in order to guarantee your seat. Registration caps at 35 people. Lunch will be on your own, but some snacks and beverages will be provided.

To register for this

course, contact Kevin directly at kevin.pena@gmail.com, or by phone at 406-939-3133.

Sidney Drill Team Takes Home 1st Place

Back row (L-R) Weslie Zoanni, Brooklyn Boyer, Ella Norby, Lexi Rang, Kinley Wieland, Kayla Sparks, Tayten Bright, Kodi Zoanni and Abby Schilling; front (L-R) Maddie Kapp, Cassidy Wadley and Ruby Reidle.

By Robyn Heck

The Sidney High School drill team Cheerfest, was Friday, March 17, in Lewistown.

Cheerfest is a yearly cheer & dance competition for Montana teams.

This is the second year they have participated under coach Weslie Zoanni, and is the only high school dance competition found in Montana.

The drill team came home with 1st place in the

large group division of the dance competition. They danced to Metallica’s “Enter Sandman”.

“The team does all the choreography. I just tell them I want kicks here and turns here or a roll off here and they take it from there,” said Coach Zoanni.

The drill team has regular performance season wrapped up with the end of divisional basketball in February. They have been

working on their Cheerfest performance since then. The team was invited to perform their winning number at the Sidney Dance Talent Competition, at the end of April, put on by the Dance Talent Company owner, Cindy Linde. Unfortunately, it’s too far out of their season to perform, but they appreciated the invite. Zoanni is already looking forward to next year.

Thank You

We thank everyone for their outpouring of love, kindness, concern & encouragement after Patricia passed away.

– From the family of Patricia Sundheim

Sidney Eagles Track and Field kicked off the start of their 2023 season in Glendive at the Dawson County Triangular on Saturday April 1. Kylie Schoepp took 1st place in javelin. (Submitted photo)

Nathan Carlsen took 1st place in 110m hurdles. Visit roundupweb.com for full results. (Submitted photo)

Fairview Competes at Wibaux Track Meet in Glendive

Above: Kynlee Vitt placed 12th at the long jump with a distance of 14.5 1/4. (Photo by Keri McPherson Photography)

Right: Wyatt McPherson ties for 8th place at 10 feet for pole vault. (Photo by Keri McPherson Photography)

Fairview traveled to Glendive for the Wibaux track meet, April 7.
Boys team placed 4th out of 20 teams.
Girls team placed 8th out of 22 teams.

Sidney Baseball Scores First Win in Laurel

By Robyn Heck
The Sidney Eagle baseball team traveled to Laurel, on Friday, April 7. The games were supposed to be played in Belgrade, but due to snow on their field, these games were played in Laurel.
Junior player Braden Harris's father was in attendance. "It happens to be my birthday, and all I want is a 15 -run-rule victory," said Harris. His wish was granted. The Sidney Eagle baseball team picked up their first win in program history against Lonepeak, 17-1.
They dropped a tough one to Belgrade in the 2nd game, 3-13. The Eagle boys play in Butte on April 14 and their first home game will be Friday, April 21.

Fairview-West Construction Update

Wickens Construction has begun stripping topsoil along the new alignment north of Fairview, where they'll also be working on culvert installation, erosion control, and stabilization measures.

Work is not impacting traffic on MT 201 yet, but motorists may see crews and equipment traveling to and from the job site, so please use caution when you see equipment on the road.

Keep Your Focus on the Task at Hand: Driving!

Distracted driving is dangerous and involves any activity that takes your attention away from the task at hand and the road ahead. This includes using a mobile device, eating, drinking, talking, or tending to passengers in your vehicle, adjusting your vehicle's entertainment or navigation system, or anything that disrupts your focus. Text messaging or other commu-

nication with an electronic device while driving is one of the most common distracted driving behaviors.

Many drivers don't realize how deadly these actions can be, but sending or reading a mobile message physically takes your eyes off the road for at least five seconds. When driving at 55 mph, that's like driving the length of an entire football field with your eyes closed. If your attention is on anything other than driving and

the road ahead, you put yourself, your passengers, and other roadway users at risk. Help keep our roads safe for everyone by putting distractions aside every time you operate a motor vehicle.

Learn more about safe driving behaviors and how you can help Montana reach the goal of Vision Zero at <https://www.mdt.mt.gov/visionzero/people/>.

Golden Roundup

By Jaymi Mozeak

In 1964, 25-year-old Wyoming native Larry Garman rolled into Sid-

ney with his wife, Rita, and their young family. Larry was born in the country and grew

up outside Casper, WY. He met Rita when he was a kid and they grew up together. They had

not be undone. Larry and Rita's first winter in Sidney had them snowed in for three weeks. Larry worked for two more years for Woolworths before changing jobs. Woolworths closed a year later. Benjamin Franklin took over the space and now it is Ribbon and Rail. After Woolworth, Larry worked for JCPenny for 11 years. Then the oil boom started. Larry got a job working for Dependent Oil where he worked for 10 years before Cross Petroleum bought them out. He continued working there for another 27 years before retiring nine years ago. Larry is not an idle man. Of his 58 years spent in Sidney, he volunteered with the fire department for 20 of them while it was by city hall. He was with the Sidney Jaycees until he aged out. He spent 18 years on the ROI board, worked for Sidney Sugars for seven seasons, volunteered at the MonDak Heritage Center, helped out with commodities, and in February started helping out at the Richland County Food Bank.

Sidney with their oldest graduating in 1976 and their youngest graduating in 1996. Larry said some of his greatest memories were of his children, following their sports teams, the groups he belonged to, and people he knew. Larry remarried in 2007 to Kathleen, a Sidney native. Larry said, "I think

I like Sidney, I must. I'm still here. The people are very generous and caring here" Among the many things he does to give back to the community, Larry also likes to carve small wooden novelties which he donates to the MonDak Heritage Center to be sold.

Larry Garman came to Sidney from Colorado in 1964. In all his years here he has worked, raised five kids with his late first wife, volunteered with the Sidney Jaycees, was a firefighter, on the board with ROI, at the MonDak Heritage Center, helped with commodities, and nowadays volunteers at the Richland County Food Bank. (Photo by Jaymi Mozeak)

MonTECH Staff Coming To Fairview To Share Their Services

By Jaymi Mozeak

MonTECH is a statewide assistive technology program that provides technology, support, and services that improve the quality of life for Montanans with any physical or cognitive challenges, including those associated with aging. They will be holding two events Wednesday, April 19, at the Fairview Senior Center, 217 5th St. W. Liz Kuehn, MonTECH Eastern Clinic coordinator, will be there at 12:30 p.m. and again at 6 p.m.

According to their website, www.mt-at.org, MonTECH provides free, confidential information about assistive technology (AT) devices and services for Montanans. They have a location in Missoula and one in Billings. MonTECH uses their professional staff, network of AT resources, and database of AT vendors to provide customers with up-to-date information on AT-related issues. They strive to ensure that all people in Montana with challenges have equitable access to assistive technology devices and services to enhance their independence, productivity, and quality of life. In pursuit of this goal, program staff work with consumers, service providers, educators, therapists, state agencies, private industry, researchers, legislators, and other interested individuals. Available equipment can be seen on <https://montech.ruralinstitute.umt.edu/equipment-loans-reuse/>.

The program is completely free and funded under the Assistive Technology Act of 1998, as amended. MonTECH can be used to explore tools to help meet challenges, trial a device or serve a temporary need. They house equipment for vision and hearing impairment, learning disabilities, communication issues, mobility and positioning needs, and also adaptive recreation equipment.

MonTECH does not sell anything. Instead, they offer devices and equipment customers can borrow, and free 1:1 support to help them learn how to use the equipment. Loans are typically 30, 90, or 180 days and are limited to 12 items at a time. MonTECH covers shipping and return shipping anywhere in Montana, although some items are too large to ship and must be picked up at their Missoula location. Montanans with disabilities, or their family members, can also purchase assistive technology AT for a variety of needs through a link on their website.

Sue Duffey, MonDak Seniors president, Fairview, saw a notice for MonTECH and decided that more knowledge of this program would help a lot of people in the community. She contacted the program administration and asked them to come and speak about the program so others could learn about services and explore their impressive loan inventory of assistive technologies and adaptive equipment. The Fairview Senior Center will often have speakers and MonTECH regularly does tours by request.

For questions about the event contact Liz at liz.kuehn@mso.umt.edu.

Construction To Begin On US 2 - Culbertson Project Ward County Fatal Crash April 3

Culbertson, MT - The Montana Department of Transportation (MDT) and Knife River Construction are gearing up for a new project on US 2 this spring. The US 2 - Culbertson project continues previous and ongoing roadway improvements in Roosevelt County to enhance safety and improve pedestrian accessibility, drainage, and roadway conditions in Culbertson.

The project will reconstruct approximately 1 mile of US Highway 2 (US 2) beginning west of 3rd Ave. W. easterly through the community to connect to the recent highway reconstruction near the Culbertson Museum. In addition to rehabilitating the road surface, the project will install curb, gutter, storm drainage, ADA-compliant sidewalks, and signage throughout the more urban areas on US 2.

Initially constructed in 1956, this segment of US 2 is in immediate need of significant rehabilitation. The proposed project will reconstruct the surface of US 2 to address roadway deterioration. MDT will resurface US 2 with concrete

for part of the project to better accommodate the rigors of heavy trucks. The rest of the project will be resurfaced with asphalt.

Pete Davies, MDT Glendive District project manager, explained, "during work hours, motorists on US 2 should expect short delays, flaggers and signals controlling the movement of traffic, single-lane restrictions, and reduced speed limits." Some parking along US 2 will be restricted or reduced during construction. MDT and Knife River will maintain traffic flow but rely on you to keep roadway crews safe.

MDT would like to remind the public to watch for the 'cone zone' and workers on the highway when traveling during construction season. Road crews spend their days working a short distance from fast-moving vehicles. While they make every effort to work safely, they count on motorists to pay attention, slow down, and be careful as traffic passes through work zones.

"We're excited to be working on this project to benefit motorists in and

around Culbertson. We appreciate folks taking the time to slow down and look out for our crews in construction zones," said Kelly Brown, Knife River project manager. Visit the project website to learn more or view the project map: <https://www.mdt.mt.gov/pubinvolve-us-2culbertson>. Montana Department Of Revenue’s Alcoholic Beverage Control Division (ABCD) Is Conducting PSA Campaign For Alcohol Responsibility Matters - Alcohol Awareness Month (April)

Helena - The ABCD is promoting safe and responsible alcohol sales, service, and consumption.

Each week in April, DOR will send information (through GovDelivery-to anyone signed up for alcohol updates) designed to share and encourage safe and

responsible alcohol choices, sales, and service.

Weekly topics are:

April 3: Responsible Night Out

April 10: Responsibly Handling Tipsy Customers

April 17: Responsible Alcohol Establishment Best Practices

April 23: Responsible Carding – the ABCs of IDs

In addition to best practices, tips, and strategies, there will be weekly posters highlighting the topic of the week. These full-color, print-ready posters will be available on our Printables page on ResponsibilityMatters.MTRevenue.gov or may be ordered from the Alcohol Education Portal on ABCD section of the Department of Revenue’s webpage mtrevenue.gov.

The ABCD also has 2 radio ad PSAs scheduled to run from 3/16-6/16 on numerous AM and FM radio

stations across the state regarding alcohol responsibility and five billboards scheduled to be up 4/3-5/28 around the state.

Keep an eye out for ABCD’s billboards located in the following communities: Havre, Libby, Forsyth, Butte, and Great Falls.

Phoenix Capital Group Has Acquired Over 560 Net Mineral Acres For Purchase Price Exceeding \$6M

DENVER--(BUSINESS WIRE)--Phoenix Capital Group Holdings, LLC, doing business as Phoenix Capital Group, is excited to announce it has acquired more than 560 net mineral acres for a purchase price that exceeds \$6 million. The mineral interests are all located in Williams County,

ND, and more specifically in township 158N range 96W.

This most recent acquisition helps to expand Phoenix Capital Group’s geographic reach across the state of North Dakota while also further diversifying its expansive mineral portfolio.

Williams County is a highly desirable area for oil

and gas mineral rights. According to Phoenix Capital Group, Williams County has consistently been one of the top oil-producing counties in North Dakota since the Bakken boom took off back in the early 2000s. There are 35 unique operators in the region that have drilled and completed over 6,000 oil and

natural gas wells.

The net mineral acres acquired by Phoenix Capital Group are highly attractive assets in a high-quality oil basin.

The interests acquired by Phoenix Capital Group in 158N-96W have several new wells drilled by Continental Resources, and

the early data on these wells proves this area to be amongst the best acreage in all of the Bakken. Continental had not been active in the township for many years, but these recent results could encourage Continental to return to this township for further development.

Since Phoenix Capital Group was able to analyze the total value of the minerals quickly and efficiently, the company was able to offer a substantial purchase price that led to a quick and fair closing between all parties.

"This transaction reflects our ability to close large transactions in the Bakken, and we are proud of the asset we’ve been able to acquire," stated Brynn Ferrari, Phoenix Capital Group CMO. "Our team at Phoenix Capital Group works diligently to offer the most competitive prices for acquisitions, and we look forward to further expanding our presence."

Phoenix Capital Group

is a leading oil and gas mineral rights acquisition and non-operated working interest enterprise focused on identifying untapped value on behalf of landowners throughout the United States. The company has been in operation since 2019, with headquarters in Denver and satellite offices in Casper, WY, and Irvine, CA.

As a family-owned company, Phoenix Capital Group prioritizes capital deployment and asset management projects that directly impact and benefit individual landowners and investors. The company helps landowners maximize the value of their property’s mineral rights via a consultative process that often leads to a sale or an oil and gas lease.

More information about Phoenix Capital Group as well as its offerings can be found on the company’s website, www.phxcapitalgroup.com.

Burgum Applauds Judge’s Ruling Ordering BLM To Resume Sales Of Oil & Gas Leases On Federal Lands

Gov. Doug Burgum applauded a ruling by U.S. District Court Judge Daniel Traynor ordering the federal Bureau of Land Management (BLM) to resume quarterly sales of oil and gas leases on public lands in North Dakota.

"It should not take a court order to compel the Biden administration to obey the law, or to have the BLM do what it has been directed by Congress to do, but in this case it did, and we applaud

Judge Traynor’s order which requires BLM to resume their lawfully required quarterly oil and gas lease sales," Burgum said. "From the beginning, North Dakota has opposed President Biden’s illegal ban on federal oil and gas leasing, and we will continue to fight their misguided attacks on U.S. energy that hurt the global environment by pushing energy supply to countries that don’t produce energy as cleanly as the United States and put

our nation’s economy and energy security at risk. For global stability, we should be selling U.S. energy to our friends and allies, not forcing them to buy it from our adversaries."

In his ruling, Traynor found that BLM "very likely violated their mandatory statutory duties to plan and timely complete mandatory analyses of individual parcels in North Dakota" for oil and gas lease sales on federal lands.

"The Federal Defendants effectively conceded as much when they told this Court no ‘determinations of availability’ were made in North Dakota during Q4 2022," Traynor noted in reference to a sale that was supposed to take place in the fourth quarter of 2022, adding, "The President also proceeded to say the quiet part out loud when he announced to the public there would be ‘no more drilling’ in November 2022."

Williams County Injury Crash, April 3

On April 3, 5:30 a.m. CT, there was a serious injury crash on ND HWY 1804 near MM 290.

A 2016 Volvo semi-tractor and trailer, driven by Amber Yarber, Carrollton, GA, loaded with frac sand was traveling eastbound on Hwy 1804, near MM 290, the semi pulled into an approach on the north side attempting to turn around. The semi then backed across Hwy 1804 to another approach on the south side.

As the semi was getting turned around onto the highway to go back west, the 2017 GMC Sierra pickup, driven by Kristofer Vonseggern, Logan, IA, traveling eastbound, struck the side of the semi-trailer. The driver and passenger, Gage Webb, Athens, GA, in the GMC Sierra were transported by Tioga Ambulance to Tioga Medical Center. The driver was later transported to Trinity Hospital, Minot, due to his serious injuries sustained in the crash. The passenger is being treated at Tioga Medical Center for his injuries. The female driver of the semi was not injured in the crash.

At the time of the crash the road conditions were clear and the weather conditions were foggy.

The agencies that responded to the crash were North Dakota Highway Patrol, Williams County Sheriff's office, Tioga Ambulance Service, and Ray Fire and Rescue.

This crash remains under investigation by the North Dakota Highway Patrol.

IT'S TAX SEASON

Here Are Some Helpful Tips From The IRS:

FEDERAL TAXES DUE APRIL 18

The clock is ticking on your taxes.

H&R BLOCK

File now

H&R BLOCK

606 S Central Ave SIDNEY MT 59270 | 406-433-1818

- Don't count on receiving a refund by a certain date. Some refunds are required to be held until after late February.
- Track your refund on IRS.gov or the IRS mobile app, IRS2Go.
- All IRS Taxpayer Assistance Centers (TACs) are by appointment only. Don't wait until it's too late to ask questions! However, Most questions can be resolved on the IRS.gov website without visiting a TAC.
- There are tools, filing options and other services and resources available on www.IRS.gov.

Consumer Alerts on Tax Scams

Note that the IRS will never:

- Call to demand immediate payment using a specific payment method such as a prepaid debit card, gift card or wire transfer. Generally, the IRS will first mail you a bill if you owe any taxes.
- Threaten to immediately bring in local police or other law-enforcement groups to have you arrested for not paying.
- Demand that you pay taxes without giving you the opportunity to question or appeal the amount they say you owe.
- Ask for credit or debit card numbers over the phone.
