Sidney VFW Post #4099 Fallen Project

The Sidney VFW Post #4099 currently is in its 3rd year of its ongoing project created to honor fallen veterans who served from WWII to the War on Terrorism. A "living document", the PowerPoint Presentation has a slide dedicated to each service member who sacrificed their life for our country, and the goal is for every slide to have at least one photograph, and information on that veteran's life. Their current list of names is being updated with several additional service members, and they are taking donations towards more research to continuously improve the document.

Last year, they were able to raise enough money to purchase a TV, which hangs above the table honoring Prisoners of War and Missing in Action service members. The TV shows this presentation around the clock.

The MonDak Heritage Center Museum, Sidney, has been responsible for finding many of the older photographs and information they have on veterans from World War I and World War II. The museum archives and time have been an invaluable resource for the VFW's project, but they are asking the public to help as well. Families have come forward with photographs and stories of their fallen, and every piece improves the project honoring their memory. If you have any photographs of a veteran who died in combat, please contact Quartermaster Everett Krum or Commander Bill Henderson through the VFW Post or their Facebook Page, or call 406-489-4634.

Sunrise City Slam Coming To Sidney April 27-28 Register Online by April 17

By Dianne Swanson

Sidney will be buzzing Saturday and Sunday, April 27 and 28 as 60-70 teams from 3rd-8th grade converge on the city for a weekend of great basketball. The 2nd Annual Sunrise City Slam benefits the Sunrise Women's Clinic, the Boys and Girls Club of the MonDak -

Richland Unit, Sidney Public Schools and the Sidney Chamber of Commerce and Agriculture, with profits divided equally. Chamber director Kali Godfrey said teams are expected from about a four-hour radius of town, including as far away as Red Lodge and Saskatchewan.

Games will be played

at Central School, Middle School and High School from about 7 a.m.-9 p.m., depending on how many teams participate. Each game will feature a MOA (certified Montana official) as well as a student athlete referee. Godfrey gave a big shout out to local referees Nate Creek and Lonnie

Swigart without whom she said the tournament could not happen. She said the referee pool is really innovative and noted that they are actively trying to recruit more refs.

Major sponsors of the event are Sidney TBID, Ranger Lounge, Casino and Eatery, Saloon 27 and

Mid-Rivers Communications. Countless other sponsors and volunteers are crucial to the success of the tournament.

Visit the Sidney Chamber of Commerce Facebook page for a link to register.

Public Hearings Set On Proposed Changes To City Of Sidney Zoning Code, April 17 & May 6

The City of Sidney will hold public hearings on proposed zoning code changes at the Zoning Board meeting on April 17 at 8 a.m. and at 6:30 p.m. on Monday, May 6 at the City Council meeting, both at City Hall.

According to City Planner Forest Sanderson, the changes being proposed are a result of changes made in the 2023 legislature as well as requests from land developers.

The changes primarily affect B2 Zoning which Sanderson said is too restrictive in its current form. It limits land developers and can cause issues with neighboring homeowners. The proposed changes would add more flexibility.

B2 Zoning states "the purpose and intent of the B2 Zoning District is to provide for such retail and service activities that are frequented by nearby residents on a day-to-day basis, while reducing the hazards of local traffic by limiting the kinds of retail activities to those which deal directly with consumers and produce-only goods that are sold on premises including restaurants." Allowed uses include day cares, restaurants, grocery stores, barber and beauty shops, worship facilities, government buildings and facilities, among others. The zoning changes would expand allowed and conditional uses in a B2 Zone and allow residential districts in all commercial districts.

Other changes to current zoning code would include parking requirements for residential units, eliminate off street parking in CBD, allow day care homes in all residential zoning districts R-1 through C-2, allow day care centers only in commercial zoning districts, delete all references to Xeriscape(ing), and state that provisions must be made for Data Mining centers as permitted in M-1.

Fulkerson Stevenson Funeral Home, Sidney, MT, is assisting the family. Remembrances, condolences, and pictures may be shared with the family at www.fulkersons.com.

Nancy was born on May 28, 1963 to Reyes and Audrey (Quick) Munoz, Sidney, MT. She attended grade school and high school in Sidney, graduating in 1981. Shortly after graduating, she married the love of her life, Jim Herkimer on July 19, 1981 in Sidney, MT. They resided in Sidney for a short time before moving to Fairview in 1993. Nancy worked at Cenex, Super Valu and the Fairview School over the years. She eventually found her calling and love of cooking for others at the Waterhole #3 where she was employed until she was no longer able to work.

Nancy was a hard worker and gave her all into everything she did. She was soft-spoken, kindhearted and a friend to everyone. She enjoyed the simple things in life such as a good book and a hot bath. Nancy also enjoyed going on camping trips to the Bighorn Mountains with Jim every chance they got. She loved spending quality time with her grandchildren but had a special bond with Praxton for their shared love for all things WWE.

In 2022, Nancy was diagnosed with Primary Progressive MS (PPMS) and breast cancer. She was able to fight off the breast cancer successfully, however, the symptoms from her PPMS progressively got worse.

Dalaine Rae Propp, 53 Sidney, MT

Our Mother, Daughter, Sister, Aunt and friend left this existence for the next. She left a legacy of love.

Being the first born of Richard Propp and Edith (Davis) Holt, she was a true delight. She grew up north of Sidney and attended Sidney schools. Being a farm girl helping with the chores wasn't her forte. Shortly after graduation, the ink barely dry on her diploma, she was off to Billings to the Coiffure Art Beauty School. Afterwards she plied her trade in Billings and Sidney. On July 6, 1991, her son, Jonathan was born. What a proud mother she was!

Dalaine decided she needed a better job and education and off again this time to Great Falls University in 1993. Her associates, bachelors and finally a double masters' degrees led to two very rewarding jobs for her. Her work with the underserved and underprivileged gave her much satisfaction.

In the past few years, she had been dealing with crippling degenerative bone disease compounded by heart and kidney abnormalities.

Dalaine left us unexpectedly at her home in Great Falls.

Left to mourn are her son, Jon, Missoula; sisters: Stacey Propp, Sun Prairie, WI; Candice Zipler (Harley), Rawlins, WY. Brothers: Trenlin Propp (Jami), Sidney; D.J. Holt, (Leslee) Sidney, Her dad, Richard (Debbi), Sidney; and Mom, Edith (Don) Holt, Sidney. Many nieces and nephews.

She is predeceased by her paternal and maternal grandparents, 2 nephews, Therin Zipler and Joseph Smith, several uncles and 3 special fur babies: Bastet, Shadow, Sapphire.

"Honor her for all her hands have done, and let her works bring her praised at the heavenly gate." Proverbs 31:31.

A Celebration of Life will be held at the VFW in Sidney, April 12 at 5 p.m. beginning with a light supper. We'll have a time of sharing and her favorite karaoke to follow. Please bring memories to share with the family.

A luncheon followed the service for a time of fellowship and sharing. Myron will be laid to rest in the Sidney Cemetery, Sidney, MT. Remembrances, condolences and pictures may be shared with the family at www.fulkersons.com.

Myron Leland

Myron Keith Leland was born in Sidney, MT, on May 27, 1936, to Ernest and Johren (Gulbraa) Leland. He was raised in the rural area near Squaw Gap, ND. He attended a one room country schoolhouse first through eighth grade. He attended high school in Sidney, MT, and graduated from high school in 1954. While in high school he participated in band, FFA, Intramural basketball, football, and track.

Myron moved to Glendive and worked in the oil fields after high school. During his visits home, he met a school teacher, Ardehl Adams, at a bouncy floor hall dance. Myron and Ardehl were married on June 9, 1957, in Glendive, MT, where their son, Tim, was born. In late 1958 they moved to the family ranch on Bennie Peer Creek where they spent their life raising their son and two daughters, Tammy and Cindy.

While on the ranch he worked hard raising beef cattle, wheat, and barley with his brothers. He took great pride in acquiring his own band of mares. In his early years, he could be seen moving haystacks for the ranch and many neighbors into late fall.

Some of the favorite things he enjoyed were lutefisk feeds, hunting season, fishing, and getting together with friends and sharing old stories and making more. His favorite part of the day was having a drink with friends and neighbors at the bunkhouse.

When friends stopped by, he was quick to offer pickled herring, pickled northern pike, pickled pigs feet, sardines or any other odd ball snack.

He was a fan of all the lutefisk feeds in the area, and if there was extra, he always brought some home to freeze and eat throughout the year.

Myron was a member of the Sons of Norway, life member of 59 years of Sidney Moose Lodge, North Dakota Stockmen's Association, and McKenzie County Grazing Association, where he served as director for many years.

Myron passed away on April 1, 2024, at the Sidney Health Center, Sidney, MT.

He is survived by his wife, Ardehl; his children Tim (Tammy) Leland, Sidney, MT, Tammy (Bill) LaCrosse, Williston, ND; and Cindy (Rob) Fraser, Roberts, MT; his grandchildren Katrina Leland, Sidney, MT; Dillon Leland, Watford City, ND; Karley (Austin) Lantz, Williston, ND; Garret (Caitlyn) Leland, Squaw Gap, ND; Kelsey Fraser, Big Timber, MT; and Stacy (Ryan) Wickum, Williston, ND; five great-grandchildren Tillie, Jett, Luci, Braxton and Ryker; brothers Gary (Georgia) Leland, f Havre, MT; and Joe Leland, Sidney, MT; sisters-in-law Virginia Leland and Jeanie Leland both of Sidney, MT; and numerous nieces and nephews.

Myron is preceded in death by his parents Ernest and Johren Leland; sister- and brother-in-law Marjorie and Dave Crighton; brothers Ricky Leland and Leroy Leland; father- and mother-in-law Eldon and Agnes Adams; and great-granddaughter Hope Wickum.

Carol Krieg, 83 Killdeer, ND

Celebration of Life services will be planned at a later date. Fulkerson Stevenson Funeral Home, Sidney, MT, is assisting the family. Remembrances, condolences, and pictures may be shared with the family at www.fulkersons.com.

Carol Krieg

Carol Faye Krieg (Sather) passed away on March 27, 2024, at her home surrounded by family and her beloved pets after a courageous 14-year battle with Alzheimer's Disease.

Carol was born to Henry "Hank" and Elizabeth "Betty" Sather in Williston, ND, on Jan. 10, 1941, and resided in Arnegard, ND, until her family moved to Sidney, MT, in 1942. Carol attended elementary,

middle, and high school in Sidney, graduating in 1959 from Sidney High School. She was active in cheerleading and loved to dance and hang out with her friends and family. During this time, she also helped her mother, working as a waitress at the Wheel Inn and Valley Hotel Café.

After high school, Carol attended Dickinson State Teachers College in Dickinson, ND, earning a degree in elementary education. After graduation she taught school in Crane and Savage, MT. During this time her two sons were born, Don in 1962 and Joe in 1966. Her family moved to Bozeman, MT, in 1967, followed by a move to Albion, WA, in 1969 and then Watford City, ND, in 1974. Carol and her family moved to Killdeer in 1975 where she remained until her passing.

In Killdeer, Carol worked as a homemaker and as a bookkeeper for many local businesses. In 1988 she began employment at the Hilltop Home of Comfort, first in the kitchen and then as a nurse's aide. She remained there until her retirement in 2009. She treasured her years there, getting to know the many residents who lived there was a high point of her career. In 1989, Carol returned to Dickinson State University to get recertified in elementary education. After graduation in 1991, she was able to fill many short- and long-term substitute teaching positions in Mandaree and Twin Buttes around her schedule at Hilltop. She must have made an impression on her students as years after her final teaching job in Twin Buttes one of her students tracked her down so that he could introduce her to his wife. That really made her day.

Carol most enjoyed spending time with her friends and family, playing games, talking, and exploring the world. She enjoyed dancing and was known to cut a rug with the best of them when the opportunity arose. She was a constant source of love and moral support for her sons Don and Joe, and words cannot begin to express the deep-felt gratitude we have for the role that support and love had in shaping the men we are today. Carol loved her grandchildren with all her heart and watching them grow up and find success in life was a great joy to her.

Losing her has left a large hole in our hearts but we find solace in the realization that she has been reunited with her parents and that her mind is once again as free as a feather on the wind. Carol, mom, grandma, we love you and we will never forget you, and we look forward to being reunited with you in the future. So goodbye for now, but not forever.

Carol is survived by her sons, Donald Krieg, Kalispell, MT, and Joseph Krieg, Killdeer, ND; her grandchildren, Levi Krieg, Kalispell, MT, Jake Krieg, Kalispell, MT, and Morgan Krieg, Seattle, WA; her sisters, Marilyn Timmons, Kalispell, MT, and Shari Sather, Billings, MT; and numerous nieces and nephews. She was preceded in death by her mother, father and numerous aunts and uncles.

Dale William Mullin, 68 Lambert, MT

A Graveside Service will be held Wednesday April 10, 2024, at 2 p.m. at the Richland Memorial Park, Sidney, MT, with Father Jim O'Neil officiating. Fulkerson Stevenson Funeral Home, Sidney, MT, is assisting the family. Remembrances, condolences, and pictures may be shared with the family at www.fulkersons.com.

Dale William Mullin

Dale William Mullin was born in Sidney, MT, on Oct. 16, 1955, the son of William Dale Mullin and Louise (Taylor) Mullin. The second child of four, he grew up in Lambert, MT. Dale was always a quiet boy and grew up to be a man of few words.

As a little boy, Dale's summers were spent using his imagination. He would build forts with his friends all around Lambert. One summer, he participated in the little britches rodeo and won a belt buckle. From that day on, he always wore Levi jeans, western shirts, and cowboy boots. As he got older, he started working the fields with his dad and older brother Dave Mullin. He often rescued bunnies and baby deer out in the middle of the field while summer fallowing. Dale enjoyed playing basketball growing up. As a teen, he and his close friends would go on fun adventures and make mischief through the town of Lambert. Dale enjoyed snowmobiling and hunting. He would drive around hunting, "looking for the big one!"

Dale loved cows and horses, and would work the summers at the V-A ranch in Enid, MT, helping Fritz Rehbein and family breaking in horses and working cattle.

Dale graduated high school in Lambert in 1973. After high school, he went to work in the oilfield. He started with Circle A drilling as a green horn, and eventually worked his way up to driller. While working in the first oil boom for many years with his friend Cody Mavity, Dale got the nick name "Bizzard" and the name stuck with everyone that worked with him on the rigs.

In 1977, Dale met Lisa, the woman that became his wife for 46 years, at the CQ bar, Lambert. Dale and Lisa got married in 1978 at St. Theresa's Catholic Church, Lambert, MT. Later in life they had two boys of their own, Troy Mullin and Tristan Mullin.

ROUNDUP, WEDNESDAY, APRIL 10, 2024 5A

After the oil boom settled down in the early '80s, Dale drove truck for John and Patti Prevost hauling gravel for a short time before returning to the farm and ranch that his dad had. Dale's dad gave him a start in the cattle business, and from there he grew his small family-raised cattle and crops alongside his dad and brother for the rest of his years. Dale finally settled for the life where his heart always was.

Dale passed away on Sunday March 31, 2024 at St Vincent's Hospital, Billings, MT, with family by his side.

Dale is survived by his wife, Lisa of Lambert, MT; his sons Troy, Lambert; and Tristan, Bozeman, MT; brother Dave (Merle) Mullin, Lambert; sisters Dana (Lloyd) Dopp, Helena; and Darla (Kenny) Hill, Lambert; aunts Kay Thornton, Sidney; Phillis Runyon, Twin Cities, OH; and Connie (Jean) Bankey; uncle Jimmy (Doris) Mullin, Sidney; and many other family members.

Powered By Connections

Submitted by
Jody Berry, CCTM;
RCCOA/RCTS Director

Our daily life is full of things that are powered by connections; our cell phone, internet, tablet, the list goes on and on; but what about the things that really matter? What powers your mind and body? Your social connections and meaningful relationships have a

profound impact on your health and well-being. Sometimes we need to disconnect from our devices to connect with the ones that are really important.

That is the theme for this year's Older American's Month and the Richland County Commission on Aging is providing you with an opportunity to reconnect with friends and

make some new ones. On May 31, the COA is inviting seniors age 60+ to bring a friend or family member for an afternoon of food, fun and great information to help you stay connected to your peers. If you don't have someone to join you, that's OK; there will be plenty of people to connect with.

Here is what you can look for at this year's event:

1. A great lunch prepared by the cooks that serve the Sidney and Fairview Senior Centers. The lunch is free of charge to seniors and their guests although there will be a free-will offering.

2. Information to keep you connected year-round. Come and learn about opportunities to put

Last year's attendees taking part in a Pickleball game. (Submitted photo)

your experience to work helping others or find out what upcoming area events have been crafted just for seniors.

3. Fun and games! Pick up a paddle and learn to play Pickleball or dust off your invisible bowling ball and chal-

lenge a friend to a game of Xbox Kinect bowling (or any other sport you want to try). If you're looking for more familiar games, we'll have a lot of the classics in a fun, giant format.

4. Important routine health screenings for blood pressure, oxygen, and heart rate.

This year's event will mark the RCCOA's 3rd annual Older American's Month celebration and we are hoping this will be the best one so far. The entire day is designed to help you form new relation-

ships and strengthen the ones you already have. We hope to see as we celebrate being "Powered by Connection".

Event details: May 31, 11 a.m.-2 p.m. at the Aging Services and Transit Center, 2190 W Holly St., Sidney

To help us prepare for lunch and seating, an RSVP is appreciated although it is not required. To register for this year's event, you can visit the Commission on Aging page at www.richland.org or you can call the office at 406-433-3701.

Mike Newton Wants Your Vote In June

Mike Newton, a Glendive Republican, is running to fill the vacancy that will be left when Steve Hinebauch's terms is out. After redistricting, SD17 covers Richland County south of Highway 200, Dawson County, Wibaux County, Fallon County, Carter County, Powder River County, Prairie County, McCone County and a portion of Custer County. Newton said it takes in 15% of the counties in Montana. The area is huge but the population of the district is approximately 30,000.

Newton grew up farming and ranching in Dawson County, spent seven years in the oilfields of MT, ND, SD, WY, TX and Oklahoma, and 27 years with Fisher Sand & Gravel in management. He has been married to his lovely wife, Peggy, for 35 years, has one remaining

son, 8 grandchildren and three great grandchildren.

Two main issues have spurred Newton to run for office. The first is Montana's tax policy, and he wants to upgrade the tax system from heavily relying on property taxes to one where others share the burden. The Montana Constitution allows legislators to enact a 4% sales tax. He is in favor of the 4% sales tax, offset by no state income tax, no business equipment tax and a 10% reduction in property taxes. He would also put side boards on the sales tax with any increase from 4% having to be approved by voters. Even though Governor Gianforte has instructed the interim tax committee that a sales tax is a non-starter, Newton says that he knows and likes Gianforte and that he will listen, and that it's not just

up to him.

The second issue is Montana's Environmental Policy Act which he believes has had a detrimental impact on harvesting the state's vast natural resources. "We need to stop the over-regulation of our natural resources and get back to producing what we have in our state," he said. "Taking three years to get a drilling permit is unworkable. All the lawsuits cost producers and taxpayers," he added.

Partly because he is an adoptee, Newton is pro-life. He would allow exceptions for rape, incest or danger to the baby or mother. Although he believes the 2020 election was stolen, he thinks Montana's election process is secure. He also does not agree with public school monies being used to fund private education.

Newton would like to visit with you about the issues facing Montana and why he would be the best candidate to send to the state legislature. Please contact him at 406-939-2188.

Seitz Recognized As Extended Care Resident Of The Year

Photo submitted

Sidney, MT – Sidney Health Center Extended Care recently named Margaret Seitz the 2023 Resident of the Year. Margaret was honored at a celebration on April 2 in the dining room at Extended Care. Family, friends, residents and staff gathered to celebrate the occasion with a brief program including a cake in her honor and refreshments.

Margaret has been an integral part of the Extended Care community since June 2022, bringing with her a spirit of kindness, thoughtfulness, and unwavering sweetness. Staff members describe her as one of the most appreciative and loving individuals they've ever encountered, whose mere presence brightens the days of those around her. She is always looking out for her people and is loved greatly by her family at Extended Care.

Born in Butte, MT, Margaret takes pride in her Croatian heritage and the sacrifices her parents made for her and her brother. A graduate of Butte High School, Margaret earned a Merit scholarship and pursued a double major in Spanish and Political Science – International Relations at the University of Montana. Go Griz! While

initially aspiring for a career with the CIA, Margaret's path led her to teaching at Sidney High School in Sidney, MT, where she met her beloved husband, William "Bill" Seitz.

Following their marriage, Margaret and Bill established an insurance agency and welcomed five children into their lives. Margaret was also very active in the community. She served as chairman of the Sidney School Board and was able to hand out diplomas to 4 of her 5 children. She also served on the Regional Council for Developmental Disabilities, District #2 Drug and Alcohol program, volunteered at the hospital gift shop, and many other civic, community, and church activities. After the passing of her husband, she carried on with her volunteer work, and tended to her beloved flower garden and lilac hedges.

Margaret knows the importance of touching people's lives with her impeccable words of wisdom and love through a simple, yet eloquently personalized Hallmark card. She expresses her genuine words of affirmation and love to each and every one of her 21 children, grandchildren, and great-grandchildren.

Through quality nursing care, activities, self-im-

provement, and friendships, Extended Care proves there is more to aging than growing old. The goal is to provide variety and spontaneity in an enlivened environment so that residents can succeed where pills and therapies fail. In short, Sidney Health Center Extended Care believes: Aging is a natural and normal life process. Aging should not limit a person's right to experience life to its fullest. People should be able to live their life at their highest level of health, independence, and well-being

Often, people feel more comfortable in surroundings that meet their individual needs for friendships and activities, as well as safety. In striving to meet each individual's unique and specific needs, Extended Care offers specialized environments with specialized staff.

Long X Visitor & Art Center Prairie Rose Quilt Guild Show Now-May 3

Featuring Quilter, Entertainer & Cowgirl Poet Yvonne Hollenbeck April 13

The Prairie Rose Quilters Guild along with the Long X Arts Foundation are hosting the Prairie Rose Quilt Guild show at the Long X Visitor and Art Center, Watford City, from now until May 3.

Guests are welcome to come Monday-Saturday from 10 a.m.-5 p.m. to browse the collection of 58 quilts made by local, McKenzie County area quilters that are on display in the lower, mid and upper level of the Long X Visitor Center.

"It's a great way to celebrate National Quilting Month," said Jessica Newman, Long X Art Education, Outreach and Exhibit coordinator who has been working with members of the Prairie Rose Quilt Guild for over a year to put the show together. "The craftsmanship and variety in this show is incredible. The talent these quilters have shared is special and worth the visit."

In addition to the gallery show, the Long X Arts Foundation is hosting an Open House and Quilting Presentation by award winning quilter, entertainer and cowgirl

Yvonne Hollenbeck (Photo submitted)

poet, Yvonne Hollenbeck of rural South Dakota on Saturday, April 13. The Open House is from noon to 4 p.m. with treats, refreshments and Yvonne's presentation "Patchwork of the Prairie" is at 2 p.m. The event is free of charge.

Yvonne performs her original poetry throughout the United States, captivating audiences in her wake. She is one of the most published cowgirl poets in the West and is not only a popular banquet and civic entertainer, but also co-writes songs with many western entertainers. Yvonne also writes articles about life in rural America in various publications throughout the West.

Yvonne's poetry reflects everyday experiences that arise while sharing the range with her husband, Glen, and their neighbors on their three-generation family ranch. Mostly humorous in nature, her poems take a turn toward the serious side, especially the stories of her mother's and grandmothers' lives. From homesteading to the present, Yvonne often writes about women on the ranches of the Great Plains.

In addition to her presentations of cowboy poetry, Yvonne's quilt program shows her collections of family quilts, spanning 140 years, including her own prize-winning creations.

Poetry about quilts and quilters is presented throughout the trunk show, which is enjoyed by men and women alike! And throughout the presentations, you will see power-point photos of the quilt makers, their homes, and items of interest to both programs.

The Long X Visitor and Art Center is located at 100 2nd Ave SW, Watford City, ND. For more information contact Jessie at 701-770-8659 or email longxart@gmail.com
