The 12th Annual Parade of Trees Auction Joins the Winter Wonderland Celebration at the Shops at Fox Run

By Meagan Dotson

Reynolds Market and the Shops at Fox Run are excited to host the 12th Annual Parade of Trees Auction on Saturday November 29th at 4:00PM as part of their Winter Wonderland Celebration.

The Parade of Trees is a unique fundraising opportunity and an anticipated community event where individuals and businesses donate decorated Christmas Trees and wreaths to be auctioned off. All proceeds from the auction will be distributed between the Boys and Girls Club, Family Resource Center and the Sidney High School's Business Professionals of America; together, the organizations are coordinating the familiar fundraiser with new ideas.

The Parade of Trees has traditionally been held in downtown Sidney and the auction has taken place during the Christmas Stroll the day after Thanksgiving. This year, in addition to the change of venue, a limited number of items will be accepted and the decorating time has been moved back.

Unlike previous years, only decorated trees and wreaths will be accepted and there is a limit of 60 items to be auctioned. Entry forms can be picked up at District II Alcohol and Drug or at the Customer Service Desk at Reynolds Market and anyone needing an electrical outlet should contact Libby Berndt at Reynolds to reserve a space, 406-433-2305. Participants are encouraged to have their entry forms submitted to Reynolds Market by November 15th; trees can be set up and wreaths dropped off Saturday the 15th through Tuesday the 25th. The week of November 23rd, Christmas Trees will be on display at Reynolds while the wreaths will be displayed throughout the Shops at Fox Run and the community is invited to preview and bid on the items. There won't be any voting on this year's donations but a silent auction bid sheet will be located with each item; the auction will be held at 4:00 pm in Reynolds and will close out the day's Winter Wonderland Celebration.

Winter Wonderland activities will begin at 11:00 am on the 29th and include pony rides, a children's carnival, non-profit food vendors and horse drawn wagon rides around the grounds. Santa will make his entrance at noon and kids can have their pictures taken with him from 1-3pm at Reynolds.

For more information, please contact BPA Advisor Elaine Stedman at 406-480-5719 or Vicky Parker with the Family Resource Center at 406-433-4097.

Petitions Presented at Fairview School Board Meeting

By Dianne Swanson

Petitions signed by 270 individuals were presented to the Fairview school board last Tuesday night, asking for the reinstatement of principal Reuben Moreno.

On September 10, Moreno was placed on paid administrative leave by superintendent Kloker citing insubordination. Following disagreements with the head football coach, Moreno had given a verbal resignation as assistant football coach on September 5. At the regular school board meeting on September 9, he asked to rescind that resignation, which was denied.

Board chair Randy Skov allowed approximately 10 minutes for public comment. Questions and comments concerning the placement of principal Moreno on administrative leave included disruption to the students, as well as the effects on principal Moreno's family in a small community like Fairview. Skov replied that it was a clear cut deal, that it was done, and asked the public to "trust that we're doing what's best". He also stated that he had not read the letter from Kloker to Moreno.

A concern was also raised about the school paying for continuing education for 6 employees, which was not addressed.

After confusing comments from Skov about "the board's decision" and "the superintendent's decision", a board member later confirmed that no action has been taken by the board concerning the placement of principal Moreno on administrative leave.

In a telephone interview, Dennis Palmer, deputy superintendent of the Montana Office of Public Instruction explained that since the action is a labor issue, there are no rules that govern schools. He stated that typically a school board would need to meet in either a regular or special meeting at which time the board would take the action of placing someone on administrative leave. Only the school board has the authority to hire and fire personnel. Whether the leave is paid or unpaid is also a decision typically made by the trustees since they are in charge of finances. Even though Palmer said he had heard of trustees giving power to the superintendent to make those decisions, he said it is abdication of their own authority as trustees to do so, since that also gives the superintendent authority to govern his own actions.

The next Fairview school board meeting is scheduled for Tuesday, December 9 in the boardroom.

Grinch Project and the Salvation Army Submitted by Greta Mannen, RSVP Director

It is once again that time of year! The holidays are upon us; with them comes the spirit of giving, time with family and friends, and giving to people in the community. The Salvation Army is in need of families, businesses, individuals and people of all ages to ring the Salvation Army Christmas bells and give back a little this holiday season. Our local Salvation Army is headed up by Major Bob Burnison from Sidney's Police Department. Bob, his amazing team of volunteers, and the Salvation Army organization do many things in Sidney that a lot of people don't even know about. The Salvation Army provides emergency housing assistance, some food assistance, clothing, transportation assistance and links to other services that provide to those in need. All of the proceeds from this event stay in Richland County. The Salvation Army Thrift Store in Sidney is always busy and the proceeds from sales go to assisting locals in need.

The Christmas Bell ringing is one of the most important times of the year for the Salvation Army in that much of the funding that supports the organization and people in need comes from this event. Last year the Bell Ringing made \$7,585.20 for the Salvation Army and this year we would like to exceed that. To add a different element to the Salvation Army bell ringing, RSVP will be assisting Salvation Army in procuring volunteers and donations by doing a new Grinch fundraiser. The idea will be very similar to the pink flamingos that have been used in the past in Richland County, but to move the Grinch you donate 25 dollars, which will go to the RSVP Department to support volunteers and participation in community events, or you provide volunteers to ring the bells. After the kick off at the Christmas Stroll on November 28th, bell ringing will be held at IGA and Reynolds until December 20th. Ringing the bell is a great way to give back and do something selfless for the holidays. What better way to get in the holiday spirit then spending time with family and friends and raising money for a great cause. Any businesses interested in participating, in the "You've Been Grinched" Fundraiser, or any families or individuals who want to volunteer may contact Rita or Greta at the RSVP office to sign up for a shift at 406-433-2207.

For all your Farm/Ranch, Recreational, Residential, and Commercial needs.

Parade of Trees FAQs

Submitted by Missy Smies

Please consider donating a decorated wreath or tree for this year's event! This benefits the Boys and Girls Club of Richland County, BPA of Sidney High School and the Family Resource Center. This year, the Parade of Trees is a little different, so here are answers to some frequently asked questions: Q) Where do we get a Donation Form? Where do we return them? A) You can pick up and return your forms to the Customer Service Counter at Reynolds Market. Should you need assistance in filling out your form, please ask for Libby. Q) When are the forms due? A) Forms are accepted anytime until November 22nd. If you need more time, please get your form in and discuss with Libby, at Reynolds. We are taking 30 trees and 30 wreaths, so make sure you get yours in as soon as possible! Q) When can I deliver my tree or wreath? A) Deliveries for trees and wreaths will be accepted between Saturday, November 15 and Saturday, November 22 for placement. This will allow photos to be taken and placed on the Boys & Girls website and Reynolds Market's Facebook page. The best part will be that the public can view the trees over the busiest days of that week. Q) Who do I talk to when I deliver my tree or wreath? A) Please check in at the Customer Service Counter at Reynolds Market and the friendly customer service representative will contact Libby, Loren or the assigned associate to assist you. Irrigation – A Crop Changer

Maximize Your \$\$\$ Irrigation Workshop

By Tie Shank
On Thursday, December 11th at 9:00 a.m. (CST) NDSU will be holding an irrigation workshop at the Williston Research Center (Ernie French Center).
In a Nov. 7, 2014 News Release, NDSU writes, “Over the last 10 years, the Mondak irrigation region has changed dramatically. From the crops being raised to irrigation management, producers are managing their operations differently. One of the biggest question marks in irrigation is how to achieve consistency in crop management and yields along with maintaining quality. To address some these questions, an irrigation workshop has been developed emphasizing research taking place in the region and specific management practices.”
The workshop will start at 9:30 a.m. with a talk on disease issues in broadleaf crops from Sam Markell, NDSU Ext

Plant Pathologist.
At 10:00 a.m., NDSU Ext Soil Scientist, Dave Franzen, will talk on – What “N” Should I be applying?
At 10:45 a.m., NDSU Ext Sugarbeet Specialist, Tom Peters, will present on “Weed Management Attack”
At 11:00 a.m., WREC Agronomist, Tyler Tjelde, will

give a Nesson Valley Irrigation Update and highlight a couple research projects on water management.
Noon Lunch will be sponsored by Mountrail/Williams Electric Cooperative and Agri Industries will be sponsoring the breaks during the workshop. Attendance is free of charge.

Sidney Health Center Receives Stroke Recognition Award

Sidney Health Center nurses Pam McGlothlin, Yvette Lien, Peggy Kopp, Kay Hatter and Twyla Gustafson are pictured with the stroke recognition award.

By Rita Steinbeisser
Sidney Health Center was presented with the Stroke Recognition Award at the Montana Hospital Association's annual meeting in Billings this fall. The Stroke Recognition Award is sponsored by the Cardiovascular Health Program within the state health department. The Recognition Award singles out Critical Access Hospitals that demonstrate that they have the infrastructure and commitment to provide high quality care for patients with acute stroke. Receiving the Stroke Recognition confirms that Sidney Health Center meets high standards related to the

utilization of evidence-based stroke order-sets and protocols, laboratory and radiology services available 24/7 and administrative commitment to treating acute stroke patients. The Stroke Recognition Award was launched in 2011, and Sidney Health Center is one of only nine Critical Access Hospitals in Montana to receive the recognition. Requirements for the recognition include tracking and reporting key stroke outcomes, using outcomes data to initiate quality improvement activities and coordinating regular health-care provider stroke trainings. Stroke is the leading cause of adult disability and is a leading cause of death in Montana. Last year, over 2,000 Montana families were

directly impacted by the devastating effects of stroke. Symptom recognition and timely, high quality treatment are important factors in reducing death and disability from stroke. Know the signs and symptoms of stroke: sudden numbness or weakness of the face, arm or leg, sudden trouble seeing, sudden confusion, trouble speaking or understanding, sudden loss of balance or coordination, sudden severe headache with no known cause. Know what to do if you or someone you know experience stroke symptoms - call 9-1-1 immediately. For more information about stroke, please visit: www.strokeassociation.org

2015 Wheat Show Hi-Lites

**Submitted by Warren Froelich
NDSU Extension Agent - Williams County**

The 62nd Annual National Hard Spring Wheat Show will focus on a variety of issues but much emphasis will be given to strategies of preventing Fusarium head blight (SCAB) and marketing this year's crops which are heavily infested with scab and vomitoxin. These issues will be discussed by Dr. Senay Simsek of the Northern Crops Institute, NDSU Crop Quality Specialist and Grain Marketers.

Another hot issue on the agenda is grain transportation. Dan Wogsland, Executive Director of the Northern Grain Growers Association will give us the latest details on efforts to bring balance to get grains to milling and export destinations.

Consumer issues including gluten intolerance and food fads are at the top of this year's agenda along with new durum varieties and crop salinity tolerances.

The keynote speaker is Dr. Mike Boehlje of Purdue University. One of his presentations will focus on a possible cyclical downturn of agriculture income. He is concerned about the fall or a possible decline in exports due to the decline of economic

growth in China and India. He also feels farmers can expect interest rates to rise steadily during the balance of the decade. The U.S. farmers export products equal to approximately 25% of their income.

The world has put more land under the plow and he feels this and other factors could cause agricultural land values to drop as much as 15%.

Of course during his three-hour presentation Dr. Boehlje will present other information that is for certain to influence our production decisions in the near future.

During the Williams County Farmers Union luncheon attendees will learn how they can easily be advocates of the business of farming. Also, the Williams County Farmers Union has secured a great speaker who will talk, sing, and make us laugh and cry. This presentation by Mark J. Lindquist is titled "Passion! 8 Steps to Find Yours".

The "Trade Show", photo contest, and Bread Fair for area 5th grade students will continue as in the past. Watch for more details, as I will bring them to your attention in future weekly columns.

2015 Shrine Hospital Fund Drive

Submitted by Richland Shrine Club

Richland Shrine Club of Sidney is starting its 2015 Shrine Hospital Fund drive. The overhead of the direct mail campaign; envelopes, postage, etc. are furnished by the Richland Shrine Club. Last year we gathered \$9,946.33 and sent that same amount to the Shrine Hospital.

Richland Shrine Club is currently sponsoring many patients in various stages of their treatment. The typical patient makes several trips to the hospital in Spokane, Salt Lake City or Minneapolis. The average hospital stay is seven to eight days, but surgery and/or treatment may be over several years to accommodate growth of the child.

The SHRINE operates 22 pediatric hospitals, which includes 19 orthopedic hospitals to help children with problems of the bones, joints or muscles and 3 Burns Institutes for children needing reconstructive surgery and rehabilitation as a result of burn injuries.

Since 1922, Shrine Hospitals for Crippled Children have been helping children, regardless of race, creed or color. The Majority of the support of the Hospitals for patient treatment and

research is by the Shriners, Endowment fund, and charitable fund-raising events by Shriners and Shrine Clubs. This Hospital Fund Drive is only one of many types of projects throughout North America by Shriners. Currently through the benevolence of Shriners and other Masonic bodies two million dollars per day is going towards various Philanthropic endeavors, such as our hospitals.

Richland Shrine Club maintains separate funding for it's club funds and those funds for the Shrine Hospital drive, so 100% of any contribution by individuals can be assured it is in direct support of the Hospitals. Support this worthwhile project with your contribution to Richland Shrine Club Hospital.

Letters are going out to businesses and individuals in Richland County requesting support of this worthwhile benefit.

Contributions maybe sent to: Richland Shrine Club – PO Box 885 – Sidney, MT 59270 please make checks to Richland Shrine Club Hospital Drive.

Mercy Medical Charity Ball November 22

Mercy Medical Center is excited to announce the return of its annual Charity Ball. This year's event will take place on Saturday, November 22 at the Williston Area Recreation Center. We are pleased to invite you and your business to stand with us as we seek to raise funds dedicated to upgrading to a level II Nursery. As the expected birth rates at Mercy continue to increase, the complexity of care needed is changing. A level II Nursery

offers a higher level of observation and allows us to be qualified and equipped for babies we currently cannot keep. Your support will make a difference in the lives of Mercy patients throughout the region.

Whether you plan to attend the Charity Ball or become a sponsor or both, your contribution will benefit a valuable cause. Please take a moment to review the ways you can support us through this event. Make an impact and have a ball!

Mercy Medical Center appreciates your partnership. With your help we can continue to grow as the Leading Healthcare Provider in the region.

As limited seats are available to this event, we encourage you to call and RSVP with guest's names to avoid missing out on your tickets! Please call 774-7466 to request tickets or for additional information.

West Side School Holds Book Fair Nov.19-21

Submitted by Dawn Greenwood

West Side Elementary School will have its annual Book Fair, Nov. 19-21, at the West Side School Library, 1100 5th Street SW. The Book Fair will be open during regular school hours, as well as from 2-6 PM Wednesday, Nov. 20, and 3-7:00 PM Thursday, Nov. 20. The fair ends at 10:00 AM Friday.

This reading event will offer students, parents and teachers the opportunity to

see the latest works by popular authors and illustrators of books for children. Along with winners of state and national awards, the Book Fair will present hundreds of titles selected to excite and motivate students to become lifelong readers. Special attention is given to find books that will appeal to the emergent, the experienced, and the reluctant reader.

All parents of Preschool and younger children are invited to attend, as there will be

many selections just right for those age levels, too.

Ron and Barb Scherry, well-known educators in elementary education in Montana before taking over Great Northern Book Company, will be doing book talks with students Wednesday morning, and will be available throughout the Book Fair to give advice on reading selections.

For more information, contact librarian Dawn Greenwood at West Side Elementary School, 433-2530.

Sidney Area Chamber of Commerce and Agriculture

By Jacklyn Damm/Richland County Health Department

The American Cancer Society marks the Great American Smokeout on the third Thursday of November each year by encouraging smokers to use the date to make a plan to quit, or to plan in advance and quit smoking that day. By quitting even for one day, smokers will be taking an important step towards a healthier life, one that can lead to reducing cancer risk.

Tobacco use remains the single largest preventable cause of disease and premature death in the US, yet about 42 million Americans still smoke cigarettes, approximately 1 in every 5 adults. As of 2012, there were also 13.4 million cigar smokers in the US, and 2.3 million who smoke tobacco in pipes. And even more disturbingly, more than a quarter of a million youth who had never smoked a cigarette used electronic cigarettes in 2013, according to a CDC study published in the journal Nicotine and Tobacco Research. These, most likely, will be tomorrow's tobacco users.

- Why Quit?
- With in:
- 20 Minutes: Your heart rate and blood pressure drop.
 - 12 Hours: The carbon monoxide level in our blood drops to normal.
 - 2 Weeks – 3 Months: Your circulation improves and your lung function increases
 - 1-9 Months: Coughing and shortness of breath decrease
 - 1 Year: The excess risk of coronary heart disease is half that of a continuing smoker's.
 - 5 Years: Risk of cancer of the mouth, throat, esophagus, and bladder are cut in half. Cervical cancer risk falls to that of a non-smoker. Stroke

risk can fall to that of a non smoker after 2-5 years.

10 Years: The risk of dying from lung cancer is about half that of a person who is still smoking.

15 Years: The risk of cor-

onary heart disease is that of a non-smoker's.

Make a plan and quit! Call the Quit Line 1-800-QUIT-NOW or the Richland County Health Department for more information. 406.433.2207.

Williston Chamber 2015 Annual Banquet Meeting Jan. 22

Submitted by Scott J. Meske, President

Greetings Williston Area Chamber Members! We are excited to announce this year's Chamber of Commerce Annual Meeting and Awards Banquet on Thursday, January 22, 2015 at the Grand Williston Hotel and Conference Center. This year's theme is "Raising the Bar" invoking a sense of how far we've come as a community and as a Chamber. The Annual Meeting Awards Banquet will highlight the people and businesses that make our community a great place to do business. The Programs Services Committee and Chamber Staff is busy planning for a fantastic evening of networking, exchanging business cards, meeting old friends and new contacts. A full program will be posted shortly, but here's a snapshot of our evening in January:

- Networking reception with 'chamber music'
- Miss North Dakota, Jacky Arness, who was recently crowned "Miss Congeniality" during the Miss America Pageant in Atlantic City
- Keynote speaker Andy Peterson, President CEO of the Greater North Dakota Chamber, highlighting our 2015 legislature and efforts on behalf of ND businesses
- Silent auction opportunities
- State of the Chamber addresses by Travis Kelly, Chairman of the Board of Directors
- The annual meeting portion will feature seating of new Board members
- 2014 Williston Area Chamber of Commerce Awards (there are some new ones!)
- Several other major announcements for the Chamber in 2015!

This will be a business attire-event, and you will not want to miss what we have in store for the evening. Watch for more information about the program in upcoming Chamber newsletters. We are limited to about 300 seated guests (by room configuration), so I encourage you to call our office and reserve your table or tickets, as last year we had a waiting list for attendees. I look forward to seeing you January 22 at the Annual Meeting Awards Banquet!

Sidney Native Elected Missoula County Commissioner

By Meagan Dotson

Sidney native and 2002 high school graduate Nicole (DeVries) Rowley was recently elected as Missoula County Commissioner; one of three County Commissioners, Rowley's six year term begins with anticipation for the changes that she hopes to make in the office.

"I really feel that I can do more for the county," Rowley said of her decision to campaign. "My hope is that I can get the county to move forward."

Rowley made the decision to run with a "Fresh voice, Fresh energy" campaign against the incumbent candidate, communicating a strong need for transparency with the county. Some of Rowley's top priorities include the growth policy which challenges her to maintain rural areas in the county by protecting agriculture while identifying land for housing and development. Another pressing issue to be addressed is how to improve the safety of women and children and she is looking forward to working with the County Attorney's Office and Sheriff's Office.

"When you're an elected official, it's not just a job, it's a way of life," Rowley commented. "I don't want to disappoint my community,"

Having always wanted

to live and work in the area, Rowley admits that she never expected to be involved in politics. After attending college in San Diego and receiving her Bachelor's of Science in Biology from Dickinson State University in North Dakota, she attended the University of Utah and earned her PhD in Pharmacology and Toxicology. She then worked as a post-doctoral fellow at Rocky Mountain Laboratories in Hamilton, MT and later accepted a position as the Health and Nutrition Manager for Ravalli Early Head Start. Currently Rowley is an Environmental Specialist with the Missoula City-County Health Department. Her work in health and community services gave her plenty of experience with regulations; being pragmatic, analytical and focusing on current objectives are all well practiced skills that she feels give her experience to serve her community as an elected official.

She is also focused on the economy and how to create a healthier business climate. Negotiations with the county can be lengthy and undecided, hindering the bureaucratic process and stagnating progress. Rowley is confident in her abilities to "streamline the regulatory process" while maintaining good relations between government, busi-

nesses and private citizens. "Interpretation of regulations has been a problem," Rowley says of the county's need to move forward. "We can't lose sight of what regulation is for."

Despite the challenges she faces, Rowley is hopeful that her experience and drive can benefit the office and is very grateful for the opportunity.

Rowley currently lives in Missoula with her husband Steve Rowley and their daughters Rayna and Kacey. She looks forward to her position as Missoula County Commissioner as well as being involved and connected with the community she calls home.
