Roth Family Lives for Paddlefish Season

By Ashley Harris

Many things can bring a family together. For the Roth family that thing is Paddlefish season. Ilene Roth of Sidney, has been grilling and pickling paddlefish for as long as she can remember.

Although she says the paddlefish are very good grilled, Ilene prefers to pickle them. She explained that paddlefish are perfect for pickling because they don't have any bones, so you don't have to wait for the bones to soften.

She says it's an easy process; it just takes a little patience.

The very first step is to cut the paddlefish meat into pieces. The next step is to soak the meat in 1 cup salt to 4 cups water for 48 hours. After soaking, rinse the meat and then soak in white vinegar for another 48 hours.

To start the pickling process, cook up the brine. Ilene's recipe calls for 4 cups white vinegar, 2 cups sugar, 4 bay leaves and 2 teaspoons of pickling spice. Boil brine for about 5 minutes, let cool and then add 3 tablespoons lemon juice. To prepare the meat for the pickling process, dice it up into serving size pieces. Using a gallon jar, Ilene then layers fish meat with cut up onions before pouring the brine over the fish. After waiting about a week, the fish will be ready to eat.

Ilene used to rely on her brother to catch her paddlefish to pickle, but now she has 7 kids, 19 grandkids and 6 great grandkids who help provide the meat. Ilene stated, "They have to gut it, but I'll cut it up."

Luckily for her family, that is not all she makes. Ilene has been selling her baked goods for 22 years at Sidney's farmers market.

Known for her caramel rolls, Ilene also makes jellies, syrups and homemade wine amongst many other dishes. Along with rhubarb, grapes, strawberries and apples, Ilene goes through a lot of sugar, cream cheese, sour cream and eggs.

So much so that she buys it by the case and uses three fridges at her home.

As a matter of fact, she recalls a time when sugar was on sale and she bought about 100 pounds of it. At almost 74 years old, Ilene has many tricks up her sleeve. One of her tips she disclosed was how to make eggs last longer. She says that flipping eggs over every couple days will keep them good. When

Tuesday, May 28th was a good paddlefishing day for the Roth family. Pictured here are Ilene's relations with their catches for the day: (L to R) DJ Roth, Adam Knudson (boyfriend of granddaughter, Roxann), Lacy Churchill (granddaughter), Lacy's son Cheldon (great grandson), Roxann Roth (granddaughter) and her daughter Kaylynn (great granddaughter). (Photo submitted by Lacy Churchill)

you buy cases at a time that is an important tip to have.

Although paddlefish is the preferred item to be cooking up, Ilene enjoys making about anything you can think of, which is evident once she

starts talking about her various creations. Once the Sidney Farmer's Market starts up later this summer find Ilene and get some of her famous caramel rolls.

Sidney Girls Place 2nd at State Track & Field Meet

The Sidney girls track team took second at the state track & field meet on Friday and Saturday, May 24 and 25 in Laurel.

Placing for the girls were Lexi Prevost, 3rd in the 100 hurdles, 4th in the 300 hurdles and 5th in pole vault. Erin Harris placed 4th in javelin, 2nd in pole vault and 5th in the 100 hurdles. Jalyssa Gorder placed 1st in pole vault and Whitney Leuenberger placed 1st in shot put and 1st in discus.

Placing for the boys was Daulton King with 3rd in the discus. Whitney Leuenberger started track and field as a freshman, she qualified for discus and shot put at divisionals. At State that year she took the 6th place medal in shot put in Laurel, but didn't place in discus.

As a sophomore, she won the shot put at divisionals and took second in the discus and at state in Missoula she won the shot put and was 2nd in the discus. She also qualified in javelin, but was one place shy of medal placing, she took 7th place. As a team Sidney took 3rd place that year. She broke the 35 year old

school record in the shot put at the top ten meet in Glasgow that year.

Whitney's junior year, she won the shot put again at divisionals and was throwing in the snow at State in Bozeman and won the shot put. She took 2nd in the discus at both divisionals and state.

Her senior year she won divisionals in the shot put and broke a 15 year old class A shot put divisional record with a throw of 41'4.5" and won the discus with a throw of 136'. At state in Laurel she won the shot put and won the discus. Her best throw in discus is 146'4". She states "I struggled with my events this year because of class scheduling and the weather. I wasn't able to get into the weight class I needed for training and the snow held us up." Ending her senior year and her high school track and field career, she is a 3 time state champion in class A shot put, 1 time state champion in the discus and 2 time runner up, altogether a 7 time state placer.

She has had injuries during the years but she hasn't let that stop her. Whitney suffers from scoliosis

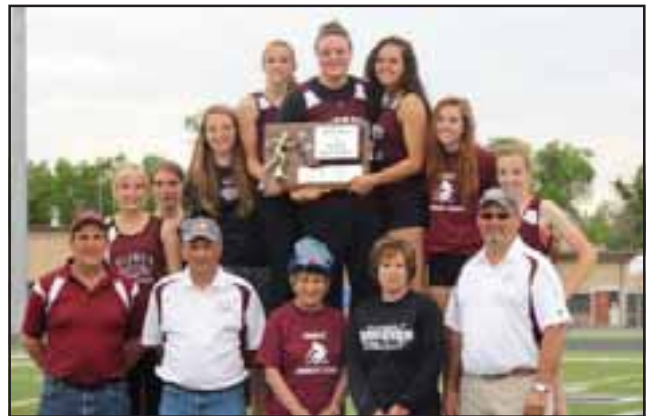

Ilene Roth proudly displays a blown up picture of her son Rodney with his paddlefish he caught last year.

so she often goes in for an adjustment and travels every 6 months to a year to see Dr. Dacre in Billings. She also has a shoulder deformity which can cause her some discomfort. She suffered this year from a pulled tendon in her elbow in her throwing arm and a broken finger on her left hand. She states; "injuries are just part of the game and you just work through them."

Whitney will be attending Dickinson State University majoring in pre-dentistry. She has also been given a Track and Field Scholarship, so she will be on the Blue Hawk Track and Field Team. Whitney looks forward to competing at the college level.

Whitney would like to wish the Sidney Track & Field team lots of success in the years to come and would like to say thank you to all the coaches. She states "they were so instrumental in my success as an athlete. Thank you Coach Steve O'Toole, Coach Roger Merritt, Coach Steve Yockim, Coach Stacy Collins and Coach Virginia Dschaak. I will miss all of you and God has granted me the privilege of knowing you and being one of your state champions. Thank You!"

Sidney girls 2nd place state track & field team: Front (L-R) Coaches Steve Yockim, Steve O'Toole, Virginia Dschaak, Stacey Collins, Roger Merritt. Back (L-R) Sheridan Sundheim, Harmonie Hampton, Erin Harris, Mikayla Minow, Whitney Leuenberger, Jalyssa Gorder, Lexi Prevost, Ciara Sinks.

Whitney Leuenberger throws the shot put at the state track & field meet in Laurel.

Jalyssa Gorder pole vaults at the state track & field meet in Laurel.

More Than 10 Tons of E-waste Collected at May Event

Submitted by Jackie Couture

Altogether, more than 10 Tons of electronic waste was recycled at the Spring 2013 “E-rase your E-waste” event held in Sidney and Fairview May 10 and 11. In their first year hosting an event, 30 Fairview residents and businesses brought in more than 3,000 lbs. of that total during that community’s annual city-wide cleanup event held Saturday morning, May 11.

According to organizers, 118 area residents, businesses, schools and government agencies recycled 20,778 pounds of e-waste at this year’s Spring “E-rase

your E-waste” event in Sidney and Fairview. Organizers thanked area residents for participating and, in particular, extended their appreciation to the volunteers who help every year with the e-waste collection events.

“It went well,” Jackie Couture, chair of the local “E-rase your E-waste” Committee, said of this year’s first collection. “Our volunteers once again did an exceptional job in making sure everything ran smoothly for our new e-cycler, Yellowstone E-waste Solutions, out of Billings, MT, who also did a great job for us.” She also thanked the Richland County Solid Waste Department for its continued willingness to provide space for the e-cycling event in Sidney.

Included among the items collected in both communities were: 132 monitors, 127 CPUs, 25 laptops, 100 printers, 4 fax machines, 14 copiers and 106 television sets. A half dozen microwaves and more than 2 Tons of other, miscellaneous electronics (phones, gaming consoles, mice, keyboards, cameras, etc.) also contributed to the total.

“It was great to have Fairview participate this year,” Couture said, commenting on this latest recycling event. “Also, our new e-cycler, Yellowstone E-waste Solutions, did a great job for us, too, and the community once again came out to support this effort.”

That support has meant significant reductions in harmful chemicals and bulky plastics finding their way into the county’s local landfill. While stressing that the figures are only estimates based on typical computer and TV systems, Couture said the e-cycling event kept more than 1800 pounds of lead and 4800 pounds of plastic out of the local landfill as well as removing .19 pounds of mercury, a particularly hazardous chemical even in minute amounts.

“Now we’re looking forward to the same successful collaborations at our regular fall event in Sidney set for this coming September 6-7,” she added.

E-waste ready for bundling during Fairview’s annual city-wide cleanup event May 11.

OUR CENTENNIAL YEAR

Rau Student of the Quarter

Rau School would like to announce Ashlee LeFors, daughter of Brian and Nikole LeFors, as their student of the quarter for the fourth quarter. Ashlee always has a positive attitude and is a great example to the other students at Rau. She is a hard worker and always does her work to the best of her abilities. She is kind and respectful and always willing to help teachers and peers alike. Ashlee is honest and polite and follows the rules in the classroom, lunchroom and on the playground. Ashlee enjoys dancing, singing and spending time with her friends and family.

Eastern MT Natives Return For Special Public Concert

Submitted by Kelly Reisig

Award-winning pianist Gy Salvevold and critically acclaimed and prize-winning international opera tenor, Christopher Bengochea, will be the featured performers at a special public performance on June 9th at 2 p.m. in Sidney's Pella Lutheran Church, located at 418 W. Main Street.

Salvevold started his piano career when he was three years old, studying the Suzuki method under Sharon Anderson until he was eighteen. Continuing his studies at Montana State University in Bozeman under Laurel Yost, he performed extensively while also appearing with the Bozeman symphony. Gy is the recipient of first prize in the 2012 Bradshaw & Buono International Piano competition where he recently performed at Carnegie Hall, one of American's most prestigious concert halls.

The Basque American Tenor Bengochea began his musical career as a pianist. He moved into the study of opera during his time at Montana State University and later the University of Montana. After becoming an award winner at the Northwest Regional Metropolitan Opera National Council Auditions and winning third prize at the Internationale Societa Concertistica Vocal Competition in Santa Margherita-Ligure, Italy, he decided to pursue singing entirely. It was in Italy where Bengochea had the opportunity to study and work with renowned tenor, Gianni Raimondi who described Bengochea as "having a voice most brilliant and romantic: that will become very important in the future of opera".

Tickets are on sale now at the Foundation for Community Care office, located at 221 2nd Street NW. A limited number of general admission seats are available for \$30 each. A special free will donation social hour will be held directly following the performance. Guests will have the opportunity to personally meet the performers. For further questions please feel free to call the Foundation office at 488-2273.

Culbertson Frontier Days June 14 & 15

Each spring finds Culbertson playing the host to the Saddle Club's Frontier Days. With the help of the Chamber of Commerce, two full days of western hospitality and fun include rodeos in the Saddle Club's unique tiered rodeo grounds, a parade on Saturday, a barn dance and concessions on the grounds. Contact Luke Anderson at 406-787-5860 or Ken at 406-798-3712 for more information or to register for the rodeo.

SICK OF BEING SICK?

World renowned health expert, Cherie Ross, is coming to Williston on June 11th. Allergies, asthma, high blood pressure, ADD/ADHD, migraines, fibromyalgia, weight loss... Get answers, ask questions! 6:30 - 9:30pm (CDT) at the James Memorial. Please enter through the downstairs entrance. Admission: \$10 per person \$15 per married couple Questions? Call Debbie at (580) 716-4186

The concert is co-sponsored by Richland Farm Mutual Insurance and the Foundation for Community Care. Proceeds from the concert will benefit the remodel and update of the Birthing Suites at Sidney Health Center.

If you would like more information about this topic, or to schedule an interview, please call Staci Miller, Executive Director for the Foundation for Community Care at 406-488-2357.

Watford City to Hold Summer Sounds, Music and Picnic in the Park Series

Submitted by Jessie Veeder

The Watford City Chamber of Commerce, along with a newly emerging area Arts Organization, will be hosting "Summer Sounds" a music and picnic in the park series at the Watford City Tourist Park.

The series will kick off on Thursday, June 13th at 5:30 with music by area musicians and picnic food served by the area Mothers of Preschoolers (MOPS). The event will be held every other Thursday throughout the summer and will feature local musicians and a picnic hosted by various community organizations.

"We believe this is a great way to give the community a chance to kick back and enjoy summer and our beautiful park," said Lindsay Wingerter who is coordinating the event along with her sister, Jessie Veeder and the Chamber of Commerce. "It's also a nice way for organizations to network and fundraise for their causes."

Veeder, who is an area musician, is excited to provide local entertainers with a place to perform. She and local band Lonesome Willy will be the featured entertainment as "Summer Sounds" becomes part of the kickoff event for Watford City's Annual Homefest on Thursday, June 27th.

"Summer Sounds" will be held on June 13 and 27; July 11 and 25; August 8 and 22; and September 12.

If you would like to perform on the "Summer Sounds" stage or if your organization would like to host the picnic as part of a fundraiser, please contact:

Jessie Veeder Scofield at 701-770-8659 or email jessieveeder@gmail.com

Visit www.watfordcitychamber.com events section for more information on this exciting new event.

"I Do" Reception June 22 at MHC

Saturday June 22, at 2pm, the MonDak Heritage Center will host a reception "I Do: A Cultural History of Montana Weddings" featuring a special presentation by Martha Kohl. Kohl, an historian with the Montana Historical Society, is also the author of the book by the same title. Tickets are available now, \$25 for MonDak members, \$30 for non-members. Non-members can join at the time of purchase to take advantage of the members' discount.

The reception will be the perfect time to enjoy the exhibit "I Do", which features materials on loan from the Montana Historical Society, and collections from the MonDak Heritage Center, including historic photographs and several wedding dresses, some of which have not been exhibited publicly in many years. The oldest dress dates to the 1880s.

Traditional wedding foods will be served, including cake, and wedding attire is optional. Martha Kohl's book, I Do: A Cultural History of Montana Weddings will also be available at the event.

The MonDak Heritage Center is located at 120 3rd Ave SE in Sidney, Montana. If you have further questions, please call us at (406) 433-3500.

Goehring Announces Sites, Dates for 2013 Project Safe Send

Submitted by Ted Quanrud
Agriculture Commissioner Doug Goehring encourages farmers, ranchers, pesticide dealers and applicators, government agencies and homeowners to bring their unusable pesticides to any of the 12 Project Safe Send collections in July.

"This is a simple and non-regulatory program to help people safely and legally get rid of unusable pesticides free of charge," Goehring said. "Over the past 20 years, thousands of people have brought more than three million pounds of these chemicals to Project Safe Send collection sites."

Project Safe Send accepts old, unusable or banned pesticides, including herbicides, insecticides, rodenticides and fungicides. The pesticides are shipped out of state for incineration. The program is funded through product registration fees paid by pesticide manufacturers.

"Check your storage areas for any unusable pesticides and safely set them aside for Project Safe Send," Goehring said. "If you find that the containers are deteriorating or leaking, pack them in larger containers with absorbent materials. Free, heavy-duty plastic bags are available from the North Dakota Department of Agriculture."

People with more than 1,000 pounds of pesticides should pre-register. No other pre-registration is required. A maximum of 20,000 pounds of pesticides per participant will be accepted. Pesticide rinse water also will be accepted. The first 100 pounds of rinse water will be taken free of charge; a fee will be applied for each additional pound.

To pre-register, obtain plastic bags or for more information, contact Jeremiah Lien at the North Dakota Department of Agriculture at (800) 242-7535 or jlilien@nd.gov.

The collections will run from 9 a.m. to 3 p.m. local time at the North Dakota Department of Transportation facilities in the following cities:

July 9 - Underwood	July 17 - Jamestown
July 10 - Kenmare	July 18 - Cooperstown
July 11- Minot	July 19 - Wahpeton
July 12 - Watford City	July 23 - Adams
July 15 - Bowman	July 24 - Grand Forks
July 16 - Ashley	July 25 - Casselton

Early Bird Golf Scramble Benefit

Saturday, May 18 was a gorgeous day with 124 golfers competing in the 7th Annual Early Bird Golf Scramble at Sidney Country Club. For the first time, all proceeds of the benefit tournament were designated for the Sunrise Women's Clinic in Sidney. The Assembly of God started the tournament, with half the proceeds going to a national organization, and half staying in Sidney. "They graciously turned the tournament over to us," organizer Mike Mohl explained. "The transition to us was seamless, and we definitely took advantage of what they had built. Pastor Greg Ledgerwood, Lynn Byerle and Brent Bowlds deserve a huge Thank you for all their help." Mohl also expressed gratitude to all the sponsors of the event. "Sponsors are the key," he said. "It's a fun tournament, low pressure, encouraging golfers of all skill levels and ages to participate."

The overall and Corporate Cup winners were determined using the California handicap system. Overall winners each received a \$75 gift card to the Sidney Country Club Pro shop. The Corporate Cup team winner received a traveling trophy. Other winners were randomly drawn and received \$50 SCC gift cards.

Approximately \$15,000 was raised for the Sunrise Women's Clinic. The clinic provides early pregnancy verification and options education, as well as pregnancy and parenting classes.

Right: The CHS Farmer's Elevator team took the Corporate Cup. Pictured, L to R, are Gabe Reynen, Paul Severson, Jerry Doornik and Jake Reynen.

The overall winner of the Early Bird Golf Scramble was this team from Newtown, ND. Pictured, L to R, are Lee Lindorf, Brock Copenhagen, Al Bighorn and Carroll Howling Wolf.

4-H Alumni Potluck Set for June 9th

Submitted by Fred
Barkley

Richland County 4-H Alumni have scheduled a potluck meal for Veteran's Memorial Park in Sidney on Sunday, June 9th, beginning at 5 p.m. The event is being held to welcome home Chris Bengochea, former 4-H member and now a nationally acclaimed opera singer.

Bengochea will be in Sidney to perform at Richland Farm Mutuals 100th Anniversary Celebration at Pella Lutheran Church on Saturday night, June 8th. On Sunday he will be performing a public benefit concert for Foundation for Community Care at 2 p.m. at the Pella Lutheran Church. Guy Salvevol will be performing

with Bengochea at both events.

Alumni and families planning to attend are asked to bring a hot dish and either a salad or dessert and lawn chairs. Drinks, plates, napkins and silverware will be provided. For more information, contact Fred Barkley at 406-482-4321 or Doug Hall at 406-488-4996.

Miss Montana and Miss Montana's Outstanding Teen Scholarship Program

By Holle Thogersen

Cowgirls 'N Crowns is the exciting theme for this year's Miss Montana and Miss Montana's Outstanding Teen Scholarship Program! These amazing young women will be arriving in Glendive, MT on June 9 to start a whirlwind week of excitement, adventure, community service, and the chance to win the state title! After many preliminary events throughout the week, Miss Outstanding Teen will be crowned and Miss MT will be crowned June 15th.

The Miss Montana program has been held in Glendive for the last 9 consecutive years. Hundreds of volunteers come from near and far to make these pageants thrive each year. Many area businesses have also donated their time and efforts.

The production will run from June 13th-16th. The winner of the Miss Outstanding Teen will go on to compete at a national level in Orlando, Florida and the winner of Miss MT will compete in the Miss America pageant in Atlantic City in September. With over \$444,000 worth in cash and scholarships at stake, these girls are excited and very serious about the importance of acting as a role model and representative of this amazing place we call home, Montana!

Tickets are available to purchase online at www.missmontana.com, at the Glendive Chamber of Commerce, Miles City Chamber of Commerce, Sidney Chamber of Commerce or at the Dawson County High School Auditorium the nights of the program.

Miss MT Princess Program

This year there will be 15 girls participating in the Princess Program in conjunction with Miss MT and Miss Outstanding Teen MT pageants. These girls range from 6-9 years old. Although they are not competing for a title, it is an excellent opportunity for them to showcase their poise, manners, self-esteem and charisma!

The purpose of the program is for our Miss MT to mentor young ladies who have an interest in some day competing in the Miss Montana and Miss Montana's Outstanding Teen

Scholarship Programs, and promoting community service.

The Miss Montana Princesses are featured in the production and Miss MT Competition Magazine, mentored by a Miss Montana state finalist, participates in the parade, are the special guests at the Royal-Tea, and enjoy an official Miss MT Princess crowning moment.

American Red Cross June Community Blood Draws

Submitted by Scott Shanahan

Tuesday, June 11th – Sidney – St. Matthews, 12:30 p.m. to 5:30 p.m.; Wednesday, June 12th – Sidney Health Center – Fitness Room, 12:30 p.m. to 5:30 p.m.

During the summer, blood donations typically drop off dramatically as donors go on vacation and schools close, but the need for blood never takes a holiday. The American Red Cross urges people to donate blood or platelets and save lives this summer. Patients in Montana hospitals served by the Red Cross depend on community blood donations every day.

Every day, the Red Cross collects 155 pints of blood to patients in our local hospitals. Regular blood donations from people in our communities are critical to our ability to provide a steady and ample supply of blood for those who depend on its life-saving benefits.

Any healthy person age 18 (or age 16/17 with signed parental consent) or older and weighing at least 110 pounds may be eligible to donate blood. Valid identification is required for all blood donations. All eligible donors are asked to schedule an appointment to donate blood by calling The American Red Cross at 1-800-733-2767 to donate blood at our upcoming Sidney Community Blood Drive on June 11th from 12:30 to 5:30 p.m. at the St. Matthews Catholic Church or sign up online at www.redcrossblood.org, sponsor code 'sidney'.

New, Painted Buffalo Robes at Fort Union

Submitted by Loren Yellow Bird

Fort Union Trading Post has received two traditionally painted buffalo robes. The artist, Mr. Darryl Growing Thunder is a member of the Dakota and Assiniboine tribes from Fort Peck, Montana said Park Ranger Loren Yellow Bird. The stories being displayed reflect the lifestyle of the Plains Indian warriors. The robes include two different eras; pre-1850 and post-1850 and were funded by the Fort Union Cooperative Association. The robes will be displayed as part of the fort's living history programs according to Yellow Bird.

Historically, the Plains Tribes painted buffalo robes to record significant events as early as the late 1600s. One of the best examples of a pre-1850s painted robe is the recreation of the legendary Mandan chief Four Bears on his war robe from the 1830s. The images on the robe depict various battle scenes that tell Four Bears life as a warrior.

Post 1850s robes are often best known and associated with the Little Bighorn battle. One of the new robes represents this time period with seven warriors representing the seven bands of the Lakota. An image of a captured horse from the soldiers they fought as well as 7th Calvary Company Guidon flag is depicted.

Fort Union operating hours are from 8:00am to 6:30pm CDT daily. Fort Union Trading Post is located 24 miles north of Sidney, Montana and 25 miles southwest of Williston, North Dakota, via highway 1804. While here also visit the reconstructed fort, trade room and bourgeois house.

For more information on Fort Union Trading Post National Historic Site contact the park at 701-572-9083.

Fish The 9th Annual Children's Fishing Derby In Watford City

Submitted by Babete R. Anderson

Spring is finally here and in anticipation for the fish biting the USDA Forest Service, Dakota Prairie Grasslands, the City of Watford City and the North Dakota Game and Fish Department want you to grab your fishing rod and chair for the 9th Annual Children's Fishing Derby. Meet at the Watford City Youth Fishing Pond, Saturday, June 8, just east of the Watford City football and track field.

Children ages 13 years and under are invited to toss a line in the pond. Registration begins at 9 a.m. All registrants must be accompanied by a responsible adult and will enjoy a day of free fishing with friends and family. Lunch will be served around 11 a.m.

Bring your fishing pole, tackle box, bait, and enthusiasm to enjoy the outdoors. Dress appropriately and be prepared to have fun with the family.

Fishermen should bring some means of transporting their live fish home after the derby, as there will be no provision for on-site fish cleaning. We ask that everyone park their vehicles in the football field parking lot.

The community of Watford City is again donating generously to provide prizes, food, and peoples' time to make this a day of family fun.

For more information contact the USDA Forest Service, Dakota Prairie Grasslands, McKenzie Ranger District office in Watford City at 701-842-2393.

Wildflower Photo Contest and Wildflower Walk

Submitted by Libby Knotts

The U.S. Forest Service, Dakota Prairie Grasslands, McKenzie Ranger District, is holding a Wildflower Photo Contest and a Wildflower Walk to promote appreciation for native wildflowers, use and enjoyment of the National Grasslands.

Wildflower Walk will be Friday, June 7 at 6 p.m. (central) at CCC Campground (15 miles South of Watford City, turn right just past the Little Missouri River Bridge). This will be an easy walk lasting about one hour.

Wildflower Photo Contest entries are due Friday, June 21:

Submit color, printed 5x7 photographs to the address below with your name, age category, phone number and flower name(s) on the back; photos of North Dakota native wildflowers only; age categories of 12 years and younger, 13-18 years old, and over 18; you may submit as many entries as you like. Entries will be displayed June 26 – July 10 at Watford City businesses. There will be prize winners in each age category.

For more information, contact the McKenzie Ranger District at 1901 S. Main, Watford City, ND 58854; phone (701-842-2393) or email lknotts@fs.fed.us.

McKenzie County Weed Control LAP
(Landowner Assistance Program)

McKenzie County has funding available for landowners of Non-cropland Noxious weed eradication. This program has been put in place by the McKenzie County Weed Control, to assist landowners in controlling harmful weeds on their land by subsidizing some of the costs incurred for chemicals the land owner needs for controlling these problems.

With this program the McKenzie County Weed Control can assist the landowner by supplementing the cost of chemical or bio-agents for non-cropland areas. The Weed Board will issue a reimbursement for chemical applied or bugs released up \$500.00; however, this may be contingent on funds available. This reimbursement will be given with the proper paper work submitted.

1. The receipt for purchase of chemical or bio-agent.
2. A USDA Farm Service agency map with the location.
3. Type of infestation and acres treated.
 - a. The noxious weeds in McKenzie County are Leafy Spurge, Spotted Knapweed, Russian Knapweed, Salt Cedar, Common Burdock, and Canada Thistle.

McKenzie County Weed Control can offer private spraying for landowner/operators upon request with additional charges for labor and equipment.
