## Melby Awarded NHSACA National Wrestling Coach of the Year

Sidney High School Wrestling Coach Guy Melby was awarded Wrestling Coach of the Year by the National High School Athletic Coaches Association on July 25. The award was given during the 47<sup>th</sup> Annual NHSACA National Awards Banquet in Fargo, ND.

Melby has been the Sidney High School wrestling coach, assistant football coach and shop teacher for 27 years. Under his leadership the Sidney wrestling program has had 8 state championship teams and countless individual state champions.

Melby was humble about winning the award. "It was a bit of a surprise," stated Melby. "I had been nominated before and never thought I would actually win. After winning I asked my wife Veronica, 'Where do we go from here?'"

The award could not have been given to a more deserving person. "It's about time," stated Jody Wells, former wrestler and 1994 Montana State Champion. "Melbs is no hypocrite. He is ready, willing and able to grind out those two and a half hour practices and 6:30 am morning runs with rest of the team. He makes the journey to the championship podium along with each and every

Sidney Wrestling Coach Guy Melby (far right) poses for a picture with the other NHSACA Coaches of the Year at the NHSACA annual banquet in Fargo, ND, on July 25.

wrestler every year. How could you respect a coach more?"

Melby has no intentions of slowing down. He is already building and preparing his next championship team

with year round camps and tournaments. He holds a wrestling camp each year and coaches both Sidney and other wrestlers across Montana at the National Scholastic Duals head in Or-

lando, FL.

Melby's coaching and mentoring has done more than make great athletes, but also great people after wres-

tling is over. "I owe all my wrestling success, and success in life, to Guy Melby, and I know that many of us former

state champions would not have made it to the top without his leadership and determination," concluded Wells.

## Outsiders Bar & Grill Now Open In Watford City

Watford City natives Cary & Darlene Garmann have opened Outsiders Bar & Grill located off Hwy 85 behind the new Watford City Hotel. A grand opening is planned for August 10 with live music by Johnny Green and the Green Men starting at 9 p.m.

"It seems everyone in the area is from somewhere else, hence the name Outsiders," stated Darlene. "We want everyone to feel welcome here."

Outsiders serves an evolving menu of easy basket foods such as burgers, wraps, wings and sandwiches in a rustic, friendly environment with a full bar and pool tables. They have two daily happy hours, one from noon to 1 p.m. and another from 6 p.m. to 7 p.m. featuring \$1 twelve ounce domestic beers. Outsiders is a 21 and older establishment.

Prior to opening Outsiders, Darlene had several

Outsiders owners Cary & Darlene Garmann

years of experience in the restaurant and bar industry. After opening the restaurant, Cary continues to work in the oilfield. "I go to work in the oilfield to get some rest," he said jokingly.

It took a lot of hard work to get the restaurant off the ground. Outsiders was a year in the making for the Garmanns. "Our town needed another place to sit down and have a good meal," said Cary.

The Garmanns are very thankful for all the help they

received from family and friends. "We couldn't have done it without them. We also have a great staff that is helping us work out all the glitches," said Darlene.

Outsiders Bar and Grill is located 905 3<sup>rd</sup> Ave. SW in Watford City, at the intersection of 10<sup>th</sup> St. and 3<sup>rd</sup> Ave. by the grain elevators. Their hours are from 11 a.m. to 1 a.m. Monday through Saturday and from 12 noon to 1 a.m. on Sunday. Call 701-842-2693 for more information.

## Golfers To Benefit Area Healthcare

The Foundation for Community Care will hold its 19<sup>th</sup> Annual Benefit Golf Tournament on Sunday, August 26, 2012, at the Sidney Country Club. This tournament has raised more than \$350,000 to benefit local healthcare over its eighteen year history. Golfers are encouraged to come out and enjoy a day of golfing while supporting quality healthcare in their community.

Events like the golf tournament help grow the Foundation's Endowment Fund, which is like an interest earning savings account for community healthcare and medical services. In May, the Foundation awarded over \$229,000 in Endowment Grants to various area organizations to help ensure the continuance and quality of local healthcare services.

This tournament is one of the last of the summer and is filled with fun right from the start. Upon checking in, golfers have the opportunity to choose a gift from the pro

shop as a thank you for their support of local healthcare. Once on the course, the participants have a chance to win team awards, a \$10,000 Hole-In-One Prize, special hole prizes and tee box giveaways. The golfers will also receive continental breakfast, lunch delivered on the course, and dinner at the awards banquet following play.

Each year golfers from around the state come to Sidney to enjoy the 18-hole scramble. Participant's skills range from first time to experienced golfers. You may

choose your own 6 person team, or sign up individually and be placed on a team. The registration deadline for the tournament is Wednesday, August 22nd, and there are only 162 spots available. The tournament is already filling up fast, so interested golfers are encouraged to register early.

To register for this event, please call the Foundation office at 406-488-2273. Registration forms are also available on our website at [www.foundationforcommunitycare.org](http://www.foundationforcommunitycare.org).

Hope to see you on the course!

## Feds, Farmers & Friends Feed Families

This summer, USDA employees at over 1,400 offices across the country are going above and beyond their daily duties to collect and donate food for the 4<sup>th</sup> annual Feds Feed Families food drive. Last month, they raised an impressive 78,518 pounds of food! But there is still much to be done, and they will need everyone's help to reach the goal of 1.8 million pounds by the end of August.

Please help the Sidney USDA office by dropping off food donations at 2745 West Holly in Sidney. All food donations received will benefit our local food bank! If you have any questions, please call 406-433-2103.

# Russon's Delicatessen Opens In Williston

Freshly baked bread, piled high with fresh meats, cheeses and lavish extras await the hungry customer who enters Russon's Delicatessen in Williston. Add one of their freshly made salads, and a gourmet cupcake for dessert to make it a meal sure to satisfy the taste buds and the tummy. Dine in their relaxed restaurant or order your favorites to go.

Russon's Delicatessen is located in the former Pierce's Steakhouse at 20 E 2<sup>nd</sup> St. Russell Hayden, manager and head chef, learned how to bake bread in Palm Springs, CA and brought that, along with the rest of his extensive restaurant experience, to Williston two years ago. He was lucky enough to meet Jason Esperum who owns the Missouri Club at Eagle Ridge Golf Course. "Jason gave me the opportunity to open my own place and I jumped on it," Hayden said enthusiastically. "It was great to meet a local person who was ready to give someone a chance. I'm really excited to have the opportunity to be a part of something that's going to flourish and prosper."

Sandwiches can be as simple as a ham and cheese or as complex as the #1 on the menu, piled high with almost every ingredient in the deli! The salads range from a delightful pesto, to potato to a three bean salad and more. Try them all; salads, and meats, are available by the pound. The specialty

Russell Hayden, manager and head chef at Russon's Delicatessen, invites everyone in for a great taste experience.

cupcakes come in yummy flavors such as tiramisu, carrot, lemon, German chocolate and an interesting chocolate hot sauce.

Russon's Delicatessen is open 10 a.m. to 6 p.m. Monday through Saturday. Stop in or call them at 701-572-5566.

# Sidney Health Center Expands MRI Testing Service

Starting in August, Sidney Health Center is expanding its magnetic resonance imaging (MRI) services. A permanent housing unit was recently installed on a new cement pad located on the east side of the hospital, conveniently behind the ER/Radiology Wing.

Sidney Health Center leases a 1.5 Siemens Symphony MRI through Montana Health Network that is housed in the stationary unit and will be on-site year-round. Previously, the MRI truck made a weekly visit and scheduled tests on Wednesdays.

"We are extremely excited to be offering this on-site service, allowing us to better serve our customers in a timely fashion as well as keeping our patients here at our facility. By providing this continued service I feel we are supporting Sidney Health Center's mission which is to help those we serve achieve their highest level of health and well-being," stated Linda Labatte, Radiology Manager.

Magnetic resonance imaging (MRI) is a test that uses magnetic field and radio waves to create detailed pictures of organs and parts inside the body. In many cases

MRI is used to obtain further information from a previous X-ray, ultrasound or CT scan. MRI sometimes detects a problem that does not show up with other imaging methods.

Medical providers use MRI testing for many reasons. MRI is particularly helpful for diagnosing problems with the eyes, ears, heart, and circulatory system, as well as

problems in joints, cartilage, ligaments, and tendons. It is also helpful in identifying infections and inflammatory conditions or to rule out problems such as tumors. Most exams take 45-60 minutes each.

The MRI machine looks similar to a CT scanner; however, the tunnel is more enclosed. Patients must be able to lie still for the duration of

the exam and tolerate close quarters.

Sidney Health Center is currently scheduling MRIs through the outpatient coordinator on Mondays, Wednesdays and Fridays. The radiology department has indicated that it will continue to adjust the scheduling to meet the demand as needed.

# OBITUARIES

## Leslyan Suckstorff Stoops, 82, Sidney, MT

Leslyan Suckstorff Stoops died on Thursday, July 26 at Sidney Health Center Extended Care Facility. No services are being planned at this time. Cremation has taken place. Interment of cremains will be in the Sidney Cemetery at a later date under the direction of Fulkerson Funeral Home. Remembrances and condolences may be shared with the family at [www.fulkersons.com](http://www.fulkersons.com).

## Daniel A. Peltier, 67, Sidney, MT

Funeral service for Daniel A. Peltier was 11 a.m. MT, Tuesday, July 3 at Fulkerson Memorial Chapel in Sidney, MT. Interment followed in Trenton Cemetery, Trenton, ND. Remembrances and condolences may be shared with the family at [www.fulkersons.com](http://www.fulkersons.com).

Daniel died at his home in Sidney.

## Dale Reidle, 67, Sidney, MT

Funeral services for Dale Reidle are at 2 p.m. on Wednesday, August 1, 2012 at Zion Lutheran Church in Fairview, MT with Pastor Charlane Lines, Pella Lutheran Church officiating. Interment will be in the Fairview Cemetery, Fairview, MT under the direction of Fulkerson Funeral Home of Sidney. Remembrances and condolences may be shared with the family at [www.fulkersons.com](http://www.fulkersons.com).

Dale died early Friday evening, July 27, 2012 at the Sidney Health Center.

## Fort Union Trading Post Seeks Public Input

Fort Union Trading Post is experiencing high numbers of mice and rodents and is seeking public comment to determine the best manner to deal with their impacts. Mice and rodents are known to carry disease and rodents are damaging archeological resources by burrowing into them.

While native animals are protected within all National Parks, there are allowances to remove problem animals under specific conditions. Those conditions include when there is a danger to public health or when there is damage to cultural resources. Both of these conditions exist at this time.

Under the National Environmental Policy Act federal agencies are required to solicit public input into the management of their natural and cultural resources. Please submit any comments, suggestions, or questions to Park Superintendent Andy Banta at 701-572-9083, at Fort Union Trading Post NHS, 15550 Hwy 1804, Williston, ND 58801.

Comments received within the next 21 days would be most helpful.

In the coming months Fort Union Trading Post NHS will complete an Environmental Assessment and Historic Preservation Assessment of Effect evaluating the impacts the alternatives of the actions on the park's landscape. These documents will be made available for comment when the analysis is complete.

## Thelma Inez Swenson, 94, Billings, MT (Formerly of Sidney, MT)

Thelma Inez Swenson, age 94, of St. Johns Lutheran Home passed away on July 23, 2012. She was born in Dodson, Montana, on July 17, 1918. Thelma graduated from Turner High School and attended Northern Montana College in Havre and Eastern Montana College in Billings for one year each and then taught school in rural Richland County for two years.

While she was teaching, Thelma met and married Stanley Swenson. Thelma and Stanley moved to the family farm at Sioux Pass, Montana in 1942 and remained there until 1955. Over the next forty years, work and retirement moved Thelma and Stanley to Fairview, Havre, Sidney, and Hamilton. In addition to family, during this time many friends and acquaintances became part of Thelma's life and have remained important contacts for her.

Thelma is survived by two sons, a daughter, seven grandchildren, and five great-grandchildren. Son Merrill (Shaula) of Bozeman, Montana; son Arlen of West Chester, Ohio; and daughter Nina (Christopher Maxwell) of Aiken, South Carolina.

Thelma was predeceased by Stanley in 1995, son Larry in 1996, father Ingval Rude, mother Hilma Slotsve, brothers Burnell and Jimmy Lee, and sisters Evelyn and Doris. After Stanley's passing, Thelma moved to Billings, living on Monad Avenue, and then moving to St. Johns. Thelma's final wish was to have her ashes sprinkled on the hill of the family farm near Fairview, where she had sprinkled Stanley's ashes previously.

A memorial service was held on Sunday, July 29, 2012 at 3 p.m. at the St. Johns Lutheran Home Chapel, 3940 Rimrock Road, Billings, Montana. Smith Funeral Chapels of Billings was in charge of arrangements. The family suggests that memorials may be made to St. Johns or the charity of one's choice.

# McKenzie Building Center Expands

## Adds Electrical & Plumbing Department, Affiliates With the Hardware Hank Full Service Hardware Stores and Reports Revenues Up 60%

McKenzie Building Center, Inc., based in Watford City, ND since 1934, has supplied building materials to the Northwest part of North Dakota and Eastern Montana for over 75 years, and has added an electrical and plumbing department to round out and complete its full service building materials departments.

"In addition we are part of the affiliate stores program of HARDWARE HANK, a United Hardware brand, which provide us with full service hardware supply stores inventory now to be able to meet all the needs of retail and commercial customers," said Anthony Floreno, COO. "Whatever we do not have in stock customers can order thousands of products, anything for the home, instantly while in the store and pick up right here after it arrives," he added.

The Company has added a variety of plumbing and electrical items in stock to complement its million dol-

lar inventory of building materials-anything to build or remodel a home is in stock or available for quick delivery.

The Company also just purchased a boom-crane equipped delivery truck that allows deliveries to upper floors of a building project or neatly stacks building materials of any type without the need for personnel to unload the heavy products by hand.

"With this expansion, and the addition of the boom crane truck, we are pleased to announce that our revenues have increased significantly this year over last, running about 60% ahead of last year", said Russ Archer, Vice President, "We expect to have another record year, as we are adding many of new customers in the retail and commercial departments."

As part of the company's expansion, they have started to expand their private credit card programs to allow cus-

tomers to get their own private credit line to use for materials purchases, and depending on their credit a specific line of credit will be available directly through the company or from a local bank or other financing sources.

"The private credit card programs will allow a customer not to have to use up their personal credit cards for material purchases, and instead utilize a line of credit specifically for materials purchased here," added Mr. Archer.

When asked about the plans for the mobile and modular home sales, Mr. Archer stated that the company has formed a new subsidiary, WATFORD CITY HOMES, INC., and has started planning the model homes for display and plans a grand opening announcement sometime in August, and is now in the process of final completion of the many details of starting the company and home sales.

## Eastern Montana Bible Camp Songfest To Be Held August 5

"Come, let us sing to the Lord! Let us shout joyfully to the Rock of our salvation!" Psalm 95:1. It is indeed with

much joy and gladness that we invite you to the Eastern Montana Bible Camp's annual Songfest on August 5,

2012. It is a very special day set aside each summer for a time of celebration for what the Lord has done for our Camp and the influence it has on the lives that are touched there. The song services are at 3:00 p.m. and 7:00 p.m. EMBC is providing the main dish and beverages. Please bring a salad or dessert to share.

You will be blessed by the beautiful congregational singing and the special music provided by young and old alike from the surround-

ing area. You are also welcome to join us in uplifting our Lord by bringing a special number or two. Whether you are a newcomer or a regular attendee, you are welcome to take part. Also, take time to check out the campground and the improvements that are being made.

EMBC (406-583-7551) is located at 1862 Road 523, Bloomfield, which is 18 miles northeast of Bloomfield, 14 miles southwest of Lambert and 16 miles southeast of Richey. Signs are at the in-

tersections 11 miles north of Bloomfield and south of Lambert at the Y.

If you would like to participate with special music, please contact Janet Fatzinger (406-583-7577).

We also hope to have a community choir for the evening service.

A freewill offering will be taken for the current projects.

## Williston Farmer's Market at ASB

The Downtown Williston Farmer's Market is up and running in the American State Bank parking lot every Saturday from 10 a.m. until 2 p.m., or until sold out. Fresh produce, baked goods and craft items are available. There is room for more vendors. Call Thomas at 701-570-0294 or email willistondfm@gmail.com for more information.

# SHS Receives Funds For New Scoreboard

Sidney Eagle football fans will enjoy a brand new LED scoreboard this fall. The current scoreboard was installed in the early 90s and was failing mechanically with lights continually needing to be replaced and the control options limited compared to the new technology offered today.

With the old scoreboard no longer dependable, Sidney High School needed to look at purchasing an updated board. Sidney football fans wanted a new scoreboard that accommodates LED lighting, a highly-illuminated area that makes the viewing of the scoreboard clear from nearly anywhere in the stadium. Additionally, this scoreboard will be used for track meets, where both a running time clock for races, as well as the events in progress will be displayed. Only a new scoreboard with high-intensity lighting could provide this service during the daylight hours of track meets.

What the High School sought was a partnership in the purchase of this scoreboard. As usual, Sidney businesses showed their community and school spirit by providing the sponsorships necessary to purchase the \$80-85,000 board. The

Stockman Bank president Garth Kallevig, left, presents a check to Roger Merritt of Sidney High School. The donation will help fund the new scoreboard at the school.

Scoreboard Project is a community project. Without local business support, the new scoreboard on Swanson Field would not have been possible.

The following businesses have shown support with their sponsorship:

- South 40/Winners Pub
- Blue Rock Pepsi
- Reynolds Market
- Frontier Heating & Refrigeration, Inc.
- Stockman Bank
- 1<sup>st</sup> Bank
- Sidney Health Center
- S/L Services, Inc.
- Erickson Contract Surveying Inc. (ECS)

Kringen Construction Inc.  
Mitchell's Oilfield Service Inc.

**Quick Change Oil  
Now Open In Sidney**

Frank Saalfeld has recently opened Quick Change Oil in Sidney. Quick Change Oil is located at 2005 S. Central across from The Depot. Frank specializes in changing oil in semis and pickups. There is easy access for semis and for every semi oil change, the drivers get a free shower. Frank has been in Sidney for two years and is the owner/operator of the business. To make an appointment stop by or call 406-788-1914.

Frank Saalfeld, owner/operator of Quick Change Oil in Sidney.

**New Civil Engineering & Land  
Surveying Company Open For Business**

Top Line Engineering is open and ready to provide civil engineering and land surveying services to businesses and individuals in Montana and North Dakota.

Owner Chad Reisig is no stranger to the Mondak region. His father was raised here and Chad made many

visits to the area to see grandparents. He was raised near Hardin and was involved with two family corporations, Reisig Cattle and Reisig Agency, which provided crop insurance. After those businesses were sold, Chad moved to Arizona and started his own business.

With all the opportunities in this area, he decided to open an office in Sidney. The business is located at 12635 Highway 200N, 2 miles north of Sidney.

Reisig has a business degree and is the owner and manager of Top Line Engineering. It is a family business which includes his daughter Taylor and his father-in-law Wayne Rosendahl who is an engineer. In addition, the company employs licensed surveyors and a professional draftsman. Everyone involved in the business is very experienced and ready to provide their customers with the highest level of service.

Contact Top Line Engineering at 701-570-2844, or call Chad at 406-665-6058, or Wayne at 480-969-3682.

Top Line Engineering owner Chad Reisig.

**For Commercial Lease**

# Heat Stressing Some Fish Populations

Much higher-than-normal July temperatures are stressing fish populations across the state.

Scott Gangl, fisheries management section leader for the North Dakota Game and Fish Department, said this summer biologists have documented fish kills in approximately a dozen water bodies throughout the state.

"Warm days followed by very warm nights are not conducive to maintaining healthy fish populations," Gangl said. "Most fish need cooler water temperatures to thrive in summer, and they are just not getting it even at night. And with continued hot, dry and calm weather conditions forecasted, we expect to experience more fish kills in the next few weeks."

Fish kills have been reported statewide. Some of the more notable water bodies and species impacted this summer include Stump (northern pike), lower James River (pike), Skjermo (yellow perch), Brewer (many species), Hoskins (many species) and Northgate (rainbow trout).

Gangl said fish species accustomed to cooler water, such as rainbow trout and northern pike, have been particularly vulnerable to warm temperatures in some locations. However, other species have also been affected as local conditions degrade into what biologists consider traditional summerkill conditions.

Traditional summerkills are caused by a combination of high temperatures and low dissolved oxygen. Warm water holds less dissolved oxygen. In addition, algae and plants begin to decompose, which also consumes oxygen.

According to Gangl, it's important to note that though a lake may have suffered a fish kill, it doesn't mean all species have died. In fact, most fish kills are only partial, killing only some of a few species.

Any observed fish mortality on area lakes should be reported to a local Game and Fish Department district office.

## Surviving Cold Water Immersion

Wear a life jacket.

Try to avoid entering the water. If you must enter the water to survive, do it slowly. If experiencing cold shock, hold onto something until breathing settles down.

Keep your head, neck, and face out of the water.

Get out of the water as soon as possible. Climb aboard a boat or on top of an overturned boat if you are unable to right it.

Do not attempt to swim for shore if it will cause greater exposure to the cold water and there is a good chance of being rescued.

If there is little or no chance of rescue and the shoreline is a reasonable swim away, swimming to shore may be the safer option.

Assume the 'Heat Escape Lessening Position' (H.E.L.P. or Huddle) to protect the core organs. While floating in a lifejacket, draw your knees together toward your chest and hold your upper arms tightly to your sides.

Remain as still as possible. Excessive movement in cold water cools the body much faster. Thrashing flushes away the water warmed by the body.

Clothing provides some protection against heat loss, especially a waterproof outer layer. Don't remove clothing—it can benefit you by trapping water warmed by the body's heat and keeps it near.

Carry survival gear including a blanket, hat and extra dry clothing on board.

For more on staying safe in the outdoors, go to the FWP website at [fwp.mt.gov](http://fwp.mt.gov) on the Recreation page, click on Stay Safe Outdoors.

# OUTDOORS

## Be Alert for Toxic Algae Before You Swim in Ponds or Lakes

When the summer is hot and dry like this one, nothing seems more refreshing than a dip in a cool lake or pond. But before you hit the water you need to be aware of the dangers of potentially toxic blue-green algae.

Hot, dry weather triggers outbreaks, or blooms, of blue-green algae. The Montana Department of Environmental Quality (DEQ) is urging people to use common sense and

### Beware Of Fire Danger

With more than 30 Montana counties under official fire restrictions, recreationists need to be prepared to prevent wildfires statewide.

Montana Fish, Wildlife & Parks reminds everyone who plans to be outdoors to be cautious of fire danger on public and private lands.

"We're urging all recreationists to exercise caution with regard to fire danger for the remainder of the summer," said Ron Aasheim, FWP's chief of communications and education. "Above all be careful."

Aasheim noted that summertime recreationists need to be prepared to prevent wildfires. FWP suggests that everyone:

" Carry in vehicles a shovel, bucket, axe, and, if possible, a garden-type weed sprayer full of water.

" Restrict camping activities to designated camping areas and check the fire restrictions before building any campfires.

" Drive only on established roads. Take care to ensure that catalytic converters and mufflers are in good repair.

" Do not stop or park vehicles over grass or brush.  
For the latest statewide drought and fire information, visit FWP online at [fwp.mt.gov](http://fwp.mt.gov). Click "Fire & Drought Updates."

avoid areas of ponds or lakes that have unsightly algae.

Blue-green algae, or cyanobacteria, reproduce rapidly in fresh water when the sunlight, temperature and nutrients are just right. Within a few days a clear lake, pond or ditch can become cloudy with algae growth. Potentially toxic blue-green algae can occur throughout Montana in any lake, reservoir, stock pond, or roadside ditch. Residential drinking water taken from a lake may also be affected. The algae is not normally found in rivers, streams, springs, irrigation canals, or wells.

A bloom often looks like bright green paint floating on the water; however it can also appear bluish, brownish or reddish green. It is made up of extremely small organisms that are very difficult to pick up or hold. They are usually suspended in water or formed into floating mats and can be several inches thick near the shoreline.

In most cases in Montana the algae is not toxic. Only certain species are capable of producing toxins, and even these species are harmless most of the time. But in their toxic form, blue-green algae can, and has, sickened or killed pets, waterfowl, and other animals, including livestock. They can also cause serious illness in humans.

Signs of a toxic bloom may include large numbers of dead fish, water fowl or other animals, the sudden unexplained illness or death of a cat or dog, especially if it has algae on its mouth, legs or feet or a skin rash on humans after being in the water. There is no way to tell for sure if the water is toxic unless it is actually injected into an experimental laboratory animal. Harmless strains of potential toxin-producing algae look the same as deadly strains under a microscope.

If you suspect an algae bloom keep children, pets and livestock away from the area of contamination. The DEQ has posted a fact sheet about blue-green algae on its website at [www.deq.mt.gov](http://www.deq.mt.gov).

# Mandan Culture and Internationally Known Traditional Flutist Featured During Indian Arts Showcase

Nationally known American Indian flute player and storyteller Mr. Keith Bear and the last fluent speaker of the Mandan Language and American Indian Educator Mr. Edwin Benson will headline the 21<sup>st</sup> annual "Indian Arts Showcase" at Fort Union Trading Post National Historic Site. This special event will take place the weekend of August 4 & 5, on Saturday and Sunday from 10 am - 5 pm each day. This event is free.

Benson is a member of the Mandan Nation out of Fort Berthold North Dakota and was awarded an honorary doctorate degree by the University of North Dakota. He's the last fluent speaker of the Mandan language which was his first language. Benson has been invited to speak at numerous places throughout the country; he is a keeper of traditional Mandan stories, culture and language. Benson will present at 12pm CDT Saturday and 1:00 pm CDT Sunday.

Bear is a nationally renowned flutist and storyteller performances include, Smithsonian Folklife festival, the Kennedy Center, Lewis & Clark Bicentennial signature events throughout the US, the International Storytellers Festival in Wales,

UK; for the North Dakota Arts Council, and in cultural programs throughout Europe. He has soloed with the National Symphony and the St. Paul Chamber Orchestra in performances of the Old Turtle Symphony. He performs at 3 pm CDT on Saturday and 3:30 pm CDT Sunday.

In addition drum and dance performances will be done daily by the Eagle Feather club from New Town, North Dakota and drum group Tatanka Oyate from Poplar, Montana at 1:30 pm CDT on Saturday and 2:00 pm CDT Sunday. Native American artisans continue to be a big part of the program, displaying their traditional arts and crafts throughout the day. Their knowledge with traditional arts and crafts continues to be the legacy for the Indian Arts Showcase.

Park hours are from 8:00 am to 6:30 pm CDT daily at Fort Union. Fort Union Trading Post is located 24 miles north of Sidney, Montana and 25 miles southwest of Williston, North Dakota, via highway 1804. While here, visitors are encouraged to tour the reconstructed fort, trade room and Bourgeois house.

# The Roundup Harvest Festival Photo Contest Winner

Pictured is **Alyxandra Hardy**, daughter of Sherry Hardy, winner of the 2011 Roundup Harvest Festival Photo Contest. The theme was "Women In Agriculture: the Unsung Heroes of the Farm. Hardy submitted a photo of a group of women cleaning up sugar beets that had spilled out of an over turned beet truck during harvest. Alyxandra accepted the award of two Richland County Fair packages on her mother's behalf.

**DRIVER WANTED**

Delivery driver for The Roundup. Must have valid driver's license, be able to lift at least 80 lbs. One day/week, sometimes two. Competitive pay. Pick up application at 111 West Main, Sidney, MT, or at the Sidney Job Service.

**BEFORE THE DEPARTMENT OF REVENUE OF THE STATE OF MONTANA LIQUOR LICENSING**

**NOTICE OF APPLICATION FOR TRANSFER OF OWNERSHIP AND LOCATION FOR MONTANA ALL-ALCOHOLIC BEVERAGES "FLOATER" LICENSE NO. 27-221-6606-001**

On May 30, 2012, Mighty Mouse, Inc. – Sole Shareholder: Jack D. Vaira, filed an application for the transfer of a license to be used at GOLD RUSH CASINO & LIQUOR STORE, 504 South Ellery Avenue, Fairview, Richland County, Montana. This license was previously held at Jackrabbit Red's Casino, 12200 West Browns Gulch Road, Butte, Silver Bow County, Montana.

Protests against an application must be (1) made in writing, (2) mailed to the Department of Revenue, Liquor Licensing, PO Box 1712, Helena, Montana 59624-1712, and (3) received and date stamped by the Department no later than the 3rd day of September, 2012.

Protests will be accepted from residents of the county from which the application originates, residents of adjoining Montana counties, or residents of adjoining counties in another state if the criteria in subsection (4)(d) are met.

Each protestor is required to mail a separate letter of protest that contains in legible print, the protestor's full name, mailing address, and street address. Each letter must be signed by the protestor. Protest petitions bearing the names and signatures of more than one protestor will not be considered. Protest letters must provide the license number, trade name, or applicant name associated with the license being protested for identification purposes. Protest letters must contain a clear statement of the writer's intent to protest the application.

The grounds for protest of an application for a transfer of location are limited to those set out in section 16-4-405, MCA, for a denial of a license, and public convenience and necessity as set out in section 16-4-203, MCA. If the protested application is for a transfer of ownership not involving a transfer of location, the grounds for protest are limited to those set out in section 16-4-405, MCA. Protest letters which do not provide the information described in this paragraph will not be considered valid protest letters. Only those grounds for protest raised in valid protest letters will be considered at hearing. An individual's testimony will be limited to the grounds for protest raised in that individual's valid protest letter.

If the department receives a sufficient number of protests to require a hearing pursuant to section 16-4-207(4)(a), MCA, a hearing will be scheduled in Helena, Montana. If the department receives a sufficient number of protests to require a hearing pursuant to section 16-4-207(4)(b), MCA, to determine public convenience and necessity, a hearing will be held in the county in which the proposed premises is located. All qualified protestors will be notified of the time, date and location of the hearing. Hearings are typically scheduled within 90 days following the protest deadline.

If a sufficient number of protests to require a hearing are not received and all licensing criteria have been satisfied, the department may issue the license without holding a hearing.

DATED: July 24, 2012

BY: Jessica Burbank Compliance Specialist

# Montana USDA Agencies Host Women Stepping Forward for Agriculture Symposium

Annual Agriculture Symposium Coming Sept. 25-27, 2012

Make plans now to attend the 12th annual Women Stepping Forward for Agriculture Symposium at Montana Expo Park in Great Falls, Mont., Sept. 25-27, 2012.

This symposium will give women involved in promoting Montana's agriculture the opportunity to learn about issues affecting Montana's rural agricultural communities, promote leadership development and further support women's leadership roles within those communities. Topics for discussion include tax issues and estate planning, USDA agency updates, the carbon footprint of agriculture, grain market outlooks, online ranching and a federal legislative update.

Registration for the symposium is set at \$50 prior to Sept. 10 and \$60 after that date. Registration fees and forms may be sent to Kathy Wiley, P.O. Box 167, Musselshell, MT 59059-0167, [skwiley@live.com](mailto:skwiley@live.com). Checks can be made payable to WSFA. The registration form may be found on the Montana NRCS Web site at [www.mt.nrcs.usda.gov/news/womenag.html](http://www.mt.nrcs.usda.gov/news/womenag.html).

Attendees are encouraged to bring a silent auction item from their local area. Auction proceeds are used to support future symposiums. There is also booth space available for your organization or business.

This year's symposium is hosted and sponsored by the following: USDA Food and Agriculture Council, Montana Agri-Women, Montana Cattlewomen, Montana Farm Bureau Women, Montana Woolgrower Women, Women Involved in Farm Economics (WIFE), Montana Beef Council, Ag in Montana Schools, Intertribal Agriculture Council, and Montana Department of Agriculture.

For more information, contact Lori Valadez, Natural Resources Conservation Service, at 406-587-6969 or [lori.valadez@mt.usda.gov](mailto:lori.valadez@mt.usda.gov) or visit the NRCS Web site at [www.mt.nrcs.usda.gov/news/womenag.html](http://www.mt.nrcs.usda.gov/news/womenag.html).
