Senator Daines Visits Sidney, Speaks About Border Security

By Jordan Hall

Senator Steve Daines visited Sidney on Saturday to attend the Richland County Republican Party's Lincoln-Reagan Day Banquet and made time prior to that event to meet supporters and veterans at the Sidney VFW Hall. Fielding questions on a number of issues, Senator Daines gave his thoughts on various political matters and took time first to discuss the importance of border security.

"I wish every member of congress would jump on a plane and go to the Southern border and spend a few nights with Border Patrol and that is what I did," Daines told the crowd of approximately two-dozen residents.

Recalling a recent trip to the American-Mexican border to survey the problems along the demarcation, Daines explained, "I got picked up by Border Patrol at 2 a.m. there in Texas in the Rio Grande Valley Sector. It was 277 miles of border, and is ground zero for the majority of where illegal immigrants are coming over as well as illegal drugs. And why are they coming over in that

specific area in the Rio Grande Valley Sector?"

Daines continued, "I'll tell you why. It's because in other sectors like Yuma, Tucson, San Diego, they put physical barriers up, employ technology, and they see reductions of 95 to 99 percent of illegal crossings."

Daines said, "I've always said if you want to find out the truth, with all due respect to bureaucrats, go listen to people in the field and they'll tell you what's going on. I spent time with the agents and they're pleading with us to provide the resources for barriers and to get this done. They're catching hundreds of illegals every night and day in just that one sector alone."

While with the Border Patrol, Daines said that he saw the apprehension of illegal aliens first hand.

"We watched them apprehend two men from Honduras at about 4 o'clock in the morning. It was misty, radios were cackling, and we saw these men run across a field and they caught them," Daines recalled.

He continued, "I instruct-

ed them to ask where they're from and where they're going. One man said he was from Honduras and going to New York. The other man said he was from Honduras and going to Miami. On average they're paying Mexican cartels eight thousand dollars raised in the U.S. from their family and are giving billions of dollars to illegal cartels."

Daines also recalled having seen cartel scouts watching the border and reaching cartel 'mules' via radio and warning them of Border Patrol activity. Daines said, "They're not being inconspicuous. They're radioing upstream to help people bring drugs across."

These drugs are making it into Montana, according to Daines. "The number one drug hitting Montana is meth," the Senator reported. "This meth is over 90 percent pure. The meth of twenty years ago in Montana was home lab meth. This meth is cartel meth, price has come down, and distribution is expanding. Because of these Mexican cartels, we have a meth epidemic right here in Montana. I've spent

Kruse Stiles (9, left) and Kash Stiles (12, right) with Senator Steve Daines (middle).

time at the Rimrock Rehabilitation Center in Billings, and the number one addictive substance for moms is meth, even for mothers of small children. What's happening on the border affects us here."

Honoring Arch

Brockton High School basketball player Adam Track chose to honor the late Arch Ellwein by presenting his star quilt to Arch's mother Grace in the Star Quilt Ceremony held during the District 2C basketball tournament in Sidney on Feb. 16. Pictured above is Ira Track, Grace Ellwein, Adam Track, Rita Track and Olivia Johnson.

LYIP Holds Annual Meeting

The Lower Yellowstone Irrigation Project held its annual meeting last Thursday in Sidney. A much more relaxed LYIP manager James Brower gave an update on the past year's projects and progress, frequently praising the hard working staff, and thanking the community for its support.

The MonDak Heritage Center Announces The 12th Annual Celebrating Chocolate, Saturday, Feb. 23

The MonDak Heritage Center announces the 12th Annual Celebrating Chocolate fundraising gala on Saturday, February 23 at 7 p.m. at the MonDak, 120 3rd Ave SE, Sidney! The theme for this year's Celebrating Chocolate is Jazz, from the classic jazz of the 1920s to the bebop of the 1940s and beyond. Join us for live music by Sundae + Mr. Goessl, a husband and wife duo that puts on a vintage-inspired show blending blues,

jazz, swing, country, and Latin sounds and performing hits from the roaring twenties to modern classics and originals. Enjoy an amazing menu of sweets and savories crafted to fit the theme by Simply Scrumptious Bakery. Plus, take a chance to win a bottle of fine wine in our wine pull and go home with a unique experience, beautiful piece of art, or another great prize from our silent auction! Tickets are \$60 per person or \$50 for

MDHC Members. All proceeds support MDHC exhibits, programs, and collections preservation! To purchase tickets visit the MonDak Heritage Center Tuesday-Friday from 10 a.m. to 4 p.m. or Saturday from 1 to 4 p.m., call MDHC at 406-433-3500, or order tickets online at mondakheritagecenter.org. Celebrating Chocolate is sponsored by Stockman Bank and ONEOK!

Cell Phones For Soldiers

Sidney-Richland County Library New Drop-Off Location

The Sidney-Richland County Library has recently signed on to collect cell phones and other devices to benefit troops and veterans through the non-profit organization Cell Phones for Soldiers. The Library joins the Health Department in becoming a drop-off site for the program.

Three programs cooperatively work to answer the needs of service men and women. "Cell Phones for Soldiers" is a national non-profit serving troops and veterans with free communication services and emergency funding. Their "Minutes that Matter" program provides free calling cards to active military members to connect with loved ones. The "Helping Heroes Home" program assists veteran servicemen and women with emergency funds to alleviate communication challenges and other hardships.

Since 2004, Cell Phones for Soldiers has provided military troops with more than 300 million "Minutes that Matter" and has assisted more than 3100 veterans with emergency funding since 2012.

Both programs are funded through the recycling of cell phones and other devices. More than 15 million devices have been recycled, reducing the impact on local landfills.

Used cell phones, tablets and mp3 players may be dropped off at the front desk at the Sidney-Richland County Library during regular business hours. The devices can be in any condition, and removing personal information is not necessary, as phones are not sold or redistributed. More information about donating or receiving services can be found at: <https://www.cellphonesforsoldiers.com/about-us/faqs/>

The Sidney-Richland County Library is located at 121 3rd Ave NW in Sidney, and is open from 10 a.m. to 6 p.m., Tuesday through Saturday.

OBITUARIES

Barbara May Johnson Sidney, MT

Barbara May Johnson, 84, of Sidney, passed away Wednesday, February 13, 2019 at the Sidney Health Center. She passed peacefully, in her sleep.

Barbara was born August 9, 1934 in Grand Rapids, Mich., to John and Mildred Cooley. Barbara's mother passed away when Barbara was very young and she was adopted and raised by her grandparents, Nettie and Charles Richardson.

She had two siblings, brothers Ernest Ziegler and Verner Richardson. She was raised in and attended schools at Ionia, Mich. She graduated from Ionia High School in 1952.

Following high school she attended Davenport Business School in Grand Rapids. She was working at Sears Roebuck in Grand Rapids where she met the love of her life, Paul T. Johnson. They met on January 31 of 1955, were engaged three weeks later and married on July 2, 1955. The happy couple celebrated their 63 Anniversary in 2018. The marriage produced four children: Kristine, Linda, Eric and Philip.

Barbara enjoyed painting in watercolors, arranging flowers, cooking, entertaining, singing, and traveling with Paul and her family. She was a member of the Sugar Valley Chapter of Sweet Adelines for ten years. She was also a member of P.E.O Chapter W and a longtime member of the Lonsdale United Methodist Church in Sidney. She was active in numerous sororities, including Beta Sigma Phi, NILE and Eastern Star.

Barbara enjoyed many things in life, none greater than spending time with her grandchildren and great-grandchildren, and traveling the world. Barbara and Paul loved Hawaii and traveled there together for more than 30 years.

Barbara is survived by her husband Paul; her children Kristine (Blaine-Chip) Gifford; Linda (Jim) Heins; Eric (Stephanie) Johnson; and Philip (Joy) Johnson; 16 grandchildren; 11 great-grandchildren (so far); and numerous nieces and nephews. She was preceded in death by her parents and brothers.

Barbara's funeral service was held at 11 a.m., Monday, February 18 at the People's Congregational Church in Sidney. Fulkerson Stevenson Funeral Home of Sidney was in charge of arrangements. The family asks that memorials be donated to the Foundation for Community Care, or a charity of your choice.

Robert “David” McGinnis, 60 Sidney, MT

Funeral services for Robert “David” McGinnis, 60, of Sidney are at 10 a.m., Thursday, February 21 at Faith Alliance Church in Sidney with Pastor Paul Turek officiating.

Interment will be in Crane Cemetery, Crane, MT under the care of Fulkerson-Stevenson Funeral Home of Sidney.

Visitation will be on Wednesday, February 20 from 10 a.m. to 6 p.m. at the funeral home and one hour before service at the church.

Remembrances, condolences and pictures may be shared with the family at www.fulkersons.com.

David passed away on Wednesday, February 13 at the Sidney Health Center, Sidney, MT.

Sidney Public Schools Is Sponsoring A Child Find/Preschool Screening Program, Feb. 25 & 26; March 4 & 5

This is an annual event through which we hope to identify any children (birth to age 6 – excluding kindergarten students) within the Sidney school district who may be having developmental problems or delays.

This screening will be held at Central School (200 3rd Ave. SE) on the following dates:

Monday, February 25, 2:30-7:30 p.m.
Tuesday, February 26 from 2:30-7:30 p.m.
Monday, March 4, 2:30-7:30 p.m.
Tuesday, March 5, 2:30-7:30 p.m.

The purpose of the preschool screening is to identify those children who may need educational, medical, or other types of assistance for problems or handicaps that may not have been detected.

To have your child included in the screening, appointments are necessary. Appointments will be taken by calling the Administration Office at 433-4080 during school hours. You are encouraged to bring your child even if they attended last year. The screening is provided at no cost as a public service of the Sidney Public Schools. For further information, call Michelle Monsen at 433-4251.

Annual Lutefisk And Meatball Dinner, Sat., Feb. 23, Williston, ND

The 86th annual Lutefisk and Meatball Dinner will be held Saturday, February 23 at First Lutheran's Church Fellowship Hall, 916 Main St., Williston, ND from 11 a.m. to 5 p.m. or until the food runs out.

The people in charge of the arrangements this year are David Brevik and Pat Hamers.

The public is invited to attend, tickets are available at the church office, Monday through Friday. Ticket prices are adults: \$18, \$15 before February 20; students through Junior High School, \$8 and preschoolers are free.

Six hundred men, women and youth are involved preparing, planning and serving the family style dinner. There will be delivery service until 3 p.m., and take-out service from 11 a.m. to 4:30 p.m. Please call First Lutheran Church, 701-572-6363 on the day of the dinner to arrange these services.

Over 2,800 people were served meatballs and lutefisk at the 2018 dinner. The church will be preparing 2,000 pounds of lutefisk, ½ ton of potatoes for the meal, and 650 pounds of hamburger for meatballs and all the trimmings for the meal.

Seventh Annual Reclamation Workshop Feb. 25-26

DICKINSON, N.D. – Dickinson State University and North Dakota State University (NDSU) continue to recognize the need to provide timely, effective reclamation information to affected stakeholders in the Bakken energy development. This effort began in February 2013 when the first reclamation workshop was held in Dickinson.

This year's seventh annual workshop is titled "Reflecting on Reclamation" and will be held Feb. 25-26, 2019, at the Astoria Hotel & Event Center in Dickinson. Hosting the event are NDSU Extension, Dickinson State University, Society for Range Management, USDA-ARS, North Dakota Department of Health and BKS Environmental Associates, Inc.

The Monday session Feb. 25, will highlight keynote speaker Graeme Spiers, Laurentian University from Sudbury, Ontario, Canada. The title of Mr. Spiers' presentation is "The Sudbury Protocol – 40 years of Landscape Healing." Vendors will also present their services and/or products in a trade show atmosphere. Registration begins at 3 p.m. with the trade show opening at 5 p.m. and the keynote speaker at 6:30 p.m.

Tuesday, Feb. 26, will have one combined Government session in the morning beginning at 8 a.m. with a joint session for Soils and Vegetation on research updates from

NDSU. The two concurrent afternoon sessions are on "Soils" and "Vegetation" as individual topics. Second-day registration begins at 7:30 a.m. through the east doors of the hotel.

Topics and speakers for the Government session and joint Soils and Vegetation are:

- Bill Suess, NDEQ/ NDDOH, "Cleanup Guidelines, One Stop Reporting"
- Jon Ellingson, NDIC, "Brine Pond Remediation Techniques – NDIC Oil and Gas Division Research"
- Jay Almie, EERC, "iPIPE: Changing the Message on Pipelines"
- Kevin Sedivic/Miranda Meehan, NDSU, "Vegetation Establishment in Brine Impacted Soils"
- Aaron Daigh, NDSU, "Soil Remediation Research at NDSU: Past, Present and the Future"

Speakers and topics for the Soils session are:

- Randy St. Germain, Dakota Technologies, "High Resolution Site Characterization of Contaminant Releases"
- Brett Tuchscherer, Vertex, "Applications of Geophysics in Reclamation and Remediation of Oil and Gas Sites"
- Chris Athmer, Oasis Petroleum, "Implementation of Electrokinetic Based Soil Desalinization"
- Tom DeSutter, NDSU, "The 2013 Black Slough Pipeline Release in

Mountrail County, North Dakota: A Summary of Research Results"

- Greg Petrick, BNI Coal, Coal Ash Cell Reclamation: A Look at Reclamation Strategies"
- Bernie Saini-Eidukat, NDSU, "Current Regional Research on Erionite and Implications"

Speakers and topics for the Vegetation session are:

- Jeremy Yeglin, Golder, "Land Treatment Bioremediation for Hydrocarbon Impacted Soils in North Dakota"
- Zach Sylvain, ARS, "Reclamation Success after 3-33 Years"
- Matt Rinella, ARS, Improved Methods for Restoring Diverse Native Plant Communities to Surface Coal Mining Lands"
- Elizabeth Murray, Earthmaster Environmental Stategies, Inc., "Phytoremediation Technologies for Restoring Salt and Hydrocarbon Contaminated Soil"
- Carmen Waldo/Cathy Walsh, USFS, "Pipeline Reclamation Process"
- Krista Ehler, SDSU, "Integrated Management of Invasive Plants in Degraded Landscapes"

Registration costs for this event are \$90 by Feb. 15, or \$110 at the door. Registration includes hors d'oeuvres on Monday evening, and breakfast, lunch and refreshments on Tuesday. To register online,

visit www.ndreclamation.com.

Legislative Report

By Steve Hinebauch
Greetings from Helena!
There are some legislators and bureaucrats who think "We the People" can't operate without the government telling us what to do. That was very evident in the hearings this week at the Capitol regarding Child and Family Services (CFS). In the four states that border us, according to the latest available information, there are 3.9 million people and they have 5,700 children in foster care. In Montana, with 1 million people, there are close to 4,000 children in foster care. We have almost 3 times as many per capita in the custody of CFS as our surrounding states. In 2016, 14 children in Montana died while under the supervision of CFS and it doesn't look like it is improving. Obviously CFS in our state doesn't have all the answers and maybe has too

much power.
A couple of bills we heard this week in Senate Fish and Game committee were SJ6 and SB185. SJ6 was a resolution asking the US Congress to take the grizzly bear off the endangered species list. SB185 was a bill that would end trapping and hunting of wolves in a buffer zone outside Yellowstone National Park. They were long hearings into the night with lots of passion on both sides. Neither hearing changed my mind. I will vote Yes on SJ6 and No on SB185.
The 2 agriculture bills that I carried, SB73 and SB137, passed through the Senate unanimously. They now move on to the House Agriculture Committee.
There were a lot of people from SD 18 in the Capitol this week. It was nice to visit and spend time with them.
I look forward to hear-

Montana State Senator Steve Hinebauch

ing from you regarding your questions or concerns. You can contact me by phone 406-989-1372, by e-mail hinebauch@mtleg.gov, or by regular mail Senator Hinebauch Capitol Building PO Box 200500 Helena, Mt 59620-0500.

Reese Johnson puts up a shot for two points against Jamestown. The Wolves came up short against the number one rated Jamestown team 46-86 in Saturday afternoon's game at the Rough Rider Center.

Planter Test Stand Days Feb. 26-27

Sidney Sugars will host the annual planter test stand days Tuesday, February 26 and Wednesday, February 27 at Tri County Implement in Sidney. Growers wishing to participate need to call Sidney Sugars at 406-433-3309 to schedule an appointment. Agriculturalist Kathryn Cayko stated that one of the most important steps to producing a good crop is to get an accurate count. The event is free of charge.

CAEP Cultural Exchange Program Explained

By Dianne Swanson

In our Salute to the Beet Growers edition, which was published on February 13, Scott and Anita Buxbaum discussed the program through which they host agriculture exchange visitors.

Maja Behrens, CAEP manager, explained the program further. The Exchange Visitors that (Buxbaums) are hosting are on CAEP's Cultural Exchange Program with a training component in agriculture. The purpose of the program is to increase mutual understanding between the people of the United States and the people of other countries by means of educational and cultural exchanges. Educational and cultural exchanges assist the Department of State in furthering the foreign policy objectives of the United States.

The host creates a training plan for the exchange visitor to learn agriculture skills from the hosting organization as well as experience the people and culture from the hosting community. The exchange visitor may stay in the cultural exchange program for one year and has the chance to travel the United States after the completion of the program to learn more about the country.

Behrens is originally from Switzerland, not Sweden as stated in the Buxbaum story.

Wed., Feb. 27: Hot dogs or brats, macaroni and cheese.

Harvey Senn Inducted into Thrivent Financial Hall of Fame

Senn recognized for his commitment to helping Thrivent members on their wise with money journeys

Sidney, MT – Harvey Senn, LUTCF, FIC, CLTC of Sidney was one of 11 financial professionals recently inducted into the prestigious Thrivent Financial Hall of Fame.

Senn is a Financial Associate for the Northland region of Thrivent Financial.

The Hall of Fame is one of the highest honors Thrivent gives to financial professionals in its field organization. Inductees have served the organization for at least 20 years, guiding Christians on the Wise with Money Journey and helping them lead confident, content and generous lives. Since the Thrivent Hall of Fame began in 2003, 247 financial professionals have been inducted.

"We're so thankful for Senn's dedication to our members and Thrivent," said Tom Young, senior vice president of distribution at Thrivent. "Senn believes in helping our members develop a healthy relationship with money, no matter what twists and turns come along the way. He always goes the extra mile to make sure Thrivent members have the guidance, tools and resources they need to make wise financial decisions that reflect their values."

Harvey Senn

The MDHC Announces Upcoming Events March 1 & 2

My Country No More! • Friday, March 1, 7 p.m.

Set in Trenton, North Dakota during the rise and fall of the new American oil boom, My Country No More paints an intimate portrait of a rural American community in crisis, forced to confront the meaning of progress as they fight for a disappearing way of life. The film focuses on plans by oil companies to construct an oil processing plant in the area and follows one family's opposition to the development, as well as workers and community members in favor of it. My Country No More won Best Feature at the Big Sky Film Festival in 2018. Film run time is 56 minutes.

Following the film, Kalie Rider, one of the main characters, will be on hand to discuss her experiences and perform a song or two as part of a Q&A

with audience members.

My Country No More and all films in the First Friday Film Series are FREE to the public and sponsored by Mid-Rivers Communications! The series includes: California Typewriter on April 5 and The Rider on May 3.

The views and opinions expressed in the films in the First Friday Film Series are those of the characters and/or directors and do not necessarily reflect the views of the MonDak Heritage Center or our sponsor Mid-Rivers Communications.

Homes & Honky Tonks: Post WWII Women In Country Music By Almeda Bradshaw • Saturday, March 2, 7 p.m.

Almeda combines history and music for an interesting and entertaining program! For working class country folk,

honky tonk music became their voice of loneliness and alienation as men and women coped with the stress and adjustments of life after the atomic bomb. 1950s suburban conformity, meant to help normalize the family unit, only contributed to feelings of victimization for both sexes. Examine how PTSD, then unrecognized, contributed to the dysfunction of families and learn how Kitty Wells, Patsy Cline, Loretta Lynn and others responded in their songs to the social changes of post-World War II America.

This program is FREE to the public thanks in part to Humanities Montana and their Montana Conversations program. For more information, contact MDHC at 406-433-3500 or go to mondakheritagecenter.org.

Montana Historical Society Trustees Seek Nominations For History Awards

The Montana Historical Society is seeking nominations from across the state to honor the people who are the backbone of local and state history.

Every community has a person, or an organization, to whom they turn with questions about the history of the people and the events that have shaped the cities, towns and rural areas in which they live. Each year at the Montana Historical Society's History Conference the MHS trustees present two Heritage Keeper Awards to honor those guardians of local history.

Nominations must honor living individuals who have demonstrated commitment to significant local or statewide his-

tory projects or to the identification and preservation of objects, buildings, or sites that tell important stories about the Treasure State's past.

Examples of potential nominees include educators, authors, genealogists, historians, preservationists, archivists, or any other person or group devoted to the preservation and interpretation of Montana's heritage and culture.

Nominations must include the official nomination form, a brief explanation of the extent and significance of the body of work of the nominee, and can include supporting documentation of things like news articles, commendation, letters of support, photographs, and other examples of the nominees' work.

Nominations can be made online at www.montanahistoricalsociety.org then click on top of the page "About MHS," and then click on Montana Historical Society Trustees, and at right of that page click on "Trustees Heritage Keeper Award." Those who don't have access to computers, or who have questions, can contact Joy Lewis at 406-444-1799 for the nomination form or other information.

Nominations for the Heritage Keeper awards must be submitted by March 16.

Montana Department of Transportation Proposes Resurfacing Project for U.S. Highway 2 Between Poplar and Brockton

POPLAR - The Montana Department of Transportation (MDT) would like to notify the public and seek comments on a proposal to resurface about 13 miles of U.S. Highway 2 (US-2) west of Brockton in Roosevelt County.

The project begins at the east edge of Poplar at reference post 613.26 and extends east for 12.9 miles, ending near the east edge of Brockton at reference post 626.13.

The project begins at the east edge of Poplar at reference post 613.26 and extends east for 12.9 miles, ending near the east edge of Brockton at reference post 626.13.

Proposed work includes milling the existing surface, applying a new overlay, and finishing with a seal and cover (chip seal), culvert replacement, upgraded pavement markings, rumble strips, signage and guardrail. The existing asphalt sidewalk on the north side of US-2 through Brockton will also be replaced with a new concrete sidewalk and Americans With Disabilities Act-compliant ramps at the intersections.

The purpose of the project is to extend the life of the pavement and to reduce maintenance costs. No new right-of-way or utility relocations will be needed.

Typically, pavement preservation projects of this size and scope are advanced to construction as soon as possible, generally within two to three years. A target construction date will be determined upon completion of all project development activities and availability of funding.

For more information, please contact Glendive District Administrator Shane Mintz at (406) 345-8212 or Project Design Engineer Megan Cail at (406) 4446230. Members of the public may submit written comments to the Montana Department of Transportation Glendive office at P.O. Box 890, Glendive, MT 59330-0890, or online at: mdt.mt.gov/mdt/comment_form.shtml

Please note that your comments are for project UPN 9405000. Alternative accessible formats of this information will be provided upon request by contacting Alice Flesch, Human Resources and Occupational Safety Division, P.O. Box 201001, Helena, MT 59620; (406) 444-9229; TTY (800) 335-7592; fax (406) 444-7243, or e-mail to aflesch@mt.gov.

Livestock Reports Due March 1

Montanans have just a few more weeks to report the livestock they own in order to pay the per capita fees set yearly by the Montana Board of Livestock.

Livestock reports are due March 1. Owners can report online at ReportYourLivestock.mt.gov.

Owners must report the number of each type of livestock they owned as of February 1.

If you reported last year, but no longer own livestock, you still need to report to let us know your livestock count is zero.

Owners preferring a paper reporting form can call (406) 444-6900 or get one at any Montana Department of Revenue field office.

Per capita payments are due May 31.

Energy Roundup

Enerplus Continues Investment In Bakken In 2019

By Jordan Hall

Having been established in 1986, Enerplus is a crude oil and natural gas producer with production assets in both Canada and the United States. The company trades on both the Toronto Stock Exchange and the New York Stock Exchange and is a powerful producer in the Bakken oilfield. The corporation is focusing heavily on the region's oil and natural gas production and is forecasting strong profits for 2019.

Based in Calgary, Alberta, Enerplus is planning to spend approximately 80 percent of its operating budget – more than \$635 million – on 42 wells in North Dakota. It is currently

unknown how or if they plan an expansion of production in Richland County.

Enerplus slowed their production and drilling activity toward the end of 2018 due to market volatility, but will reportedly increase their production later in 2019. The company will plan to produce somewhere between 52,500 to 56,000 barrels of oil each day. At this volume, the company projects the expense per barrel of oil produced will be about \$8 dollars, which is a competitive price.

According to Ian Dundas, the president and CEO of Enerplus, "Our 2019 plan is expected to generate double-digit returns on capital

employed and competitive oil production per share growth while operating within cash flow based on prevailing commodity prices."

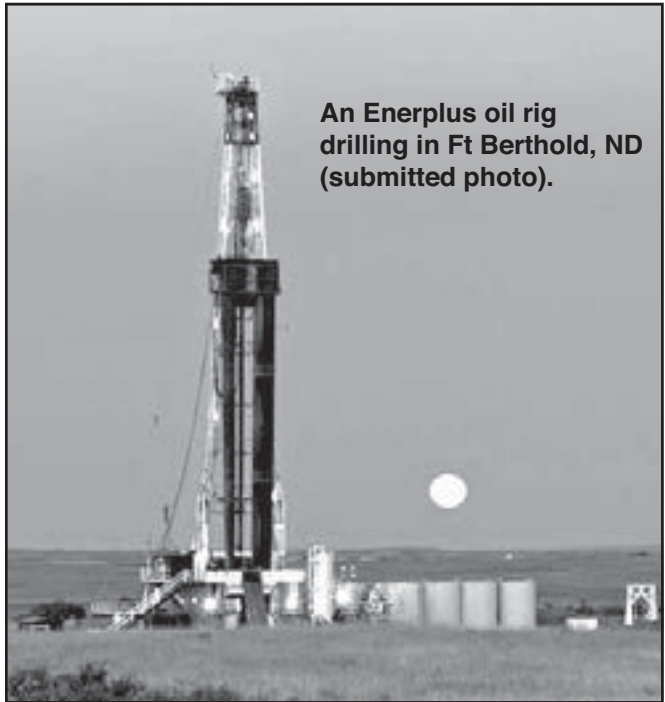

He continued, "If we see commodity prices improve, we would expect to generate meaningful free cash flow."

An additional 7.5 percent of Enerplus' budget will be allocated to Canadian production and another 5 percent in Pennsylvania and elsewhere.

The company noted, "With second-half weighted production growth in 2019, Enerplus expects to deliver approximately 9 percent annual liquids production growth at the midpoint of its guidance range. Thereafter in 2020 and

2021, Enerplus expects to grow its liquids production by 10 percent to 13 percent per year. This growth outlook is underpinned by the Company's high-return, light oil asset in North Dakota."

The bulk of Enerplus' Bakken crude oil properties are located in the Fort Berthold region of North Dakota and in the Elm Coulee field in Richland County, Montana. Although the company has three main branches, the Williston Basin is responsible for the lion's share of the company's production and it's growing rapidly.
