## MonDak Area Suicide Awareness Walks/Runs To Be Held Throughout Sept.

By Anna Dragseth

The month of September is National Suicide Prevention Month, so in order to shed light on this national health problem, the MonDak region will be putting on several different suicide awareness walks/runs throughout the month.

The first event in this area will take place on Saturday, Sept. 12, in Watford City. The Suicide Awareness Run/Walk will start at 9 a.m. CDT in the parking lot of Stonehome Brewing Co. There will be routes mapped out for the 5K, 10K, and half-marathon races.

There is a \$30 fee for each race; all proceeds from this race will go to the National Alliance of Mental Illness, which is one of the nation's largest mental health organizations dedicated to building better lives for Americans affected by mental illnesses. To register for this event and/or purchase a suicide awareness t-shirt, you can visit <https://www.runreg.com/9582>.

The Eastern Montana Out of the Darkness Experience event will occur on Saturday, Sept. 19, at Veterans Memorial

Park, Sidney. Walker check-in will start at 9 a.m. MDT, and the opening ceremony will start at 10:15 a.m. Participants can join and create teams; registration is free, and all donations will go to the American Foundation for Suicide Prevention - for more information on this specific event, you can visit [www.afsp.org/easternmt](http://www.afsp.org/easternmt).

"The event will look very different this year, but we are still going forward with having this important event for the community," stated Nick Kallem, Eastern Montana Out of the Darkness Experience event organizer.

The third suicide awareness event will take place on Saturday, Sept. 26, in Williston. The Williston Out of the Darkness Williston Experience will begin at 10 a.m. and go until 12 p.m. CDT. Registration for this event is free and can be completed online by searching "Williston Out of the Darkness Experience registration" and clicking on the AFSP website.

There will be four separate locations in Williston for participants to meet including the Alien Park, Harmon Park, Spring Lake Park, and Dakota Parkway. "We picked four

different locations to ensure that our walkers stay safe and healthy while spreading awareness. We are asking participants to pick one of those locations to walk around from 10 a.m. - noon. There will be t-shirts, honor beads, and water provided to participants at each of those locations," explained Tarren Rehak, event chair.

"I think more than ever, especially this year because of COVID-19, we need to come together as a community and let each other know that you're not alone, and there is hope, and we'll get through these tough times together," said Rehak.

Although these events might look different compared to previous years, the mission to "Save Lives and Bring Hope to Those Affected by Suicide" has not changed. People who participate in these events join an effort to raise awareness and funds that allow suicide prevention groups to invest in new research, create educational programs, advocate for public policy, and support suicide loss survivors.

## Light The Night In Honor Of Area Cancer Patients

Submitted by Rita Steinbeisser, Senior Executive, Marketing

Sidney, MT - Sidney Health Center Cancer Care and the Foundation for Community Care are coordinating the annual Light the Night event, set to take place Thursday, Sept. 17 at Foundation Parking Lot, Sidney. Light the Night raises money to honor cancer survivors as well as loved ones who have been lost, and helps ensure the continuance of quality cancer treatment in Richland County.

This year's event is looking a little different compared to previous years and offering a virtual awareness on Facebook. The public is invited to stop by the Foundation parking lot, 221 2nd ST NW, from 6-8 p.m. Reese and Rays IGA will be selling ice cream treats and there will be a luminary display honoring those affected by cancer.

Each year, the Foundation for Community Care sells individual lanterns in memory or honor of loved ones who have battled cancer. These lantern lights will be on display the evening of Sept. 17 around the Foundation's building, illuminating the night with purpose and passion for those affected by cancer. Individuals can also buy garden solar lights to display in their own yards in honor of their loved ones.

The luminary and garden solar lights are on sale now for \$10 each at the Foundation's website or through the office.

Prior to the main event, Reynolds Market, Sidney, is sponsoring a Light the Night for Cancer Care fundraiser lunch 11a.m.- 2 p.m., Friday, Sept. 11. Reynolds will be grilling the famous Redneck Main Link Brats. To-go lunches will include a Redneck brat, chips and water for \$5 per plate.

All proceeds from this fundraising event will benefit Sidney Health Center's Cancer Care through the Foundation for Community Care. Sidney Health Cen-

ter Cancer Care provides the latest and most up-to-date medical equipment and programs to patients seeking cancer treatment in the MonDak region. In fiscal year 2020, there were more than 1,800 medical oncology visits and more than 4,200 radiation therapy visits at Sidney Health Center.

Area cancer patients have expressed their appreciation and testimonials related to the importance keeping cancer care close to home.

"I believe it is important to support our local Cancer Care services and the Foundation for Community Care. Sidney has a modern

facility with new equipment. The doctors, nurses and staff genuinely care; they keep up-to-date with the latest treatments available, and did everything they could to assist with my recovery." — Charles M. Butler III, Sidney, MT.

"When I was diagnosed with breast cancer and after several appointments in Billings, my husband and I decided Sidney Cancer Care was the best option for us; it is closer to home and both Dr. Chad Pedersen and Dr. Ralf Kiehl are so kind, compassionate and professional. I am so grateful to have access to a top-notch cancer clinic

within 100 miles. The doctors, nurses and staff are loving and professional; they became like family to us through their compassionate care." — Mae Clawson, Outlook, MT.

"At 39, I was diagnosed with breast cancer. I received chemotherapy and radiation at the Sidney

Cancer Care. I have had such a great experience with all of the staff at the Cancer Center! They had my best interests at heart and followed the newest and most valuable protocols, treatments and technology. I felt in very good hands and trusted them completely. Supporting

perience of doing a variety of artwork, but she claims that murals are one of her favorite types of art. “I really enjoy doing public art like this - this might be my favorite type of art that I do just because I know it will reach so many different people.”

Roesch has done several murals in South Dakota, and more recently, she has done a mural in Jamestown, ND. “This summer, a mural project really just fell in my lap. A business in Jamestown got a grant for a mural, and the style they wanted was really close to what I do already, and it was only a block from where I live, so it really couldn’t have been more perfect.”

Jesse Veeder Scofield, Watford City, saw the mural she did in Jamestown and contacted Roesch to see if she could do one in Watford City. “I designed Jesse’s most recent album cover earlier this year - it was such a huge opportunity. And then she had seen the mural I did in Jamestown, and asked if I would come do one in Watford City and here we are!”

Roesch is originally from Roscoe, SD, but currently resides in Jamestown, where she has been pursuing her career as an artist. She said, “The last six years I’ve been doing art full time self-employed. I sell art at festivals in the summer and teach artist residencies at elementary schools. I have also started teaching one college credit at the University of Jamestown.”

When asked how she became involved in art, she responded, “art is just something that I have been doing since a young age, I just kept doing art until I became an artist. When I was young, my most inspirational person was my grandpa - he’s a farmer and rancher in South Dakota, and he is quite good at drawing; he doesn’t do anything professionally, but as a kid, I thought he was the best artist in the world, and I wanted to be an artist just like him, so I kept practicing. He’s 93 years old, and he is still a big supporter and influencer in my life.”

Roesch displays her artwork on many different social media platforms, including Facebook, Instagram, and YouTube. Examples of her artwork can be viewed by searching “sketching spot” on social media platforms and by visiting her website: [www.sketchingspot.com](http://www.sketchingspot.com).

## Gordon Herbert Berndt, 95 Williston, ND formerly of Fairview, MT

Gordon Berndt, 95, Williston, ND, passed away on Sunday, Aug. 23, 2020 in Billings, MT. A private/virtual ceremony is planned for the near future in Sidney with burial to be in Sidney Cemetery. Cremation has taken place and Fulkerson Funeral Home, Sidney, MT is caring for the family. The family is planning to have a Celebration of Life/Memorial for Gordon next summer with family and friends. Please make any memorials to your favorite charity. Remembrances, condolences and pictures may be shared with the family at [www.fulkersons.com](http://www.fulkersons.com).

Gordon Berndt

Gordon Herbert Berndt, Williston, ND, formerly of Fairview, MT, passed away peacefully on Aug. 25, 2020, in Billings, MT, after a yearlong battle with cancer. He was comforted at his passing by his son, daughter and their spouses at Sweetwater Assisted Living. St. John’s Hospice was assisting with his care.

Gordon was born Nov. 13, 1924, as the 11th of 13 children to his parents Gustav and Frederika (Senechal) Berndt on their farm north of Anamoose and Drake, ND. He attended school at Round Lake School through the 8th grade.

Gordon arrived in Fairview in 1944 to visit sisters and soon found work at Thomas Service Station. He met Irene Henderson through her brothers. Gordon and Irene were married in 1945 at Irene’s parent’s home place west of Fairview, which they later farmed. Their three children, Dennis, Gene, and Colleen were born during this time as well as infant daughter Wanda, who died at birth. Gordon started driving a school bus route while farming, as well as the activity trips, and continued for many years. He enjoyed the many students who rode the bus during the years. Gordon and Irene were long time members of the Lonsdale Methodist Church, Sidney, MT.

The family moved to Fairview in 1961 and Gordon worked for Davidson Hardware and then started a long career with Cenex in Fairview and Sidney. He retired from Cenex in Sidney at age 81 after some 43 years. He enjoyed working with the many customers over the years and the fellow workers at both Fairview and Sidney. Gordon was an accomplished guitar player and took great pleasure playing in a local country band that performed at many venues across eastern Montana and western North Dakota. He also gave guitar lessons to local youth.

Gordon enjoyed gardening, reading, walking, feeding and talking to his local rabbits, squirrels and birds. He was always up for a good visit and laughs with friends and relatives, or sometimes strangers. Having a piece of pie, cake or any other dessert always made those visits extra special.

Irene passed away in 2010 and Gordon moved to Bethel Heritage Manor independent living in Williston. He found many new friends and always looked forward to working on puzzles, doing his walking and getting visits from friends and relatives.

Gordon’s greatest joy was being with family. The visits, gatherings big or small, holiday meals and special occasions with his children, grandkids, great grandkids, brothers, sisters’ and in-laws families were always very special. Gordon had a great sense of humor and loved a good joke and laugh. They were always a part of his letters and phone calls. He lived a long, good life and will be greatly missed.

He is survived by his son Gene (Lenore) Berndt, Billings, MT; daughter Colleen (Cal) Peterson, Williston, ND; daughter in-law Barb Berndt, Helena, MT; grandchildren and great grandchildren Troy Berndt, Missoula, MT; Tracy (Jenna) Berndt and their daughters Braelynn and Ainsleigh, Missoula, MT; Shayla (Rocky) Vaira and children Triston, Madison, Mya, Lithia, FL; Brady (Megan) Berndt, Moorhead, MN; Laci (James) Hart, Gillette WY, and their children Gavin, Cooper, Kynli and Aria; Rayna (Erik) Jorgenson, Bainville, MT and children Jolee and Parker; Lance (Jessica) Berndt, Fargo, ND; Megan Berndt, Richmond, IN; sisters in-law Irlene (Walter) Berndt, Billings, MT; Ethel (Skee) Berndt, Sidney, MT as well as numerous nieces and nephews.

Gordon was preceded in death by his wife of 65 years, Irene; his son Dennis in 2017; infant daughter Wanda; his parents, father and mother in-law Arthur and Jesse (Thomas) Henderson; brothers Rueben, Al, Walter, Leslie (Skee), and Russell; his sisters, Agnes Riedel, Grace Elliot, Ellie Johnson, Gladys Martin, Amy Schmick, Ethel Berndt and Marcia Berndt.

The family would like to thank all of his doctors and nurses over the years, the staff at Sweetwater Assisted Living and St. Johns Hospice, and all of his friends and staff at Bethel Heritage Manor and his good friend Sally Melland, who helped with many things and provided good company.

## Representative Joel Krautter Honored for His Community Mental Health Work

At the close of its inaugural Mental Health Conference the week of Sept. 14, Disability Rights Montana will be recognizing Representative Joel Krautter for his work during his freshman legislative session in 2019. During that session, Rep. Krautter sponsored and passed an important community mental health bill that established state grants for local mobile crisis units. These crisis units consist of mental health professionals that go to people in crisis to provide treatment in their homes and other community settings.

The Conference, entitled "Shifting the Narrative: An Intersectional Approach to Mental Health" features treatment

providers, self advocates and legal advocates who will talk about how we can make mental health services more effective and responsive to the people served. One featured speaker is Dr. Jodi Daly, Ph.D., who was the Chief Executive Officer of the Western Montana Mental Health Center before taking a position to provide services in Washington state, where she is the Comprehensive Healthcare CEO, one of largest behavioral health organizations in the state of Washington.

She will identify important ways in which Montana can improve its mental health system. One of those things is encouraging and funding successful community based practices such as the type of mobile crisis units that were

encouraged and funded with Rep. Krautter's bill. She will be speaking on Tuesday, Sept. 15, along with Wayne Dagle, MS, LCPC, and founder of Perspectives Counseling & Consulting, LLC, who will be talking about cultural competency in community mental health delivery.

On Wednesday Sept. 16, self advocates will speak about the importance of culturally competent treatment as well as how we can better forge alliances within disability community as well as other communities to achieve a better system for all. On Thursday, civil rights attorneys will talk about the critical importance of legal advocacy to improve mental health treatment.

The closing session with awards will be on Friday, Sept. 18. Then, Disability Rights Montana will honor Representative Krautter with their Spirit Award, Senator Jennifer Gross, Billings, with their Courage Award, and Representative Mary Caferro, Helena, with their Lifetime Achievement Award for their work to support and expand community mental health services in Montana.

# E-Waste Collection Is This Friday & Saturday, Sidney, Fairview

Submitted by Beth Redlin

The 16th annual "Erase your Ewaste" event gets under way in Sidney this coming Friday from 3-7 p.m. at the Richland County Public Shop next to the Fairgrounds. MonDak area residents...not just Richland County...are encouraged to bring their obsolete or damaged electronic items for recycling in both Sidney and Fairview this weekend. "Let us help you with your fall cleaning," Coordinator Heather Luinstra said.

Organizers and volunteers will be following county public health guidelines for COVID-19, including wearing masks and social distancing. Members of the public are asked to do the same if they have to get out of their vehicles for any reason. "By adhering to these guidelines we can continue to provide this service to our region," Luinstra said.

Sidney's event begins Friday and then continues from 9 a.m. to noon on Saturday. Fairview's event will be Saturday only, also from 9 a.m. to noon, at the water station on 9th Street. Fairview seniors or others needing assistance in delivering their e-waste may call Ray Trumpower at 742-5616.

Yellowstone E-waste Solutions, Billings is the e-cycler for the event and continues to offer their services for FREE. The only exception is a \$7 charge for removing a hard drive for those needing certificates of destruction or just wanting to hang on to them.

Large loads: As in past years, local businesses, agencies and organizations with large amounts to e-cycle are asked to make an appointment by calling Luinstra at 406-433-2207 or emailing hluinstra@richland.org .

No CRT televisions or monitors are being accepted and no projection TV units or consoles. Other limitations include no consumer white goods, vacuums, light bulbs, CFLs, mercury thermometers, alkaline batteries (rechargeable are okay), or items containing refrigerants (including dehumidifiers), oils, or acids.

The "E-erase your E-waste" effort is now in its 16th year and recycled 511,000 lbs., or 255 tons, of e-waste since 2005. The event is coordinated by members of the Richland County Local Emergency Planning Committee (LEPC), Richland County Disaster and Emergency Services, and the USDA Agricultural Research Lab in Sidney. The Richland County Public Works Department also makes their facilities freely available for the collection event.

## Richland County COVID-19 Update...

Continued from page 1A.

land County residents follow instructions from the Health Department and healthcare providers. The following are important reminders:

- If you are not feeling well, particularly including symptoms of a dry cough, fever, shortness of breath, headache, and other cold-like symptoms, stay home until you feel better. This means that you do not go to work, do not attend regular activities, and cancel or postpone appointments.
- If you have been tested for COVID-19 for any reason, including preoperative testing, you must stay home until test results are received. This means that you do not go to work, do not attend regular activities, and cancel or postpone appointments. Those who were named as a contact to a positive case will quarantine for 14 days post-exposure.
- All residents should be practicing social distancing, including limiting the number of close contacts. This means avoiding large gatherings where social distancing is difficult. Wear a mask as required and when social distancing is difficult.

Together we can slow the spread of COVID-19 in our community. Please do your part so Richland County can recover socially and economically from this pandemic

## Band Day 2020 Combines With Artfest

The Williston Convention & Visitors Bureau (CVB) and The James Memorial Art Center are pleased to announce plans for a community celebration to be held Sept. 19, in Harmon Park in conjunction with Artfest. This year has been a year of adjustment. Band Day traditionally occurs over Mother’s Day weekend every year. This year, it was rescheduled for September as schools moved to distance learning in the spring. Artfest is held annually in the late summer.

“This year, student marching bands and guest bands are not available,” commented CVB Executive Director Amy Krueger. “As a result, we have made the difficult decision to not host a parade. Instead, we are focusing on what we do have. We have an opportunity to work with a wonderful, historical organization to help plan a relaxed community event people can enjoy.”

Band Day predates World War II. The earliest reference found to-date of Band Day in Williston was a 1927 print article, which gives Band Day a 92-year history in Williston. The James Library was opened in 1911, with a banquet and grand ball. This year, Williston can celebrate both with food vendors, craft vendors, live auction and more in Harmon Park. Band Day will be honored with an exhibit titled “Band Day Through the Years” in Harmon Park, showcasing historical images from past festivals.

Vendor registration is open now! Vendor registration can be filled out online at [www.visitwilliston.com](http://www.visitwilliston.com).

If you have questions about Artfest or Band Day 2020, contact the Williston CVB at 701-774-9041 or The James at 701-774-3601 or check the event calendar website for details at [www.visitwilliston.com](http://www.visitwilliston.com). Information will also be posted on the Band Day Facebook page ([www.facebook.com/WillistonBandDay](http://www.facebook.com/WillistonBandDay)).
